

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

Written by max.height

defunct YahooGroups)**

3 of 5 crossing the line. 2020

We continue with Ophiel's book: Talismanic Magic and his chapter: Recapitulation: Ophiel writes, farther on:

“Basically, sex is polarity but not all polarity is sex. In simple words, there is you and what surrounds you, your Sphere of Availability. Also let us this time call it your Sphere of Sensory Impaction. This Sphere of Sensory Impaction which surrounds you EITHER STIMULATES YOU, ONE WAY OR THE OTHER UP OR DOWN, OR YOU STIMULATE IT. This stimulation is the measure of your success in this Physical Life. Either you take hold and make your Sphere of Sensory Impaction your charged Talisman or the incoming Sensory Impaction will control you – will charge you – and will make you their Talisman.” End quote.

We adjust the above Ophiel quote, simply for ‘context’ of the subject under presentation; tactile-feeling.

Basically, sex is polarity but not all polarity is sex. In simple words, there is you and what surrounds you, your Basic Cosmic Egg. Also let us this time call it your Sphere of Sensory Impaction = Psychological tactile-feeling. This Basic Cosmic Egg = Sphere of Sensory Impaction which surrounds you EITHER STIMULATES YOU, ONE WAY OR THE OTHER UP OR DOWN, RESISTANCE/PRESSURE OR YOU STIMULATE IT WITH YOUR RESISTANCE/PRESSURE. This stimulation of resistance/pressure is the measure of your success in this Physical Life. Either you take hold and make your Basic Cosmic Egg-Sphere of Sensory Impaction resistance/pressure your charged Talisman or the incoming Basic Cosmic Egg-Sensory Impaction will control you – will charge you – and will make you their Talisman.” End quote.

Next, we read:

“This is what I mean when I say “Sex.” I mean Sex in its higher sense and not in its lower sense, and if the person I am asking the question of is advanced, he will sense my true meaning and answer accordingly. So much for that, and YOU figure out the higher meanings of Power and Money. So now back to the Talisman idea/principles. In this chapter, I have presented the heretofore Occult secret, (Solomon never spilled a word about it and neither did

Barrett) one of those big Occult Secrets you hear so much about. Well, there it is: YOUR ENVIRONMENT/SURROUNDINGS – YOUR SPHERE OF SENSORY IMPACTION – IS ONE GIGANTIC TALISMAN and how you treat/handle/charge it is the measure of your success in living your Physical Life.

You must generate, draw and pass through your body a great amount of Force (Astral Light/Power) so that you CHARGE your surroundings, “magnetize your surroundings,” to use the older word, your “Sphere of Impaction,” to use the new word, so that your surroundings become saturated (re-visualise the Astral Light as “Water” as taught previously) with Prana coloured by your body personality. You do not create any Prana. Prana is another useful name for the four Elemental Forces and the four together collectively create the fifth called Akasha, and all of these Elemental Forces together, combined, are called Prana.” End quote.

So, for context:

Well, there it is: YOUR ENVIRONMENT/SURROUNDINGS – YOUR BASIC COSMIC EGG EXERCISE, IS, YOUR SPHERE OF SENSORY **TACTILE-FEELING**-IMPACTION – IS ONE GIGANTIC TALISMAN and how you treat/handle/charge it is the measure of your success in living your Physical Life. You must generate, draw and pass through your body a great amount of Force (Astral Light/Power) **AS TACTILE-FEELING**, so that you, #0 &+ #1, CHARGE your physical surroundings, “magnetize your surroundings,” to use the older word, your “**Tactile-Feeling-Resistance/Pressures**,” to use the new word, so that your surroundings become saturated (re-visualise the Astral Light as “Water” as taught previously) with Prana coloured by your body personality and not(!) the your #3, Ego Body Personality.

You do not create any Prana. Prana is another useful name for the four Elemental Forces and the four together collectively create the fifth, called Akasha, and all of these Elemental Forces together, combined, are called Prana, and you ‘bathe/wash’ in this Prana, every day you choose to do/practice your basic cosmic egg exercise.

