

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

Written by max.height

(Previous works also posted as “Sender” on the “Ophiel Magick” group, from the
defunct YahooGroups)**

2 of 2 two of everything. 2020

You ask about the previous post/monologue; 1 of 1 there is no way (to know?). sent 17/07/2020.

Q. Where do you get your ideas from, as regards the information you post?

Here, if you like, is another example of 'the way'. As you may be aware, in previous monologues, presentations are given as 'examples', followed by suggestions and recommendations, then the 'rest', is up to the individual and where they are 'at', in their occult lives/understanding and abilities.

We take Ophiel's material, in his book: Caballa Magic and we look/examine it; on page one of this/his book 'Caballa Magic', we see Ophiel's colour print, of the five basic elemental symbols in 'combination', in/on each of the/their plane! In Ophiel's third book: The Occult, Ophiel present each element, as basic and in its simplest, purist of 'forms', a flat two-dimensional symbol! The present 'suggested' to several members, in/on this particular Ophiel Magic Group, that they consider 'working with', the/these five basic symbols, as three dimensional symbols, in/on the/their #0, outer, outer physically physical body, as that/this #0, physically physical body, is a very, very, 'real' reality, in/on the/their #0, outer, outer physically physical plane, and would, therefore 'anchor?', the/their #1, malkuth earth hades, psychological tactile-feeling-body, and/plus, the/their #3, ego body, present incarnation, personality body!

The above 'suggestion' whilst made/offered to a 'few' members, was, of course, presented to, all the members, as that/this is what the group was established for. But... not all members are of the same 'ilk'! This is where, it was to be hoped, that the 'delete' button, on their keyboard, was working/operating fully! And yet? The 'forum?', is open to all and any, who wish to contribute. Those individuals who read/do Ophiel, would be in a position to look/see the presentations, and decide for themselves, if they are 'applicable' to themselves, and simply let the rest 'go'.

In Ophiel's book: Caballa Magic, Ophiel shows his readers/students, the five basic elemental forces planes = AS THESE PLANES BEHAVE LIKE! LOOK LIKE! ACT LIKE! WORK LIKE! OPERATE LIKE! FEEL LIKE! = THE ELEMENTAL 'PRINCIPLE OF'!?! EACH

OF THE 'OTHER' PLANES!!! BUT... IT/THEY ARE 'STILL', THE SAME/ONE PLANE!?! So, it is 'expected', that the reader/individual would have read all of Ophiel's third book: The Occult, with its five basic elemental forces symbols, of; Egg, Sphere, Inverted Pyramid, Bowl and Cube, for each of the planes, and then, when/if/once, you, the projectionist 'get' transfer/project, into/onto one of the these planes, then you 'consciousness' would be in a position/place, where you could/would 'use' the plane to the/your advantage!?!

So, it was/is recommended/suggested, that, as a beginner student, to the actual, factual, literal action/doing, of 'occult/secret' practices, that the basic cosmic egg and/or basic chair exercises be examined, looked at, tried, tested and used, to 'see if!?!', they/these 'exercises' were of the type/kind, that helped, assisted, aided you, the reader. Each person, is 'unique' unto themselves?? But... there is/are very, very, 'broad', leeway in each, in their 'application/adaptation' of self! Some/many, persons/individuals, cannot/do not know/understand(?), how? To discipline, control, use = the/their #1, #0 &+ #3, bodies = to the/their – consciousness advantage!?!

Many persons would like to be 'talented?', 'skilled?', 'millionaires?', 'famous?', etc, etc. But... it is too much like hard work??? = SO, THEY DO NOTHING!?!

Many persons who are 'talented?', 'skilled?', 'millionaires?', 'famous?', etc, etc. And... do hard work hard??? = AND YET(?) = THEY 'FAIL'(?).

Many persons who are 'talented?', 'skilled?', 'millionaires?', 'famous?', etc, etc. And... do not have to lift a finger??? = AND YET(?) = THEY 'SUCCEED'(?).

