

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

1 of 3. a trip to the underworld. 2020

The 'difficulty'(?), IS, IN TRUTH(?), the 'bleed-through'(?).

Ophiel is very, very, very, clear, in this! Here it is, from his vignette: The 'OTHER' you:

“What I am discussing in this ‘Vignette’ is the not so obvious fact that you create these ‘Double Thought Forms,’ every time you do something/anything on the ‘Physical Plane.’ Naturally, - Or should I say, unnaturally - For some ungodly reason, the inner double seems to ‘OPPOSE’ the outer double and it is/seems that a lot of the trouble of this world, can be traced to this strange fact?

Dear students, I am not prepared to argue/prove this material to be true. Please make some tests of your own. There is one thing you can do; first, you can become aware of this ‘Double-ness.’ You can even become able to see ‘Thought Forms,’ and then you can become aware of your ability to ‘Bind’ the inner ‘Ethereic Double’, so that it becomes unable to harm the outer ‘Physical Double.’ The actual inner ‘Binding’ is as automatic as the original inner creating.

In a sense, it was no wonder that when the ancients came into contact, mental contact, with the reversing effects of their own mental creations, they thought there were such things as ‘Devils.’ For them, there seemed no other way they could explain the negative effects that appeared in their lives and disrupted their best-laid plans.” End quote.

The names/epithets, of/for the Demiurge, at the/this level of; opposing, adversarial, slandering, etc, etc, are:

Yaldabaoth = Childish!

Saklas = Foolish!

SamaEL = BLIND!

Also, in the Gnostic literature, they said that the Demiurge, was ‘ignorant of’ the/its ‘situation/place’ and of its ‘actions/doings’.

Ignorant (adjective) from late 14th century; meaning = lacking wisdom/understanding; unaware; from Old French. In Latin, it is; ignorantem/ignorans = not knowing; present participle of 'ignorare = not to know; to be unacquainted; mistaken; misunderstand; take no notice of; pay no attention to; From the assimilated form of; in = not, opposite of + gnarus = aware, acquainted with. From the Proto-Latin suffixed form; gno-ro; From the PIE Root word 'gno = to know'. This is a form, which has its influence from the related Latin word; ignotus = unknown, strange, unrecognised, unfamiliar. The word 'ignorant', became the, popular expression, in the late 1800's, for someone/anyone who knew nothing of 'good manners', and who 'behaved' improperly/unacceptably.

For those individuals who have chosen to test, try, use, the basic cosmic egg and/or basic chair exercises, to increase/enhance/develop, the/their #1, malkuth earth/hades psychological tactile-feeling, defining, three-dimensional-ising, powers/abilities, allied to the/their 'own understanding' of what the words/actions of; faith and belief, mean to them. Then it becomes, is simply, a personal/individual 'question' of what, where, how and when; to apply, the/their 'technique'.

Ophiel continues:

"As I write this 'Vignette' I am becoming more and more aware of the queer existence or this dual-ness. I seem to catch glimpses of it as I proceed on to living and it becomes clearer to me as I write more. Now for merciful heaven's sake, do not become suggestible and allow yourself to be influenced 'UNDULY' by the above material. The above material is presented for 'STUDY ONLY' or suggested 'STUDY' and not as 'FACT' a final finished 'FACT.' Exactly what the Truth 'IS' is not really exactly known by me or by anyone else but what I write 'Seems' to have some validity. So, do 'STUDY' and examine and do not accept too easily. 'STUDY' for your 'Future Use' possible use, in your life." End quote.

If anyone, in/on this particular Ophiel Magic Group, has any 'doubts' about the present writer, then let them (the present writer) reassure you, that the 'difference' between Ophiel and the present writer, is not! one of 'brinkmanship' or 'my dog is bigger than your dog!' etc, etc. The 'difference' is simply one of 'technique' and of 'experience', in a 'different' approach/expression = art?

