

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

1 of 2 could you believe it. 2020

Goodness, gracious! In the previous series of monologues, it was brought to the attention of some members of this particular Ophiel Magic Group, that there was/is, a 'body', in which its task/job, was/is to **believe**. And, that through simple exercises, on a regular basis, and with paying attention to such things, that the/a/an, individual's powers of 'perception', would/could, be developed, enhanced and, more importantly, advanced. Nobel Prize Winner; Daniel Khaneman (2002), wrote in his book; Thinking Fast & Slow; that all intuition was based on recognition.

This is perfectly 'true', as a simple statement, but... recognition of what? That would be down to the individual! Ophiel, explains this, in his book: Clairvoyance; in his chapter: The Two Minds. Wherein he presents his exercises, as examples: Watermelon; Milk pouring; Gas-pedal. The 'recognition', was/is, in the psychological '**tactile-feeling-believing**' reception/acceptance, of the/his (Ophiel's), #0, outer, outer physically physical body sensations of resistance/pressure.

The '**tactile-feeling-believing**' reception/acceptance, **mechanism**, is a very subtle thing, as it requires, needs, resistance(?), in order for it to, work/operate. A very, very, difficult thing to grasp mentally. The present writer was sitting in junior science class, and they were being taught about, magnetism, and its effects, with regards to 'attraction = rejection!' and 'generation', so we had magnets. Leaving aside, the class and subject, the present writer, was fascinated, at the attraction/repulsion, of the magnets. For the present writer, there was 'no visible' reason, for it, the magnet to attract or reject? And, the idea of 'poles/ends', north and south, did nothing, to enlighten them?

But... as soon as the explanation of electricity was introduced, which caused all the atoms/particles to face, go, travel, in the same/one direction was introduced through the/a suitable conducting material, then everything was understood(?). Later, this was confirmed; when it was explained; that people/persons were/are 'electro/magnets', that 'charged' themselves, when they physically, physically, biologically moved.

Persons/individuals, who 'have', this/these types/kinds of 'movements' coordinated, are what are called/named, as, successful. Whether that/this is deliberately planned as a chosen career, or as a natural phenomenon, is irrelevant to the actual, factual, literal effects. It is, of course, more clearly stated/shown, in those two types, who, as children, were educated, so that their

subject matter is widely understood; or, as naturals, who just ‘instinctively know?’.

Now, the present writer, couldn’t understand the, attraction/rejection, but they could/did, completely understand the effects/affects, of it? As any normal teenager does(?), as soon as puberty ‘hits?’. Later (much too late/later?), the present writer, found out/discovered, that it wasn’t them! It ‘was!’, the present writer! Anyway, the fascination with ‘magnets’ was based on the/their; unseen(?), but...tactilely-felt-power!?! Especially, especially, in the/their ‘compelling’ power? This is where Ophiel’s book: Talismanic Magic, comes in play! But... this was years, before the present writer ever read Ophiel’s book. To this day, the present writer, is still fascinated by/with, magnets, and their invisible ‘compelling’ power!

Here is what Ophiel writes, in his book: Astral Projection, his chapter: Dream Method;

“The ‘trouble’ you encounter and the dire things that old maid occultists warn you against, all the times in the past that you read about between the different planes and what happens when you try to act on the Inner planes the same way that action earth-physical. Some old maid New Thought practitioner got out there one time, by accident, and when she tried to come, she went, and it scared the wits out of her. So, instead of trying to find out what was wrong, she labelled it all hell and warned everyone to stay away. I want you to understand this fully, do I will repeat it again – On the Inner planes, you have to ACT in accordance with laws that govern that plane, which laws, are different than the laws that govern, the physical plane. And, until you learn these laws, and MOVE by them, you are going to find yourself, in a very peculiar position, when you try to do something. When you do learn the laws, and act accordingly, all will be well.” End quote.

Is there anyone, here, in/on this particular Ophiel Magic Group, who is/are ‘attracted?’, to the/their occult? Do they ‘go’ to/towards their ‘occult?’, only to have it (their ‘occult?’) = move away??? One of the ‘major’ things, that the present writer is aware, awake and conscious of; is that the, magnets, in/on the/their (or your), #1, malkuth earth/hades psychological tactile-feeling-plane, is, the; Water-of-Earth! = Reflection? If your ‘it’ is South, you had better be North! If your ‘it’ is North, you had better be Physical!