Many persons who are 'not talented?', 'not skilled?', 'not millionaires?', 'not famous?', etc, etc. And... do not lift a finger??? = AND YET(?) = THEY 'SUCCEED'(?).

This random-ness, erratic-ness, irrational-ness, is easily(?), explained by/with the, inertia, resistance, adverse-ness, oppositional: Childish-ness, Foolish-ness and Blind-ness, of, the #1, Malkuth Earth/Hades Plane, which is: Black-on-Black = Black-Astral-Light!!

It is, at/about, this point/place, where many persons/individuals 'reach' for the/their 'delete button'!! As everything they have read, about the/their 'occult?', 'astral-light?', does 'not fit'

inside their 'box?!'?! The 'dark-ness', 'black-ness', blind-ness', was put 'out there', by/with the various Gnostic schools, as was/is, their 'great escape?', syndrome?! According to their schools/philosophies, the/their 'Demiurge', was un-aware, un-wake and un-conscious to/of(?), the/its true nature?? Each Gnostic school, put out its 'variation/interpretation', on/of, the/their 'tenet', as regards this, these, things!?!

Be that as it may; in general, many persons who are into the 'occult?', do not/cannot/are not?? Able to tell the 'difference?', between information and/or technique(?), and especially more so; what will, what can and/or what won't = work for them?? = personally/individually; and what they can 'do?', to 'fix it'?? So, basically, we have 'trial & error'. Many people/persons 'buy into', the promise or technique, only to find out, later(?), that it wasn't/isn't for them?? Who's them??? = #1, #0 and/plus #3!!

Some persons/individuals find it 'easy', to learn/master the 'art' of #2, etheric projecting; which they naturally lay claim to 'being?' their OWN!!! Personal/Individual #0 &+ #3!?! = ABILITY!?! (#3, Ego body, present incarnation, personality body = ME! ME! ME! ITS ME DOING THIS??!) Whereas a 'smart ass' Gnostic, would look and say; Another one has escaped!?! In the Egyptian Book of; 'Coming Forth into The Light of the Day', the priest/persons in the 'land of the light of day', look and see someone 'coming through the pylons', and they say: Lo! Another man hath entered into the kingdom of Amun Tet! So! Even way back then, they 'knew?'.

As you look at the bottom row, of Ophiel's colour plate with its five combined, elemental 'principles', you are supposedly looking 'at' the elemental plane, of the element of, the element, elemental earth! As 'it = elemental earth' = behaves like! looks like! acts like! works like! operates like! feels like! = the elemental 'principle of'!?! each of the 'other' planes!!! but... it/they are 'still', all, the same/one plane = elemental earth!?! Could you? Can you? Are you? Able to read the above, and then apply it, the same thing/principle, to the/your #0, outer, outer physically physical plane!?!

So much air; So much fire; So much water; So much earth = but... all of it!! Still!! = #0, outer, outer physically physical earth!?!

So much air; So much fire; So much water; So much earth = but... all of it!! Still!! = #1, malkuth earth/hades!?!

So much air; So much fire; So much water; So much earth = but... all of it!! Still!! = #2, etheric plane!?!

Thus, then! The ‘idea?’, is to let your-self, be/become ‘absorbed?’, into/onto the plane; and yes! There is/are ‘definite’ sensations, to accompany this, type/kind of projection/transfer!! Ophiel’s book: Clairvoyance, his chapter: The Two Minds:

“Now in your experimental sub-mind work you will have to evolve your own types of exercises, like the examples given, and carry them out successfully. You have to release all conscious-mind control and practice allowing the sub-mind to take over, and this gives rise to a very queer feeling, as if you seem to be losing control over your objective world.” End quote.

