1 of 1 time for a change. 2020

When the akashic egg is made three-dimensional, within you, about you and surrounding you = #1 &+ #0 = you conscious-ness, would do well to consider the psychological idea behind the/this egg!?! This is the egg of the universe, and from it(!) = THE UNIVERSE = YOUR UNIVERSE = WILL BE/SHALL BE = HATCHED! = You = the reader/operator, are INSIDE, the/this egg! So, as we are in/on a/an, Ophiel Magic Group, we shall stick with, Ophiel! (As it should be!!). The akashic egg, is the symbol of/for the ability/power = to change, so, you should have, a painted symbol, of/for this Egg = Change; but... in reality, it is a three-dimensional Egg = Change.

In order to change = you must be able/capable of movement = this is movement, is symbol-ised by/with the/your painted Circle, but... in reality, it is a Sphere = Movement!?!

The movement is downwards/outwards, as the heat from the movement increases, its point/tip emerges from the base of the Sphere, and begins its creative course, the point/tip getting ever more downwards, and as it does so, it forms an Inverted Pyramid, which you should have painted as Tri-angle, but... in reality, it is a three-dimensional Inverted Pyramid = Direction!?!

The Inverted Pyramid (direction), creates/makes a bow-wave at its point/tip = which create/makes a depression/reflection, which is painted as a Crescent Moon, but... in reality, it is a three-dimensional Bowl = holding the image/reflection of the direction (visualisation) of the Inverted Pyramid in/on the plane above!?!

The bottom of the Bowl, is symbol-ised, as a Square, which you should have painted as such, but... the bottom of the Bowl, in reality, is a Cube, and, no matter on which side you turn it/look at it = TACTILELY-FEEL = IT!?! (Object, Circumstance, Thing.) It is always = THE SAME = a three-dimensional Cube.

The intuitive leap, from flat two-dimensional separate images, to three-dimensional realities, which you, the operator, can psychologically tactilely-feel, is very, very, important, for your occult work/practices. The basic cosmic egg exercise, will/shall enhance/develop your psychological skill-set, as you tactilely-define, three-dimensional-ise, symbol-ise, your five basic elemental forces, within you, about you and surrounding you = #1, &+ #0!?!

Each individual symbol, should take you = conscious-ness = to the corresponding plane/level = that you wish to transfer/project to!

Each individual symbol, is an expression, of the force, in a concrete (tangible/tactile) form, to be use, used, using, by/with you = #0 &+ #3!?!

Cube = Elemental Plane of the Element of, Elemental Earth!

Bowl = Elemental Plane of the Element of, Elemental Water!

Inverted Pyramid = Elemental Plane of the Element of, Elemental Fire!

Sphere = Elemental Plane of the Element of, Elemental Air!

Egg = Elemental Plane of the Element of, Elemental Akasha!

So? Having achieved an understanding, of each individual plane, or any combination of planes (#0, #1, #2!?!), you, the projection-ist!?! = could take any one plane = AND MAKE THAT PLANE = WORK-LIKE, LOOK-LIKE, ACT-LIKE, BEHAVE-LIKE, FEEL-LIKE, RESPOND-LIKE = THE/THEY/THESE OTHER PLANES!?! IN PRINCIPLE!?! BUT... IT WOULD STILL BE!! = THE SAME ONE PLANE!?!

Try this: don't try to learn this, try to understand it!?! Understanding goes deeper into you!?! Understanding(?) = is an elemental earth principle = that you = conscious-ness = take with you = when you/if you = Project/Transfer = your conscious-ness!?!

Learn (verb) from Old English word; leornian = to be cultivated; to get knowledge. From Proto-Germanic word; lisnojanan; German lernen = to learn. The sense/base of this, was/is; to follow/find the track, from the Proto-Indo-European Root word; lois = furrow/track. This is related to the German; Gleis = track, and to Old English, laest = sole of foot.

Here is what Ophiel writes, in his very first lesson: Correspondence Course in Astral Projection:

“There is another matter in regard to the idea of training or exercising that I want to bring out at this time also. For the sake of understanding this matter a little clearer you can consider that the Etheric Plane and Etheric Matter has become a little thick. There is something very

funny about, (I mean in the sense strange and not amusing), the consideration of the Etheric Matter in that repeated movements, or the repetition of exercises, does seem to ware some kind of path in this Etheric Matter, and each repetition makes it easier and easier to follow. Although this is getting a little but away from Astral Projection, still you can understand by this how it is possible that we do learn things on the Physical Plane, it is through the agency of the Etheric Plane. This is part of what I said before about controlling the plane lower by mastering the plane above. You are going to learn by means of a number of guided exercises, and you will also learn by doing.” End quote.

