

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

1 of 1 time to change. 2020

We come now to the place, where you, the reader/operator, must work the most, ‘diligently and deliberately’, otherwise most of your ‘effort’, will have been for ‘nothing?’. You, the operator/reader, must make a ‘choice’? A #0 &+ #3, ‘choice?’. The aware-ness, awake-ness, conscious-ness = TO/OF THE/YOUR = BLACK-ASTRAL-LIGHT = #1, Malkuth Earth/Hades, should have brought to your #0 &+ #3 conscious-ness, the feeling/sensation, that the/your #0 &+ #3 = ARE PROJECTIONS OF!?! = THE/YOUR #1, MALKUTH EARTH/HADES ‘SELF!?!’

Here is what Ophiel writes, in his vignette: Getting Material Things.

“To start this essay broadly and then to narrow it down is my intention. Firstly, just how far-much can Inner Plane ‘workings’ influence the outer Physical Plane? The answer is, in general, some? To a precise point, no! By that, I mean it is possible by using Inner Plane Power to effect changes on the outer Material Plane, **but not directly, and only within certain very special limits, and not often instantaneously.**” End quote.

But not directly!

And only within certain very special limits!

And not often instantaneously!

So, if it is ‘**not directly**’, then you, conscious-ness, must turn away from #0 &+ #3!?!

So, ‘**within certain very special limits**’, for you, at this time, is/would be = #1!?!

So, ‘**not often instantaneously**’, means faith/belief = #0 &+ #1!?!

Big things require ‘more time?’, not ‘more space’?

So, we must look to/towards the/our/a ‘technique’, which we ‘believe?’, is going to ‘carry

us'?

The present presented proposed technique, is that of psychological **tactile-feeling!**

This 'requires' = a projection of conscious-ness = to the/that plane/level?

The 'proposal' is that, for the 'technique', the use, of the basic cosmic egg exercise, be 'considered', be 'tested', be 'tried' and be 'used'.

Faith means to 'persuade/convince'!?!

Belief means to 'trust'!?!

We shall 'use' Faith in/on/through, the/our/your #0, outer, outer physically physical body!

We shall 'use' Belief in/on/through, the/our/your #1, malkuth earth/hades **tactile** body!

Here is what Ophiel writes, in his second book: Creative Visualisation, his chapter: Law of Emotion:

“One method of using E-motions, often advocated by former Creative Visualization teachers of the natural type, **was to instruct the student to “FEEL” (without telling him “how” to “feel”)** that he already had the thing desired, and was using it, AND he would get it in due **time**.

This idea seems to have originally been based upon one of the few genuine portions of the “new testament”. The purported Jesus is supposed to have said – “Whatever things you want **believe that you have them already and you will have them.**”

(Therefore, I say unto **you what things so ever ye desire, when ye pray, believe ye have received them and ye shall have them** MARK 11:23 ERV.)

Of course, the above directions are greatly simplified and are directed to those who are able to work the Creative Visualization Laws naturally. You now know, from your reading study of this book, that there are many other factors-laws to be taken into consideration to make Creative Visualizations work than the use of just one single Law. However, these other Factor-Laws you now already know **and knowing them you can use them all together**

properly and get the best reinforced use out of all of them.” End quote

Please read each highlight above, and ‘consider them’ in the ‘context’ of the/your #1, malkuth earth/hades tactile-feeling plane.

Imagine now, if you will, that you cannot/do not, as yet(?), #2, etheric project, but that you, the reader, want to ‘get on?’. Surely there must be a ‘way?’. Well, believe it or not(?), the worthy ancients, knew/had, a ‘way?’. They had ‘mapped out’, the Astral Light = from ‘top’ to ‘bottom’!?! From Light to Dark!?! From Kether to Malkuth!?! = ALL OF IT = INNER-PLANE!?! And! And! THEY KNEW ‘HOW!!’ TO ‘USE’ IT!?! =

Therefore, I say unto you (#0), what things so ever ye (#0) desire, when ye (#0) pray, believe ye (#1) have received them, and ye (#0), shall have them!?! Ophiel next writes, this, in his vignette:

“I know this is rather disappointing news for those who are in physical need and want to turn to the inner Planes for assistance on this physical plane and who need help at once. All things are relative to each other in time and space (Earth time and Earth space.) and you must start sometime, go on from the starting point, and grow into the use of Occult Knowledge, leading to Power. But, please remember physical action is needed to supplement occult WORKINGS. We all would love to have a direct control over dear old Matter, and I know of one instance of DIRECT INFLUENCE ON MATTER, but I’m afraid, one not very usable or practical.”