As an assist, to try to enable as many persons/individuals as possible, here is another excellent way of imaging, imagining, these types of things, from Ophiel; in his second book: Creative Visualisation, we read this, in his chapter: The Barrier:

“Attend to the following knowledge carefully. WORDS-SPEECH ARE THE “LANGUAGE”

OF THE CONSCIOUS MIND WHEREAS FEELINGS ARE THE “LANGUAGE” OF THE SUBCONSCIOUS MIND.

So, I repeat again – All the trouble we have in the world, in living this material life successfully and fully comes from the differences in COMMUNICATIONS BETWEEN THE TWO MINDS. The inability of these two minds to talk to each other. To get ideas and commands over to each other! Conscious-you to talk to unconscious-you! Hardly in your whole life have you been able to tell yourself what you really mean!” End quote.

Attend to the following knowledge carefully. WORDS-SPEECH ARE THE “LANGUAGE” OF THE CONSCIOUS MIND WHEREAS PSYCHOLOGICAL TACTILE-FEELING IS/ARE, THE “LANGUAGE” OF THE SUBCONSCIOUS MIND = WE, CONSCIOUSNESS = OBSERVE/FEEL THIS ‘LANGUAGE’ = AS RESISTANCE/ADVERSITY/OPPOSITION!?!?

How much? = This much? = The resistance/adversity is exerting resistance/pressure!

How many? = This many? = The resistance/adversity is exerting resistance/pressure!

How hard? = This hard? = The resistance/adversity is exerting resistance/pressure!

Which one? = This one? = The resistance/adversity is exerting resistance/pressure!

Let the present writer, assure you, the reader, that if you are #2, etherically ‘inclined’ (which large numbers of us, are!?!), you, consciousness with #3, ego body, will/shall pick/choose the side that you want, and you will end up;

Loosing when you wanted to win.

Fail when you wanted to succeed.

Give up before you finish.

Turn right when it should have been left.

Picked red when it should have been black.

Sold when you should have bought.

Bought when you should have sold.

You must learn ‘when???’ , to ‘stop?’ , #2, visualising; and start to #1, believe, that you

have/possess, your object, circumstance, thing and/or it, already!?! The ‘answer?’, which ever one you are looking/searching for; will/shall ‘come’ to you, in the form of a ‘sensation of’ = resistance – stop/pressure – full! It is your inability, failure, to ‘recognise?’, which is causing/creating/making, so much trouble/difficulty in your life/living?? Please allow the present writer, to present to you, the reader, again, once more, how Ophiel, put it across: This is from his third book; The Occult, his chapter: Occult Books and Final:

“Therefore – as you go ‘deeper’ and ‘deeper’ into the Occult you should -you do become aware of many changing ‘things’, ‘happening’ – year by year, month by month, week by week, and day by day, no-thing is ever the same exactly. After a due passage of time, as I said, you will note these things- mostly, these changes come to you as ‘feelings’ – precognition – intuition – clairvoyance and many other and varied forms of psychic cognition. This is of the Psychic past. And there is also another way, you will come to notice the ‘changing happenings’ and that is an actual pressure effect on your body and in your body AND also notice the effects on the bodies and natures of OTHERS.” End quote. (Underlines are the present writers.)

With the knowledge/knowing of the/your basic psychological ‘condition??’ = resistance/opposition/adversary = expressed as = pressure? The ‘modern’ expression is = bio-feedback loop = which is so, so close, and yet! Still ‘misses’ the ‘mark!’, because of the possibility of #3, ego body, present incarnation, personality body, dominance = I = #3, ego body = am doing this?! Whereas, there is/are, ‘no feeling whatsoever’, in #3, body!!! #3, ego body, can ‘only!’, observe! With the knowledge/knowing of the/your basic psychological ‘condition??’ = consciousness = should be/would be/could be???

Able to make ‘progress’, in any/all of your ambitions, following the/your outer, outer physically physical laws, rules and governances of, ‘common sense!’. Consciously/Knowingly/Deliberately = develop your skills/techniques, art form expressions = in a/any medium, in which you, consciousness, know/knows, that you can/do/will/shall ‘succeed’. However ‘big or small’, this may be, it is irrelevant to the technique, which must be, executed perfectly/correctly, each time, in order to provide a ‘service’, for which you can ‘charge’, the largest number of persons, the highest price, that they are willing to pay you, for the/your ‘service provision’.