For the present writer, there is only 'duality' in/on the same/one plane/level, irrespective of,

where/what, that level happens to be? At the/this particular moment, the present writer is in/on the #0, outer, outer physically physical level and ‘everything/all’ about them, within them and surrounding them (the present writer), is, also, too, as well = #0, outer, outer physically physical = DUALITY!?! (How is ‘it?’ for you? The reader? Please ‘decide’ for you, self!! And keep it too, your, self!!?) Here is an example, from Ophiel, from his book: Clairvoyance, his chapter: The Astral Light:

“My Inner Plane researches have convinced me that all the planes differ from each other greatly and what is a clairvoyant physical-type of movement on one plane is not the same clairvoyant method of movement on another plane. In my book (Astral Projection, Dream Method), I explain that in a clairvoyant projection there seems to be a rule, that a person continues to project ‘on up’ once the entrance to the Inner Plane is made.” End quote.

Farther on, same page; we read this:

“To become clairvoyant, you have to enter these Inner Planes and see for yourself what it is all about, and in order to see, you have to know what kinds of movements you can make. This is the true practice of Clairvoyance and not any fake information you may get otherwise. The above should have shown you, that there are a number of different planes you go to, and your actions on each of them has to be different in each case. Developing a clairvoyant ability to cognise one plane will not carry over automatically to another, different plane. Unless you know, what you are doing or what you are looking for, your Inner Plane work will not be good work but only hit and miss.” End quote.

So, we begin with the/our/your;

#0, outer, outer physically physical plane = use, used, using!

#1, malkuth earth/hades plane = tactile-feeling!

#2, etheric plane = reflect, reflection, reflected: repeat, repeated, repeating!

#3, ego body, present incarnation, personality body = watch, see, look, stare, observe!

#4, astral body = intention, direction, projection!

#5, archetypal body = foundation, first-impression, first-stamp, first-mould!

#6, akashic body = cause, causing, causality!

To become clairvoyant, you have to enter these Inner Planes and see for yourself what it is all about, and in order to see, you have to know what kinds of movements you can make. This is the true practice of Clairvoyance and not any fake information you may get otherwise = work out your 'inner movements' from the above table.

So, we are taking a 'trip'(?), to the/your underworld, the realm of psychological tactile-feeling, defining, three-dimensional-ism, symbol-ism = BLACK-ASTRAL-LIGHT!?! (See/read 1 to 4, Demiurge. 2020) (See/read basic cosmic egg exercise, and 'observe' the 'black akashic egg') In this exercise, the/that/this 'egg symbol', is the one 'used', for cause, causing, causality = IN/ON THE/YOUR #1, Malkuth Earth/Hades Plane! = The 'akashic part', of the/your #1, malkuth earth/hades that behaves like, looks like, works like, operates like, behaves like = The Elemental Force, of the element of, elemental Akasha = BUT...it is 'still' all elemental earth!?! = AKASHA-of-EARTH = Egg 'inside' Cube!

We know/understand from previous posts/messages, the etymological meaning, of the word 'faith' = is/means = to persuade through/by/with dialogue, speech, conversation, talking, discussing, coaxing, enticing, etc, etc.

SO! IF THIS, THE ABOVE, IS 'TRUE!?!' = WHAT THEN! IS THE 'LANGUAGE OF!?!' = THE/YOUR = #1, MALKUTH EARTH/HADES PLANE/BODY?? THIS 'LANGUAGE OF!?!' IS THE FIRST-THING!?! = THAT YOU = #0, Outer, outer physically physical 'You!' and #3, Ego body, present incarnation, personality body 'You!' = MUST LEARN/MASTER!?!

We know/understand from previous posts/messages, the etymological meaning, of the word 'believe' = is/means = to trust through/by/with experiencing, accepting, owning, having, identifying, belonging, yours, who/what 'you' ARE!?! etc, etc.

Here is what Ophiel writes, same book, Clairvoyance, same chapter: The Astral Light:

"So, to start – When you enter the Inner Planes with your own clairvoyant consciousness, the first thing you cannot help noticing is the Flood of White Light that exists everywhere. The entire substance of the Inner Planes is Light itself!!! In addition, all the objects that occupy

the Inner Planes are composed of this same Light itself!!!