Once a person/individual has a ‘good-grasp’ of what is ‘required’, as regards the/their #1, malkuth earth/hades plane, and a ‘possible’ way, ‘to operate it’, in partnership to/with the/their #0 &+ #3 bodies, then, the only thing required, is ‘practice!?!’. The best/easiest practice, is, keep it short/repeat it often. Any occultist(?), living or dead(?), who believes? In a ‘God/Gods?’, is already in ‘trouble’? (And not just from being alive/dead!!?!). The Enlightened One; The Buddha, said; Any man who leans upon a God, already leans on a broken stick! Here is what Ophiel writes this, in his third book: The Occult, his chapter: The Elemental Force of Fire.

“I repeat. It is of greatest importance to your own Occult Studies that you should learn to examine the MEANINGS of each word you use, especially words of which you have doubtful understanding as to their exact MEANINGS. To do this you must get yourself a large dictionary of the College level type and USE IT. I assure you; a whole new world of Occult will open up to you if you do this as I direct. Also, get yourself a permanent indexed note book and each time you look up a word, you write it down and put some explanation of its origin and Meaning. To help you understand the above better I will here quote from the dictionary the meaning of the word etymological.

The word comes from a Greek word ‘etymon’ which means – the literal sense of a word according to its origin – True – Real. (A primitive or root word – is anything clearer than the word ROOT?). The other part of the word is ‘logy’ which means the study of. (If ever I contact you in person, the first thing I will ask you is, ‘where is your note book?’ and then I will take it and examine it – to see how interested you are in the Occult!)” End quote.

So, in the, Old Crazy Book (Bible), those who ‘knew?’, put out the story, that after a ‘fasting’ (40 days/40 nights? Good enough for Elijah and Moses??) but... in ancient times, 40 days and 40 nights, was/were/are, an expression of an ‘unspecified/indeterminate’ amount of time. The equivalent of; In a Galaxy far, far away!?! And, unfortunately for many, a would be ‘occultist??’, it is the adversary/opposer, who ‘appears??’, to ‘TEMPT?’, J ‘THE’ C? And the ‘name?’, of/for the/this ‘Tempter’, is, J ‘THE’ B? (#2 &+ #1!?!).

Tempt (verb), from 12th century Old French; tempter; From the Latin; temptare = to feel; to try out; to test; to influence. A variant of; tentare = to handle; to touch; to test; to try.

Can you? Are you? The trained ‘occultist?’, ready/prepared(?), to take the above etymology, and apply it(?), to the above ‘parable?’! We can even read it ‘the parable’, from Ophiel, from his vignette: Why do you let the Devil ‘USE’ you?

“Now, of course, I don’t subscribe to the ‘Bull’ about the/a Devil data, as given in the Bible, which data, is very scant, actually, and not at all consistent, and connected up by a lot of thin assumptions and jumped-to conclusions. But in the episode, I have referred to above, I was talking about the irrational outburst of hooliganism and theft he indulged in, apparently with no valid reason. I have just completed two other Vignettes connected theme-wise with this idea. They are ‘Your Other You’ and ‘The Other You.’ It is with the intention of going more deeply into this curiously fascinating subject that I used the illustration above. Since that period in my life I have found all through life some variation of that story occurs with everyone I meet. (As soon as I saw these effects in myself, I started to work on ‘IT’ with a view toward controlling ‘IT,’ the incomplete results of which I start to pass on to you.)

It appears that each of us has a devil, which constantly urges us to move in ways just the opposite to a course, which we have chosen as best for us. Of course, such ‘Devils’ are more apparent in some, than in others. Does this mean that some people have their devils under control?! And that, others don’t?! And if so, why do some people have such control over their devils and others don’t? Does reason have anything to do with it? Are the devils of some people more amenable to reason than the devils of other people? Does education have anything to do with the control of one’s personal devil? Are some person’s devils more educable than others? If so, why?!” End quote.