When both #1 &+ #0, are in ‘harmony’, in ‘synch’, in ‘tune’!?! Then, everything seems to simply ‘fall into place?’, but... even when something like this ‘happens?!’, it ‘still takes time(?)’.

“To return to the conception of getting ‘material things’ through mental magic: Yes, it can be done, but the process is not like that of waving a ‘magic wand.’ There are people who are naturally successful without inner plane help, but if you were to examine their lives, you would find that there existed a definite pattern, both a physical pattern and a mental pattern, that did it. And this same type of thing is what you must embody into your life, too.

In other words, - change you’re thinking! - AND, - how many people really change their thinking? WELL! You can but try! Even changing your thinking for short periods can have

some effect for beneficial changes.” End quote.

This ‘change your thinking’, is what you do/practice, with the/your, basic cosmic egg and/or basic chair exercises! The ‘secret(?)’, being that you are developing/enhancing the/your psychological = tactile-feeling, defining, three-dimensional-ising, symbol-ising, ‘body!?!’ Once you, the reader/practitioner ‘accept’, this idea/practice, then ‘things change!?!’ BECAUSE NOW!!! YOU ARE ‘IMMEDIATELY PROJECTING!?!’ (Oh! Yes, you are!?!?) = you would find that there existed a definite pattern, both a physical pattern and a mental pattern, that did it. And this same type of thing is what you must embody into your life, too!?!

This ‘pattern’, is when ‘both’ bodies = 1 &+ #0 = are ‘agreed!?!’. Next this:

“These changes require that you also strengthen your ‘inner convictions’ to match the changes and this is certainly no easy thing to ‘Do.’ And I can offer you no real personal help to make it easier. No one but YOU can strengthen your Inner Self. This strengthening is a process of growing and growing in spite of all setbacks and results of cycles, of ‘hopes deferred’ and all the screwball tactics that make up ‘living life’, this physical life. I certainly don’t mean to sound gloomy, by no means.” End quote.

These changes require that you also strengthen your ‘inner convictions’ to match the changes and this is certainly no easy thing to ‘Do.’ And I can offer you no real personal help to make it easier. No one but YOU can strengthen your Inner Self = If you have ‘accepted’ that; faith = persuasion/convincing = #0, and that; belief/trust = #1!?! Then you would find/discover that you had/have; both a physical pattern and a mental pattern, that did it!?! And that, you would/could/should, be able to increase/enhance your ‘inner convictions’, through/by/with the/your psychological tactile-feeling!?! Ophiel next writes:

“Actually, to understand the construction of ‘ALL’ and to master your own ‘Life LIVING’ is the greatest achievement in the entire universe, and should thrill you to the core of your being. And this achievement is done through KNOWLEDGE; KNOWLEDGE of your - Self, - KNOWLEDGE - of the ‘Machinery of the Universe,’ - And, - your acquired Knowledge of how to ‘RUN THE MACHINERY OF THE UNIVERSE’ in regard to your own personal self.” End quote.

And this achievement is done through KNOWLEDGE = Tactile-Feeling!

KNOWLEDGE of your – Self = Conscious-ness through = Tactile-Feeling = in/on each plane!

KNOWLEDGE - of the Machinery of the Universe = How it works in/on each plane!

And, - your acquired Knowledge of how to 'RUN THE MACHINERY OF THE UNIVERSE' in regard to your own personal self = How you = conscious-ness = tactilely-feel = about your 'Self' and your 'Bodies?'

