defunct YahooGroups)**

### 3 of 17 caballa magic. 2020

This type/kind of Caballa Magic, is for those who have ‘not yet’ mastered, the art & practice of astral projecting, etheric projecting, or any deliberate/conscious type/kind of transferring/projecting. This type/kind of projecting was very, very common, at one time, in the ancient past. Until the dark-ness, black-ness, blind-ness = was ‘made’ evil!?! Was ‘made’ actively/deliberately/personally ‘Evil’!?!

Imagine now, as a ‘conman?’, you could ‘con’, the ignorant and illiterate = that there was a ‘Good’ God and a ‘Bad’ God = and that you = the individual = and/or, your school/faction/organisation = could/would ‘tell/instruct’ = the/this ‘Good God’ = to ‘make’ = the/this ‘Bad God’ = to go-away!?! Or, they = could/would ‘tell/instruct’ = the/this ‘Good God’ = to ‘make’ = you = rich; attractive; famous; successful; in charge; in control; the ‘boss?’!!

Lafayette Ronald Hubbard; born 13<sup>th</sup> March 1911; passed – January 24<sup>th</sup> 1986; reportedly said; if you want to get ‘rich’, in America, then ‘invent’ a Religion!?! (the ‘secret key’ here, is ‘in’ the word ‘invent!’?) So, he = Lafayette Ron Hubbard = ‘invented’ the ‘Church of Scientology’!?! And, sure enough, the ‘psychotics’ = flocked to him and his ‘church’, which he (Ron), then ‘proceeded’ to ‘fleece them = flock!’?! All pretty ‘standard-stuff’!?!

Psychotic/Psychosis; Psyche = animated spirit (Greek) + Osis = abnormal condition. Disturbance of the ‘natural condition’ (of mind).

Psyche = animated spirit = psychological tactile-feeling-believing!

Osis – abnormal condition = believing-in-detrimental/tactile-feelings!

(See/read Ophiel’s vignette: Why do you let the Devil ‘USE’ you; and read about his ‘hooligan?’)

(See/read Ophiel’s vignette: Acceptance; and his ‘lackadaisical’ students?)

Ophiel writes, in his book: Contacting the Demiurge, his chapter: The Art & Practice of Contacting the Demiurge:

“I do not anticipate starting a church, nor do I want to be saddled with such a job, but there are those who might take over and start a church now that I/we are dealing with Divinity ideas. Well, if all this comes to a church, it will have to be a church that a modern thinker can consciously connect up with AND OPERATE IN, not just go there each Sunday or Saturday and passively sit there and be subjected to - WHAT? – that never seems to have any effect except what effects can be trained to the ordinary workings of the desire pressures on the Astral Light (connected with the Demiurge), which ordinary workings everyone does according to his personal pressure abilities, and again I emphasize his personal pressure desire abilities.” End quote.

The above two yellow highlights, should be ‘applied’ to the/your basic cosmic egg exercise = not just go there each Sunday or Saturday and passively sit there and be subjected to - WHAT?

So! Each person/individual has to ‘work/operate’, her/his = ordinary workings everyone does, according to her/his personal

tactile-feeling pressure abilities, and again I emphasize, his personal tactile-feeling pressure desire abilities?

So! Everybody/Everyone!?! IS/ARE = PROJECTING/TRANSFERRING!?! = THEIR = CONSCIOUS-NESS = WHETHER THEY ARE(?) CONSCIOUS OF IT, OR NOT!?! IT IS 'STILL' GOING TO HAPPEN, IT IS 'STILL' HAPPENING!?! Farther on, in his same book, same chapter, Ophiel writes:

“To put it another way – you cannot advance into “higher things” until you conquer (?) master (?) attain (?) control (?) over the Elemental Forces each in turn; and much more especially the Elemental Force of Earth which is, of course, the “first one” where we/you are now and the first place from which we must “escape from”. This “escape from” stuff will be handled later, either in this book or another book. The “escape” syndrome seems to be a basic tenet of Gnostic thinking, and probably should have a full book treatment, but will be referred to in this book as best I can.” End quote.

