14 of 17 duality. 2020

One of the more 'obvious' of things about the Akasha, is in its description, especially from Ophiel. The present writer just assumes, that since most persons are in/on this particular Ophiel Magic Group site, that they are interested in Ophiel's techniques and his writings. Well, if you read Ophiel's; Correspondence Course in the Foundations of the Occult and his Correspondence Course in Astral Projection, along with his books/vignettes, you will/shall find/read where Ophiel writes, that the Element of Akasha is = The 'Recording' Ether = well, one of the 'strange things'(?), about the/this 'akashic recording ether' is that = IT IS ALSO!?! = THE ELEMENTAL PLANE OF CAUSALITY!?! Whereas, the #2, Etheric Plane, Elemental Water = IS THE ELEMENTAL PLANE OF REFLECTION!?!

It is because your #6, akashic egg, has 'recorded' (not reflected!), that you 'now have', what the worthy ancients called/referred to, as an 'archetype' = contact to with the 'God' of the/that plane!?! (See/read Ophiel's book: Clairvoyance, his chapter: Rising on the Planes.) This type/kind of 'contact' = IS THAT OF 'DUALITY'!?! = All, in/on the same/one plane!?!

When the 'Akashic Recording' is 'clear/true' = then it (the 'recording') = ripples through/down the planes!?! = until it/they (the 'recordings') = finally reach the/your #1, malkuth earth/hades plane = WHERE THEY/THESE RECORDINGS = ARE PSYCHOLOGICALLY TACTILELY-FEELT = AS BELIEF, BEILEVE, BELIEVING, BELIVED!?! Where upon, these beliefs, believe, believing and believed = ARE USE, USED, USING!?!

1. Conscious-ness is Duality!
2. Conscious-ness is All, in/on the same/one plane!
3. Duality is Belief/Believing!
4. Duality is Conscious-ness!

Put it to the 'test'!?! Here is how Ophiel writes it, from his book: Clairvoyance, his chapter: Rising on the Planes:

"We will now introduce some ideas as to how to "work" clairvoyance. This should be your first "working" directions (something I never got from books when I was first seeking. All I

got was a lot of talk – idle chatter.) Our plan for the moment is to start as above – some knowledge followed by some practices. You might have to do a little connecting yourself – good for you – develop your Occult senses!! Which is really all the basic Occult, consists of.

So, therefore, having familiarised yourself with these broad, general subjects, your first work in developing clairvoyance is to think about these subjects in a meditative way – seeking further knowledge about the subjects – entering into the “spirit” (spirit-air-movement) of the subject in question.” End quote.

Read each highlight above, individually, and think about them, as you do/practice the/your basic cosmic egg and/or basic chair exercises, which are ‘both’ #1, malkuth earth/hades tactile-feeling plane, exercises!?!)

There is ‘no’ #2, etheric light, in/on the elemental plane of the element of, the elemental force, of the element of, elemental earth!?!)

The/your #1, malkuth earth/hades plane ‘consists of’ = BLACK-ASTRAL-LIGHT!?!)

The/your #1, malkuth earth/hades plane ‘consists of’ = PSYCHOLOGICAL TACTILE-FEELING!?!)

The/your #1, malkuth earth/hades plane ‘consists of’ = SAMAEL – GOD-OF-THE-BLIND!?!)

Could you/can you? As an Ophiel student, take the above three lines and ‘work with’ them? = You might have to do a little connecting yourself – good for you – develop your Occult senses!! Which is really all the basic Occult, consists of = can you really enhance/develop your psychological tactile-feeling, to such an extent, that your #0, outer, outer physically physical body, fades into the background of your conscious-ness, to such an extent, that you are in a ‘duality’ with, the/your #1, malkuth earth/hades plane/body!?!)

Have you ever been in a ‘dream?’, where everything is so ‘real?’, that you don’t know you are dreaming!?! That you are fully convinced, that this, what is happening to you now, in the dream, is the ‘real’ thing? (See/read Ophiel’s book: Astral Projection and his chapter: Dream Method.) Ophiel, continues his narrative, in his chapter: Rising on the Planes, with this:

“I am going to make a rather detailed, elaborate illustration-example here which I want you to

follow carefully, as the modus operandi will be the same for all other subjects. Let us take an example which I may have mentioned in another book in another connection before. The person in question was a woman who worked in a large store of the department type.

One Sunday when she was there alone to do some detailed work, she became engrossed in a contemplative-meditation upon the merchandise in her department. In her imagination, she started with a bale of material before her and followed the material “backwards” (Please Note) to the point of its origin in some foreign country.

Finding this imagination process a fascinating and rewarding mental adventure, she did the same with all the other different kinds of merchandise in her department. These experiences so stimulated and inspired her that her character expanded to the point where she became the leading salesperson of the department and then of the store, and afterwards she rose to an executive position. This description is brief, of course, but the case followed the course outlined.” End quote.

