

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

Please try to ‘understand’ through ‘experience/testing/trying/using/applying’, that a ‘Combined Tattva’ is a ‘Counterpart Tattva’! Please go to Ophiel’s book: Caballa Magic and look at his ‘colour plate’, with all the ‘Combined Tattva’. As has been pointed out, these Tattva Combinations = ARE SHOWING/DEMONSTRATING = HOW = IN WHAT WAY = THE ELEMENTAL/FORCE/PLANE = IS WORKING/OPERATING = AT THAT POINT/PLACE!?!

When the present writer is working/operating in/on the/their #1, malkuth earth/hades plane, they ‘know/understand’ = that there is only the #1, malkuth earth/hades plane/force at work!?! THERE IS/ARE ‘NO!?!’ = OTHER!?! = ELEMENTAL FORCES = IN/ON ‘ANY’ OF THE ‘OTHER’ PLANES!?! Please learn this as quickly as you can!?! When you look at Ophiel’s colour plate, in his book: Caballa Magic, each of the five planes, top to bottom, are ‘individual planes’ = there is/are = NO ‘BLEED-THROUGH’ OF ‘FORCE’!?!

The ‘disruption’ = in/on each of the planes = is/are/comes from = THE ‘COUNTERPART!?!’

For ‘example?’ = the present writer never, never ever = TRIES TO ‘VISUALISE!?!’ = IN/ON THE/THEIR = #1, Malkuth Earth/Hades Plane!?! = DO YOU!?!

In fact, the present writer might just as well ask, right out!?! = DO YOU, THE READER/OPERATOR = OPHIEL STUDENT = EVEN ‘HAVE!?!’ = A/AN #1, Malkuth Earth/Hades Psychological Tactile-Feeling, Defining, Three-Dimensional Plane!?! Or?? Are you, reading this/these monologues = above(?) = that/this kind/type of thing!?!

Please put this, the above, to the immediate/instant test!?!

Get your self a nice, clear #2, Etheric Visualisation = look at it/stare at it!

Come down a plane, to the/your #1, Malkuth Earth/Hades Black-Astral-Light Plane!

NOW, PSYCHOLOGICALLY = TACTILELY-FEEL!?! = YOUR #2, Etheric ‘Visualisation’!?!

Now, #0, Outer, outer physically, physically USE! YOUR #1, TACTILE-FEELING!!?!

If, for any reason(?), you dismiss the above ‘exercise’, then you, the reader, have a #3, Ego Body ‘problem’(?).

Back to Elemental Earth! Going Across this Elemental Earth Plane, following Ophiel’s presentation; we can ‘see’ that, it, beings/starts with, the ‘egg’ inside the ‘cube’. Having read Ophiel’s third book: The ‘Occult’; we know, we have knowledge/knowing/information of = the basic principles of =

Akasha = change

Air = foundation

Fire = projection

Water = reflection

Earth = inert!

Physical = using!

These are all = inner-plane ‘forces’, and when ‘not’ in/on the/their plane = these ‘forces’ = are expressed as = principles of = the/these ‘forces’!?!

Before you can ‘use’ a principle, you must have ‘some’ knowledge/experience of, the actual, factual, literal, thing of itself!?! Especially ‘how?’, it works/operates!?! Now, knowledge/information is ‘good’, but, personal/individual ‘experience = Gnosis’, is much better, and, much easier!?! But... that ‘individual’ experience, is not necessarily available to ‘all’!?! Because, it is, as Ophiel writes: we are all at different ‘stages’ of ‘development’!?! So, that is one of the ‘reasons’ amongst many(?), that the present writer, simply presents ‘monologues’, and lets the ‘rest’, take care of itself!?!

As soon as you, the reader, master the art & practice, of psychologically tactilely-feeling, defining, three-dimensional-ising, then the ‘knock-on’ effect/affect, in your individual/personal = powers of = persuasion, convincing = and = believe, belief, believing, believed = AT THE/YOUR #1, Malkuth Earth/Hades Level = Should be ‘visible’, ‘made visible’, ‘be visible’ = to you #0, Outer, outer physically physical you!?!

