1 of 2 the prince of darkness. 2021

It is difficult to know where to go, with the knowledge/knowing, of/about, the Prince of Dark-ness; the Prince of this World? So, we try this:

Psalms; 139:12. Yea, the darkness hideth not from thee; but the night shineth as day: the darkness and the light, are both alike to thee.

Job; 10:22. A land of darkness, as darkness itself; and of, the shadow of death; without any order, and where the light, is, as, darkness.

Mathew 6. 22:23. The light of the body is the eye: **if therefore, thine eye be single**, thy whole body shall be full of light. But, if thine eye be evil, thy ‘whole’ body, shall be full of darkness. If therefore, the light that is in thee be darkness, how great is that darkness.

Here is what Ophiel writes, in his book: Clairvoyance, his chapter: Semi-Physical Types of Clairvoyance:

“I find myself unable to convey clearly an idea to you as to how you “see” on the Inner Planes. Naturally, you have no physical bi-focal eyes – or two eyes seeing an oval space in front of you. **You have a “single eye” only**, but now that I think of it, the Inner Plane scenes appear three dimensional, the same as here, which I am unable to account for, and which I will have to do further work on.

The Bible, in several places, speaks of the “single eye,” and you will discover when you first “open” the single eye on the Inner Planes just what that means. This is one truly correct Occult statement appearing in the “Holy Scriptures,” and probably got left there because the forgers who tampered with so much of the Bible did not understand its meaning and so left it alone.

At any rate, through a process of natural growth brought on by thinking about the subject, you should become conscious of a light soft “glow” most anytime you close your eyes and desire to “see” it. The glow is there, all you have to do is to become conscious of it as I said. As soon as you see this glow you will recognize it and also recognize what I am talking about. The above process is the first of the several ways to develop clair-voyance, light-seeing, that I mentioned previously.” End quote.

Then, from Ophiel's third book: The Occult, we read this, in its chapter: The Four Winds:

“To digress a moment – When I was writing these lines I was in Los Angeles and, as is my custom, I dropped in at the Manly Hall Institute on Los Feliz Boulevard. My purpose was to give them a copy of THE ART AND PRACTICE OF GETTING MATERIAL THINGS THROUGH CREATIVE VISUALIZATION for their library. They also usually have some, more or less, select second hand books for sale there. I found a little book called Aesch Mezareph (purifying fire) by Sapere Aude which name was, as I understand it, the Latin motto name of Wynn Westcott, an early well-known Occultist. And as I was glancing over the book I noted, on page 10, the following words – Job chapter 37 verse 22. – TELL US THAT GOLD COMETH FROM THE NORTH!!!! **Now here is a perfect example of Occult trickery that has been used so much before.**

Job says Gold comes from the North – and as this statement stands now that way, the statement is absolutely meaningless to the ordinary average person, and is maddeningly meaningless to the beginning sincere student of the Occult. **Well, this statement will always be meaningless to the average person and also to the Occult student UNTIL HE PICKS UP MORE OCCULT KNOWLEDGE THROUGH MEDITATION, CONTEMPLATION AND INTUITIVE INSPIRATION** (inspiration breath-in-breathing-air-movement and so on.) When, through the passage of time and study, the sincere Occult student becomes more knowledgeable **he will “pick up” the missing Occult “shorthand” necessary to “fill out” Job’s statement and Job’s statement will then become “Gold” (value) comes from the Elemental Quarter of the Elemental North!!!!** (There is also, a note that this Gold in Job is translated “fair weather”, the nutty translators!)” End quote. (Underlines are the present writers.)

Now, the ‘code word’ for the ‘initiated’ was/is = dark-ness; black-ness; blind-ness, etc – and this was ‘used’ to – **‘signify the sub-conscious-ness,’** and the ‘Common Denominator’ was/is ‘Gnosticism/Gnostic doctrine’, but...! As always and as ever = the ‘infighting’ was the ‘Sects’ and their differing/different = ‘interpretations of/for = said Gnosticism’!?! (See/read Religious History.)