For those members engaged in the/their egg/chair/letter exercises, we read thusly;

It appears that each of us has a devil, which constantly urges us to move in ways just the opposite to a course, which we have chosen as best for us. Of course, such 'Devils' are more apparent in some, than in others. Does this mean that some people have their devils under control?! And that, others don't?! And if so, why do some people have such control over their devils and others don't? Does reason have anything to do with it? Are the devils of some people more amenable to reason than the devils of other people? Does education have anything to do with the control of one's personal devil? Are some person's devils more educable than others? If so, why = The 'reason' WHY = IS BECAUSE OF THE/THEIR #1, MALKUTH EARTH/HADES TACTILE-FEELING-BODY &+ #3, EGO-BODY, PRESENT INCARNATION, PERSONALITY-BODY = WORKING IN HARMONY, SHARING, PARTNERING AND CO-OPERATING!?! Consciously/Un-consciously = WON'T/DON'T MATTER ONE JOT! It is important, that you read the rest of Ophiel's vignette: Why do you let the Devil 'USE' you, and that you 'look' for the/your own!! Psychological tactile-feeling-body!! Next this:

“‘The Other You.’ is not whole and is out of adjustment or it would not be opposing you, #1, for want of a better designation: (See other vignettes on this subject.) The information/knowledge available on this subject is wretchedly inadequate, but regardless, you are surely aware that YOU ignore your subjective mind and it's prompting as much as you can. That is, you pay no attention to 'hunches' unless they are very strong and you are in a receptive condition, very likely only in times when you are in trouble of some kind and desperately open to 'suggestions?' from the sub-mind.” End quote.

The adjustment that has/is suggested/recommended, to you the reader, to try/test/use, is the/your egg/chair/letter.

Tempt (verb), from 12th century Old French; tempter; From the Latin; temptare = to feel; to try out; to test; to influence. A variant of; tentare = to handle; to touch; to test; to try.

As you, the reader work, each day, several times a day, for about two/three minutes, at a time, on your egg or chair exercise, in order to, see if/find out if? The/these exercises are for you or not = YOU ARE DOING THE/THESE EXERCISES WITH THE OBJECTIVE! OF FINDING OUT 'IF?' YOU #3, EGO BODY AND #0, OUTER PHYSICAL BODY = CAN SHARE WITH = THE/YOUR #1, MALKUTH EARTH/HADES BODY!?! THUS, YOU = CONSCIOUS-NESS(?), ARE DELIBERATELY, KNOWINGLY, PURPOSELY =

ADJUSTING, BALANCING, MAKING WHOLE! The/your ‘bodies’ in/on the/these ‘two planes’ = #1 and/plus #0!?!)

The ‘secret?’, to the above, is when the/your #3, Ego Body, learns/masters, the ‘art’, ‘skill’, ‘technique’?? Of Observation, Observing!?! Not interfering, dominating!! (Remember verses; 2, 3, 4, from Genesis? Remember Ophiel’s Vignettes: The Two Dreamers and The Two Creators? = STARING! LOOKING! WATCHING! SEEING! OBSERVING! = NOT MOVING!! = NOT!!!! TACTILELY-~~FEELING~~-~~ANYTHING~~!!!?!)

Observe; Observing; Observed = #3, ego body, present incarnation, personality body = this is its ‘function’, ‘job’, ‘task’!?! This is what you, the reader/occultist are working-on/working-at/working-with!!?!)

Ob; is the part of a word forming element and means; ob – towards; against; before; near; across; down. From the Latin, ‘ob’ as a preposition is; in the direction of; in front of; before; towards; to; at; upon; about; in the way of; with regards to; because of; From the Proto-Indo-European Root word; epi/opi = ‘near/against’.

Serve; to watch; to keep safe; from the Proto-Indo-European Root word; ser = to protect. The idea/sense of; watch, see, look, stare, is from the Elizabethan Era ‘1558-1603’; via the current ideas of everything ‘occult’, which secret practices, was/were ‘kept secret’ from the establishment/populous, who would burn them at the stake, or hang them. So, their ‘observations?’, were/are, the ‘seeing = observing’ of ‘signs’ and to ‘note/record’ omens (Dee and Kelly). The actual, factual, literal ‘down-side’ to all of this, was the ‘establishment’ and ‘reinforcement’ at a mental/psychic/physical level = OF EVERYTHING/ALL = BEING OUTSIDE OF THEM!!?! And once ‘established’ it was ‘exported’ around the world! And still is!!?! To this day!!