The amateur magician, know nothing about time (Fourth Dimension of Physically Physical Space), whereas, in/on the/your ‘inner-planes’ the object, circumstance, thing and/or it, is ‘immediate’ (or, at the least(?), seems so(?)) in order to ‘amass’ material things, one has to ‘compress’ time, over a certain/given amount of ‘time’, as described by Ophiel, in his writings, and especially more so, in his book: Talismanic Magic, where he describes/explains,

about 'attaching' a 'piece' of the Astral Light, to a physically physical object, for a 'long-pull-through'. In other cases, where the 'use' is immanent, he recommends a 'treasure map/chart' method, as explained in his second book: Creative Visualisation.

As a person progresses, in the development of the/their #1, malkuth earth/hades body, there will come a 'time', when the 'answer' will come to them, in the way that Ophiel, writes; an actual pressure effect on your body and in your body, and this, pressure effect, is/will be; YOUR ADVERSARY/OPPOSER = TALKING/ANSWERING = YOU, THE OPERATOR/MASTER MAGICIAN = BACK!! This is a 'skill' developed over a time/period, of diligent practice, with patience. Remember Daniel Khaneman = all intuition is based on recognition?! Imagine now, that you are advocate/devotee of the 'tattva' system/method(?), and that you have practiced your basic cosmic egg exercise, and developed/enhanced your psychological tactile-feeling-body, to the, point/place, where you, consciousness, #1, malkuth earth/hades, can believe = trust? The question is 'asked?'; Do I, or Don't I? Remembering always, that only in/on the plane above, over, higher, before and in-front!! Do you, the operator, get/have = BOTH SIDES OF THE FORCE = AT ONCE! AND, AT THE SAME TIME!!?!

So; Do I, or Don't I? = IS TACTILELY-FELT = AT THE SAME/ONE TIME!?! BUT... THE RESISTANCE, THE PRESSURE = IS 'BIASED'? BECAUSE OF THE 'QUESTION'? BUT... THE ANSWER MUST BE, MUST COME FROM! THE/YOUR #1, MALKUTH EARTH/HADES PLANE! NEITHER #0, NOR #3, MUST INTERFERE IN THE PROCEEDINGS! #0, IS PASSIVE/RECEPTIVE AND #3, IS OBSERVING ONLY!! Do you/are you? The reader any nearer/closer to understanding your basic cosmic egg exercise now? (See/read Ophiel's book: Clairvoyance, his chapter: You are naturally Clairvoyant; and his business man.)

Your #0, outer, outer, physically physical body, is/will always be, in/on the plane below, under, below, lower, after and behind? So, you = #1, will/shall always sense/feel = only one side(?) = of the 'force'? = and it is this 'side', that you, consciousness, will/shall, use, used, using = in/on the/your #0, outer, outer physically physical plane!! Please see/read Ophiel's book: The Oracle of Fortuna, as the 'principles' are the 'same', but just a, different medium!?! For instance? The basic cosmic egg and/or basic chair exercises, is/are both #1, malkuth earth/hades plane exercises! Not... #4, astral; Not... #3, ego body; Not... #2, etheric; Nor... #0, physical outer body! So, #1, malkuth earth/hades is... the principle! Even if... you were/are in/on a, different plane? Would you = consciousness = tactilely-feel-believe(?) it! So... the 'principle' is... belief; believe; believed; believing? No matter

what/which plane, you = consciousness = are in/on? Examples:

Principle = Akasha = causality/change – in/on any/all planes!

Principle = Air = foundation – in/on any/all planes!

Principle = Fire = direction – in/on any/all planes!

Principle = Water = reflection – in/on any/all planes!

Principle = Earth = belief – in/on any/all planes!