The modern/recent ‘re-discovery?’, of for the ‘Gnostic Demiurge’ was/is, the modern ‘interpretations’ of Clinical Psychology, and the Sub-Conscious-ness. Here it is, from Ophiel, from his book; Contacting the Demiurge, his chapter: Seventh Section:

“ANOTHER NOTE. **The Demiurge has a connection with your inner subconscious mind. This is another great mystery; toward the revealing of which some progress has been made by the great Western psychologists,** especially Carl Jung, who made discoveries along these

lines, and did give a name to something he found and described as the Collective Unconscious, - a Universal Sub-conscious-ness. I have not studied this concept fully because at the time, I was not too far advanced into the deeper phases of the Occult and the name, “Universal Super-conscious-ness”, rang no bell with me. Why don’t you look it up and see if Jung’s material reveals any seeming connection with the concept of the Demiurge, as we are studying it here? ANOTHER NOTE. The human subconscious acts in many ways exactly like the Demiurge.” End quote.

So!?! = Psalms; 139:12. Yea, the darkness hideth not from thee; but the night shineth as day: the darkness and the light, are both alike to thee. Would now read something like this:

Yes, the (dark-ness) = your sub-conscious-ness, **reveals itself** (hideth not) to the ‘individual’, as their; Sub-Conscious Psychic, **tactile-feel**-ings, about themselves and their desires; wants; needs and broodings; The ‘sub = under – conscious’ as a ‘ness’ is always present and can be ‘observed’ in the individuals outer physically physical actions/doings, (but the ‘night’ shineth as day.) So that the, actual; factual and literal = ‘**tactile-feel**-ing’ and the ‘outer, outer physically physical action/doing’ (are both alike to thee) are same/one thing, to/for the individual.

So!?! = Job; 10:22. A land of darkness, as darkness itself; and of, the shadow of death; without any order, and where the light, is, as, darkness. Would read something like this:

Everything/All = is/are, the ‘one standard = black-on-black’ = all objects, circumstances, things and/or its = are dark-ness. Every/All = actions; doings; **tactile-feel**-ing is/are = black-on-black, as dark-ness itself = ALL IS ONE! As ‘dark-ness’ itself, with ‘no’ distinction, in its/their/themselves; the shadow of death; without any ‘order = preference’, where the ‘Light’, is, as, the same as, the ‘Dark-ness.’ The same/one thing!?!

So!?! = Mathew 6. 22:23. The light of the body is the eye: **if therefore, thine eye be single**, thy whole body shall be full of light. But, if thine eye be evil, thy ‘whole’ body, shall be full of darkness. If therefore, the light that is in thee be darkness, how great is that darkness. Would read something like this:

The light of the physical body, is the eye; but, if you are using your, single-eye = conscious, as Ophiel writes in the above quote, then the ‘whole’ of your conscious – shall be full of #2, light and/or above, as in the ‘inner planes’ that you, conscious, are in/on as a ‘ness’. But... if

you are, in/on the ‘evil plane = #1, malkuth earth/hades’, then your ‘eye = conscious-ness’, shall be ‘full’, of the black-on-black; black-astral-light. So, if the ‘light’ that is in you = conscious – as a ‘ness,’ then you – conscious, can well ‘imagine?’, how great/powerful **IS/WILL BE(!), THAT PSYCHIC-TACTILE-FEEL-ING – DARK-NESS; BLACK-NESS; BLIND-NESS!**

There is/are many places, where the narrative/description of; dark-ness, black-ness, blindness and evil = **ARE!** = **ALL DESCRIPTIONS OF(?) = #0**, Outer, outer physically physical things, but...! There is/are places where, as in Ophiel’s, ‘Job’, quote, they are ‘indicating’ to other ‘initiates’ that they are ‘qualified’ to make/state such statements. Reading ancient texts, as if/as though they were actual, factual, literal historical events, in a ‘religious context’, is ‘dangerous!?!’, and plays into the minds ‘dream/fantasy’.

Ancient peoples ‘knew!?!’, that at ‘puberty’ the ‘minds’ dream/fantasy – was at its ‘strongest’!?!

Ancient peoples ‘knew!?!’, that at ‘puberty’ the ‘minds’ dream/fantasy – was at its ‘most dangerous’!?!

Ancient peoples ‘knew!?!’, that at ‘puberty’ the ‘minds’ dream/fantasy – must be ‘controlled’!?!