The Egg ‘inside’ the Cube = is not Elemental Akasha!

The Sphere ‘inside’ the Cube = is not Elemental Air!

The Inverted Pyramid ‘inside’ the Cube = is not Elemental Fire!

The Bowl ‘inside’ the Cube = is not Elemental Water!

The Earth ‘inside’ the Cube = is Elemental Earth!

There is only = Elemental Earth, in/on the Elemental Plane of, the Element of, the Elemental Earth! Do you? Can you? Are you? Able/capable of understanding this, through personal/individual experience?

Does the ‘realisation’ that the/our/your #0, outer, outer physically physical world/life/living = IS A ‘COUNTERPART OF!?!’, the your #1, malkuth earth/hades plane!?!?

Can your/does your/is your = #3, Ego Body, Present Incarnation, Personality Body = able/capable = of accepting this!?!?

Occult for some of you: when you begin the exercises of egg/chair and counterparts, some of the sensations, feelings, that you get/have/come with this/this = is the ‘upside down’ = feeling!?! Which comes ‘from?’, the simple fact, that the/your #1, malkuth earth/hades tactile-feeling plane is = above, over, higher, before and in-front of, the your #0, outer, outer physically physical plane, which is = below, under, lower, after and behind!?! Here it is, from Ophiel, from his book: Caballa Magic, last chapter, last page, last paragraphs:

“Here, at this point, is one of those tricks, deceptions, dead ends, and riddles which abound in the Occult.

This matter has been treated elsewhere in other books, and writings, to which I refer you, but I will cover some of the ground here again.

In the first place, between this Earth Plane and the Etheric Plane there seems to be a well-defined “*reversal*” pattern. What is coming “here” is going “there.” Man is upside down, end for end, reversed to the Etheric Plane. Therefore, this Force is not in reality ascending – it is descending!!” End quote.

In the above Ophiel quote, is, the/our/your, basic cosmic egg and/or basic chair exercises,

which are, #1, malkuth earth/hades psychological tactile-feeling exercises.

Now! The only thing you, the operator = can do(?) = in/on the/your #0, outer, outer physically physical plane, is? Use, used, using!?! All = is a 'duality' = All = is in/on the same/one plane = #0, outer, outer physically physical!?! There is/are = no! = counterparts!?! in/on the/your #0, outer, outer physically physical plane!?! Conscious-ness is 'in' a duality to/with, this #0, outer, outer physically physical plane = therefore = everything else 'other' = is 'also' = physically physical = thus, can only be used!?! Ophiel writes clearly, that this #0, plane is the last/outer most, end plane, of all the forces above = from #1 to #6.

The above is/becomes much more clearer/easier, when/once, the basic cosmic egg and/or basic chair exercises, is/are practiced, and then the 'sensation/feeling', becomes a 'certainty', as you, conscious-ness, begins/starts, to look back/look behind and 'sees/observes/feels', the your #0, outer, outer physically physical world/plane. (See/read Ophiel's first lesson, in his: Correspondence Course in Astral Projection.)

So, as an 'occultist', you #0 &+ #3, have 'decided', that you would like #0, circumstances/situations, to 'change', and you now 'know', that you = conscious-ness = are going to 'do' this 'change?' = with the help/assistance of you, #1, malkuth earth/hades(!?!)

You, also 'know', that any/all 'changes', in/on the #1, malkuth earth/hades = tactile-feeling-plane = start/begin = with!?! = the Akashic Egg 'inside' = the Earth Cube!?! = Thus, you have, elemental earth = acting like, behaving like, working like, assuming like, operating like, tactilely-feeling-like = Elemental Akasha!?! = But... IT IS 'STILL!?!' = ALL ELEMENTAL EARTH!?! = THEREFORE!?! = YOUR PSYCHOLOGICAL TACTILE-FEELING = SHOULD BE IN CHARGE!!! IN CONTROL???