The Elemental ‘Force’, of the Element of, the Elemental Earth! = IS NOT! IS NOT! = Outer, Outer Physically Physical Earth!?! (See/read Ophiel for this ‘fact’) The ‘escape syndrome?’, was/is, from #1, malkuth earth/hades plane, to/towards #2, etheric plane! (Dark-ness to Light-ness).

Here is some of it from Ophiel, from his book: Contacting the Demiurge, his chapter: Art & Practice of Contacting the Demiurge:

“To put it another way – you cannot advance into “higher things” until you conquer (?) master (?) attain (?) control (?) over the Elemental Forces each in turn; and much more especially the Elemental Force of Earth which is, of course, the “first one” where we/you are now and the first place from which we must “escape from”. This “escape from” stuff will be handled later, either in this book or another book. The “escape” syndrome seems to be a basic tenet of Gnostic thinking, and probably should have a full book treatment, but will be referred to in this book as best I can” End quote.

AND MUCH MORE ESPECIALLY THE ELEMENTAL FORCE OF EARTH WHICH IS, OF COURSE, THE “FIRST ONE” WHERE WE/YOU ARE NOW AND THE FIRST PLACE FROM WHICH WE MUST “ESCAPE FROM” = IS THERE ANYONE(?), STILL OUT THERE(?), WHO THINKS/BELIEVES!?! THAT THE ELEMENTAL-FORCE-OF-ELEMENTAL-EARTH = IS/MEANS = #0, OUTER, OUTER PHYSICALLY PHYSICAL EARTH!?!

One of the ‘strangest(?)’, of ‘things?’, is that many persons/individuals, in the ‘occult?’, who cannot/do not ‘as yet’ project/transfer their ‘conscious-ness’, seem to think, that when the/their #0, outer, outer physically physical ‘body-conscious-ness’ dies (and it will!!!), that somehow(?), in some ‘strange way(?)’, that they will/shall ‘escape?’, the/their #1, malkuth earth/hades plane!?! In spite of the ‘fact?’, that all the ancient literature, (regardless of religion/religious speculation?) indicates/informs = THAT WE DO NOT!?! (The ‘shades’, the ‘shades?’!?! Shells, is another ‘technical’ term!?!)

If a person were to ‘study’ the methods/techniques of/for ‘learning?’, how to develop, enhance, increase and strengthen their ‘Psychic’ powers/abilities ‘at’ the/their #1, malkuth earth/hades plane, then they could test/try the ‘standard stuff used?’, for this purpose? Here it is, from Ophiel, from his book: Clairvoyance, his chapter: Semi-Physical Types of Clairvoyance:

“It may seem strange to speak of semi-physical types of clairvoyance in connection with something that is usually considered “spiritual” or, at least, “inner plane,” but a little thought/reconsideration will remind you of that previously

demonstrated interplane fact that all things are connected by those “sticky” threads of Astral Matter.

ALL “CLAIRVOYANCE” HAS TO COME THROUGH THOSE “THREADS,” AND IT CANNOT COME IN ANY OTHER WAY. (This is almost positive proof that the threads exist.) So, therefore, it is permissible for you to use any method or device that works for you to strengthen your control-connection-contacts with these threads.

SO, THEREFORE, IT IS PERMISSIBLE FOR YOU TO USE ANY METHOD OR DEVICE THAT WORKS FOR YOU TO STRENGTHEN YOUR CONTROL-CONNECTION-CONTACTS WITH THESE THREADS = THESE ‘STICKY-THREADS!?!’ = AT THE/YOUR #1, MALKUTH EARTH/HADES PLANE-BODY = IS/ARE THE/YOUR = PSYCHOLOGICAL TACTILE-FEELING = DEFINING, THREE-DIMENSIONAL-ISING, SYMBOL-ISING BODY!?!

PSYCHOLOGICAL TACTILE-FEELING = STICKY-THREADS!?!

