

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

1 of 17 counterparts. 2020

Here is what Ophiel writes, in his book: Clairvoyance, his chapter: Counterparts and the 'OTHER' World.

“I mentioned before, but not too extensively, the occult idea/doctrine of counterparts. The term counterpart, in the Occult, means **THAT EVERY PHYSICAL OBJECT ON THIS PHYSICAL PLANE ALSO EXISTS ON THE OTHER, INNER PLANES**, in some different form of course, right on up to a basic primal idea in the Cosmos. There is a tremendous amount of new research to be done on this idea of counterparts which is just barely hinted at by what few possibly true Occult teachers there are in existence. There is probably some deep Occult doctrine there that is very hush-hush by you are getting here, now, freely and without restrictions and a, pretty good set directions, as to how to use it. Mentally and Physically as it were; mentally here, now, and physically on the material in my book on Astral Projection, so you can handle it ‘astro-physically’” End quote.

In/on the/our/your #0, outer, outer physically physical plane = **YOU CAN ONLY! ONLY! = USE!?!**

STOP! STOP! TRYING TO CHANGE/ALTER THE/YOUR #0, outer, outer physically physical plane!?! = CAN'T BE DONE!?!?! = YOU CAN ONLY! ONLY! = USE!?! Ophiel writes, that the/this #0, outer physical plane, IS THE 'LAST', IS THE 'FINAL', IS THE 'END' PLANE!?! Please write down, what it 'is' about this statement from Ophiel, that you don't/get/understand = last, final, end!?!

LAST, FINAL, END = NO MORE 'CHANGES!?!' = YOU = THE READER = NEED TO PROJECT IN!?! IN ORDER TO = ABOUT TURN/FACE = AND LOOK BACK! = AND LOOK BEHIND!?! (Get thee behind me!?!) SO THAT YOU CAN 'PROJECT-OUT'!?! Would you like to read it from Ophiel? Well, of course you would! Who wouldn't? So, here it is, from his first lesson, in his Astral |Projection Correspondence Course:

“There is another terrific concept that I must introduce to you, sooner or later, so I will now. Also, this concept is so large, so big, so startling, that I don't know just how I can put it over, as it is even too much for me to fully grasp in all its aspects. I will do the best I can but will probably have to introduce this subject a piece at a time and come back to it repeatedly,

which process I hope will not bore you too much. So here goes. (The following is the most profound concept I have ever come across in my years of Occult work, and it is so big that I have refrained from looking at it too much because I felt a complete incapability of comprehending it ever to even its simplest extent. However, we must all face it someday, sometime, so here is a start!) IT APPEARS THAT THE PHYSICAL PLANE WORLD DOES NOT, 'EXIST,' 'AS SUCH,' that is, as it appears to be. (Enough for now) One curious outstanding fact regarding the above statement is that;

'THIS NEWLY DISCOVERED FACT, THAT THE PHYSICAL PLANE DOES NOT EXIST AS SUCH, CANNOT BE COGNISED BY YOU, OR BY ANY MAN OR WOMAN, UNTIL YOU LEARN TO 'ENTER' THE 'INNER PLANES' YOURSELF AND 'LOOK BACK!!!'

I am no expert psychologist on dreams, or a psychologist at all, but I do suggest that the action-appearance of dreams, being what they are, has all the 'appearance' – 'actions' one would expect IF THE 'OUTER PLANE WORLD' WAS OUR OWN SELF-MAGIC-CREATED-CREATION. (I don't see how it could be any different in any great respect otherwise.) 'The kind of stuff that dreams are made of.'

Now, please read carefully: the reason (one of many!), why so many people/persons, do not/cannot 'remember' 'recall' their dreams, is that their 'conscious-ness' = aware-ness, awake-ness = has not been = developed/enhanced = IN/ON THE/THEIR = PSYCHOLOGICAL TACTILE-~~FEELING~~ = #1, Malkuth Earth/Hades Plane!?! So There!?! Right There!?! = IS THE 'BREAK', 'GAP', 'VOID', 'SPACE' = SEPARATION!?!