Do you, the reader, the 'occultist?' = understand this!?! Can you, the reader, the 'occultist?' = use this knowledge = KNOWING = to the/for the/to your = ADVANTAGE!?!

The 'change' that you, the operator, make/create, at the/your #1, malkuth earth/hades plane = has to 'be' at/in/on = the 'Akasha-of-Earth' level!?! Where the element of earth = tactilely-feels = like the element of akasha!?! And the 'way' of this, is! To define, the akasha three-dimensionally = as 'change'!?! (The type/kind of, that you desire, want, need, brood on!?!) The 'akasha' at this 'point' is 'in-principle'!?! But... no less diminished or ineffective!?!

If a person/individual, has ‘practiced’, the/their basic cosmic egg exercise = then the ‘idea = tactile-feeling’ of ‘change’ = through, by, with = the ‘egg’ = whole body = is, would be/should be? Very, very easy!?!

Unlike the ‘egg’, the ‘sphere’ is the ‘counterpart’ of/for the ‘egg’! And is(?), the ‘fixed-point-within-the-sphere’!?! Its (the sphere) = ELEMENTAL EARTH = PRINCIPLE!?! Elemental Air is the ‘Earth’ to/of/for Akasha!?! But... the ‘sphere’ is in/on the elemental plane, of the element of, the element of, elemental earth!?! Therefore, it is simply, elemental earth that it is = acting like, working like, etc, etc, etc = so, it is ‘still’ all elemental earth. But... it is the foundation! The first impression, the first-stamp, the first-strike, the first-blow, the first-mould!?!

Remember this, from Ophiel, from his third book: The Occult, his chapter: The Elemental Force of Air:

“In reaching the Elemental Force of Air, in our studies, we have completed the quadruple set of Elemental Forces. We can now proceed to consider these Forces in their relation to each other more fully and completely after we have considered Air in our usual way. Please notice again, that it is the Quality of Air and Fire, Water, and Earth that we are considering and not the REAL air, Fire, Water, and Earth. But, we do, and can deduce, and learn from the study of the ‘real’ Forces what the ‘hidden’ Forces are like, and these hidden Forces are the ‘stuff’ from which our Physical Cosmos is built ‘out of’. The, bricks as it were.

In the sense of thinking in the form of building bricks of a Cosmos, Air is, would be, is, the ‘foundation’ material from which all the others come from. We, following our accustomed manner of thinking, and with our ideas of heavy and light would be most liable to regards the Elemental Force of Earth as a foundation, whereas, it is a ‘result’ and not a cause.” End quote.

So, even in something as ‘simple’, as the ‘combined tattva’, of the element of earth, the elemental ‘principle’, of the element of, elemental air = still has! = these ‘properties’ = in it!?! = but, at, the/your elemental earth plane/level!?! In the same book, same chapter, Ophiel writes this, which please study carefully:

“One of the older Hindu writers on this subject, treats all five of the Tattvas as being equal to

each other, but it never seemed to me that Akasha was the same degree as the other four, Air, Fire, Water and Earth were. As Akasha CHANGES INTO THE OTHERS, and the others do not change into each other, in the sense that, Akasha is the 'base' for them all." End quote. (Underlines, are the present writers.)

So!?! In the 'sense' that we are presenting the 'Combined Tattvas' here, in these monologues; The 'smaller tattva symbol' = IS THE 'PRINCIPLE OF'!?! = THE 'OTHER!!' = TATTVA FORCES = AND NOT! NOT! = THE 'FORCE' ITS SELF!?! = IT IS 'STILL!?!' = ALL THE 'SAME' ONE ELEMENT/PLANE/LEVEL!?! = THE 'SMALLER SYMBOL = IS!!! = THE/A 'COUNTERPART PRINCIPLE OF' ITS SYMBOL!?! So! In this 'case', it is the = Air of Earth = Sphere 'inside' Cube!?! = Foundation!

