

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

Here is what Ophiel writes, in his book: Clairvoyance, his chapter; The Two Minds;

“Now, in your experimental sub-mind work you will have to evolve your own types of exercise, like the examples given, and carry them out successfully. You have to release all conscious-mind control and practice allowing the sub-mind to take over, and this gives rise to a very queer feeling, as if you seem to be losing control over your objective world. Practice this, until you note a degree of entry, of the sub-mind, into the objective world, which is all you want, a degree of entry, and a degree is all you need to greatly improve and sharpen up your life.” End quote.

For ‘context’ we read thusly:

Now, in your experimental sub-mind work, you have ‘evolved’ your own types of exercises, = aligned = to/with the/your #1, malkuth earth/hades psychic-tactile-feeling exercises, like the examples given, and carry out your psychological psychic-tactile-feelings = in/on those objects; circumstances; things and/or ‘its’, in which you = conscious-ness = hope to be successful.

You, #3, Ego Body, present incarnation, personality body = have to release all conscious-mind judgment-control and ‘practice’ allowing the/your tactile-feeling = sub-mind to take over; and this gives rise to a very queer feeling/feelings? As if/as though, you = #0 &+ #3, Ego Body = seem to be? = losing control over your #0, outer, outer physically physical = ‘objective’ world.

Practice your basic cosmic egg and/or basic chair exercises, until you ‘note a degree of entry’, of the/your #1, tactile-feeling = sub-mind, into/onto = the/your objective world = which is all you #0, want, a degree of entry, and a degree is all you need to greatly improve and sharpen up your life!?! The psychic-tactile-feeling, IS(?), Stop/Halt! Resistance/Inertia/Adverse/Opposed/Obstacle, (Greek; Slanderer)!

How ‘much’ milk, should I pour = stop/halt = resistance = this much!

Which watermelon is ‘ripe?’ = stop/halt = resistance = this one!

How much pressure should I ‘use?’ = stop/halt = resistance = this much!

Question? How? Should I? How? Could I? = **Agree-With-This** = stop/halt = resistance?

Answer! Psychological **PSYCHIC-TACTILE-FEELING**!?!

Here is how Ophiel explains it, from his vignette; Work on all Planes:

“I have harped on for a long time about there being a number of different planes, from the ‘Bottom’ to the ‘Top’, whatever those things are, especially the ‘Toppers’. Much to my regret I cannot go into the description of each of the planes: those descriptions would take in a universe of books. Please consult the Theosophical System of naming the planes from the bottom to the top. The idea of this vignette is to acquaint you with the fact that any action you perform is not limited or confined to one plane only, as would seem to be the case under physical observation as ‘The world would say.’” End quote.

The present ‘system??’, presentation, is for those persons/individuals who are, unfortunately, through no ‘fault’, of their own or of anyone/anything else/other, other than missing ‘links/information’ which, when examined closely, would/could/should = led to/towards a ‘full’ #0 &+ #2, projection = via, the/their #1, malkuth earth/hades plane ‘body’ = psychological **psychic-tactile-feeling-self**!?! Please put this to the test! Try it! Use it!

#0, outer, outer physically physical plane = use; using; used.

#1, malkuth earth/hades plane = **psychic-tactile-feeling**; defining; three-dimensional-ism; symbol-sim.

#2, etheric plane = repeat; reflect; reflection; reflected. (All ‘reflections’ is/are = repetitions!)

#3, ego body, present incarnation, personality body = construct.

#4, astral plane = intention; direction; projection; emoting.

#5, archetypal plane = foundation; first-stamp; first-mould; first-impression.

#6, akashic plane = cause; causing; caused.

As ‘soon as’, the individual, understands, the ‘**language**’, ‘communication’, style/method of each plane/level, the individual can, using the/this/their understanding, to develop, enhance, increase, refine, stimulate and exercise, the/their latent/dormant ‘psychic’ powers/abilities, to ‘reveal’ the/their ‘clairvoyance’. As a ‘rough’, ‘broad’, ‘general’, indicator/outline;

Clairvoyant abilities are generally = **future**-time; advanced time = applications.