To make this a little clearer – The Light that floods the Inner Planes is also the MATERIAL from which the objects, and inhabitants! of these Inner Planes are made/composed of!!!

Having gone this far, I will go a little farther – at this point, it seems to me you might be ready to grasp another great basic concept – try it – here it is. The Matter of the Physical Plane is also composed of this same LIGHT!!! However, this is a great mystery and cannot be gone into fully here or even touched on too much. That conception, however, is a start for you on your way to self-mastery.

I do not know how the Light becomes matter, i.e. becomes condensed into physical matter, or even how the Light becomes Inner Plane matter/objects, but I am pretty sure it does happen somewhere along the line, and he who masters this mystery becomes great indeed.” End quote.

As much as many, may not like it? Approve of it? The ‘light’ = becomes matter, as soon as ‘conscious-ness’ = STARES AT IT! LOOKS AT IT! WATCHES IT! SEES IT! OBSERVES IT!?! See/read Ophiel’s vignettes: The Two Creators: The Two Dreamers: More Ideas about God and the book of Genesis = and God ‘looked!?!’

Now, to the above, replace stare, look, watch, observe; with ‘tactilely-feels’!?! And ‘apply’ it/this = ‘tactilely-feels’ = to Arik-Anpin and Zoar-Anpin!?! (Each lower plane, is the elemental earth ‘principle’ to the plane above it!!)

I do not know how the Light becomes matter, i.e. becomes condensed into physical matter, or even how the Light becomes Inner Plane matter/objects but I am pretty sure it does happen somewhere along the line, and he who masters this mystery becomes great indeed = IT (The Light) BECOMES ‘CONDENSED MATTER’ by/with/through ‘Tactile-Feeling’!?!

Then, farther on, we read this part:

“Now, on the Inner Planes all these forces are still the White Astral Light. Any apparent differentiation between the atmosphere of the Inner Planes and the Objects on the plane are only apparent differences and not “real.” Please note the above carefully.

Now, after you have absorbed the above concept you can understand the next statement which is – All Inner Plane “things” are “cushioned” and “floating” on this sea of Light. In

another sense, this sea of Light is more like a vast Inner Plane Ocean, on the “surface” of which floats the objects that exist thereon and therein.” End quote.

The present writer has seen this ‘Vast Ocean’ and knows, for an absolute ‘fact’, that many of you have ‘seen’ it, too!?! If you, the reader would like to ‘see’ this ‘Vast Ocean’, for yourselves, then have a look at the ‘Images’, from, The Hubble Space Telescope, and you will/shall ‘see/observe’ = EVERYTHING ‘FLOATING’ IN THE ‘VAST OCEAN OF SPACE!?!’ (AKASHA!?!). If you do not yet have, the ‘imagination/inspiration’, to understand this yet, then don’t worry about it, but...it is there!?! And! It is ‘in’ you! (Akasha = Space = Egg!?!)

So, the ‘LANGUAGE OF!?!’, the/your #0, Outer, outer physically physical body = IS! = USE, USED, USING!?!

So, the ‘LANGUAGE OF!?!’, the/your #1, malkuth earth/hades plane = IS! = YOUR PSYCHOLOGICAL TACTILE-FEELING, DEFINING, THREE-DIMENSIONAL-ISING ‘BODY!’

There is ‘no room?’ for you = #3, Ego Body, Present Incarnation, Personality Body!?! = whose ‘LANGUAGE IS!’ = OBSERVATION!?!

Any ‘notion/idea’ you ‘have’ of any kind/type of ‘physically physical verbalisation/speech’, you can dismiss, and forget, as you will not/shall not be ‘using’ it, on this particular trip!?! So, prayers, incantations, invocations, evocations and/or ‘commands’, at the/your #0, outer, outer physically physical level, is/are ‘out’!?! (See/read Ophiel for this.) Also, just in passing, please note! You cannot/do not ‘change’ your #0, outer, outer physically physical level, you can only ‘use’ it!?! The ‘change’(?), if any(?), must come ‘through’, the/your, #1, malkuth earth/hades plane = the plane of the ‘elements’!?!