For the sake of understanding this matter a little clearer you can consider that the Etheric Plane and Etheric Matter has become a little thick. There is something very funny about, (I mean in the sense strange and not amusing), the consideration of the Etheric Matter in that repeated movements, or the repetition of exercises, does seem to ware some kind of path in this Etheric Matter, and each repetition makes it easier and easier to follow:

Etheric Matter has become a little thick. = Earth-of-Water!

repeated movements = Earth-of-Water!

to ware some kind of path = Earth-of-Water!

and each repetition = Earth-of-Water!

makes it easier and easier to follow = Earth-of-Water!

Please study carefully and try to learn = understand this part:

A/an etheric visualisation = IS!! = Water-of-Water!! = A REFLECTION!?! (Dream-Image!!)

A/an etheric action/doing = IS!! = Earth-of-Water!! = AN OBJECT!?! (Etheric-Object!!)

If you are in a place of understanding? Then in the above descriptions, you should be able, to identify, where (!?!), your psychological #1, malkuth earth/hades tactile-feeling = principle!! = comes in!?! = in/on the/your = #2, etheric plane!?! (When working tattva, the base symbol is the plane, the smaller symbol is the = principle being used = in/on that plane!! But... IT IS STILL = ALL THE ONE PLANE = DUALITY!?! The Present Writer, doesn't know (nor cares!?!), what other people/persons know?

My friend understands, how to fly a plane = I don't!

My friend understands, how to sail a boat = I don't!

My friend understands, how to remove an appendix = I don't!

But... I do know(?), that they can do it!?! which knowing = is information!! = not Understanding!?!

Knowing isn't the same as Doing?

Learning isn't the same as Doing?

Doing is understanding, when you have Learned?

Doing is not!! = REMEMBERING!?!

Doing is = Following a Path, Track, Furrow!?!

Doing is = Following a Path, Track, Furrow = that has already been prepared (learned)!?!

Etheric Matter has become a little thick. = Earth-of-Water!

repeated movements = Earth-of-Water!

to ware some kind of path = Earth-of-Water!

and each repetition = Earth-of-Water!

makes it easier and easier to follow = Earth-of-Water!

So, in your basic cosmic egg exercise, the recommendation/suggestion was/is = keep it short, repeat it often. High repetition is better than duration!?! Two/Three minutes max, per session, to sense/feel, the edge, of the five basic elemental forces, symbols = within you, about you and surrounding you = #1 &+ #0!?! Having read the above, you might now be in a position/place to understand this, from Ophiel, from his first book: Astral Projection, his chapter: Little System.

“When you WORK on or SEE any part of yourself you are working or seeing thru the body above that body. So, in this case you are transferring down and not up.”

It is because, you have no understanding = that you, the reader/practitioner = cannot/do

not/will not(?) = APPLY THE ABOVE LAW, RULE, GOVERNANCE!?! = TO!!! = THE YOUR #1 &+ #0 = PLANES!?!

Please note carefully: Because someone/anyone doesn't, at a particular moment in time, not understand = does not! Does not! Imply/infer that they are in some way = stupid? = that is/this is = that the subject matter, is beyond(?), their comprehension at all times!?!

Your #1, malkuth earth/hades psychological tactile-feeling-body = IS ALWAYS!?! = OBSERVING!?! = 24; 7; 365; = Your #0, outer, outer physically physical body = which body = can only, only, only!!! = USE, USED, USING!?! Do you, can you, are you = able to understand this!?! Here is an example, of the same-thing?

At the Wedding of Cadmus and Harmonia, Iasos was lured away, from the banquet/feast by Demeter, where she then had intercourse with him, as she lay on her back in the furrow, of a freshly thrice ploughed field.

Cadmus = alphabet (sense/meaning = all)

Harmonia = harmony (harmony)

Demeter = Earth Mother (the #1, elemental earth plane)

Iasos = Fire Bringer (Elemental Fire = intention/direction)

Inter course (Two Planes meeting = Fire/Water)

Repeated action/doing (Thrusting/Penetrating of inter course)

Thrice Ploughed Field (Elemental Earth = Thrice = repeat/repeated Water-of-Earth)

Please notice carefully! Iasos = Fire; Inter Course = repeated action/doing = Water; Ploughed Field = Earth;

When Demeter and Iasion returned to the banquet/feast, Zeus noticed the EARTH on the BACK-SIDE (Behind?), of Demeter and knew what had happened? and out of Jealousy/Envy? (As he = Zeus = had not been told? informed? that this was happening?) (Occult for you, the reader; this was because = it = the joining? had taken place/happened!?! In/on a LOWER PLANE = and was = COMING UP = to a = HIGHER PLANE = WITHOUT CONSENT!? Hence = jealousy/envy???) So, Zeus, was going to kill Iasion with a

Thunderbolt = but... Demeter so eloquently pleaded = tactilely-felt = that Zeus granted his son = Iasion = immortality – a symbol in/on the elemental plane of = #1, Malkuth Earth/Hades!?! Ranking him (Iasion) among the LESSER (#1) Divinities/Deities. (Zeus = Elemental Air!).

