

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

04 of 18 how to talk to God. 2021

Here is what Ophiel writes, in his book: Contacting the Demiurge, his chapter: Section Eight.

“It is in the quality and quantity of your directions, desire directions, that the wrong abrasion rub comes in. At present whatever we ‘are’ today we are as the result of our thinking directions that we have given to our (personal) Astral Light contact, and it has carried out our (wrong) ‘directions’ as we so ignorantly willed-desired, to the letter. So now, obviously, I can make the trite cliché remark that, if you want a better Life, you have to think the ‘right’ thoughts and impressing the right thoughts onto the Demiurge is not simple (I sure wish it were) I sound here as if I am contradicting my previous statement and in a sense I am. I plead again that this secondary God subject- operation is not hard! but different than the earthly life we live day by day, and the ‘right’ way of handling inner plane matters is the Art of all Arts, and you are starting to learn this Art now right here.

What ideas you want to impress on the Demiurge to make your ‘down here’ life better, naturally are inner mental ideas, and are usually expressed by you by inner words, or even by outer spoken words, or by inner spoken language words, or a combination of all these ways. (I use them all). However, the big hold up is – The Demiurge does not understand, or respond to ‘words’, spoken language words!! What the Demiurge does respond to are ‘feelings’ – emotions + feelings – and to emotion charged ‘Visualizations’, and/or even emotion charged, ‘attitudes.’ I will repeat the above as it is very important in your Occult work – The Demiurge does not ‘understand’ Words, verbal words alone. The Demiurge understands only ‘Feelings and Visualizations, or attitudes.’ Good strong Emotions plus Visualizations is the Way. Trite as it seems and even casual but these things are the WAY!” End quote.

No apology given, we just simply ‘adjust’ the Ophiel quote above, for ‘context’, as we are ‘dealing with’, the/our #1, malkuth earth/hades psychological **tactile-feeling-plane!**

“It is in the quality and quantity of your directions, desire **tactile-feeling** directions, that the wrong abrasion rub comes in. At present whatever we ‘are’ today we are as the result of our thinking **tactile-feeling** directions that we have given to our (personal) #1, Astral Light contact, and it has carried out our (wrong) ‘directions’ as we so ignorantly willed-desired, to the letter.

So now, obviously, I can make the trite cliché remark that, if you want a better Life, you have to **tactilely-feel** the ‘right’ thoughts and **tactilely-feel** impressing the right **tactile-feeling**, defining, three-dimensional-ising, symbol-ising onto the Demiurge, which is very simple. I sound here as if I am contradicting my previous statement and in a sense I am. I plead again that this secondary God subject – operation - **is not hard! but different**, than the earthly life we live day by day, and the ‘right’ way of handling inner plane matters is the Art of all Arts, and you are starting to learn this Art now right here.

What ideas you want to impress on the Demiurge to make your ‘down here’ life better, naturally are inner mental ideas, and are usually expressed by you by inner words, or even by outer spoken words, or by inner spoken language words, or a combination of all these ways. (I use them all). **However, the big hold up is – The Demiurge does not understand, or respond to ‘verbal words’, spoken language words!! What the Demiurge does respond to are ‘tactile-feelings’ – emotions ‘as’-tactile-feelings – and to emotion charged ‘Visualizations’, ‘as’- tactile-feelings, and/or even emotion charged, ‘attitudes’ = ‘as’- tactile-feelings.** I will repeat the above as it is very important in your Occult work – The Demiurge does not ‘understand’ Words, verbal words alone. The Demiurge understands only, Visualizations and/or Attitudes. **‘as’- tactile-feelings** Good strong Emotions plus Visualizations plus **Tactile-Feelings** = is the Way. Trite as it seems and even casual **but these things are the WAY!**” End quote.

Many members, in/on this particular Ophiel Magic Group, are in a very ‘unique(?)’, position, where they have the opportunity, to use, the/their #1, malkuth earth/hades force, in/on the/their #2, etheric plane, in a ‘way/method’, that

requires/needs, very little training, in a very short time, in order for them to begin to achieve ‘results(?)’. The ‘bridge’, that is being ‘built’, ‘made’, ‘connected’, with the/their daily ‘contact’ to/with the/their #1, malkuth earth/hades self, through the basic/simple exercises, of egg, chair and letter, means, that the individual, has the ‘opportunity of rapid progress’, if allied to a little common sense/practicality.