This you could read for yourselves, in Ophiel's book: Caballa Magic, in his colour plate of combined tattva 'principles' (the smaller symbol, being the 'principle-used', in/on the plane.) So, we return to Ophiel's second book: Creative Visualisation: his chapter: The Barrier, wherein, we read this part:

“First big secret! Your INNER YOU IS CONNECTED ALMOST DIRECTLY WITH THE INNER FORCES OF THE PHYSICAL COSMOS!!! And the second big secret! THE INNER FORCES OF PHYSICAL COSMOS ARE

THE EMOTIONS-FEELINGS OF GOD! The word E-Motion means moving (something moving) Movements on the Inner Planes are vibrations of different kinds and of different forms. THESE INNER PLANE VIBRATIONS, AS SOON AS THEY COME IN CONTACT WITH YOUR INNER PLANE SUBCONSCIOUSNESS, BECOME “VISIBLE” TO YOU AS YOUR EMOTIONS! AND THE CONVERSE IS ALSO MUCH MORE IMPORTANTLY TRUE TO YOU. YOUR SUBCONSCIOUSNESS EMOTIONS – GENERATED BY YOU – REACH OUT AND CONTACT THESE INNER PLANE FORCES – AND INFLUENCE THEM TO YOUR BENEFIT!” End quote.

So, once again, simply for 'context', as we are in/on a different plane/level #1, malkuth earth/hades, we slightly amend/adjust, the above from Ophiel, in order grasp, a 'meaning' that is suitable for us, we read:

First big secret! Your INNER YOU #1, is connected directly with the inner forces of the physical Cosmos!!!

Second big secret! The inner forces of physical cosmos are the emotions-feelings of God!!!

The word E-Motion means moving (something moving) **Movements on the Inner Planes are vibrations of different kinds and of different forms**. These inner plane vibrations, as soon as they come in contact with your inner plane subconsciousness, become the, **most visible**, to you, as your psychological **tactile-feelings**, and the converse, is also much more importantly true to you. Your subconsciousness **tactile-feelings** – generated by you – reach out and contact these inner plane forces – and influence them to your benefit or not? Depending on your #0 &+ #3, ego bodies, present incarnation, physical/personality bodies!?! Especially more so, if the/this #3, ego body, is **undisciplined**, and so makes **demands** of its #1, malkuth earth/hades **tactile-feeling-body**, in which case, the amounts of ‘negative’, ‘irrational’, ‘illogical’ happenings, are, will be, could be, **excessive, cumulative, terminal??** (See/read Ophiel’s vignettes: Why do you let the Devil ‘USE’ you: The ‘OTHER’ you: Your ‘OTHER’ you: The God that is in my Mouth). Ophiel continues, farther on, with this:

“Imagine a “place” inside your mental being where there exists a sort of “fence”. This fence, or barrier, separates your outer being from your inner being, separates your conscious mind from your sub-conscious mind. You, your conscious mind, is outside the barrier and YOU your sub-conscious mind is inside the barrier. (this is not too good a way of explaining it but this explanation is only to describe a theory and that only so your mind can have something to grapple with – don’t demand too much from a theory, as soon as you get used to the idea you will not use the conception anyhow).

Imagine that the Barrier works in the following manner – WORDS COME UP TO THE BARRIER – STRIKE THE BARRIER – SINK IN THE BARRIER – AND THEN EMERGE ON THE OTHER SIDE, THE INNER SIDE, AS EMOTIONS! CONVERSELY, IMAGINE EMOTIONS COMING UP TO THE INSIDE OF THE BARRIER – HITTING THE BARRIER – SINKING INTO THE BARRIER – AND EMERGING ON THE OUTER SIDE AS WORDS! WHEN, YOU CAN VISUALIZE-WORK THIS OPERATION YOU HAVE MADE A GREAT ADVANCE IN THE MASTERY OF THE OCCULT ARTS.” End quote.

Even though, the present writer knows, that many of you can see/read, from the above, where this is ‘going’, it is of some ‘importance’, that you hold in place, your natural cynicism, which comes from, #3, arrogance, of superiority, but there is/are others out here, who do ‘struggle’ to get a foot/hand hold, on these things, so, for context, we read thusly:

Imagine a place inside your mental being there exists a line or fence. This line/fence/barrier ‘is’, the/your #1, malkuth earth/hades **tactile-feeling**, defining, three-dimensional-ising, symbol-ising plane, which separates your #0, outer being from your #2, etheric visualisation being. Separates your #0, conscious mind from your #2, visualisation conscious mind.

#0 = outer, outer physically physical – use, used, using.

#1 = psychological tactile-feeling – belief, believe, believing, believed.

#2 = etheric – reflect, repeat, image, visualise.