To 'have' knowledge/known, of/for = The Prince (#1)-of-This-World-(#0) = his laws, rules, governances = HIS CONSCIOUS-NESS (Tactile-Feeling, Defining, Three-Dimensional-ism, Symbol-ism) IS THE 'FIRST' CONSCIOUS/DELIBERATE 'STEP!?!' In your = Conscious-ness = CONTROL!?!

Above the/your #1, malkuth earth/hades plane = IS = the/your #2, etheric plane!

Behind the/your #1, malkuth earth/hades plane = IS = the/your #0, outer, outer physically physical earth plane!

Your #1, Malkuth Earth/Hades 'sphere', stands between, #0 &+ #2!?!

Please consult your tree/map, for conformation of this 'indisputable' fact!?!

Please try to 'realise' this 'indisputable' fact!?!

Please try to 'cognise' this 'indisputable' fact!?!

Knowledge/knowning 'of', this 'fact', about your #1, malkuth earth/hades, is, not enough!?!

Reading 'of', this 'fact', about your #1, malkuth earth/hades, is, not enough!?!

See this 'fact' in a book = that the/your #1, stands between your #2 and #0 planes, is, not enough!

You = conscious-ness = must experience = your!?! = #1, malkuth earth/hades!?!

You = conscious-ness = can do this!?! = through/by/with = psychological TACTILE-

FEELING!?!

Ophiel next writes:

“In these few pages I cannot give ‘ALL KNOWLEDGE.’ I aim to give out something in each writing and in time, to get a great deal of it out. (And I am not doing this to extend the bulk of my writing, but because the scope of this material is very large.) Please study the following basic-basic and assimilate this knowledge into your ‘BEING’. A great deal of ‘TRUTH’ is here given. The next Inner Plane is full of Light. This Light is the ‘SUBSTANCE’ of the Secondary God. I call this ‘LIGHT SUBSTANCE’ the ‘Astral Light’ (Star Light) (My pet name.)” End quote.

Here now, is where the ‘difference’, between the present writer and Ophiel, can be observed;

Please study the following basic-basic and assimilate this knowledge into your ‘BEING’. A great deal of ‘TRUTH’ is here given = ‘BEING’ (Conscious-ness, awake-ness, aware-ness) is through individual/personal ‘experience’!?!

A great deal of ‘TRUTH’ is here given. The next Inner Plane is full of Light = BUT... for the present writer (and everyone else!?!?) according to Caballa and the Tree/Map = The next Inner Plane is = Malkuth Earth/Hades!?!?!?! Which, by the way = IS PERFECTLY ACCEPTABLE!!?! = because the next plane up/in = IS!! = the/your #1, malkuth earth/hades!?! = BLACK-ASTRAL-LIGHT!!?! Also, if you care to read Ophiel’s book: Talismanic Magic, you can read where he writes, that the/this #0, outer, outer, physically physical world/plane, is ‘also’, hardened = ASTRAL-LIGHT!!?! Ophiel next writes:

“EVERYTHING in our physical existence is connected to, related to, concerned with, the Astral Light. For the rest of this Vignette I will list the names, other names, by which the Astral Light has been ‘DISCOVERED’ and ‘NAMED’ by occultists and metaphysicians through and over the centuries. As each came upon this ‘Light Substance’ in turn, used it, and then named it, the name he gave depending somewhat upon the ‘QUALITY’ of the ‘Light’ used. The following are names for the Great Agent: Prana, Holy Ghost, Elemental Forces, Cosmic Magnetism, Magnetic Fluid (Mesmer,) Keys of the Kingdom, Living Water, Vril, Hidden Agent, Logos (Gnostic,) Chameleon, Flor Salis Albi (Flower of White Salt,) Philosopher’s Stone, Elixir of Life, Demiurge (Greek,) Half-God, Animal Magnetism (Mrs

Eddy = Christian Science) Para Brahman, Absolute Substance.” End quote.