The basic ‘investment’, of psychologically **tactile-feeling**, the/your ‘OTHER’ self/you and making ‘movements’ to/towards your goals/aims, in line with the/your #0, outer, outer physically physical world ‘situation/circumstance’, is entirely up to the individual ego-conscious-ness = Glass half-full? Glass half-empty? = OBSERVATION!?! Where do you ‘go??’, from where you are ‘at????’ now!! What do you ‘do?’, how you ‘invest’ your time(?) now! So that the next day (projection), is ‘better’ for you??

This is how you ‘build’ technique, through practice, as a/an art form/skill set = this is the ‘way?’! = this is the ‘method?’! = Keep it ‘short’, ‘repeat it’ often!?! Your ‘individual/personal’ psychic ‘abilities’, is, in your personal #3, ego body, present incarnation, personality body, ‘ability to observe’!?! Having observed = you #0 &+ #3, must AGREE-WITH!! = You!! = #1!?! So, put it to the ‘test!?!’, don’t just read it try it! Use it! And, if it doesn’t work/suit you = fine! No problem? But... if it ‘does?’, ‘did?’ or ‘would/could?’, then the only ‘way’ that you are going to ‘know?’, is to test it, try it, use it?? THEN IF IT DOESN’T WORK! = INTO THE BIN WITH IT!?! As per Ophiel’s instructions!!

As you/if you ‘progress’ in your personal/individual experience/development, of the/your #1, malkuth earth/hades **tactile-feeling-body**, the ‘sense/feel’ of ‘other’, is ‘no different’, from the ‘sense/feeling’ of some part of the/your #0, outer, outer physically physical body ‘not working/operating’ as it should/could/would do?? IT (#1) = IS NOT ‘SEPARATE’ FROM YOU!?! = CONSCIOUS-NESS!?! (Nor is it ‘separate’ from any ‘other’ part/piece of, your bodies!?!) Here is what Ophiel writes, in his book: Caballa Magic, his chapter 3, The Pillars;

“And next we come down to the last of the Sephirah on the middle column/pillar, Malkuth, or the sphere of the Elemental Force of Earth, **not Earth itself, please note carefully**. Malkuth is the only Sephirah that is multi-compartmented. Malkuth consists of four quarters, which quarters are labelled Air, Fire, Water and Earth.

Malkuth, therefore, has four elemental symbols attached to it, viz. (see third diagram): Air of Earth, Fire of Earth, Water of Earth, and Earth of Earth. As you can see, Malkuth can be readily called the sphere of the Elements, or of the Elemental Forces, as all the Elements come to rest here. You can note that before, the Elemental Forces were somewhat separated from each other, but here in Malkuth, they are very close, and mutual reaction is quite easy.

In the sphere of the Elemental Forces of Malkuth lies the mystery of our physical being – Being. Great and profound statements could be written here at this point of our book, and immense vistas, inner vistas, of philosophic observations and conclusions come to the surface of consciousness, but what good is all that, in a certain sense? **What we want is something practical, some practical directions of DOING something about our lives. Or, as the cliché goes, something we can get our teeth into as to how to live this physical life successfully.**” End quote. (Underlines are the present writers.)

The present writer, has always been ‘amazed?’, ‘astounded?’, ‘astonished?’, at how ‘few?’ (none!!), of the ‘industry standards’ of the general occult field, past and present, have never spoken/talked or presented, anything of/about the #1, malkuth earth/hades plane/sphere(??), and yet!!! There it ‘sits?’, at the bottom of the tree/map, which is/has, for all its circles and paths = not one shred, not one iota!! = of #0, outer, outer physically physical anything whatsoever = IN IT/ON IT!?! Yet, no one (besides the present writer, who has had to ‘live with?’ the/their ‘OTHER’), yet no one, has come ‘out’ to discuss it (#1), openly?? Everything is ‘all about’ the/#2, Etheric Plane, and even though Ophiel, could and did, observe the ‘effects of’ the #1, malkuth earth/hades plane, (Strange sections of ‘reversals’), he did so ‘from’ his #2, etheric plane.

It was when he (Ophiel), explained in his vignette: An Exercise in Preliminary Projection; that he suddenly became aware, awake, conscious to/of the 'strange effects' and that his 'projection/transfer', was taking place/happening, in/on a 'plane', where he had previously, never functioned in/on before!?! And he had to 'reappraise??', his whole 'ideas/set-up?', about it/this. Please read his vignette:

"This has happened to me many times and has also happened to some of my friends as they told me when I questioned them about it. When I became aware of this situation/sensation, I straightened myself out directionally automatically. Today, this morning, however, when I became aware that I could not determine in which directions I lay, it occurred to me to prolong the sensation for as long as I could. And this I did.

I then tried to feel I was floating above the bed in the air, but I couldn't get that feeling no matter how I tried. I am going to introduce an idea here, which is not a new idea at all but is probably thousands of years old. As usual, I am rediscovering something that has not been put down plainly in any of the books.