You, your #0, conscious mind, is outside the #1, barrier and you, your #2 sub-conscious mind is inside the barrier. (this is not too good a way of explaining it but this explanation is only to describe a theory and that only so your mind can have something to grapple with – don't demand too much from a theory, as soon as you get used to the idea you will not use the conception anyhow).

Imagine that the barrier works in the following manner – physically physical ‘actions/doings’ come up to the barrier – strike the barrier – sink in the barrier – and then emerge on the other side, the inner side, as visualisations! conversely, imagine visualisations coming up to the inside of the barrier – hitting the barrier – sinking into the barrier – and emerging on the outer side as, physically physical ‘actions/doings’!

When, you – consciousness - can visualise/realise, ‘work’ this operation, you - consciousness - have made a great advance in the mastery of the occult arts.” end quote.

The above, is ‘what?’, you, the reader, are doing/practicing with the/your egg/chair exercises!

In the egg/chair exercises, you, the reader/master magician(?), artist(?), are trying to ‘distil/purify’ and ‘realise’, the connections/operations of each of the/your differing planes levels, through your understanding, accepting, acknowledging/acknowledgement = OF WHO/WHERE YOU ‘ARE?’ NOW! AND, WHERE/WHAT YOU = ‘WANT TO BE/BECOME!?!’ = THEN!!

In the chair/egg exercises, which are predominately #1, malkuth earth/hades psychological tactile-feeling exercises, the operator/magician is = confronted? = straight away, with = three-bodies! No need, for #2, etheric projecting, projection/transferring! No! Just immediate/instant ‘contact?’, to/with the/their #1, malkuth earth/hades tactile-feeling-body! Whilst #0, outer, outer physically, physically = WIDE-AWAKE! AWARE! CONSCIOUS! #0, #1, #3, ‘BODIES?’ are now actively, deliberately, engaged/involved! Basic cosmic egg =

#0, stands still, relaxes.

#1, tactilely-feels #0.

#3, observes.

Imagine now, that you have followed Ophiel's instructions, as regards his Astral Projection Little System and you - consciousness, have established your route, with its stations. AND YOU, THE READER, NOW KNOW(?), OF/ABOUT, THE/YOUR 'BARRIER'? (#1, malkuth earth/hades plane). You, the reader, know/understand(?), that this #1, plane, is all about = psychological tactile-feeling, defining, three-dimensional-ism, symbol-ism! And, that the/this #1, malkuth earth/hades plane, is all about; darkness, blackness, blindness, as its LAWS, RULES AND GOVERNANCES! And so, this being the 'case', you = consciousness, are; NOW GOING TO WORK WITH, HARMONISE WITH, CO-OPERATE WITH, SHARE WITH, ACCEPT, TAKE ON BOARD, FOLLOW TO THE LETTER = Its - #1, malkuth earth/hades psychological tactile-feeling-plane = LAWS, RULES AND GOVERNANCES! So, you have:

#0, travelled, your Little System Route

#1, tactilely-felt, your Little System Route

#2, visualised, your Little System Route

#3, observed, your Little System Route

Please apply, all four planes/bodies, to all 'aspects' of your 'occult', study carefully, to see/understand which of the 'bodies' is weak; which of the bodies is underdeveloped; which of the bodies are overdeveloped; which of the bodies refuse to let-go; which of the bodies refuse to accept; which of the bodies wish to dominate, etc, etc. Please note carefully; none of the 'bodies' is/are 'real', and are only the 'vehicles', of/for – consciousness.

The/your #1, malkuth earth/hades plane is Black! No Light!

The/your #1, malkuth earth/hades plane is Black-Astral-Light!

The/your #1, malkuth earth/hades plane is Black-On-Black!

You – consciousness = cannot/do not = 'see' (as in #2, #4, #5 light-see) = but... you, consciousness – can/do, will/shall 'see', by/with/though = psychological tactile-feeling, defining, three-dimensional-ism, symbol-ism = belief, believe, believing, believed = trust!

Now! Please pay close attention? When/if you ‘do see?’, it will/shall – come to you, consciousness – as a resistance, pressure = adversary/opposer?? BUT... you, #0, consciousness – will/shall ‘still?’, have to choose?