From this 'foundation = Air = we = conscious-ness = tactile-feeling = ARE ABLE TO PROJECT = Fire!?! So, we 'have' the 'combined tattva' of = Fire-of-Earth!?! = where the element of, elemental earth = behaves like, works like, etc, etc, the elemental force, of the element of, elemental Fire! But... it is 'still' = all elemental earth!?!

Side note: Project (noun), from the Latin word; proiectum = something thrown forth/forwards, from proiectus/proicere = stretch out/reach out/throw forth. From 'pro = forward + iacere/iactus = to throw. From the Proto-Indo-European Root word; ye = impel/throw. End of side note.

There is 'no secret', that for the present writer, we all 'project from' the/our #1, malkuth earth/hades plane = up/in, down/out, makes no 'difference', it is all from, the/our #1, malkuth earth/hades plane!?! (For all this(?), is delivered unto me(?) Who/what, is it, that is talking/explaining here?)

Elemental 'Fire' = Expands!?! Enlarges!?! Increases!?! Expressed as a kind/type, of metaphysical 'heat?' But... the pointed inverted pyramid has its Elemental Earth Principle = at its tip/point/apex = NOT! AT ITS BASE!?!

When the 'bog standard', pyramid symbol, is pointing upwards, the/its Elemental Earth Principle = at its tip/point/apex = IS STILL NOT! AT ITS BASE!?! (Thinking/feeling this 'way', is conducive to good working, understanding.)

In Ophiel's explanation of the 'evolution' of the basic tattva symbols 'progression/expression', he (Ophiel), has the 'apex' collapse and the base 'contract', whereas, for the present writer, it is the same thing but... as the 'apex' collapses, it is the 'weight = elemental earth principle' of the 'base', that comes 'down', when the tip/point/apex, can no longer 'project'(?). So that, as the 'base' of the 'inverted pyramid' falls/collapses = it takes on = the shape/mould/outline/reflection of the elemental water 'symbol' = Bowl?

The, Bowl 'inside' Cube, is the 'expression of', elemental earth, behaving like, looking like, acting like, etc, etc. But...it is, of course! STILL ALL ELEMENTAL EARTH!?! The 'bowl' is where our psychological tactile-feeling, defining, three-dimensional-ising = IS NOW 'MADE VISIBLE!?!' = TO/FOR US!?! = CONSCIOUS-NESS!?! (Read what Ophiel writes, about the Astral Plane = Elemental Fire = being a 'Sea' of FLASHING COLOURS GOING EVERYWHERE!?!) In/on the elemental plane of Water = everything is = flowing/fluid!?! The present writer, likes the Hindu description of/for the #2, etheric plane, which is; slippery!?! (Like a 'fish?')

But...it is in/on the elemental plane, of the element of, the elemental element, of elemental earth, that the #2, etheric flowing/fluid/slippery-ness = STOPS! (DEAD?) And, it is 'here = elemental earth', that we = mortals? = get to = psychologically tactilely-feel, define, three-dimensional-ise, symbol-ise!?! Our object, circumstance, thing and/or it!?! Where our 'IT' = IS 'NURSED'!?! (Emerald Tablet Crap!?!)

Side note; for those who are 'interested?', the Emerald Tablet, only makes 'sense' when you, the reader/occultist, understand the word 'Earth' used, in its description/explanation, is referring to; the/your psychological tactile-feeling-body!?! There is = no physically physical earth in it!?! (Go read it now, and see how you get on!?! Ophiel's books: Talismanic Magic and Clairvoyance.) End of side note.

Side note; for those who are 'interested?', read the Emerald Tablet, along with this monologue, and when it (Tablet), refers to any of the elemental forces, examine the/these forces, in the 'context' of Ophiel's colour plate and his last 'row' going across plane!' End of side note.

The elemental element, of the elemental water, means that we = conscious-ness = can now(?) = get to 'see = reflect?' = our object, circumstance, thing and/or it!?! BUT... ONLY! ONLY!