Dion Fortune; Mystical Qabalah; chapter X, Malkuth:

“2. Malkuth is said to be the Sphere of Earth; but we must not make the mistake of thinking that the Qabalists meant by Malkuth only the terrestrial sphere. They meant also the Earth-Soul; that is to say, the subtle, psychic aspect of matter; the underlying noumenon of the physical plane, which gives rise to all physical phenomena.’ End quote.

Then, farther on, we read this:

“4. The esotericist sees in Malkuth, the end-result of all operations.” End quote.

The esotericist tactilely-feels, in Malkuth, the end-result of all operations!?!

And in paragraph 13, we read this:

“13. Now each of these types of organised force and reaction-capacity has its own very definite nature, from which it will depart no hair’s-breadth for any force in the manifested cosmos.” End quote.

Here it is, from Ophiel, from his second book: Creative Visualisation: his chapter: Art & Practice of Creative Visualisation:

“To be a little more specific – The Art of Creative Visualization, AND ALL OTHER OCCULT WORK, involves WORK DONE ON OTHER KINDS OF PLANES in addition to the work done on the physical plane!! And how to do Inner Plane work means KNOWLEDGE, KNOWLEDGE, AND MORE KNOWLEDGE and then PRACTICE, BASED ON THAT KNOWLEDGE, AND MORE PRACTICE, AND MORE PRACTICE.

In Creative Visualization work all the planes involved in our cosmic existence are used, the Etheric, The Lower Astral, The Higher Astral, The Mental Plane, and the Causal Plane, AND ALL THESE PLANES HAVE DEFINITE RULES AND LAWS FROM WHICH THEY WILL NOT DEVIATE ONE IOTA.” End quote.

So!!! WHAT ARE/IS? THE LAWS, RULES & GOVERNANCES OF!?! THE/OUR/YOUR = #1, MALKUTH EARTH/HADES PLANE!?!

Dark-ness; Black-ness; Blind-ness; Tactile-Feeling; Defining; Three-Dimensional-ism; Symbol-ism; Inertia; Fixed; Solid; Real; Resistant; Irrational; Believing: Above, Over, Before and In-Front of, #0, Outer, outer, physically physical plane, that is/which is = Below, Under, After and Behind!?!

So!!! WHAT ARE/IS? THE LAWS, RULES & GOVERNANCES OF!?! THE/OUR/YOUR = #0, OUTER, OUTER, PHYSICALLY PHYSICAL PLANE!?! Pre-thinking; Pre-planning; Pre-pairing; Pre-rehearsing; Pre-recognising; Pre-identifying; Use, Used, Using; Persuading; Convincing #1, MALKUTH EARTH/HADES PLANE!?! Through/by/with = Action; Doing!?!

Can you? Do you? Are you? Able to ‘grasp?’, the information above, to your ‘advantage?’

Can you? Do you? Are you? Able to ‘use?’, the information above, in your ‘card readings?’

Can you? Do you? Are you? Able to ‘use?’, the information above, in your ‘ritual practices?’

Can you? Do you? Are you? Able to ‘use?’, the information above, in your ‘tattva symbols?’

Can you? Do you? Are you? Able to ‘use?’, the information above, in your ‘crystal readings?’

Can you? Do you? Are you? Able to ‘use?’, the information above, in your ‘treasure maps/charts?’

Can you? Do you? Are you? Able to ‘use?’, the information above, in your ‘life/living?’

Here it is from Ophiel; same book; Clairvoyance; same chapter: Semi-Physical Types of Clairvoyance:

“In these systems, there is a looking at, or gazing at, a reflection of some kind. The eyes become, let us say, “bored,” with the continuous gaze at a single shiny reflection, and they then become fixed, and SIGHT SHIFTS TO THE INNER AND LATCHES ON TO THE PROPER ASTRAL THREAD.

Please note again that we are here talking about looking or gazing at something, and in all these cases, it is also necessary for you to add a little imagination while gazing TO GET THE VISION STARTED – to “prime” the pump, as it were.

