

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

2a interjection. 2021

Here is how Ophiel begins his vignette: How to Get Ahead!

“In the Vignette below the ideas expressed are different. Read the Vignette over carefully many times, notice the ideas therein and attempt to integrate these ideas into your daily life living. Remember this vignette is concentrated occult Knowledge and not masses-messes of words. So, study and apply it. ‘Truly’ the right application this Vignette can alter your life for the better.

The object of life is to live on all planes and to live more expansively on all planes. There is nothing much to hold you back from expanding on the Inner Planes, as existence is non-resistant there, no-thing to hold you back or to have to work against. So, you can amass inner knowledge to any extent and without effort. However, we also exist, a large number of us, and a large part of us, on the Physical Plane where the rules are different from those on the Inner Planes.

There, different rules ‘rule’ or ‘govern’, which simple statement is never completely understood. While it is true that all the features of the Physical Plane are governed by the rules, which come down through the Inner Planes to ‘here’, there are important physical plane rules, which must be obeyed here, or matters will not satisfactorily work out here.” End quote.

The, laws; rules & governances – of/for, the/your #1, malkuth earth/hades plane - when understood and practiced, by you, in the recommended manner/way, until you develop, enhance, increase your ‘own’ Psychic, latent/dormant abilities, will/shall be/should be, followed/examined carefully, under the basic cosmic egg and/or basic chair exercise.

The basic cosmic egg exercise = to develop; increase and enhance = the/your Psychic tactile-feel-ing; define-ing; three-dimensional-ising; symbol-ising, powers/abilities.

The basic chair exercise = to develop; increase and enhance = the your Psychic tactile-feel-ing; Adverse – stop! Oppose – stop! Obstacle – stop! Resistance – stop! Inertia – stop! All ‘movements’ in/on the/your #1, Malkuth Earth/Hades Plane = reverse-ness! (See/read Ophiel’s book; Clairvoyance, his chapter; The Two Minds, and his; ripe watermelon – stop! = this one! Milk pouring – stop! = this much! Gas-pedal - stop! This hard!)

Two of the #0, Outer, outer physically physical plane = Laws; Rules & Governances, that have been presented, in the ‘context’ of the ‘occult general?’, is/are;

A) Use; Used; Using.

B) Do not, #3, Ego Body – Judge; Judge-ing; Judgement.

Side note; as pointed out, the/your #3, Ego body, present incarnation, personality body = is a ‘construct’, and as such = **feels nothing!**

Side note; as pointed out, the/your #3, Ego body, present incarnation, personality body = **piggy-backs!** = in/on Conscious, in/on any/all planes!?!

Side note; it is the ‘body/Conscious?’, in/on each of the/their ‘own’ planes = **which-feels!?!**
End of side notes.

Ophiel continues: “I first heard of this kind of situation many, many years ago when I was dabbling in Christian Science studies. A man who was practising Christian Science, (the idea of supply) was employed as an automobile salesman. **He spent a great deal of his time during working hours reading the Christian Science textbook and he did expect his studies to bring him success in the sales of cars. Apparently, he thought the studies themselves should suffice to ‘bring’ him the business. And to tell the truth, in the Christian Science textbook there is every indication that such is the case.** Actually, LIFE on all planes is needed equally, but, as I said, this fact definitely is not brought out clearly in the Christian Science textbook, nor, indeed, in any other ‘spiritual writings.’ In some way, the discrepancy was brought to the man’s attention and he began to apply physical principles coupled to his spiritual studies and he then became a very successful salesman.” End quote.

The present writer, first realised, this kind of/type of situation many, many years ago when they were practicing ‘ritual’ magic: The ‘idea’ was one of supply, and the present writer was getting nowhere? **They, the present writer, spent a great deal of their time during waking hours, reading textbooks and expected these studies, would bring them ‘success?’ in their life/living. Thinking, the studies themselves should suffice to ‘bring’ the desired success. And to tell the truth, in the books, there is every indication that such is/would be the case!** Until(!), one day(?) = they – the present writer = **DISCOVERED! FOUND OUT! = THAT IS WAS = ALL!?!** (Yes folks!) **ALL!** = #3, Ego body, present incarnation, personality body = **WHO WAS(?) = INTERFERING!?! = Judge; Judge-ing; Judgement!?! = Not me! Not mine! Not**

this! Not that! Else! Other! Separate! Over there! Outside! Etc, etc, etc!!!) Bastard!!!! (As in ‘unsanctioned’, ‘illegitimate’ sense!).

Actually, LIFE/LIVING Conscious, in/on all planes as a ‘ness’, is needed equally/shared? But, as I indicated, this ‘fact’ is definitely is not brought out in any of the ‘current spiritual writings.’ In a very ‘natural way’, the discrepancy was brought to the present writers, attention/conscious, and they began to ‘apply’ the physical principles coupled to their ‘spiritual?’ studies, and then, the present writer, was ‘successful!’. (Reads like a ‘fairy tale??’) Long story – made short (!?!), the present writer ‘removed!?!’, the/their #3, Ego Body ‘Dominance’ from their ‘Magic/Occult/Planes’ and ‘introduced’ their = Psychic-Tactile-Feel-ing!?! And then, Ophiel’s materials went off like a ‘Bang’ from a, starting gun!?!)

Ophiel, next writes;

“Now, when you work physically and mentally, both together, you create a much stronger current in the Astral Light (Or, as it has been, called, a ‘strain’ in the Astral Light.) and the results should come much more quickly on both planes. Usually, the combination of physical movements and mental work was performed for initiations into one degree after another in some of the Lodges and Societies, but there is no reason why it cannot be employed for any reason and indeed it is, even for so-called ‘bad’ reasons. (Actually, there is no ‘bad’ or ‘good’ on the Inner Planes.)” End quote.