IN/ON THE ELEMENTAL PLANE, OF THE ELEMENT OF, THE ELEMENTAL EARTH = DO WE = CONSCIOUS-NESS = GET TO TACTILELY-TOUCH = IT!?! = AS A PSYCHOLOGICAL 'REALITY!?!' = AS IF/AS THOUGH!?! = IT!?! = IS NOW A PART/PIECE = OF US!?! = OF OUR SELVES!?! = A Cube 'inside' Cube!?!

As you look at Ophiel's colour plate, from his book: Caballa Magic and you, the reader/occultist are 'going across the plane' of the Element of, Elemental Earth = IT IS 'ALL' = ELEMENTAL EARTH!?! = THERE 'IS!' = NO! = Akasha; Fire; Water; Earth!?! There is ONLY! ONLY! ELEMENTAL EARTH!?! = CONSCIOUS-NESS = MAKES!?! The Elemental Element, of the Element of, Elemental Earth = Behave like, seems like, works like, operates like, looks like = TACTILELY-FEELS-LIKE!?! = The 'OTHER' Elemental Forces!?! = BUT...IT IS 'STILL'!?! = ALL ELEMENTAL EARTH!?!

Now! The 'descriptions of', 'descriptions for', the elemental plane, of the element of, elemental earth = IS ARE IMPORTANT!?! = Ophiel calls/describes the/these titles/names/epithets/descriptions as 'handles', that we 'mortals' can get a 'hold of' mentally, and 'use' to our individual 'advantage'!?! Nearly everyone here, in/on this/these Ophiel sites, has already been informed, of/about some of these names/epithets, but we shall just go over them again:

In order to explain/describe the Demiurge and it's, irrational, inexplicable, random, unexplainable, actions/doings, at the/our/your, #1, malkuth earth/hades plane level, the worthy ancients gave three descriptions as such:

Yaldabaoth = Childish.

Saklas = Foolish.

SamaEL = BLIND.

Ophiel explains, in his books, vignettes and courses, that 'between?', the #2 etheric plane and the #0, outer, outer physically physical plane = there is/are 'well-defined' = sections of 'reversal' = and that the/these 'reversal sections', when 'viewed' psychically, were/are described, by the worthy ancients, as: Adversarial, Antagonistic, Oppositional, Detrimental and PERSONAL/INDIVIDUAL/DELIBERATE/ACTIVE!?! So much so, that we 'individuals' actually, factually, literally = have our 'own' DEVIL WITHIN US!?! = actively working against us!?!

The above, is not true!?! And is based on religious bigotry, religious hysteria, and masochistic lunacy! Based on the fact!?! That the/our #1, malkuth earth/hades plane = IS THE 'BLACK-ASTRAL-LIGHT'!?! = The fact that the worthy ancients, gave the epithet/title of; SamaEL = BLIND = God of the Blind = The Blind God. After the Greek God Pluto and his wife Persephone, both of whom, were/are 'Blind'?.

Please work/study hard, and 'accept', the worthy ancient's description of, 'BLIND', for the/your psychological tactile-feeling, as it/this understanding, will/shall 'work wonders?', for your 'occult!!'.

Also, the present writer's favourite description of: Prince-of-Dark-ness, is to show/reveal, the type/kind of 'power', 'authority', 'control', that the/this #1, plane 'has', over us = in/on the/this #0, plane!?!

It was the 'Gnostics' who name/shamed/described this #1, plane, as 'Evil = pro-actively evil', deliberately 'evil', consciously 'evil' = WHICH IT IS 'NOT'!?! (See/read Ophiel's book: Contacting the Demiurge.) Once you, the reader, 'accept', that the Astral Light, at the/your #1, malkuth earth/hades plane/level is = BLACK!?! = IS = PSYCHOLOGICAL TACTILE-FEELING? Then 'many' other things, rise softly, into conscious-ness, without any or too much 'backlash = adversity/opposition' or 'slandering/belittling' in your normal/natural daily life/living!?!