Also, you should allow for a time element. Allow time for the “vision” to work. You should always get something, but be patient with your development. All you really may get at first is a sort of basic hint, and you must learn to recognize this hint as you become more experienced.” End quote.

In the present presentation of the, basic cosmic egg exercise, the ‘physically physical eyes’ are as ‘relaxed’ as physical possible. Some individuals are unable to let their ‘eyes’ relax (in ‘appearance’ to an onlooker, it seems/appears, as if, the individual is ‘sleeping’ with the ‘eyes’ half-closed) so they just ‘close’ them, all the way. This ‘relaxation’ sensation is ‘reflexed’ throughout the physically physical body = as if/as though = going-to-sleep!?! (Priming the ‘pump’ so to speak?)

As the ‘conscious-ness’ is no longer ‘focused’ on the #0, outer, outer physically physical plane/body, it (conscious-ness) then ‘turns inwards’ to the/its = psychological tactile-feeling = dark-ness, black-ness, blind-ness!?!

Hey-Presto! You have now ‘successfully’ = transferred/projected!?! = into/onto = the/your #1, malkuth earth/hades plane!?!

To 'reinforce/confirm/establish' this = transfer/projection = you – conscious-ness; can now 'practice', knowingly, deliberately and purposefully; the definition, three-dimensional-ism, symbol-ism, of the/your five basic elemental forces = symbols = within you, about you and surrounding you = #1 and #0!?! The 'technique' is that, as the/your five basic elemental forces symbols = ARE NOW COMMENSURATE = TO/WITH!?! THE/YOUR #0, OUTER, OUTER PHYSICALLY PHYSICAL BODY!?! THEY/THESE FIVE SYMBOLS = BECOME/ARE!!! = AS REAL AS!?! = #0, OUTER, OUTER PHYSICALLY PHYSICAL BODY YOU ARE!?!

There is a very 'real' sense/feeling of this; symbols/body + body/symbols = 1 conscious-ness; as the individual continues to practice the basic cosmic egg exercise, to develop/enhance their psychological tactile-feeling-body!?! Also, in this method/technique, there is 'no disruption', to the 'norm', as the exercise itself, slowly 'releases' into conscious-ness, only those things which are 'conductive' to/of/for it = conscious-ness!?! Here is what Dion Fortune, writes, same book, same chapter; paragraph 45:

"45. The only satisfactory channel of evocation is the operator himself. In the Egyptian method of evocation, known as the assumption of the God-Forms, the operator identifies himself with the God and offers himself as the channel of manifestation. It is his own magnetism that bridges the gulf between Malkuth and Yesod. There is no other method so satisfactory, for the amount of magnetism in a living being is far greater than in any metal or crystal, however precious." End quote.

The only satisfactory channel of evocation is the operator himself = basic cosmic egg exercise.

In the Egyptian method of evocation, known as the assumption of the God-Forms = assume – take back/up in.

The operator identifies himself with the God = Psychological Tactile-Feeling.

And offers himself as the channel of manifestation = Agrees With = HIS TACTILE-FEELING.

It is his own magnetism = Tactile-Feeling = Water-of-Earth.

That bridges the gulf between the Physical-Malkuth-Yesod.

There is no other method so satisfactory/complete.

For the amount of magnetism in a living being is far greater than in any metal or crystal, however precious

Farther on, we read:

"48. The best magical weapon is the magus himself, and all other contrivances are but a means to an end, the end being that exaltation and concentration of consciousness which makes a magus of an ordinary man. 'Know ye not, that ye are the temple of the living God?', said a Great One. If we know how to use the symbolic furniture of this living Temple, we have the keys of heaven in our hands." End quote.

Know ye = conscious-ness

Not = un-aware, un-awake, un-conscious

That ye = #0, outer physical

Are the temple = template/pattern

Of the living = tactile-feeling

God = #1, malkuth earth/hades

Please put the above, to the test!! Try it out? In/on the/your basic cosmic egg exercise.