Anyone who considers the above myth as actual/factual/literal, hasn't understood! (See/read Ophiel's vignettes: Prometheus & Epimetheus; The Thread.) So, for understanding = instead of knowing!?! The worthy ancients = put/placed = experience!?! = A/AN ACTUAL, FACTUAL, LITERAL = TACTILE-FEELING = OF!?! A laying on of hands!?! A GNOSIS!?!

Experience; From late 14th century, meaning; OBSERVATION as the source of knowledge = information; Also, an event which has affected one. From 13th Century Old French experience = experiment, prof, experience, from the Latin; experientia = a trial; a proof based on experiment; the type/kind of information (knowledge), gained by repeated trials/actions/doings!?! Knowing, gained from repeated trials; from experientem/experiens, present participle of experiri = to test, to try (to tactilely-feel!). From ex = out + peritus = experience (tactilely-feel), from the Proto-Indo-European Root word; yo (per) = to try, to risk, to attempt!?!

Back to Ophiel: For the sake of understanding this matter a little clearer you can consider that the Etheric Plane and Etheric Matter has become a little thick. There is something very funny about, (I mean in the sense strange and not amusing), the consideration of the Etheric Matter in that repeated movements, or the repetition of exercises, does seem to ware some kind of path in this Etheric Matter, and each repetition makes it easier and easier to follow: For thick we have = Earth-of-Water = still all Etheric Plane!

But... within that/this = Earth-of-Water = thick-ness = is the Earth-Principle, which moves(?) (influences!) the = Water-of-Earth = SO THAT YOU = Conscious-ness = Tactilely-Feel-This = Water-Principle = in/on the your #1, Malkuth Earth/Hades Plane! Where you = Conscious-ness = now make this thick-ness (Visualisation) into solid!?! = Earth-of-Earth = by/with/through = Defining, Three-Dimensional-ising, Symbol-ising, Believing!?!

Water PRINCIPLE = Repeat/Reflect!

Earth PRINCIPLE = Tactile-Feeling!

Physical PRINCIPLE = Use, Used, Using!

It is only when the above myth is presented in the etymology of its words, and that a person understands, that these players are just elemental forces, that the spark lights the candle!?! It is by knowing the God and the Plane = that understanding = is/can be applied!?!

For instance, because you understand(?), the elemental plane, of the element of, the elemental force, of the element of, the elemental earth = that it, IS THE BLACK-ASTRAL-LIGHT!?! = THAT YOU = CONSCIOUS-NESS = ARE BLIND!?! = WHEN YOU PROJECT/TRANSFER OVER = INTO/ONTO THIS PLANE!?! This is what you do/practice? = BLIND-TACTILE-FEELING!?! = IN/ON THE ELEMENTAL PLANE OF HADES!?! = every time/any time, you do/practice the/your basic cosmic egg and/or basic chair exercises!?!

The amount of information, literature and technique, that is available and out there, in the public domain, for reading, understanding and practicing, WITH, the black-astral-light = is phenomenal, as there could be no escape from the dark-ness, blind-ness, black-ness, if it was just simply an absence?, of the outer, outer physically physical sun!?! The black-astral-light = IS ALWAYS THERE!?! = WE ARE ALWAYS TACTILELY-FEELING!?! Here is what Ophiel writes in his book: Contacting the Demiurge, his chapter: Opening.

“In this first chapter-section we must make a start at clearing away some of the rubbish of misunderstandings and ignorance that clutter up our lives, and prevent us from progressing along the path of self-power, and self- knowledge; and self-advancement.

One of the worst misunderstandings is the idea that there is abroad, in the whole world, an ignorant idea that there is a something called Evil, along with something called good, LIGHT and DARKNESS, etc. Good and Light have been equated with God, and Evil and Darkness have been equated with a thing called the Devil. Nothing, in any religion writings, is very clear, or very logical as to just exactly HOW the evil Devil darkness came into existence against the wishes and power of the Good-Light, when the Good-Light has always been proclaimed to be the most powerful of the two contending Forces.

In the Christian religion, and other religions, there are a number of creatures named such as – the talking Snake in the Garden of Eden, Satan, thru Adversary, Mammon, Beelzebub, Lucifer, Ahruman (Zoroastrianism), Shartan (Muslim), all of which are not the same creatures. Except, where noted, all are different from each other, but all are

associated with Evil-Darkness, or, in another way, this the World is said to be dual, half white and half black, whereas the Truth more likely is – the World is grey, a mixture – there is no such thing as “pure” white or “pure” black.” End quote.

This is what you, the operator/practitioner are working towards? in the daily practice/doing, of the/your egg/chair exercises!! = Let There Be Light!!! = BUT... in/on the/your #1, Malkuth Earth/Hades = IT IS!! = THE BLACK-ASTRAL-LIGHT!?! = WHERE SEEING!?! = IS DONE BY/WITH/THROUGH = PSYCHOLOGICAL TACTILE-FEELING!?! DEFINING, THREE-DIMENSIONAL-ISING, SYMBOL-ISING!?!

Thank you.