Psychic abilities, are generally = **now**-time; present time = applications.

Physical abilities are generally = real-time; use time = applications.

This type/kind of ‘distinction’ is usually ‘wasted’, on those just starting out/beginning. You can read this type/kind of thing in Ophiel’s two books: Creative Visualisation and Clairvoyance.

Ophiel next writes in his vignette:

“The basic idea of what I just said is that when you perform an ‘ACT’ or ‘ACTION’ down here, the repercussion goes back up the planes to the top, making some kind of effect ‘There.’ Rather, to make it plainer, the repercussions register’s, on each plane and then this effect on each plane ‘affects’ the plane above and so on up, as aforesaid. Or to restate it again still plainer ‘ALL SPACE’ planes are filled with the ‘Light’, the Astral Light, the plastic medium. (In a sense, this plastic medium becomes ‘Denser?’ ‘Thicker?’ and ‘Heavier?’ the lower it goes towards the physical level.)” End quote.

For ‘context’ we have;

The basic idea of what I just said, is that when you perform an ‘ACT’ or ‘ACTION’ = the ‘language?’ = of down here, #0, outer, outer physically physical earth plane use; use-ing; used = the repercussion goes back up the planes to the top, making some kind of effect ‘There’, in/on the Akashic Plane of ‘Causes’. Rather, to make it plainer, the ‘repercussions = psychic-tactile-feelings’ registers, on each plane and then this ‘effect’ on each plane ‘affects’ the plane above and so on up, as aforesaid. Or to restate it again still plainer; ‘ALL SPACE’ planes, are filled with the ‘Light’, the Astral Light, the plastic medium. (In a sense, this plastic medium becomes ‘Denser?’ ‘Thicker?’ and ‘Heavier?’ and BLACKER; the ‘lower/nearer/closer’ it goes/comes to/towards the/your physical plane level.) Next, this part;

“It appears to be relatively true and correct that material end results, plus meta-physical end results, plus any kind of inner plane actions and reactions, no matter where started. (Usually started here, except where to be noted later) Go to the ‘Top’ and then after effecting the ‘Top’ come on back ‘Down’ the planes and end ‘Here’ (Or, as Dion Fortune says, are grounded in/on Earth.) to be a little more exact, there appears to be two kinds of ‘Work’ ‘Actions’. Those that ‘Start’ from the ‘Top’ and come ‘Down’ and end here and those that originate, ‘Start here’ and go on up the planes, to effect material changes ‘Down’ here.” End quote.

There is/are = only three types/kinds = of movements!!!

Polarity = where all/everything faces/points the ‘one way’ (Polarised/Polarisation) = Down/Out.

Assume = where all/everything faces/points the ‘one way’ (Inner) = Up/In.

Duality = where all/everything = goes ‘across’ the plane = Conscious-ness.

There is ‘nothing!’ else/other, so please don’t waste your ‘precious time’, looking for one/any!?! Try this!

It appears to be relatively true and correct that material end results, plus meta-physical end results, plus any kind of inner plane actions and reactions, no matter where started. (Usually started here, except where to be noted later) Go to the ‘Top’ and then after effecting the ‘Top’ come on back ‘Down’ the planes and end ‘Here’ (Or, as Dion Fortune says, are grounded in/on Earth.) to be a little more exact, there appears to be two kinds of ‘Work’ ‘Actions’. Those that ‘Start’ from the ‘Top’ and come ‘Down’ and end here and those that originate, ‘Start here’ and go on up the planes, to effect material changes ‘Down’ here.”