Ancient peoples ‘developed’ stories/rituals, that ‘placated’ the ‘mind’ – beyond the ‘death of the body’!?!

Ancient peoples ‘knew’, that ‘without’ the/this ‘dream/fantasy/control mechanism’, the people/tribe – would go mad/insane??

There is ‘enough’ actual, factual, literal ‘evidence’ out there, to show, that the/these ‘Ancient’ peoples have ‘failed’!?! And that the dream/fantasy, has ‘moved on’, from = tribes; farming; religion; kings; industry; politics; finance and ‘finally’ = back to farming (environment!). As the ‘rapid’ large scale failure, of the ‘various’ food chains, break-down and demand outstrips supply, societal structures will/shall dissolve and bottom out. No amount of digital-commerce will/shall ‘produce?’, a single loaf of bread!?! – Only ‘environments,’ can do this, and the one’s that ‘do’ do this; are fast eroding?? (A way/method to ‘check’ this, is to keep an eye on, the break-down, of; bio-diversity and environments.) Just as the ‘individual’ body dies, so to, can/does = large scale environmental bodies/systems ‘die’! And so, over time, all ‘systems’ break, up and down!?! Then, the ‘fantasy?’, ‘dream?’, ‘reality?’, ‘desperation?’, ‘mad-ness?’, of the mind, breaks through!?! But... for ‘many?’ too late! (See/read Ophiel’s vignette; Work on All Planes.) here is what Ophiel writes, in his vignette: Your and Your Desires:

“We have all been through so much mixed-up minor stuff in our lives that we can very easily get confused and lose sight of our goals and ourselves. This is especially true for those of us who have had some Occult work knowledge and training and also for those of us who have had poor start in life. And are now trying to amend and correct our lives through Occult development and the ‘USE’ of ‘Occult Techniques’ based on Occult conceptions of the Physical Cosmos. **What I mean to say is, that many of us are in the midst of our incomplete development and while we realise that we do not know enough yet to change the world or the world around us.** We do forget that there are a number of basic, simple, ‘Occult’ techniques that are very effective, which we can use consciously to help us along our ordinary life paths for the time being.” End quote.

It is in the/this; **incomplete development** = #0 to #2? = #2 to #0!? That the present writer presents(?). Next this part, from Ophiel:

“Then again, many of us have contacted a number of different teachers and systems in which we were presented with a number of techniques, each seemingly different from the other and coupled with dire warnings against the other guy and his works. This merely adds to the confusion. I don’t know under whom you are now studying, nor do I care. **I teach the Caballa system in my books and lessons. To me it has been the best and easiest to understand and ‘USE’.** However, there are certain basic ‘Truths,’ which are self-evident and are ‘True’ in any and all systems. **If you will go back to these, not neglecting your other more advanced studies, you can handle most everyday ‘Stuff’ with ease.**” End quote.

The ‘basic’, that the present writer, presents about, is; the basic fact/description of what was/is called/named and described, by the worthy ancients, as; Psyche = **Animating Spirit**, of/for, the #0, Outer, outer physically physical body! This = Animating Spirit – is described/explained(?) = as being!?! = **BLIND!**!?! = WITH ‘ALL’ THAT IS IMPLIED(!) BY/WITH THE/THIS DESCRIPTION!!?! = **If you will go back to these ‘truths’, not neglecting your other more advanced studies, you can handle most everyday ‘Stuff’ with ease!**!?! Next, this part:

“The basic thing/fact of all is that you have a **sub-con-scious** part of your mind, which performs all the unconscious work necessary to maintain your body functions. Also, a deeper portion of this sub-mind appears to be linked to the ‘Universal **Subconscious**’, which can and does bring you into touch with aspects of daily living that you find satisfactory and desirable for your well-being and happiness. **However, this part of you, your sub-mind, is also**

influenced somewhat by your attitudes and desires. If you have, and keep, a receptive, hopeful and expectant attitude you will understand naturally that you are in a much better position to notice an opportunity than if you were in a 'Blue' mood, closed to outside incoming influences and ideas. All this is simple and has been harped on many times before. Too simple, 'BUT TRUE'!" End quote. _

Conscious (adjective) Latin; from the 17th century; a knowing; privy to; aware; awake; com = with/thoroughly + scire = to know by/with/through direct personal/individual 'experience' (Hence = scious/scire = to know = science). From the Greek word; Syneidos/Synecdoche (noun) = a figure of speech, where a part/piece is taken for the whole; or = a figure of speech, where the 'whole' is taken for a part; an understanding of; one thing, with another thing. From the Proto-European-Root word; dek = to take; to accept!