In Ophiel's presentation, it is #2, etheric, and is clearly shown in his exercises, which express/carry his message!?! His 'techniques' are = EARTH-of-WATER = techniques.

In the present writer's presentation, it is #1, malkuth earth/hades, and is clearly shown in the exercises, which express/carry the message!?! The 'techniques' are = WATER-of-EARTH = techniques.

Also, a good indicator of your lack of understanding, is to think/feel that there is some kind/type of 'separation' between the present writer and Ophiel materials(?), whereas everything/all = is expressed in terms of Ophiel and any doubts or worries or anxieties, are easily dispelled; just stop reading this/these posts/monologues and just read Ophiel, until you achieve your 'ONE DAY', as explained in his Little System.

Once again, for you, the reader to look at/examine, and to show the ‘difference’ between the present writer and Ophiel; for the present writer, there is no elemental earth, in/on the elemental plane, of the element of, the element, of elemental water! For the present writer, there is no elemental water, in/on the elemental plane, of the element of, the elemental earth!

There is only, only!! Elemental Water in/on the elemental plane, of the element of water, and what is/has been described as = EARTH-of-WATER, is where, the element of water, acts like, behaves like, looks like, works like, operates like, seem like, tactilely-feels-like(?), the elemental force, of the element of, elemental earth = BUT... it is ‘still all’ = elemental water!

There is only, only!! Elemental Earth in/on the elemental plane, of the element of earth, and what is/has been described as = WATER-of-EARTH, is where, the element of earth, acts like, behaves like, looks like, works like, operates like, seem like, tactilely-feels-like(?), the elemental force, of the element of, elemental water = BUT... it is ‘still all’ = elemental earth!

When/if, you make a; Combined Tattva Symbol = the ‘smaller symbol’ is telling you/instructing you, how the ‘larger symbol’ is behaving like, etc, etc, etc.

The ‘Larger Symbol’ = is the plane!

The ‘Smaller Symbol’ = is the principle used, in/on the/that plane!

So, in the above two ‘examples’ =

There is no elemental earth in/on, the elemental plane of elemental water!

There is no elemental water in/on, the elemental plane of elemental earth!

Please take the above information, and ‘apply it’, to Ophiel’s colour plate, of combined tattvas, in his book: Caballa Magic, and see what ‘results’, you get from it (it = the information above.) Now, back to Ophiel!

Then Ophiel continues, farther on in his chapter, with this part:

“To proceed -some persons in Occult history, especially during the confused time period revolving around the Christ period (2000 years ago); for example, the Essenes, followed by the Gnostics and others, made much advancement along metaphysical lines. However, in the periods following this event or period, whatever it was, there was much confusion of all kinds, compounded in every direction. The Materialists eventually took over and drove the spiritualists out, and made strong efforts to destroy all of their writings and literature. But, somewhere in here, someone, some place, made some strong discoveries about the ideas of the planes and the correlating ideas of the existence of counterparts.” End quote.

And made strong efforts to destroy all of their writings and literature = this they, the materialists did, and in this, they were totally, completely ‘successful’!?! The ‘Devil’!?! Rules the/this #0, world now!?! And everyone it ‘brainwashed’ into ‘believing’!?!?! that it/he = **IS ACTIVELY EVIL**!?! (Which it/he is **not**!). Ophiel, next writes:

“If you will stop and think, you cannot help but realise that much of our daily life-living is dependent on much more than just what the eyes, the physical eyes, see. We react to all kinds of deep-down ideas and Forces that come welling up into us, from somewhere outside ourselves, and we live and act and react on the impulses given to us by these Forces. All these things are, as I said, hidden, but suggested by old hints and old terminology. Maybe, it is intended that we should, all of us, work these things out by ourselves, and then just enough knowledge is released to arouse us to think and begin to think for ourselves – to hunt for this Treasure of Truth – to find it ourselves, and then use it ourselves and keep quiet about it. Let others find it for themselves or do without!!!” End quote.