You, the reader, now ‘know?’, that when you look at, Ophiel’s colour plate, in his book: Caballa Magic, that what you are looking at, is/are the five basic elemental forces planes, as they look like; act like; work like; behave like; tactilely-feel-like!!?! The ‘other’ planes/levels, but... only in ‘principle’, and that it is ‘still/all’, the same/one plane!!?! So!! Akasha-of; Air-of; Fire-of; Water-of; Earth-of; is the ‘principle’ being used!! In/on the/that plane/level!?! (Get it?? Now??). So, your question; Where do you get your ideas from, as regards the information you post? Is easily answered (albeit ‘long winded’ in the ‘detail?’), it ‘the ideas’, are from the ‘recognition’ of the information/processes, used, as = techniques, allied to the

basic, basic understanding of the 'level' to which the/these 'techniques' would/could/should = apply!?!

Ophiel was 'introduced' to the/his occult, at the #2, etheric level (Read this for your selves, in Ophiel's materials.), and it was only much later, that he 'came back?', to the/his #1, malkuth earth/hades level, (Read this for your selves, in Ophiel's vignette: An exercise in preliminary projection.) but...his 'identification of', the/this plane/level 'as' the #1, malkuth earth/hades, was/is 'not' as defined, as is his #2, #4, projections/planes levels are/were. (This information would have been in Ophiel's 'secret book', as it is a very, very 'direct', 'immediate' and 'instant' impact in/on the #0, outer, outer physically physical plane.) Remember this:

"I repeat. It is of greatest importance to your own Occult Studies that you should learn to examine the MEANINGS of each word you use, especially words of which you have doubtful understanding as to their exact MEANINGS. To do this you must get yourself a large dictionary of the College level type and USE IT. I assure you; a whole new world of Occult will open up to you if you do this as I direct." End quote.

Anyone who has studied the/their #1, malkuth earth/hades plane, and their immediate access to the/this/their = #1, malkuth earth/hades plane, will be 'surprised', at what 'things?', rise softly into/onto the/their 'conscious-ness'. This was self-evident in ancient times!?! SO! IN ORDER TO 'PREVENT/STOP/HALT'!?! The 'non-desirables', from gaining/making 'trouble'? = THEY THE WORTHY ANCIENTS = MADE IT = #1 = EVIL!!?!

Imagine now! If you will(?), that someone like the present writer comes along, and tries to inform individuals, that they could/should = transfer/project to the/this plane?? That this; 'Evil = Prince-of-Dark-ness'!?! = IS YOU!! = who keeps e-mailing the present writer?? That the 'Prince-of-this-world = #0' = IS YOU!! = who is 'reading?', the/these/your replies? The 'idea?' is? That individuals = do not = have to?? = consciously, knowingly, deliberately, #2, etheric project in order to 'get on'! Yes!! It is of a 'great advantage?', to 'come at', the/your #1, malkuth earth/hades plane = from!! = the/your #2, etheric plane! BUT... UNTIL AND UNLESS!?! = THE/YOUR #1, MALKUTH EARTH/HADES = TACTILE-FEELING-BODY = BELIEVES!?! YOU = #0, OUTER, OUTER PHYSICALLY PHYSICAL YOU!! = ARE ON TO 'NOTHING'!!?!

But... try telling 'that!', to you!! Try telling 'that!', to the 'know it all' occult fraternity, who have 'had', over two thousand's, of years, blabbing on about the 'Light'!?! = AND YET!!