Now, when you work physically & psychically-tactile-feel-ing = both together = you create/make a ‘much stronger’ current, in the Astral Light (Or, as it has been, called, a ‘strain’, in the Astral Light.), and the ‘results’ should come more quickly = ON BOTH PLANES!?! Usually, the ‘combination’ of #0, outer, outer physically physical movements, and psychic-tactile-feel-ing-believe-ing, movement/work, was performed for ‘initiations’ into one degree after another, in some of the Lodges and Societies, but there is/are no reason ‘why’, it cannot be employed, for any reason, and indeed, it is, even for so-called ‘bad’ reasons. (There is ‘no morality’ in/on, the Inner Planes!?! Only ‘action vs re-action’ = elemental earth ‘principle’!).

Then, from Ophiel, this part:

“All of this is very well and good but surely, we can go a little more deeply in our quest of

real occult knowledge, which leads to power. You have been told elsewhere that the Inner Planes are full of (Liquid) Light. This Light, while it is still Light, is un-solidified, undifferentiated physical matter, or, in another way of speaking, physical plane ‘results’, final results. On the Inner Planes when you do something mentally, you start currents moving in the Liquid Light. These currents are supposed to flow towards whatever goals you are working for. On the Inner Planes there are well-defined areas, which contain the subject matter you are interested in. (These are the Astrological designations which ‘rule’ the subjects in which you are interested.)” End quote

All of the above, is all very well and good, but...! Surely, in the ‘quest’ for ‘real occult’ knowledge/power, it would be better to go a little more deeply, into the/this matter? The ‘occult literature’ is ‘Stuffed Full’ of information/descriptions, that the/these Inner Planes are full of (Liquid) Light. This Light, whilst it is ‘still’ Light, is un-solidified, un-differentiated physical matter, or, in another way of speaking, still not yet, physical plane ‘results’, final results. On the Inner Planes, when you ‘do something/anything’ mentally/psychically = you start ‘currents’ moving, in the/this ‘Liquid Light’.

Mentally = top to bottom! Psychically = bottom to top! Physically – you can only(!), only(!) = USE!?!

These ‘currents’ = ARE AFFECTED/EFFECTED = by/with, the/your = #1, MALKUTH EARTH/HADES = PSYCHIC-TACTILE-FEEL-ING!?!

These ‘currents’ = ARE (!?!) = THE MACROCOSMIC = TACTILE-FEEL-ING!?! = COMING DOWN/OUT!?!

These ‘currents’ = ARE (!?!) = THE MICROCOSMIC = TACTILE-FEEL-ING!?! = GOING UP/IN!?!

These ‘currents’ = ARE (!?!) = THE/YOUR ‘STICKY THREADS!?!’ = THAT KAHUNA AND OPHIEL WRITE ABOUT!?!

These ‘tactilely-felt-currents’ are supposed to ‘flow/tactilely-feel-towards’, to whatever goals you are working for. On the Inner Planes there are well-defined areas, which contain the subject matter you are interested in. These are the Astrological ‘designations’ which ‘rule’ the subjects, in which you are interested in. (You can read about them, in Ophiel’s book;

Clairvoyance, his chapter; The Categories of Physical Existence.)

Ophiel finishes his vignette, with this;

“Note about the salesman: It has been suggested that as he succeeded through physical work, it was not necessary to have studied metaphysics and that most great men have succeeded by hard physical-mental work than metaphysics. However, even in the short part of the long run, there is a sort of complete fulfilment in succeeding, by the use of the two forces, the Inner and the Outer. Success by either force alone does not seem to do it up right, and on this flimsy note, I end this note!” End quote.

Note about the present writer, no one thought for a moment/second, that they (the present writer) would be ‘successful?’, as there was ‘nothing’ in the previous history, to show/reveal, what could be done/happen? But...these others, could only ‘see’ the physically physical and didn’t understand!! They said, that the present writer was ‘just lucky!?!’, and that it would have come to them anyway, through hard work!?!

However!?! When the present writer, began/started – with – the/their #0 &+ #1!! = in the ‘short part’ of their ‘long run = 31 years!’, there was a ‘complete fulfilment in succeeding, by/with, these two-forces = #1, Malkuth Earth/Hades Psychic-Tactile-Feel-ing & #0, Outer, Outer Physically Physical – Use; Use-ing; Used!! Any ‘success’ by either ‘force’ alone, would not(!), have done it!?!

Each person/individual, must ‘find/discover’ the/their – own key!?! And! And! Even then, having ‘found/discovered it??’, they, the individual = must then find/discover(?) = the/their – own lock!?! – FOR! – the/that/their = OWN KEY!?! (Nothing is ‘simple?’, ‘straight forwards?’) but...! IT CAN BE DONE!?!

Imagine, if you will/can(?), that you, the reader/practitioner, had a ‘technique?’, ‘method?’, where you – Conscious - can actually, factually, literally = FEEL = IN/ON YOUR = #0, Outer, outer physically physical body!?! = IN THE/YOUR – NOW-TIME!?! = THAT WHICH YOU DESIRE; WANT; NEED!?! AND THAT(!), YOU = #1, Malkuth Earth/Hades Psychic-Tactile-Feel-ing-Body = BELIEVED!?! = THAT ‘IT’ = WAS ALREADY!?! = YOURS!?! = #0!?!

How’s that? For ‘magic???’.

Thank you.