Now, please read carefully! The only ‘part’ of you, #1, malkuth earth/hades you(?), that has no magnetism(?), is(?), the/your #1, Malkuth Earth/Hades = tactile-feeling-body-you!! = Earth-of-Earth!! And, it is ‘this’, that is projected, into/onto the/your #0, outer, outer, physically physical earth, where you can only; use, used using! The Earth-of-Earth, is

explained in Ophiel's second book: Creative Visualisation, his chapter: Law of Emotion.

“One method of using E-motions, often advocated by former Creative Visualization teachers of the natural type, was to instruct the student to “FEEL” (without telling him “how” to “feel”) that he already had the thing desired, and was using it, AND he would get it in due time. This idea seems to have originally been based upon one of the few genuine portions of the “new testament”.

The purported Jesus is supposed to have said – “Whatever things you want believe that you have them already and you will have them.” (Therefore, I say unto you what things so ever ye desire, when ye pray, believe ye have received them and ye shall have them MARK 11:23 ERV.)

Of course, the above directions are greatly simplified and are directed to those who are able to work the Creative Visualization Laws naturally. You now know, from your reading study of this book, that there are many other factors-laws to be taken into consideration to make Creative Visualizations work than the use of just one single Law. However, these other Factor-Laws you now already know and knowing them you can use them all together properly and get the best reinforced use out of all of them.” End quote.

Therefore, I say unto you, the reader #0 &+ #1; Whatever ‘things’ you want, believe, that you tactilely-feel-them, they, these ‘things’, as defined, three-dimensional, symbol-ised ‘realities’, and that they are yours/ #1, already! Just like the ‘cup’ exercise, in the previous monologues, it is a question of; belief, believe, believed, believing!

Your #3, present incarnation, personality, ego body, doesn't have to; believe?

Your #2, etheric reflecting body, doesn't have to; believe?

Your #0, outer physical body using body, doesn't have to; believe?

But... the/your #1, malkuth earth/hades psychological tactile-feeling-body = is ‘compelled?’, to believe? The reason of/for this, ‘compelled?’, is that the/your/our #1, malkuth earth/hades body, is the ‘neutral-body’, to/of the/your, #4, astral-emotional-electrical, body! To/of the/your #2, etheric-reflecting-magnetic, body! The #1 body, is neither electric nor/or magnetic, but... it is the/this very same, neutrality, which makes it = #1, the believing-body!!

The short list below, of conscious-ness states, shows in what way/manner, that it, conscious-

ness, can work/operate! Whatever consciousness, is, it is not, the/a body! And, Whilst the consciousness, can/does 'go', project/transfer, from plane to plane, and whilst the ego body, can/does 'piggy-back' on/with consciousness; none, of the 'bodies' can, do, does, project/transfer from its (the 'body') plane!

The, akashic body = is the cause!

The, archetypal body = is the foundation (**tactile-feeling**!?)

The, astral/electric body = makes all the 'other' parts, all face the one/same, way direction!

The, ego body = observes!

The, etheric/magnetic body = attracts or **rejects** all the 'other' parts, wanted/not wanted!

The, defining/malkuth earth/hades body = believes, what is left, what it gets/receives!

The, physically physical body = uses!

Consciousness is duality = all in/on the same/one plane!

Duality is consciousness = all in/on the same/one plane!

The present writer, could, easily, for explanation purposes, simply change it to read, thusly.

Consciousness is **tactile-feeling** = all in/on the same/one plane!

Tactile-feeling is consciousness = all in/on the same/one plane!

The two planes, where consciousness = **tactile-feeling**, is **strongest**, is/are, of course; #1, malkuth earth/hades and #0, outer, outer physically physical plane!!