I am going to ask and wonder if there is not some kind of 'sub-plane,' a 'sub-Etheric Plane,' which is very close to the physical, but which is neither physical nor Etheric. It has been suggested that the planes between the "Real" Earth and the "Real" Etheric could be the Elemental Planes of the Elements. And it is possible to project to these planes, a fact which I had never seriously considered before this time." End quote. (Underlines are present writers.)

And it is possible to project to these planes, a 'fact' which I had never seriously considered before this time.

As usual, I am rediscovering something that has not been put down plainly in any of the books.

And yet? It is plain enough(?), in the letter of Augustine of Hippo? And, that it was 'recognised' by Saint Jerome, in his comment on all of Augustine's writings = thou hast restored the ancient faith? Also, it is 'stuffed full', into/onto, the Old Crazy Book (Bible)? Which was/is a 'collection' of/from the various ancient 'Schools' of thought, based on an 'original' ancient 'source/common denominator', which got 'diffused/dimmed' as the human species spread out, and took the/this 'source/common denominator' with them. As is, accepted, in the wider field, all 'simple systems' tend towards the 'complex', if they last long enough.

What was 'previously/plainly' put out, and displayed, became 'lost', and then, was 'corrupted', so that now, what was once considered as the 'necessary opposite', is now considered 'evil'? What was once considered 'natural', is now considered adversarial/oppositional, and, in both cases, completely misunderstood?? To the 'disadvantaged' of person/individual, worldwide. Here it is, from Ophiel, from his book: Contacting the Demiurge, his chapter; 'Opening':

"One of the worst misunderstandings is the idea that there is abroad, in the whole world, an ignorant idea that there is a something called Evil, along with something called good, LIGHT and DARKNESS, etc. Good and Light have been equated with God, and Evil and Darkness have been equated with a thing called the Devil. Nothing, in any religion writings, is very clear, or very logical as to just exactly HOW the evil Devil darkness came into existence against the wishes and power of the Good-Light, when the Good-Light has always been proclaimed to be the most powerful of the two contending Forces." End quote.

"The concept of the other evil creature was just as bad. This evil creature had wings too, a sort of bat-like membrane type. In point of fact, this creature pictured was Pluto, the conventional picture of Pluto, the brother of Zeus. Pluto ruled the underworld. Zeus ruled the Sky. Neptune, the other brother, ruled the ocean, (not the physical ocean, but the other ocean, on

the inner planes – (more of this latter). **But Pluto is not the devil.**” End quote.

“It would seem to me that the time has come, in the course of the history of the world, to realize there is no such thing as active evil oppositions; and that what appears to be such is an illusion born of our ignorance and misunderstanding. There exists, on this Earth plane, a dual-ness, but it is more or less only a give and take, an ebb and flow, a rising and a falling, and a coming and a going. When all things are on the upswing then God is in his Heaven, and all is right with the world. When all things are on the downswing, then the devil reigns and all hell, breaks loose.

And yet all is the same one thing – not two things – just the way the One Thing is functioning. And that is all there is to it. No matter how many devil’s men create to fill the “evil” void, to explain the fallbacks, it is only the duality of the physical world which is to blame for life being what it is. When, and ever, mankind, in bulk, will emerge from the mind’s “dark ages” of thinking, and perceive that duality IS existence, and, in fact, is necessary; that there is no such thing as black and white, then he will control, and then will an understanding of this physical world come about; **and what has been called Evil, for thousands of years will become the salvation of people – especially those who are in advance, put themselves in advance of the race, in their Thinking.** So again, to repeat, for emphasis, while there are dual Forces, these dual Forces are not evil, or bad, or good, or pure, or holy, but are supremely natural.” End quote.

If anyone can be bothered, to read the Crazy Book, (Bible), Genesis, chapter one, verses; 2, 3, 4. Then they will learn the ‘great secret?’ = The Dark-ness, was there first! The ‘Light?’, was ‘called forth’ into/onto the ‘dark-ness,’!?! But... it = the ‘dark-ness,’ was not/is not = evil?! Well, this is the ‘adversary/opposer’, that Augustine is writing about, and Ophiel. There is ‘no dark-ness’ as such?? There ‘is?’, however the = BLACK-ASTRAL-LIGHT!!?! Where ‘everything’ else/other, is ‘composed of??’, the/this same/one thing = Black-Astral-Light! = Black-on-Black! Here it is, from Ophiel, from his book: Clairvoyance, his chapter: The Astral Light:

“The above should have shown you that there are a number of different planes you go to, **and your actions on each of them has to be different in each case. Developing a clairvoyant ability to cognise one plane will on to carry over automatically to another, different plane.** Unless you know what, you are doing or what you are looking for, your Inner Plane work will not be good work but only hit and miss.” End quote.