In the ‘modern’ idea, the term ‘resistance’, doesn’t have the same ‘connotation’, as ‘devil?’, ‘adversary?’, ‘opposer?’ or ‘slanderer?’. In the ancient speak, the ‘resistance’, was ‘deemed’ to be Evil! And ‘active’, ‘personal’, specific to the race, and the ‘individual’? And yet! Without this ‘resistance’ we can ‘do nothing?’, but... it (the resistance), has been misrepresented for so long, and so thoroughly, it is almost impossible to escape or evade, its ‘consequences’! Here it is, from Ophiel, his book: Contacting the Demiurge, his chapter: Opening; which you should read:

“When, and ever, mankind, in bulk, will emerge from the mind’s “dark ages” of thinking, and perceive that duality IS existence, and, in fact, is necessary; that there is no such thing as black and white, then he will control, and then will an understanding of this physical world come about; and what has been called Evil, for thousands of years will become the salvation of people – especially those who are in advance, put themselves in advance of the race, in their Thinking. So again, to repeat, for emphasis, while there are dual Forces, these dual Forces are not evil, or bad, or good, or pure, or holy, but are supremely natural.” End quote.

Duality = ‘all’ = in/on the same/one plane!

Ophiel, writes this, in his chapter: Another Knowledge Section:

“I will explain the operation in several different ways, and then try to give some reasons for the different ways. If I don’t cover all the ways, or reasons, in this book I will continue in in other books, because the to-be-described operation hinges upon a lot of vital Occult rules, or laws, and its application throws a great deal of light upon general Occult Magic Power Workings.

In fact, I could say this operation is the centre of Correct Occult Magic Workings, and its understanding can/will advance you as well. The Operation I refer to is called, mildly and unobtrusively, “binding,” simply, binding.

I realize now I could almost write a book on this subject, and not reach an end to its ramifications, followers of Mithra were Roman soldiers. All they knew was that the rites of Mithra worked, and they worked for the empirical reasons I have given elsewhere in this book.” End quote.

To ‘bind’ in/on the/your #0, outer, outer physically physical plane = you must use, used, using!

To ‘bind’ in/on the/your #1, malkuth earth/hades plane = you must tactilely-feel!

To ‘bind’ in/on the/your #2, etheric plane = you must reflect (visualise)!

To ‘bind’ in/on the/your #3, ego plane = you must observe (stare, look, see, watch)!

Once again, please note: the/your #3, ego body, present incarnation, personality body = is a

‘construct’ = of where and when, you #0, outer, outer physically physical you were ‘born’, and it = #3, doesn’t really ‘have’ a plane, as such, but... as the your #3, ego body ‘piggy backs’ on each of the ‘other’ bodies, it ‘seems as if!?!’, it is ‘real?’, which it is not! Real... at the time? (during incarnation!) Yes! But... ‘real’ in its ‘self?’ = NO! There is/are many, many ‘other’, life forms, on the planet, that are ‘conscious’ aware, awake, to the/their environment, but...there is only one ‘species’ (?), which has(?), an Ego = ‘I’! But... this, Ego = I = is not(!) = conscious-ness? Ego ‘I’, is simply ‘reduced’ to the #3, Ego body, present incarnation = PERSONALITY BODY!?! (Grammatical variants of ‘I’, are ‘me’, ‘my’, ‘mine’ and ‘myself’.

I 12th century shortening of the Old English ‘ic’, for first person, singular nominative pronoun, from the Proto-Germanic ‘ek’. From Proto-Indo-European word ‘eg = I’. Latin ‘ego’, which is/has now been associated/linked with = the #3, personality body, of/for each ‘incarnation’(?) by 1707, in the metaphysics of the day, the ‘I’ had been expressed, as the ‘self’; that which feels/acts, and was associated with the Latin ego = I!