So, as we = consciousness - **tactile-feeling**, about turn/about face and transfer/project up/in, from the/our/your, #0, outer physical earth, we take with us, consciousness – our #3, present incarnation, personality body, ego body! Because it, #3, piggy-backs, with(?), consciousness! From #0, to #1, is so, so, easy! For many of your earth years, you #0, have been the proud(?), owner of(?), the/your #1, malkuth earth/hades, **tactile-feeling**, body!!

So, switching/transferring consciousness, from #0, to #1, via, **tactile-feeling**, is

done/achieved, through by/with, entering the/your darkness, blackness, blindness, and defining, three-dimensional-ising, symbol-ising, what 'it' = your object, circumstance, thing, is! This you, the reader, could 'do', with the/your Little System; Ritual; Treasure map/chart; Talisman; Prayer; Cosmic Egg; Basic Chair and/or Letter of Augustine of Hippo!?!)

Those 'things' that the/your #1, malkuth earth/hades tactile-feeling-Air-of-Earth-body, Earth-of-Earth-believes(?), will/shall, make/cause, your #0, outer, outer physically physical body to move! Because the/your #0, outer, outer physically physical body, is a 'projection of', the/your #1, malkuth earth/hades tactile-feeling-believing-body!

So, it would be of some assistance if? The person/student occultist/magician, who is finding it difficult, trying and/or frustrating, that they cannot/do not, #2, etheric project, in the manner/way, of those described, by those who do project, could, in some way, practice, in a manner/method that is going to be conducive to their efforts to achieve #2, etheric projection.

Well, it just so happens(?), that there is a plane, which is 'between', the/their #0, outer, outer physically physical body and the/their #2, etheric body, which, if contacted, in a proper manner, method, way, could assist the struggling student, greatly. The two recommended/suggested exercises is/are the basic cosmic egg and/or basic chair exercises, in order to develop, enhance, the individuals latent/dormant Psychic powers, to the best that they are going to get, for them, and then they take it from there.

The egg and chair exercises, are the same as Ophiel's, watermelon, milk-pouring and gas-pedal exercises, with the exception, that the egg/chair can be repeated and practiced, on a daily basis, using the/this same principle on the same materials. Another method, that is greatly enhanced, by/with these exercises, is that of Tarot Reading and/or Crystal Gazing and Black Mirror work. (See/read Ophiel's book: The Oracle of Fortuna.) The secret key, to any of this, is the acceptance and understanding, that there 'is', a plane/level of #1, malkuth earth/hades, which 'is', the transition point/place/plane, between #0, outer, outer physically physical and #2, etheric! And that the means/mode of transition/expression is that of; resistance and tactile-feeling! Here is how to 'test' this:

Go don't go! Stay don't stay! Chose don't chose! Buy don't buy! Accept don't accept! Press don't press! Taste don't taste! Touch don't touch! Bet don't bet!

Where there is a ‘choice?’, there is tactile-feeling?? Where there is tactile-feeling?? There is resistance?? In the type of questions that Ophiel asks = there is resistance??

Which of you, watermelons is/are the ‘ripest?’ = This one! = resistance??

How much milk should I pour? = This much! = resistance??

How much pressure should I apply? = This much! = resistance??

The/this, resistance, is the elemental force, of the element of, the elemental element, elemental earth! = The Earth-of-Earth!! Once a person/individual reaches this state/stage/condition = The Earth-of-Earth!! that is it! It is over! It is done!! You either understand this, or you get/have a, psychic buzz, from this?? If not, it simply means that you have to work more!! Here it is, from Ophiel, from his book: The Occult, his chapter: Occult Books and Final:

“Therefore – as you go ‘deeper’ and ‘deeper’ into the Occult you should -you do become aware of many changing ‘things’, ‘happening’ – year by year, month by month, week by week, and day by day, no-thing is ever the same exactly. After a due passage of time, as I said, you will note these things- mostly, these changes come to you as ‘feelings’ – precognition – intuition – clairvoyance and many other and varied forms of psychic cognition. This is of the Psychic past. And there is also another way, you will come to notice the ‘changing happenings’ and that is an actual pressure effect on your body and in your body AND also notice the effects on the bodies and natures of OTHERS.” End quote. (Underlines are the present writers.)

Here again, is what Ophiel writes, in his book: Clairvoyance, his chapter: The Two Minds.