WITH OVER TWO THOUSAND YEARS OF THE ‘LIGHT??’, IT IS STILL NOT ‘WORKING’!?! Only the most ‘dedicated’ of psychotics (established religions, all of them!!!) would/will/shall = tell you, that when you are = DEAD!?! = everything will be ‘heavenly’!?! Really!?! Is that it?? Wait until you are ‘dead!!’, and then! Then! You can have a wonderful time? But... (you knew it was coming!!!), but... first!!! = YOU MUST ‘BELIEVE’!?! = So, they are talking about the/your #3, Ego Body, Present Incarnation, Personality Body!?! RIGHT?? Kiss my ring!?!

What is ‘important’ is that you should be able to take all of Ophiel’s materials, and be able to work out/sort out, what is best for you/yourself as a ‘personality = #3’, as a ‘physical body = #0’, as a ‘tactile-feeling body = #1’ and use each of them = as a ‘part’ of team!! Ophiel’s system/approach is #2, etheric. The present writer, in order to assist those members, who do not ‘as yet!’, who are not ‘as yet!’, able to successfully, #2, etheric project, has ‘suggested/recommended’ that for some(?), it would/might be of advantage, if they tested, tried, used, the exercises of egg, chair and letter, to increase/enhance and develop, whatever latent/dormant possible psychic abilities you may/might have?? But... psychic powers/abilities are, #1, malkuth earth/hades powers!!

The present writer doesn’t tell, ‘the chicken in the egg’, how to ‘grow up?’, let it, the egg = hatch? Let the chicken, ‘be a chicken!!’. As already pointed out, Ophiel asks his students, in his first two systems; Little System and Dream Method, to observe, it is this, observing, which disciplines(!), the individuals, #3, ego body, present incarnation, personality body!! But... not ever student/occultist can ‘do’ it/this?? In the egg/chair exercises, there is/are ‘no visualisation’, there is only tactile-feeling, defining, three-dimensional-ism, symbol-ism, and whilst any/many persons/individuals can say with honesty, that they don’t/aren’t very good ‘at’ visualising, no one can say that they ‘don’t’ tactilely-feel!?!

Once the/their #3, ego body, is/becomes aware, awake, to the ‘fact’ that it is the #1, malkuth earth/hades body, who ‘projects’ the/their #0, outer, outer physically physical body = who/which/can only, only, use!?! = the/their #0, outer, outer physically physical body plane(!), then everything else/other, simply ‘falls into place’!?! This takes time, practice and perseverance, with a crystal-clear understanding, of the ‘part’ played by/with ‘each’ of the individual ‘bodies’ in themselves, and working with, each of the ‘other’ bodies! (Levels of Conscious-ness!!).

In/on the #0, outer, outer physically physical plane, you = the operator = must have a ‘service

to provide', for the 'market place', and if that 'service' is in 'demand', then you could be/should be, in a place/position to acquire/amass, very quickly, those things, that you desire, want, need, brood-on. Many, many, #3's, are surprised, amazed, astounded!?! To find out/discover just how 'different????', the/their #1's are? In comparison to themselves (#3's). As soon as the #3, body is disciplined, (Judge not, least ye be Judged?), then the #1, body can come to the 'fore' of consciousness and 'do' its stuff! (See/read Ophiel's examples, in his chapter; The Two Minds, from his book; Clairvoyance.)

So, as soon as you = consciousness = accepts/understands = that there is/are; Two of You? You – consciousness and #3, can get to grips, with #1 and/plus #0, knowing, that #0, can only, only, use! This takes the 'pressure' off you, #3!! Because you, #3, can now, knowingly, deliberately and purposefully – project/transfer to = the/your #1, malkuth earth/hades plane and tactilely-feel, define, three-dimensional-ise, symbol-ise, that which you #4, desire, want, need, brood on! Have/are 'visualising', with the tactile-feeling, of already having, owning, possessing and using = NOW! Thus, your #1, malkuth earth/hades body = IS PERSUADED, CONVINCED, BELIEVES!?!

Thank you.