As each came upon this ‘Light Substance’ in turn, used it, and then named it, the name he gave depending somewhat upon the ‘QUALITY’ of the ‘Light’ used = the worthy ancients came upon the ‘Light’ = as Black!?! = The Prince-of-Dark-ness = (It was the ‘later’ worthy ancients, who made it = BLACK-ASTRAL-LIGHT = EVIL, A DEVIL, A DEMON!?!) Ophiel finishes his vignette, with this:

“The ‘Core Knowledge’ of this Vignette is that you, ‘Learn’ about the, ‘Existence’ of the Astral Light and then from then on, you, take the ‘Existence’ of this Great Agent into all your calculations. Generally speaking, you can learn how to manipulate the Agent so that it will not harm you and can benefit you. Learn and Work. As I have said before and will say again and again, this life is a very ‘queer’ thing? It is said that we ‘came’ from a free ‘space’ and here we are ‘confined.’ Some kind of lesson is to be ‘Learned’ a way of ‘escape’ is to be found? The above is a start” End quote.

Generally speaking, you can learn how to manipulate the Agent so that it will not harm you and can benefit you. Learn and Work = What is so ‘wrong?’, about learning of the/your Black-Astral-Light = contacts!?! Through the/your daily practice/doing, of enhancing/developing your psychological tactile-feeling = and following the laws, rules and governances of/for the/this/your #1, malkuth earth/hades plane!?!)

The ‘escape’ is/can be(?), achieved(?), obtained(?), secured(?) = through/by/with = knowing of, knowing about, accepting = you #0 &+ #3 = agreeing with = you #1, malkuth earth/hades!?!)

If #1 says! = don’t be lazy = agree-with-him!

If #1 says! = don’t be stupid = agree-with-him!

If #1 says! = don’t be drunk = agree-with-him!

If #1 says! = don’t be cruel = agree-with-him!

If #1 says! = don’t be poor = agree-with-him!

If #1 says! = work smart = agree-with-him!

If #1 says! = work hard = agree-with-him!

If #1 says! = do the work = agree-with-him!

If #1 says! = my name is Simon = slap-him-on-the-head! (Wee joke there? Me thinks?)

The ‘occult(?)’, is in the ‘word’ = agree!?! = and who it is(?) = that is/are to = agree(?)!?!

Agree (verb), late 14th century; to give consent/assent’, from Old French; agreeer = to please/satisfy’; From 12th century, to receive with favour; to take pleasure in; to one’s own liking. From Latin gratum/gratus = pleasing, welcome, agreeable. From the Proto-Indo-European Root word; gwere = to favour. = AN INTERNAL AGREEMENT = #0 &+ #1!?!

As I have said before and will say again and again, this life is a very ‘queer’ thing? It is said that we ‘came’ from a free ‘space’ and here we are ‘confined.’ Some kind of lesson is to be ‘Learned’ a way of ‘escape’ is to be found? The above is a start = The ‘lesson’ is? = TO ‘AGREE’ WITH YOUR ‘SELF!?!’ = NOT! NOT! #0 with #3!?! = NOT! NOT! #0 with #2!?! BUT... #0 with #1!?! (See/read Saint Augustine of Hippo, number one of 1 to 17 letter & egg.)

When your #1, malkuth earth/hades body ‘believes = tactilely-feels’, then your #0, outer, outer physically physical body = has little or no problem with = the subject matter!?! (Good or Bad!?! = MAKES NO DIFFERENCE!?!?!)

When your #1, malkuth earth/hades body ‘does not believe = tactilely-feel’, then your #0, outer, outer physically physical body = does-have = a problem with = the subject matter!?! (Good or Bad!?! = MAKES NO DIFFERENCE!?!?!)

Please put this, to the ‘test!?!’ Please ‘try!?!’ this. Please ‘use!?!’ this, and keep a note/diary!?! Of your ‘tests’!?! This is no different, from Ophiel’s ‘Dream Method’ of Projection, from his first book: Astral Projection!!! A ‘CHANGE/VARIATION’ does not! Negate/Nullify the ‘principle’ involved!?!

Thank you.