“I will digress here for a moment and say that I am sorry I have to use just ordinary examples as watermelons and the examples to follow, but there are good reasons for this – the examples are everyday things which we all know about and use all the time AND THE PRINCIPLES UNDERLYING THESE EXAMPLES UNDERLIE ALL THINGS EN-TOTAL. So, don’t be fooled by the apparent simple-ness of these illustrations, BUT STUDY AND MASTER THE EXAMPLES, and then you have it made!” End quote.

Who? Amongst us! Wouldn’t like to; have it made? (Apparently? Seemingly? Quite a

few!?!), Ophiel writes, farther on, towards the end of his chapter:

“Now in your experimental sub-mind work you will have to evolve your own types of exercises, like the examples given, and carry them out successfully.

You have to release all conscious-mind control and practice allowing the sub-mind to take over, and this gives rise to a very queer feeling, as if you seem to be losing control over your objective world.

Practice this until you note a degree of entry of the sub-mind into the objective world, which is all you want, a degree of entry, and a degree is all you need to greatly improve and sharpen up your life.” End quote.

You have to release all conscious-mind control and practice allowing the sub-mind to take over, and this gives rise to a very queer feeling, as if you seem to be losing control over your objective world = this, queer feeling, is where the/your #1, malkuth earth/hades plane, enters ‘in’ to consciousness? Or(?), this is where consciousness, enters ‘in’ to the/your #1, malkuth earth/hades plane!?!

There ‘is’ a difference, in the above, of who(?), enters ‘into?’, who? And it is this difference, which makes, creates, a very, very, large proportion, of disruption, in people/persons lives/living? Especially during our/your, waking hours. The reason of/for this, is that individuals do not know/understand that whilst #0, outer, outer physically physical living/awake, that they are being-projected!! By/with the/their #1, malkuth earth/hades tactile-feeling-body = in the/their now-time/real-time? = and that there is no ‘break?’ in consciousness, at any time = but... there is are, breaks, between bodies, in/on each of the planes!?! Hence, why, we need to, have to consciously/knowingly and deliberately, must learn to, project/transfer our/your consciousness, so that ‘it’ = consciousness, is flowing all in the same/one direction? Just like the/a ‘magnet?’.

The easiest, simplest of ways, to see this, magnet effect, in you, the reader, is in/on the/your #2, etheric plane, which only ever ‘reflects you’. As it, #2, etheric plane, is the visible plane? There is/are ‘other’ reflections there, but... as you can read for yourselves, in Ophiel’s vignette: How to Control and Dominate Others: most persons ‘repel’, that which they desire?? And! A very large amount, of persons/individuals, who do not know about, know of, the/their #1, malkuth earth/hades plane and its role/involvement in belief, believe, believing, believed = Earth-of-Earth; do not understand ‘why?’, the/their/Ophiel’s vignette, is not ‘working?’, for them?

Most persons/individuals, put this lack of operating, down to the fact, that they do not, cannot at this particular moment in time, #2, etheric project? But... there is/are those, who have never consciously, knowingly, deliberately ever, projected/transferred their consciousness, and yet? They ‘do’ get? Another example of ‘resistance’ (Elemental Earth-of-Earth), is in Ophiel’s chapter: You Are Naturally Clairvoyant, wherein we read this:

“I have had a chance to study such a person, a successful man, for too short a time. But I noticed in several instances that when he made a decision based on the resolving of a number of factors into a single conclusion and acting thereon, THIS CONCLUSION, FOLLOWED BY THE ACTION, BOTH SUCCESSFUL, COULD HAVE BEEN NOTHING MORE THAN A CLAIRVOYANT PERCEPTION OF A MASS OF DIFFERENT FACTORS AND THEIR RESOLUTION INTO A SINGLE INSPIRED CLAIRVOYANT CONCLUSION – OR SO IT SEEMED TO ME.

I will want to do more work on this in the future, but in the meantime, do some investigating yourself. Study all the successful people you can and try to see how many of their decisions are based on apparently nothing related to a complex of facts on hand – THEN ASK THEM TO EXPLAIN THEIR DECISION. If they cannot clearly state how they arrived at their plan of action, or if they hesitate in explaining and have to think it over, then the chances are it was a spontaneous clairvoyant use/decision, the possibilities of which we all have to some degree.