The present writer has no problem, seeing through, the old terminology, and presenting it, in a ‘new-light’(?), or, much more preferably, a very, very old ‘light’, through a = ‘new-window’!?! = elemental earth, is now the ‘new’ psychological term of/for = ‘inertia’, ‘inert’, ‘fixed-point’, ‘obsession’ et al = irrational outbursts, irrational behaviour, etc, etc. See/read Ophiel’s vignettes: The ‘OTHER’ you: Your ‘OTHER’ You: Why do you let the Devil ‘USE’ you: Ophiel next writes:

“So, to proceed – there has been a persistent idea, as I said from way back, that there are other worlds than this one. Of course, this other-world idea is old. But a different idea is also there. It now appears that there is an idea, a definite idea, that THIS PHYSICAL WORLD IS ONLY A HALF, OF SOME OTHER WORLD. This idea is an extension of the simple counterpart idea. If there are small, simple counterparts, why not gigantic counterparts? And,

indeed, why not? The idea follows the other idea closely.” End quote.

THIS PHYSICAL WORLD IS ONLY A HALF, OF SOME OTHER WORLD = THE ‘MEETING-POINT’ = THE ‘JOINING-POINT’ = OF/FOR THIS/THESE TWO-HALF-WORLDS = IS THE/OUR/YOUR #1, MALKUTH EARTH/HADES PLANE!?! Ophiel writes farther on:

“Use your clairvoyance **to cross the bridge to the possible half-world to this one** and see if you get any ideas on how to bring the two halves together and make a whole which will work for you in your physical life.” End quote.

In order to ‘get to’ the #2, etheric plane, there would have to be ‘carrier/transfer’ medium = between = #0 &+ #2 planes = that ‘medium/carrier’ = IS! = the/your #1, malkuth earth/hades = psychological **tactile-feeling-body!**!?!

The/your #2, etheric body = reflects = your #4, astral body!

The/your #1, malkuth body = tactilely-feels = your #2, etheric body!

The/your #0, physical body = uses = your #1, malkuth earth/hades body!

Ophiel, next writes:

“The preceding ideas – theories give rise to many possible explanations of how metaphysics and miracles and such like might have worked in our past history. Also, this gives some clue as to how – why Christian Science and Unity health ‘treatments’ could ‘work’ and, indeed, should work as well as ‘miracles’ at shrines and pilgrimages, etc. The person ‘praying’ might conceivably ‘touch’ the other, opposite one-half world thing and bring a ‘healing’ about – or a complete-ness, which would be the same as a healing. The above half-world idea could explain even the ordinary processes of life, where one keeps up a steady desire pressure for a certain object or condition and certainly the object or condition is not ‘here’ or we would not desire it. Also, it is surely over there, or the ‘other half’ is. Re-examine the material in my second book; **THE ART AND PRACTICE OF GETTING MATERIAL THINGS THROUGH CREATIVE VISUALISATION**, with this new idea in mind.” End quote.

So, for 'context', we now read Ophiel's quote, thusly:

The preceding ideas – theories give rise to many possible explanations of how metaphysics and miracles and such like might have worked in our past history. Also, this gives some clue as to how – why Christian Science and Unity health 'treatments' could 'work' and, indeed, should work as well as 'miracles' at shrines and pilgrimages, etc. The person 'praying' might conceivably, 'psychologically TACTILELY-FEEL' the other, opposite one-half world thing and bring a 'healing' about – or a complete-ness, which would be the same as a healing. The above half-world idea could explain even the ordinary processes of life, where one keeps up a steady desire pressure TACTILE-FEELING, for a certain object or condition and certainly the object or condition is not 'here' or we would not desire it. Also, it is surely over there, or the 'other half' is.