So, we/you have a ‘duality’ with all things #0, outer, outer physically physical; this ‘duality’ is so ‘strong’, so ‘complete’, so ‘immersive’, that all/any ‘other’ dualities are effaced, to the extent, that our/your conscious-ness = as our/your #3, Ego body ‘sees it’ = is/are ‘dismissed’ out of hand? Our ‘dreams’ are just in our ‘head’? Our ‘dreams’ are ‘not real’? Our ‘dreams’ do not affect/effect ‘us = #0 &+ #3’?

So, our ‘dream’ of the/our/your basic cosmic egg exercise, of experiences of enhanced/developed, psychological = tactile-feeling = so stimulate you and inspired you that your character expands to the point where you, ‘conscious-ness’ come to understand the ‘duality of’ being ‘conscious’, of being in/on a/an/other plane/level!?! IS THIS NOT WHAT YOU ‘DO’ IN OPHIEL’S ASTRAL-PROJECTION-TECHNIQUES!?!

Study carefully, Ophiel’s vignettes: The ‘OTHER’ you: Your ‘OTHER’ you: Why do you let the ‘Devil’ USE you? Your ‘LOYAL’ opposition? The letter of Saint Augustine of Hippo (number one of 1 to 17 letter & egg.) Then, when ready, study the names/epithets of/for the Demiurge, at the/your #1, Malkuth Earth/Hades Plane/Level =

Yaldabaoth = Childish; Saklas = Foolish; SamaEL = Blind!?!

The last name ‘Sama-EL’ (Samuel), etc; is God of the Blind or, if you prefer: The Blind God!?! This ‘God’ has been introduced to the members of this particular Ophiel Magic

Group, as the/your Psychological **TACTILE-FEELING**, DEFINING, THREE-DIMENSIONAL-ISM!?! With which anyone, any ‘average’ person, should/could make some progress, in their understanding of, the basic plane set-up/system, that is prevalent/open to ‘all’. The Basic Cosmic Egg Exercise = filters-out!!!! = defines!!!! = the/your #1, malkuth earth/hades plane, and/too/also/as well as = the/your #0, outer, outer physically physical plane!?!

All ‘projections’ are duality!?!

All ‘conscious-ness’ is duality!?!

Duality is conscious-ness!

Conscious-ness is Duality!

How many persons in/on this particular Ophiel Magic Group, are ‘consciously’ aware, awake, conscious of, that every ‘other’ thing, object, circumstance and it = IS ALSO/TOO/AS WELL AS = #0, OUTER, OUTER PHYSICALLY PHYSICAL!?! = DUALITY!?! = ALL! IN/ON THE SAME/ONE PLANE!?! This is called/named = going across the plane!?! = where there is = no assume, assuming, assumed!?! = and where there it = no polarise, polarising, polarised!?!

Polarity = Higher Plane to Lower Plane = all facing/flowing in the same/one direction = from inner to outer!?!

Assume = Lower Plane to Higher Plane = all facing/flowing in the same/one direction = from outer to inner!?!

Duality = All! In/on the same one plane = Going across the plane!?!

Assume and Polarity are directions!?! Duality is a, ‘state’, ‘condition’, ‘fixed point/place/plane’!?!

If you are an ‘occultist(?)’ and you don’t know this/aren’t aware, awake and conscious to/of this = THEN YOU ARE GOING TO HAVE ‘BIG-DIFFICULTIES’ IN THE ‘TRANSITION OF’ = FORCE INTO FORM = AND/OR = FORM INTO FORCE!?! Here is how Ophiel continues, his chapter: Rising on the Planes:

“Now actually what had happened here? Look again at your “Tree.” There is a process in the

study of the Qabalah which is called “rising on the planes” and is very hush-hush. You have to swear all kinds of terrible oaths of secrecy in order to “get” a watered-down version of it from secret occult societies (if there are any left even pretending at this date, 1969.) Well, what this woman did was and is “Rising on the Planes.” She “rose” from the lowest physical material end plane to contact the “Forces” that rule-govern the first creation of the subject she was contemplating. Also, without knowing what she was doing, she had contacted the “God” of that place/plane by the fact that integration followed – successful operation of the contemplated pattern she had united with and again, I repeat, the whole operation was done unconsciously, and you can consider what it could have been like if it had been done consciously, with full knowledge, such as has been given to you, even so far!!” End quote.

So, for ‘context’, we slightly adjust the above quote to read thusly:

Well, what this woman did was and is ‘Rising on the Planes.’ She ‘rose’ from the lowest #0, outer, outer physically physical end plane, to ‘contact’ the ‘Forces’ that rule-govern the first creation of the subject she was contemplating, and she did this through her, #1, malkuth earth/hades, ‘psychological-tactile-feeling-body’. Also, without her knowing what she was doing, she had contacted the ‘Blind-God’, of that place/plane #1, malkuth earth/hades, ‘psychological-tactile-feeling-body’, by the fact that integration in the form of a ‘duality’ followed = successful operation of the contemplated pattern she had united with; and again, I repeat; the whole operation was done unconsciously, and you can consider what it could have been like, if it had been done consciously, with full knowledge, such as has been given to you, even so far!!