Next this;

"So don't get in 'Blue', 'Bad moods', I say. 'Easy enough to say', you say! Well, it is simple and easy but countless people get in 'Blue moods' all the time and stay that way while studying the 'Occult!' It is easy to get into a 'Blue mood' BUT IT IS ALSO EASY TO GET OUT OF ONE TOO. There is an old hymn that you may have heard many times before, so many times in fact, that the meaning of the hymn has been dulled. The name of the hymn is, 'Count Your Blessings.' Well, you know that is really true. Stop and think 'BACKWARDS', of what good things you have now in your possession and say out loud, 'Heck, I am basically lucky!' Doesn't sound like much but it does open up the 'INNER MIND' to receive more. Keep at it and for some days, feel it and you will find that, 'IT DOES WORK.' Make this simple assertion while doing your advanced work/studies." End quote.

Psychically-Tactilely-Feel; Define; Three-Dimensional-ise and Symbol-ise your desired, Object; Circumstance; Thing and/or IT = AS IF! AS THOUGH! = YOU WERE/ARE = BLIND!?! Handle; Touch; Feel = your object; circumstance; thing and/or it = AS A PART OF WHO YOU ARE NOW!?! This type/kind of 'exercise', enhances/increases = YOUR SUB-CON-SCIOUS = BELIEF; BELIEVE; BELIEVE-ING; BELIEVED!?! = YOU 'IT!?!' = IS YOURS ALREADY!?! Then this next part:

"Another simple twist you can give the previous assertions is to write out all the things that you want, as if you were advertising for them. I tell you this, because I wrote out an advertisement and I got exactly what I asked for, from an unexpected source. I know that it was the writing out, the thinking out and the visualising, which did it. It won't hurt you to try

these two methods: To clear up your quiet periods by reviewing your good possessions and good points and to put your desires down in detail in carefully chosen words on paper; **The more details you put down in writing, the more you impress these into your sub-mind, whose particular form of ‘INNER ACTIVITY’ is supposed to bring you the thing or things you desire and visualise for.**” End quote.

In the above, **yellow-highlight**, in Ophiel’s quote, is a very ‘subtle’ thing, and that ‘thing’ was/is, his (Ophiel’s), **psychic-tactile-feel-ing-believing!**?! = which was in a ‘very natural’ poise. Ophiel’s #3, Ego Body, wasn’t in a ‘place/position?’ = to judge(?).

The more details (**psychic-tactile-feel-ing**) you put down in writing, the more you impress these/the/your = **psychic-tactile-feel-ing** = into your sub-conscious-mind, whose particular form of ‘INNER ACTIVITY’ = For all this is DELIVERED unto me = #1, Malkuth Earth/Hades = is supposed to bring you the thing or things you desire and visualise for!?!
Next this;

“There is also another section/angle, which I would like to describe to help you achieve your life/living desires. **I did achieve/get all the things for which I really visualised.** (Many things I mildly desired but didn’t do any real work on their acquirement, so I didn’t get them.) **I am not aware of how (HOW) they actually came to me, (The actual transfer method, as it were.) but they came/arrived and the first thing I realised was that I had that for which I had asked/visualised. When I looked back, I was unable to immediately trace the desired object’s exact arrival. I have never been able to trace the exact path of arrival and in fact, when I tried to do this, I now know, I confused and delayed the arrival of the ‘Desired Object.’**” End quote.

Once more, please!

When I looked back, I was unable to immediately trace the desired object’s exact arrival.

I have never been able to trace the exact path of arrival.

And in fact, when I tried to do this, (tracing of the exact path.)

I NOW KNOW, I CONFUSED AND DELAYED THE ARRIVAL OF THE ‘DESIRED OBJECT!?!’ Ophiel’s = #3, EGO BODY, PRESENT INCARNATION, PERSONALITY BODY!?! = JUDGED!

Thank you.
