## where to start. 2020

The present writer, has presented in the other group, yahoo, some information as regards the #1, malkuth earth/hades plane. This was done for the members of that group who had found it difficult to #2, etheric project. The difficulty of the/these presentations was/is, the 'Black Astral Light'. The 'idea' of such a thing, was viewed/perceived as 'heretical', by many who didn't know any better, and by many of those who couldn't accept. This is not necessarily a 'problem', as no one really cares!

The number 'worked' on the #1, malkuth earth/hades plane/body, in the West, is phenomenal, both in its extent, its scope and its depth. There is no substantial evidence to show/reveal how this came about, but it must have been at the very beginning. The Gnostic groups/sects, proposed that the dark-ness, black-ness, blind-ness, was 'evil', because it (the 'black-astral-light'), prevented(?), the individual, from experiencing the 'Luminous Light' (#2, Etheric Plane) and prevented, stopped, halted, those who would try to 'escape from it'(?).

The present writer has presented two basic exercises of/for this #1, malkuth earth/hades plane, in order for those Ophiel students, who are in a position to take 'advantage' of them. Both these exercises are #1, malkuth earth/hades plane exercises, in order to develop and enhance, the individual's ability to, psychologically tactilely-feel, define and three-dimensional-ise, objects, circumstances, things and/or its.

In this google group, there is no apparent 'file section', where individual members can go and 'download' the materials, that they feel they might want/need. The present writer couldn't be bothered putting all of them on file, in the yahoo group. Now, it is very difficult to know where to start/begin with this new group. The present writer has already started to retype, 1 to 12 'Bubble Magic', which was presented to the yahoo group in 2010, and the present writer intends to post all the previous files, to this group in single sessions.

As it is, at the moment, there is/are two folders; 49, practice run and 50, duality. So, we shall just post, the/these monologues, in the normal/usual way; once a week, two files each Friday, and we shall just have to take it from there. This will shall begin, in January, Friday the 6<sup>th</sup> 2020.

Thank you.