As an ‘occultist(?)’, if you are going to ‘have’ planes(?), then ‘why’, is it so hard/difficult to ‘have’ a #1, malkuth earth/hades plane!?! Could it be(?), because no one presents/writes/explains what a #1, malkuth earth/hades is/does or can be accessed(?), that every good occultist(?), simply ‘comes and goes’ from the/their #0, outer, outer physically physical plane to the/their #2, etheric plane and vice versa = COMPLETELY MISSING OUT(?), BY-PASSING(?), EVADING(?), AVOIDING(?), ESCAPING(?) = the/their #1, malkuth earth/hades plane!?! = NO! DON’T THINK SO!?! NEVER GOING TO HAPPEN!?!

You ‘use’ = in/on the/your #0, outer, outer physically physical plane!?!

You ‘tactilely-feel’ = in/on the/your #1, malkuth earth/hades plane!?!

You ‘reflect’ = in/on the/your #2, etheric plane!?!

Normal people/persons = average people/persons = just automatically/unconsciously = USE, USED, USING = the/their #0, outer, outer physically physical plane, as described by Ophiel, in his vignette: Acceptance, where the group/individuals he was trying to help/assist, 'acted/behaved frivolously' and didn't keep up the necessary 'work' needed; also, Ophiel describes those who = just automatically/unconsciously = USE, USED, USING = the/their #0, outer, outer physically physical plane = as he describes = in his vignette: Self-Awareness, as 'sleep-walking' through their life/living!?!

THESE ARE THE PEOPLE/PERSONS WHO HAVE 'NO' PSYCHOLOGICAL 'TACTILE-FEELING'!?!

THESE ARE THE PEOPLE/PERSONS WHO HAVE ONLY 'ETHERIC DREAMS'!?!

THESE ARE THE PEOPLE/PERSONS WHO HAVE ONLY 'PHYSICAL USE, USING, USED'!?!

So, we take Ophiel's advice in his above quote, and put/place a 'cup' before us and we exercise our psychic, clairvoyant 'powers' = FOLLOWING THE 'CUP' BACKWARDS TO 'ITS' ORIGIN!?!

Cup = use, used, using!

Cup = tactile-feeling, defining, three-dimensional-ise!

Cup = reflect, reflected, reflection!

Cup = direction, projection, emote!

Cup = foundation, first-stamp, first-impression, first-mould!

Cup = cause, causing, causation!

You can also do the same exercise in Ophiel's Correspondence Course in Astral Projection and Foundations of the Occult, in his 'salt-shaker' and 'chair' exercises!?! So, having gone 'back-up/in' ASSUME, ASSUMED, ASSUMING!?! We can now come 'down/out' POLARITY, POLARISE, POLARISING!?!

Cup = cause, causing, causation = Cosmic Egg Akasha = staring, looking, watching, seeing, observing!?!

Cup = foundation, first-stamp, first-impression, first-mould = Archetype = mental plane!

Cup = direction, projection, emote = Astral Plane = desire, want, need, brooding!

Cup = reflect, reflected, reflection = Etheric Plane = attraction/rejection!

Cup = tactile-feeling, defining, three-dimensional-ise = belief, believe, believing, believed!

Cup = use, used, using = duality = all, in/on the same/one plane!?!

Ophiel's store lady did the above 'unconsciously'!?!

Many of you cannot/do not 'do' the above 'consciously'!?!

One, most single 'dominant' forces of why = you do not!?! = IS = the lack of understanding of 'what', the/your #1, malkuth earth/hades = PSYCHOLOGICAL TACTILE-FEELING-IS!?!

One of the, most single 'dominant' forces of why = you do not!?! = IS = the lack of understanding of 'why', the/your #0, Outer, outer physically physical you = FAILS-TO-AGREE-WITH = the/your #1, Malkuth earth/hades body!?!

One of the, most single 'dominant' forces of why = you do not!?! = IS = the lack of understanding of 'why', the/your #3, Ego body, present incarnation, personality body you = FAILS-TO-ACCEPT = that it = #3 = can only stare, look, watch, see, observe!?!

Take the above 'exercise' and do it with a; 'fork', 'spoon', 'knife', 'plate', 'car', 'job', 'business', 'house', 'career', 'clothes', 'life-style', with any object, circumstance, thing and/or it = you choose!?!

Remembering that 'conscious-ness' is 'duality', and that 'duality' is 'conscious-ness'!?!

Remembering that when you 'go' from one 'plane' to 'another' plane = you assume/polarise!?!

Remembering that where you = conscious-ness = 'stop' = that/this new plane = is now your new duality!?!

Egg/Chair/Letter = change of 'Conscious-ness' = change of 'Duality'!?!

So easy, so simple = no wonder you missed it!?!

Thank you.