If we = #0 &+ #3

Know how to = tactilely-feel

The symbolic furniture = defined, three-dimensional symbols

Of this living = Conscious-ness

Temple = #0, template/pattern

We have the keys = technique

Of Heaven = place/visualisation

In our hands = #0, physically physical actions/doings, use, used, using

Please put the above, to the test!! Try it out? In/on the/your basic cosmic egg exercise.

Stand where you know you will not be disturbed, for the length of time that you are going to be practicing. Enter your darkness, black-ness, blind-ness = #1, Malkuth Earth/Hades psychological tactile-feeling-body = sense/feel = the/your:

Akashic Egg = whole body

Air/Sphere = head

Fire/Inverted/Pyramid = torso

Water/Bowl = hips/pelvis/crotch

Cube = thighs/legs/feet

Within you, about you and surrounding you #1 and/plus #0, bodies!?! As you the operator 'enter' the/this #1, malkuth earth/hades plane = There is 'nothing to see/visualise!?!' = it (malkuth) is Black! (Blind!). So, every 'other' thing(?), object, circumstance, it = is also = Black! (Blind!). Knowing this, accepting this, working with this, agreeing with this = gives you, conscious-ness = great power, great glory, great possibilities(?) = OVER THE/YOUR #0, Outer, outer physically physical earth!?!

Imagine now(?), that you, the reader can 'take' your #2, visualisation, from(?), the your #2, etheric plane, down into/onto the/your #1, malkuth earth/hades plane, where you = conscious-ness = can tactilely-feel-it, define-it, three-dimensional-ise-it, symbol-ise-it, and then 'take' your tactile-feeling, down into/onto the/your #0, outer, outer physically physical plane and = use, used, using = IT! = object, circumstance and/or thing!?!

Imagine now(?), that you, the reader can 'take' the above process/method/technique and reverse it!?! = Prayer, Talisman, Ritual, Treasure Map/Chart, Hope, Wish, Desire, Brooding!?! Wouldn't that, be something!?!

This, the 'technique', would be one of the more/better reasons, of/for, doing/practicing, the/your basic cosmic egg exercise!?!

Put it to the test! Try it! Use it! And, if it (psychological **tactile-feeling**) doesn't 'work?', for you = Bin It!!?!

If you do not 'believe', that you can #1, malkuth earth/hades = transfer/project = your conscious-ness = into/onto the/that/this 'plane/level'!?! (psychological **tactile-feeling**) Bin It!!?!

Are you, the reader, prepared to accept/agree(?), that, standing 'between' the/your #0, outer, outer physically physical body, and the/your #2, etheric body = IS!!?! = the/your #1, malkuth earth/hades **tactile-feeling-body**!?!

Are you, able/capable of 'doing' as Ophiel writes, in his book: Talismanic Magic, his chapter: Recapitulation, thusly:

"For the purpose of making a start, and with no immediate reference to origins of things as such, we can consider the philosophical idea/concept that there exists another "double world," a through-the/a-looking-glass, or "on-the-other-side-of-this-one" world. Once you stop still and reconsider this concept of a double world, all sorts of interesting ideas come welling up into consciousness.

**First: An Object, any object you see on this Physical Plane, has a duplicate on the Inner Planes.** This first duplicate then goes on "back up" the rest of the Inner Planes to the near top Plane where it ceases to exist as a form, and becomes an Idea only and then, on up, to an archetypal idea only, and then, on to pure energy feeling. Then it passes on out of this Physical Plane World on up to the great beyond, of which no one knows a thing **and which is of no real concern to us at this stage of our study and evolution.**

It should be obvious to any knowledgeable, thinking person that the understanding of the "double-ness" of manifested existence could suggest all sorts of expanded possibilities of physical manifestation which should be taken into consideration in our every physical action on this Physical Plane." End quote.

Our/your #0, outer, outer physically physical body = IS AN 'OBJECT!?!'

Our/your #1, malkuth earth/hades **tactile-feeling** body = IS AN 'OBJECT!?!'

The/your #1, malkuth earth/hades **tactile-feeling** body = Use, Used, Uses!?!

The/your #0, outer, outer physically physical body!?! (Projects it! Moves it!)