The ‘grounded’, in/on the #0, Outer, outer physically physical earth = actions/doings = are those of the/your #1, Malkuth earth/hades = psychic- tactile-feeling-believing-plane!?! = to be a little more exact, there appears to be two kinds of ‘Work/Actions’. Those that ‘Start’ from the ‘Top’ = Akashic/Causality = and come ‘Down’ and end in the/your #1Malkuth Earth/Hades Plane = as = Psychological Psychic-Tactile-Feeling-Believing = and those that originate, ‘Start here’ = in the/your #1, Malkuth Earth/Hades Plane = as = Psychological Psychic-Tactile-Feeling-Believing = and go on up the planes, to effect material changes ‘Down’ here! Remember/Recall = for all this, is delivered unto me (#1), and to, whomsoever I (#1), choose to give it!?! Remember/Recall = that there is/are ‘two’ Earths!?!

Ophiel, next writes:

“The Emerald Tablet has it as ‘It’ (Whatever ‘IT’ is that you want.) ascends from ‘Earth to Heaven’ (From Outer to Inner) and then descends again to ‘Earth’. I will repeat the description of the process in another way, as this process is very important and really basic. No one knows the reason for the continued existence-creation of the physical plane universe

but as L. Frank Baum said ‘The reason for a thing is never so important, as the thing itself.’ We are now ‘Here’ and ‘Stuck here’ until we get away ‘KNOWINGLY’, under our own power as it were.” End quote.

The ‘Emerald Tablet’ crap, exhausts the present writer no end. As many persons/individuals would rather, ramble on/drone on, about ‘semantics/interpretations’, and ‘points of view/perspective?’, who cares!?! The present writer has spoken to many ‘idiots’ who can’t even ‘get?’, the/their ‘precious?’, Emerald Tablet to ‘work/operate’ for them!?! They ‘have??’ = information!?! But... they have, absolutely no technique!?!

The ‘as above, so below’ crap/shite!?! Is only ever valid = IF IT WORKS!?! And!! The present writer, would like to assure = everyone/anyone = who has ever read/used, the ‘information’, of/for, the/this = Emerald Tablet = THAT FOR MANY, MANY!?! = IT IS NEVER! EVER! OR IS EVER! NEVER!?! = GOING TO ‘BE!?!’ = BELOW AS IT IS ABOVE!?!

One of the ‘ways = techniques’, to get some kind/type of ‘use’, out of the Emerald Tablet shite/crap!! Is to ‘introduce’ some ‘levers’ which = can be!?! = tweaked/pinched/pulled/pushed = in such a ‘way’ as to ‘get it’, the Emerald tablet ‘information’ into practice, so that you, the reader, can deliver ‘IT’ = object, circumstance, thing to you = for you! = the reader/operator/occultist/magician #0!?! In order for this ‘technique’ to be ‘applied’, there is/are certain ‘agreements’, with yourself (the reader), which must be ‘met/accepted’, and ‘paid for’ (See/read Ophiel’s book; Talismanic Magic.) with trying to ‘know/understand’ your ‘self’, which is not, NOT! = the/your now present, personality body, #3, ego body = WHICH/WHO = FEELS-NOTHING!?!

It is the/your ‘other’, ‘real’, bodies(?) conscious-ness = which/that = feels! Big, big ‘occult’ there, for some of you? Here is/are the ‘agreements’; Note! Each ‘feel/feel-ing’ – IS! – the ‘language’ of/for the/that plane!?! And this, knowing this, also gives ‘access!?!’ to/for, the plane/level, in ‘question!?!’

#01, ‘IT’ = means – Object; Circumstance; Thing – Desired/Wanted/Needed/Brooded on.

#02, Earth – means - #1, Malkuth Earth/Hades.

#03, Heaven – means – a ‘state/condition’ – and not(!), a plane/place.

#04, Receives – comes to/towards.

#05, Power of – to be able/to become.

#06, Superiors – higher/above – to below.

#07, Inferiors – lower/below – to above.

#08, Glory – expectation/anticipation = ‘doxa’ in the Greek.

#09, Whole world - #1, Malkuth Earth/Hades.

#10, Strong Force – **Psychic-Tactile-Feeling**.

#11, Overcoming every subtle – Clairvoyant inner-planes = #2, Etheric and above.

#12, Penetrating every solid thing - #0, outer, outer, physically physical earth.

#13, So the/your ‘world?’ - #0, outer, outer, physically physical earth.