The actual, factual, literal = close-ness, near-ness = of!?! The/this #1, malkuth earth/hades tactile-feeling-body = scares the metaphorical shit!?! Out of many, many would be persons/individuals at any level!?! But!?! Once you = #0 &+ #3 bodies accept, partner, work-with, co-operate, harmonise, share = BE/BECOME FRIENDS TO/WITH = IT!?! Then, many, many 'things' becomes 'possible'!?!

One of the most immediate of ways to find/discover 'IF'? You, the reader, have any understanding/knowledge of? The/your #1, malkuth earth/hades tactile-feeling-body, is to use it, in/with Ophiel's; Little System, of Astral Projection, and do/practice traveling your 'Route', in your tactile-feeling-body!?! Sit/lie your #0, outer, outer physically physical body down and 'travel your route', in the/your #1, malkuth earth/hades psychological dark-ness, black-ness, blind-ness, there and back!?! Keeping and Doing 'everything' that you would #0, outer, outer physically physical and #2, etheric visualisation.

This is where the practice of the/your basic cosmic egg exercise, comes into its own!?! Elemental Earth in/on the Elementa Plane, of the Element of, Elemental Earth = Cube 'inside' Cube!?! You are 'now' projecting into/onto the/your #1, malkuth earth/hades plane!?! Here is how Ophiel, describes this, in his book: Clairvoyance, his chapter: The Astral Light:

“For many years, I was much puzzled in my dreams and later in my first clairvoyant projections about the usual ‘course of events’, during a dream and then, the same thing in the projections happening, in which dream or projection I was first able to clairvoyantly ‘walk’, ‘run’ or anything at all in the way of former physical-type movements. My Inner Plane researches have convinced me that all the planes differ from each other greatly and what is a clairvoyant-type of movement on one plane, is not the same clairvoyant method of movement on another plane. I explained, that in a clairvoyant projection, there seems to be a rule, that a person continues to project ‘on up’ once the entrance to the Inner Plane is made.” End quote.

Then this part:

“To be clairvoyant, you have to enter these Inner Planes and see for yourself, what it is all about, and in order to see, you have to know what kinds of movements, you can make. This is the true practice of Clairvoyance and not any fake information you may get otherwise.” End quote.

This/the above from Ophiel, is where you, the reader, are ‘at’, in the/your daily practice/doing of the/your basic cosmic egg and/or basic chair exercises!?!

You, #0 &+ #3, are = deliberately, purposefully, knowingly and creatively = DEVELOPING/ENHANCING!?! = the/your LATENT PSYCHIC ABILITIES!?! = AND! AND! = YOU = #0 &+ #3 = ARE DOING THIS/THESE ACTIONS!?! = WITH!?! = NOT TO!?! = THE/YOUR #1, MALKUTH EARTH/HADES TACTILE-FEELING-BODY!?! (Be/become a ‘friend’ to ‘thine’, adversary/opposer!?!) (See/read posts/messages/monologues = Psyche & Eros!?! And the ‘rules’ set out by ‘Eros’ to ‘Psyche’ = bring no light!?!)

As the/these/your ‘latent abilities’, express themselves as = psychological tactile-feeling = the sensation/feeling of = being a counterpart!?! = is very, very enjoyable(?) = as the ‘feeling/sensation’ of power/glory!?! = is/becomes more and more developed/enhanced!?!

But... IF YOU CONSCIOUS-NESS!?! = LET, ALLOW, PERMIT = THE/YOUR #3, EGO BODY, PRESENT INCARNATION, PERSONALITY BODY = TAKE THE 'CREDIT!?!' = FOR/OF!?! = THIS/THESE = FEELING/SENSATIONS OF = POWER/GLORY!?! Then you must also!?! Take the 'credit/blame' = FOR ANY, ALL = SUBSEQUENT = CRASHES, MISHAPS, MISTAKES AND 'REVERSALS!?!' THAT TAKES PLACE, HAPPENS!?! See/read Ophiel's book: Creative Visualisation and his 'reversal of fortunes/fate'. Also, see/read famous persons who 'fell' just as 'sharply' as they 'climbed'.

Thank you.
