1 of 1 throwaways. 2020

The present writer is about post some, 'throwaways' presentations, that is given to others, who have inquiries. The present writer cannot/does not wish to have an endless stream of individual e-mails, with endless individual 'view- points/variations', as that would lead nowhere, both for the present writer, and those individuals, of which, there is/are at the present time, and indication, of over 800.

The contribution that individuals can give at the moment, is/are = read/delete = those who read, are in a position to keep their own council and their own 'work', very private (as guided/recommended by Ophiel, in his second book: Creative Visualisation.) Those who choose to delete rather than read, have already formed their opinion and so loose nothing. The present writer is wary of persons, who do not 'use' the/their abilities/occult for power, sex and money, and even more wary of those who 'advertise it'!?!

Basically, there is/are, three starting points, which can be checked, verified and **tested**, without too much 'ado', and these starting points are available to all, and for those who are in a position/place to take 'advantage' of them; they are, in order;

#0, Outer, outer physically physical = use, used, using.

#1, Malkuth Earth/Hades = psychological **tactile-feeling**.

#2, Etheric visualisation = reflecting, repeating.

The actual contribution/technique is = read don't read; or = read/delete. Either way, you the 'reader', are the one 'in control', as it should always be. No one can make you test, try, use, the/your individual psychological **tactile-feeling**!?! (Ophiel's watermelon, milk-pouring, gas-peddle tests/examples: A & P of Clairvoyance, chapter: The Two-Minds.) No one can 'convince' you, of the five, basic elemental 'forces' and/of, the/their = psychological three-dimensional, symbol-ism within you, about you and surrounding you (A & P of Clairvoyance, chapter: A Magic Mirror and Clairvoyance.); only you, the reader/practitioner can do that.

All that the 'other' person/persons/individuals (like Ophiel and others) can do(?), is to 'set out their wears', like the department stores!?! = AND LET THE CUSTOMER = TEST, TRY,

TASTE, EXPERIENCE!?! = CHOOSE FOR THEMSELVES!?! WHAT IT 'IS!?!' = THAT THEY WANT!?! = NEED, DESIRE, BROOD-ON!?! The 'customer!?! = is led into 'temptation!?!'

The 'bastards' who put in the line = 'lead us 'not' into 'temptation!?!' = was one of the 'controlling = sheep shearing, flock-fleecing = power grabbing, sheep-shagging, money-gabbing bastards = who are 'alive' and 'well'!?! In the world about you, now today!?! = Amen!!!!

Which is the 'whole point?', to the/these monologues. Which is the 'whole point?', to the/these 'throw-a-ways!?!', that you, the reader, are 'not!', do 'not!', will 'not!' = BE/BECOME!?! = ONE OF THE = SHEEP!?!

Thank you.