Now, is the time to read Ophiel's last two chapters, in this/his book, under discussion: A Magic Mirror and Clairvoyance; The Two Minds. Here is what Ophiel writes, in his chapter Semi-Physical Types of Clairvoyance:

“In the Dream Method, you stop in the middle of a dream and begin to examine your dream surroundings (how to actually do this is given in the two books referred to.) Now here is where the difference comes between a dream projection and a clairvoyant operation. In the clairvoyant operation you examine, or scan the 'objects' in the dream closely. You should find, and you will find, that the former 'solid' appearing dream object is, in reality, composed of small round 'dots' of different colours – red, orange, yellow, blue, green, and other mixtures of these basic colours. And these colours move by 'flowing' along the lines of the dream object you are examining. The colours do not halt their flow/movement at any 'time.' (There is no real time 'there,' some kind of a 'time' but not the same as earth time.)” End quote.

And these colours move by 'flowing' along the lines (edges) of the dream object you are examining!?!

In the basic cosmic egg exercise, you are asked to psychologically tactilely-feel, define, three-dimensional-ise, the 'edge' of each, of the/your five basic elemental forces symbols, so that, when you 'do' = get to #2, etheric project, and following Ophiel's instructions above, you are/will be, in a 'better' place/position to 'do' the above, with a fair degree of 'success'. Ophiel continues, with this:

“The colours that you see in these dream objects ARE the basic Elemental Forces themselves that are present in All Material Things. (The dream objects belong to the physical cosmos!) You may have a little trouble holding the colour images in your ‘single eye’ viewing, as Inner Plane things are very elusive from Physical Plane type law operations, such as intensive examinations, but do the best you can.” End quote.

As Inner Plane things are very elusive from Physical Plane type law = but... not to, #1, malkuth earth/hades law operations! If a person is ‘trained up’ in tactile-feeling = Earth-of-Earth!?! Then, when it comes time to take these things up/in/on to, the/your #2, etheric plane = then the elemental force, of the element of, the elemental of, elemental earth = in principle = is stronger!! = in/on the elemental plane, of the element of, elemental water = AS THE EARTH-of-WATER!?! Here is how Ophiel describes it, in the same book, same chapter, but previously:

“I find myself unable to convey clearly an idea to you as to how you ‘see’, on the Inner Planes. Naturally, you have no physical bi-focal eyes – or two eyes seeing an oval space in front of you. You have a ‘single-eye’ only, but now that I think of it, the Inner Plane scenes appear three dimensional, the same as here, which I am unable to account for, and which I will have to do further work on.” End quote.

How to ‘see/observe’ Clairvoyantly:

#0, outer, outer physically physical earth = use, used, using!

#1, malkuth earth/hades = tactile-feeling, defining, three-dimensional-ism!

#2, etheric = reflect, reflected, reflection, repeat, repeating, repeated!

#4, astral = direction, intention, projection!

#5, archetypal = foundation, first-impression, first-stamp, first-mould!

#6, akashic = cause, causing, caused!

But now that I think of it, the Inner Plane scenes appear three dimensional, the same as here, which I am unable to account for, and which I will have to do further work on = Earth-of-Water!?! = Elemental Water looking like, working like, behaving like, operating like, acting

like, the element of, elemental earth! But... it is not elemental earth! It is 'still' all elemental water!?! Acting in the 'principle of', elemental earth! Next Ophiel writes:

“The Bible, in several places, speaks of the ‘single eye’, and you will discover when you first ‘open’ the single eye on the Inner Planes, just what this means.” End quote.

The ‘single eye’ is 'conscious-ness' = which is the/a 'CONSTANT!?!' = in/on all planes!?!

Conscious-ness is Duality!

Duality is Conscious-ness!

There is ‘no conscious-ness’ in ‘being’ = being – No projection of other! No reflection! Nothing to Observe!?!

Thank you!