But... that/this is not, how Ophiel explains it, from his book: Clairvoyance, in his chapter, the Two Minds, and not, how he explains it, in his vignettes: Why do you let the Devil ‘USE’ you: The ‘OTHER’ you: Your ‘OTHER’ you and Your ‘LOYAL’ opposition. Here it is, from his book, mentioned: last page, last paragraphs:

“Now in your experimental sub-mind work you will have to evolve your own types of exercises, like the examples given, and carry them out successfully. You have to release all conscious-mind control and practice allowing the sub-mind to take over, and this gives rise to a very queer feeling, as if you seem to be losing control over your objective world. Practice this until you note a degree of entry of the sub-mind into the objective world, which is all you want, a degree of entry, and a degree is all you need to greatly improve and sharpen up your life.” End quote.

You have to release all conscious-mind control and practice allowing the sub-mind to take over, and this gives rise to a very queer feeling, as if you seem to be losing control over your objective world = the/your #3, Ego body ‘personality’ body = LETS GO? RELEASES? RELAXES? SUBMITS? (Ancient speak; ‘submits to the ‘will’ of the Lord = Prince-of-Darkness!?! Also, ‘lowly’ and ‘meekly’, now days, it is expressed as ‘passive/passivity’, mistakenly called/named ‘submissive’, rather than a ‘partnership/sharing’!?!)

As you can see/read for yourselves, in the above Ophiel quote, it is the/your #3, Ego Body, who must ‘release all conscious-mind-control, over your ‘objective-world’!?! To this ‘end’, it

is suggested/recommended, that you, the reader put this to the ‘test’ for you! And that you ‘try/use’, the basic cosmic egg and/or basic chair exercises, to enhance/develop, your #1, psychological tactile-feeling, defining, three-dimensional-ising, symbol-ising, symbol-ism, through the/daily practice of these exercises for three minutes, two/three times a day. = **Now in your experimental sub-mind work you will have to evolve your own types of exercises, like the examples given, and carry them out successfully.**

The ‘job/task’ of the/your #3, Ego Body, present incarnation, personality body, is to = observe! (Means = to watch over = see, look, stare!! See/read Ophiel’s book: Contacting the Demiurge; Section Nine:

“There is one other basic idea that you can keep in mind and experiment with, and that idea is what I call merging. **You will recall that I said in this book, and in my other writings, that the God forces-vibes were given names and identities as a handle so that our every-day-minds could get a ‘hold’ onto these abstract ideas, and thus USE the ideas as laid out in this book, and other writings.**

I suggest you practice-visualize these ‘handle’ IMAGES until you can recall the visualized picture quite well, and then MERGE yourself with the image, and feel yourself to be merged with the God Idea, and then go on from there as you are then on your own and I cannot advise you farther, but you should have some idea as to what to do and how.

As a somewhat advanced idea for you to work yourself into, in time, you can visualize the ‘handle-name-idea-picture’ of the Vast Countenance, visualize as a vast head/face (use your own ideas as to what it would look like if it were ‘real’, that is real on this physical plane) and carefully, gently, and quietly merge yourself with the Vast Countenance, and then ‘look down’ THROUGH THE LESSER COUNTENANCE TO YOUR PHYSICAL-MENTAL SELF. DOWN HERE, and then take it from there as to how you DESIRE TO SEE YOURSELF.

A great amount of Knowledge-Power is embodied in the few words just given and I can find no way to make the previous admonition any stronger than so stated, even if I used ten thousand words. So be it.” End quote.

Basically, this ‘desire to see yourself’, is simply taken ‘down into/onto’ a plane/level where you can ‘experience’ these things, at a psychological/egotistical level, and ‘work/operate’ with them, instead of ‘against them!?!’

Also, for 'watch over = observe', see/read Ophiel's vignettes: The Two Dreamers; The Two Creators and see/read what Ophiel writes about the descriptions of/for Arik-Anpin and Zoar Anpin; you can also check out the Crazy Book (Bible), Genesis = And God looked, seen, stared, etc, etc! Big occult for you: NOTE! GOD DID NOT MOVE!?! GOD = ONLY 'OBSERVED = WATCHED OVER!?!' = A great amount of Knowledge-Power is embodied in the few words just given and I can find no way to make the previous admonition any stronger than so stated, even if I used ten thousand words. So be it!?!

Thank you.