Then, farther on, in the same chapter, we read this part;

“Now, after you have absorbed the above concept, you can understand the next statement which is – All Inner Plane ‘things’ are ‘cushioned’ and ‘floating’ on this sea of Light. In another sense, this sea of Light is more like a vast Inner Plane Ocean, on the ‘surface’ of which floats the objects that exist thereon and therein.” End quote.

Now, after you have absorbed the above concept, you can understand the next statement, which is – The/your #1, Malkuth Earth/Hades **Tactile-Feeling-Plane** = IS THE ‘BOTTOM!?!’ = OF/FOR THE/THIS ‘OCEAN’ OF LIGHT!!?! AND! AND! EVERYTHING IN/ON THIS BLACK-ASTRAL-LIGHT = IS/ARE ‘CUSHIONED’ AND ‘RESTING ON’ THE ‘BOTTOM!?!’ = OF THIS SEA OF LIGHT!!?! = AND IT IS ‘BLACK-on-BLACK’!?! = HENCE, THE ONLY! ONLY! WAY/METHOD OF ‘OBSERVING!?!’, IS BY/WITH/THROUGH = TACTILE-FEELING!!?! AND! AND! = YOU!! = #0 &+ #3 = MUST AGREE-WITH-IT!!?! = #1, MALKUTH EARTH/HADES!?! Two, of the proposed ‘ways’ to do/achieve this = **agreeing** = is/are, of course, the basic egg/chair exercises!?!

EGG = Defining; Three-Dimensional-ising; Symbol-ising = **Tactilely-Feeling!**!?!

CHAIR = Opposite Direction = Push-down to Stand-up/Push-up to Sit-down!?!

Of course, the above, two exercises are so 'simple' so 'un-complicated', that many #3, persons wouldn't/couldn't, give them the time of 'day', any 'day'! In order to learn and benefit from them. This would be fine for those who are in a position/place to 'do' this, but... for many, their 'search' for what 'it' is, that is going to 'unlock/unblock', what they are 'aspiring to/towards', all they 'can do?', is at least, give the exercises a test, try and use, in order to find out/discover, if they are for them, or not!

It may be(?), that during the exercises (as has happened to some), their 'sense' of 'anticipation', 'expectation' comes in ways/means, that they least thought of before? But... this is just the 'way' of the/their #1, malkuth earth/hades plane body? In the present writer's case; they get the kinds/types of sensations, that persons describe as; butterflies in the stomach = the kind you get before a 'speech' or an 'important' job interview, or meet someone for the 'first-time', etc. In Ophiel's vignette: Assistance from the Gods parts 1 & 2; he writes of 'tingling sensation' when the individual 'receives' their 'message/answer', the 'answer' is in direct proportion, to the individual's personal abilities and 'developed', skills.

And this is 'what?', your egg/chair exercises, is/are, all about. Working the egg/chair exercises, along-side, the/your Ophiel Little System exercises, is a 'massive' psychic 'hit'. PLEASE PUT THIS TO THE 'TEST!', DO NOT!! JUST READ IT – AND THEN CARRY ON AS NORMAL!?!

Choose your 'favourite', 'desired', 'wanted' = object; circumstance; thing and/or it!

Close your #0, outer, outer physically physical eyes!

As a 'blind' person, in your 'own' – psychological dark-ness; black-ness; blind-ness = TACTILELY-FEEL; DEFINE; THREE-DIMENSIONAL-ISE; SYMBOL-ISE = YOUR 'IT'!?!

Then, when satisfied, with the pleasure of 'having', 'owning', 'possessing', 'using', your 'IT' = O/C/Th;

Switch to, #2, Etheric = reflection/reflecting 'visualising' your = 'IT' = object; circumstance; thing = AND TACTILELY-FEEL IT!?! The 'difference' = made to your #2, 'visualisation', is unmistakable!

Thus, you – conscious-ness = now have 'all three' bodies(?) = working/operating/harmonising/working/operating = TOGETHER!! = AS 'ONE!' BODY!! = Conscious-ness!!

Another, 'ignored?', occult; is that the/this 'tree/map' = ascends/assumes = from; springs/grows/develops = from; the/your #1, malkuth earth/hades plane – first! Has its 'roots?', in/on the/your #1, malkuth earth/hades plane – first!

Please think about this; #1, malkuth earth/hades = is the; beginning and the end = is the first and the last!!

Thank you.