Now comes a note and a word of caution – while it is true that daily available use of clairvoyance can be a great help in your daily life, clairvoyance, per se, is not ALL POWERFUL. It will not make you a giant power all at once. You still need all the Earth Skills that you can get and master the use of. Skill in the use of clairvoyance and Earth Skills must be used together. To repeat – Clairvoyance Skills and Physical Skills should SUPPLEMENT EACH OTHER. They do not SUPPLANT EACH OTHER. You will have to learn to develop clairvoyance and you should develop all the Physical Skills you can, and then learn to WORK THEM BOTH IN CONNECTION WITH EACH OTHER AND WITH YOU, AND ALL YOUR OTHER ASSETS, THAT YOU MAY NOW POSSESS.” End quote.

THIS CONCLUSION, FOLLOWED BY THE ACTION, BOTH SUCCESSFUL, COULD HAVE BEEN NOTHING MORE THAN A CLAIRVOYANT PERCEPTION OF A MASS OF DIFFERENT FACTORS AND THEIR RESOLUTION INTO A SINGLE INSPIRED CLAIRVOYANT CONCLUSION – OR SO IT SEEMED TO ME = Buy don’t buy? Sell don’t sell?

As soon as one of the/these ‘choices’ was ‘made?’, in/on the/this business mans ‘mind’, his #0, outer, outer physically physical body = moved! = **THIS CONCLUSION, FOLLOWED BY THE ACTION!** This was because of his, Earth-of-Earth = belief, believe, believing, believed!?! So, having looked/examined, the information before them, having collected/gathered as many ‘options/variations’ as possible/probable(?), this businessman, caused, created, psychological tactile-feeling, with the ‘strongest resistance?’, the ‘strongest pressure?’

The/this resistance is the pressure gauge, measure, of the/his/their/your success(?), and the more/number of times, you get repeat (Water-of-Earth) it/this, resistance/pressure gauge/measure ‘correct’, is/will be the ‘measure’ of the/your success? (Nobel Prize Winner; Daniel Khaneman; Thinking Fast & Slow; all intuition is based on recognition. Here is how Ophiel, writes, explains, in his same book/chapter; Clairvoyance/The Two Minds:

“In a short time, it worked and the exact amount of milk was poured out! BUT the objective-conscious mind began to object.” End quote.

The letter of Augustine of Hippo = agree with = thine adversary/opposer comes in, here. But... there is distinct ‘difference’, between information and technique? Does this, can this, information, make/create and ‘difference?’, in the/your ‘technique’ (Art/Skill set/practices), to the point/place, where you, the reader, master magician, can(?), does(?), have it made?

Well, the ‘one’ who ‘makes’ = it = the/your object, circumstance, thing and/or it = is = the/your #1, malkuth earth/hades plane/body, and this #1, plane/body, does so via, though, by, with, tactile-feeling, defining, three-dimensional-ising, symbol-ising, your = it! The present writer, will present again, the table/chart, of for the combined tattva, of the elemental force, of the element of, the elemental element, elemental earth. And, in each ‘case’, you, the reader, must work out, how it/they work/operate on each of the ‘other’ planes.

Akasha-of-Earth = Cause/Change

Air-of-Earth = Foundation/Tactile-Feeling

Fire-of-Earth = Desire/Brooding

Water-of-Earth = Reflect/Repeat

Earth-of-Earth = Belief/Believe/Believing/Believed

Physical-Earth = Use/Used/Using

Nobel Prize Winner; Daniel Khaneman (2002), wrote in his book; Thinking Fast & Slow; **that all intuition was based on recognition**. This is perfectly 'true', as a simple statement; but... recognition of what? That would be down to the individual! And the/their chosen practice 'techniques?', AND! IN THE QUALITY/QUANTITY OF RESISTANCE/PRESSURE THAT THEY – THE OCCULTIST/PRACTITIONER – RECOGNISED? – IN RELATION TO – THE/THEIR CHOSEN SUBJECT.

Thank you.