#14, Was/is ‘created/made’ – what you, the reader, ‘are’, right now.

Read the above, carefully and look for the things, that **do not suit you, the reader, as these, are the most important things**, for/to you. The reason being, they/these things/objections, are what makes ‘IT’ work or not!

The word ‘Heaven’, is supposedly from the Proto-Indo-European Root word; kem = **to cover** = #3, in the above ‘table’.

The word ‘Glory’, is dependent on understanding, and its meaning, is ‘relative’, to the given situation, at, anyone time/place? In the Greek ‘thought’, the word they used, was/is ‘kleos’, which is from the Proto-Indo-European Root word ‘klewos’. This word/term is related to the word ‘loud’, in English, and has the implication, **that the ‘speaker’ is trying to ‘get?’**, **someone to ‘hear/listen’ to = them!**!?

The ‘way?’, ‘method?’, ‘technique?’, ‘to be heard/to hear?’ in/on the/your #1, Malkuth Earth/Hades Plane = IS! = Through, by, with, the/your psychological ‘psychic-tactile-feeling-believing’! = psychic-tactile-feeling; defining; three-dimensional-ising; symbol-ising = IS! IS! = the ‘Language’, of the/your #1, Malkuth Earth/Hades Plane!!

In the ole crazy book (Bible), the word ‘glory’, is amongst the more/most ‘praise’ words in it. Also, the individual must remember/recall that the ‘Greek Version?’, of the Bible, is based on the, ‘Hebrew Version?’ of the Bible, and that there is/are = TWO VERSIONS OF!!?! = the one/same ‘system’, being put to ‘use’ by/with = different cultures = at = different

times/places!?! One 'version' is called/named = 'the Old', and the 'other version?', is called/named = 'the New' = but without 'technique?' = both are 'crap!' versions; because the actual, factual, literal 'truth' is, that neither of them 'work?'. (Look about you, in world today? Is 'it?' working??)

In the Hebrew versions; glory was associated to/with 'Hod' and 'Kavod', which words were 'translated' in the Greek 'system', as 'doxa = expectation, judgement/opinion/view-point?'. Kavod (K-V-D), can mean; importance; deference; weight; heavy-ness. (K-B-D = 'be heavy' = to 'make heavy'!) = and the 'occult' = is? = to psychologically psychically-tactilely-feel = be heavy/to make heavy! Oppose/Adverse/Obstacle! Don't 'just!' read it!! Test it! Try it! Use it! = select your = IT! = Object; Circumstance; Thing = and 'apply!?!' = the/your psychological psychic-tactile-feeling = TO 'IT!' (See/read Ophiel's books; Creative Visualisation; Talismanic Magic and his vignette; How to Control and Dominate 'OTHERS', and 'apply!?!', the/your psychological psychic-tactile-feeling = to 'IT!'.)

Doxa, in ancient Greek, was/is a common belief/opinion from the verb = dokein = to appear; to seem; to accept (to psychic-tactilely-feel-believe!), in ancient Greek, 'doxa = expectation/anticipation/belief', was/is 'contrasted' with episteme; epistemology (noun) = theory of knowledge/knowing = information; from Greek; episteme = knowledge of; knowing of; acquaintance of/with; information of/about; Episthai = to know how to do; to know through experience (psychic-tactilely-feeling) (all #0, outer, outer physically physical is 'knowledge of' after!?!). From; epi = over/near + isthai = to stand; From the PIE Root word; sta = stand/stop/halt; to make/be firm! (Observe/psychic-tactilely-feel) To study/know and be informed of roots/paths of #0, knowledge/knowing (information), is 'epistemics'.

It was; Philo the Jew, of Alexandria, who proposed a 'syncretism' (Greek; synkretismos = union of communities; Jewish/Greek religious thought/philosophy.) And it was he, Philo, who 'proposed' the two 'different?', types/kinds of 'Logos = Word'; Prophorikos = the 'uttered' word - #0, Outer, outer physically physical = action/doing; and the 'Logos = Word'; Endiathetos = the word 'remaining within' - psychological psychic-tactile-feeling!?!