You = conscious-ness = are not(?) = a 'body'!?!

You = conscious-ness = use(?) = a body!?!

You = #0, outer, outer physically physical body = cannot/do not = change/alter = the/your #0, outer, outer physically physical plane!?!

You = #0, outer, outer physically physical body = can only = use, used, using = the/your #0, outer, outer physically physical plane!?!

You = conscious-ness = must change/alter(?) = the/your #1, malkuth earth/hades tactile-feeling-plane-body = FIRST!?! THEN! THEN! = THE CHANGES/ALTERATIONS!?! = MUST BE AGREED!?! = By/with = the/your #0, outer, outer physically physical body = ACTIONS/DOINGS/USING'S!?! Here it is, from Ophiel, from his book: Contacting the Demiurge, his chapter: Seventh Section:

“FURTHER NOTE ABOUT THE DEMIURGE. You must furnish a pattern for the Demiurge to follow, to build on, to arrange the physical plan on. To arrange to bring about the kind of result you want. Your ability to visualize is one of your powers to create-furnish such patterns as you will.” End quote.

FURTHER NOTE ABOUT THE DEMIURGE = at the/your #1, Malkuth Earth/Hades Plane Level. You must furnish tactile-feeling as a pattern/exercise for the Demiurge to follow, to build on, to arrange the physical plan on and for this, you have the basic cosmic egg and/or basic chair exercises, to enhance/develop/increase your powers of defining, three-dimensional-ising, symbol-ising. In order to arrange to bring about the kind of result you #0 &+ #3 want. Your ability to psychologically tactilely-feel, is one of your powers to create-furnish such patterns as you will. Here is what Ophiel writes in his Talismanic Magic book, same chapter: Recapitulation.

“Now to resume the Talisman idea, in connection with the double-ness of all things in your daily life/living. You, then, are surrounded on all sides by “Things,” material things which are the outer, “hard,” exhibitions of Inner Realities. Only the thought – the basic thoughts of things, the archetypal patterns, are REAL, the outer Physical Plane exhibition of those archetypal thoughts are the RESULTANT and are not the “Real.” This type of reverse thinking is what will help release you from the thrall of matter. Now, in the way that you expand your daily thinking so that you regard these outer physical manifestations as usable sources of Power, is the different way you can make Talismans out of your environment.

(Maybe at this point I had better repeat the ordinary idea of a Talisman. A Talisman is an object which, when magnetized/charged, creates an incoming source of Power/Force to your immediate sphere. Now recall all I said previously about the great Magical Agent as a life-water-flowing- wetting-soaking idea.)

Now to resume the Talisman idea, in connection with the double-ness of all things in your daily life/living. You, then, are surrounded on all sides by “Things,” material things which are the outer, “hard,” exhibitions of Inner Realities. Only the psychological tactile-feeling – the basic tactile-feeling of these things, the definition, the three-dimensionality tactile-feelings, are REAL, the outer Physical Plane exhibition of those psychological tactile-feelings are the RESULTANT and are not the “Real.” This type of reverse thinking/ tactile-feeling is what will help release you = conscious-ness = from the thrall of matter. Now, in the way that you expand your daily psychological tactile-feeling is through the daily practice doing, of the your egg/chair exercises, and in this way you can regard these, #0, outer, outer physical manifestations (your #0, actions/doings) as usable sources of Power, is the different way you can make Talismans out of your environment.

The above, is just one of the ‘ways’, that a person/individual, can learn to ‘transfer/project’, whilst awake, aware, conscious, in the/their daily lives, whilst still ‘practicing’ in mastering their ‘art’ of #2, etheric projecting, transferring their ‘conscious-ness’. The terms and conditions (laws, rules & governances) are!?! No Etheric Light! No Visualisations! No Chasing After Dreams! Doing the ‘hard-graft’ (tactilely-feeling) in/on #1, malkuth earth/hades, and ‘then?’, agreeing with!?! #1, by the/your #0 &+ #3 bodies, doing the ‘work/actions/using’!?!

Thank you.