Which one? = This one? How many! = This many? How far? = This far! Each of these questions, as examples, are simple enough?

But imagine now in the first question = which one? – this one! That you are picking out a horse, in a race? Or in a ball game?

But imagine now in the second question = how many? – this many That you are picking/buying resalable stocks, or inventory items to carry?

But imagine now in the third question = how far? – this far! That you are playing in a major golf tournament?

(Or, even worse?? = how far? And, you are, out on a second date?? Scary stuff!!!)

Each of these, the above and similar types/kinds of questions, are ‘answered?’, ‘replied to?’, in resistance/pressure in/on the; WHOLE-BODY-SYSTEM! And it is in the = FAILURE-TO-RECOGNISE/CHOOSE!?! = The correct one?? Which makes, for all our failures (and face slaps! But there you go!!). Please read Ophiel’s book: The Oracle of Fortuna.

Danial Khaneman = all intuition is recognition! Well, that ‘recognition’ is developed/enhanced/increased, through diligent, intelligent, understanding, gained through correct practice, correct rehearsal and correct repetitions. The present writer falls about laughing, when someone/anyone has been ‘doing?’ something for years, and has got nothing to show for it: Here is how Ophiel, writes/describes this, from his first book: Astral Projection, his chapter; Little System.

“I talked with a woman working there (1960), who told me she had been there since 1918 – 40 years! I asked her, among other things, if she had developed clairvoyance and could project Astrally etc. Her reply was that SHE DID NOT WANT ANY THING LIKE THAT! So, here is woman who has been sitting around an occult centre for 40 years and wants no development of her latent powers! So, she never got any! What an advertisement for the

place! Why should she hang around an occult centre for 40 years if she does not want anything from it? She might as well have stayed at home and washed dishes for all the good it did her.” End quote.

The ‘equivalent’ of the above, is people who start a business to ‘make money’, because they have an ‘idea’, but... little or no understanding, of ‘service provision’, which ‘shapes’, the business to the customer, and when they, the business, get no customers, the business person is ‘surprised?’, because it is such a ‘good idea???’ (Ego dominated). Just like those individuals, who learn to #2, etheric/astral project, but ‘get?’, nowhere? Because of the ‘Barrier?’ = #1, Malkuth Earth/Hades Plane?? = Can’t/Don’t, know ‘how?’, to ‘cross the line?’.

Some/many occultists, don’t even know/understand(?), that there ‘is?’, such a ‘thing?’, and yet, tradition, folklore, mythology, religious cults, are ‘stuffed-full’ with it = crossing the line? (Life/Death/Life!). Here is one of the questions, that the present writer never tires of asking?

Is the/your #1, malkuth earth/hades plane = just another name, of/for the #0, outer, outer physically physical plane?

Is the/your #2, etheric visualisation plane = just another name, of/for the your #1, malkuth earth/hades plane?

Is the/your #1, malkuth earth/hades plane = real?

Why? Is there a circle, at the bottom of the tree/map, that isn’t etheric and isn’t physically physical? IF IT ISN’T REAL!?!

Here is what Ophiel writes, same book: Astral Projection, same chapter: Little System:

“To proceed – The next plane ‘above’ the physical plane, is the Etheric Plane.”

Really? The next plane ‘above’ the physical plane, is the Etheric Plane? Really? Then why write all the #1, malkuth earth/hades ‘crap?’, if you ‘go?’, from here... to there? From #0 to #2? No need for all that #1, Malkuth Earth/Hades ‘crap?’, or(!), it, ‘just might be?’, the present writer is ‘out of step?’, with the ‘occult world??’. (Wouldn’t be the first or last time, for that!!)

You, the reader, must 'answer' the above questions for your selves/self, as that is the 'only?' answer, that is going to 'satisfy?', you? (As if!!). The present writer, presents, only in the 'context' of/for those who are interested in Ophiel materials (Which are fabulous), but... who are, as of yet, still struggling to; cross the line? This is a sad situation of affairs, when a person 'sees' how close, how near, how intimate, the/this 'line', is! Like, smelling your favourite food, and not getting to actually, factually, literally, getting to 'taste it'! Those who would like some champagne, but are in/on a beer income!?!

Tank you.