Philo also wrote; that the supreme God (Above Akasha!), created and governed the 'material world', through his mediator/agent - the Logos, who is the 'chief' amongst them; The next, to God, is the; DEMIURGE OF THE WORLD (World = #0). The 'Logos Endiathetos', is immaterial; which is a fitting image of/for God; God's 'shadow', is his 'first-born' son; and this 'son' being the 'mind/action' of the; Eternal Logos, the imperishable; Endiathetos - the 'word' = action/doing = psychic-tactilely-feeling = is imperishable.

He (Demiurge), is neither ‘uncreated’ as God is; nor, is he (Demiurge), as created as mankind is!?! But he, (DEMIURGE), OCCUPIES(?), THE ‘MIDDLE PLACE/POSITION’!

He (Demiurge), HAS ‘NO’ = AUTONOMOUS/AUTOMATIC POWER! (Cannot/Does ‘not!’ = psychically-tactilely-feel-of-its-self!!?! (Reactive only, and not(!), Pro-active(!)) His (Demiurge) power/ability = IS A/AN = ENTRUSTED-POWER(?) GIVEN BY YOU = (Psychic-Tactile-Feeling)! Can you? Do you? Are you? The reader/occultist(?), at the place/point, where you are able to ‘identify?’, the any of the ‘above?’, in a ‘way?’, that ‘possibly?’, extends ‘your’ = psychic understanding/tactile-feeling???

Philo, was/is credited with being the first philosopher, who ‘linked’, Plato’s ‘ideas’ to/with, the/a ‘Creators Ideas?’. It was/is, these ‘IDEAS?’ (forms/patterns), which was/is/are, the ‘contents’ of/for the ‘Logos’ within; the/these ‘ideas/patterns’, were/are the ‘seals = psychic-tactile-feelings’ = for the making/creating’ of the objects; circumstances; things and/or ‘its’, of the #0, outer, outer physically physical world = your world!!?! This is the; ‘Logos = Endiathetos = the word (idea/action/pattern) remaining within – psychological psychic-tactile-feeling!!?! These were/are ‘considered’, as paradigm (visualisations) = psychic-tactile-feelings = examples; models; patterns; standards; archetypes!?!

Paradigm (noun), late 15th century; an example of; a model of; a pattern of. From Late Latin; paradigma = example/pattern; from the Greek; paradeigma = pattern; model; precedent; example. From; paradeiknynai = exhibit; represent; Literally; to show = side by side. (#1 with #0!?! Psychic-Tactile-Feeling-Defining &+ #0, Outer, outer physically physical DOING!!?!). From the PIE Root word; deik = to show/demonstrate/reveal = as in #0, outer, outer physically physical action/doing = side-by-side = with the #1, malkuth earth/hades psychic-tactile-feeling = Symbol? Symbol-ical!?!

Since the; Logos = Endiathetos = the word (idea/action/pattern) remaining within - psychological psychic-tactile-feeling!!?! Binds/Bonds the two worlds of creation = #1 &+ #0 = together; side-by-side(?), there is/are = Two Logos = words?? = Logos (the word), of ideas/patterns and Logos (the material world), of actions/doings = based on those ideas/patterns = psychic-tactile-feelings!

So, the Logos (word within) of ideas ‘penetrates’, ‘pervades’, ‘supports’, the ‘world?’ Logos (word without) of action/doing, of ‘material’ things! And we humans = GIVE OUR PRAISE!!?! = Power/Glory? - to, the/these ‘material’ things!! Remember; In the ole crazy

book (Bible), the word 'glory', is amongst the more/most 'praise' words in it. Also, the individual must remember/recall that the 'Greek Version?', of the Bible, is based on the, 'Hebrew Version?' But... here now is what the word 'Praise' = actually, factually, literally = means!

Praise, from the Proto-Indo-European Root Word; pret-yo; suffixed form of the 'root' word; per = to traffic in; to sell!?! = this is 'WHAT!?!' = THE/YOUR #0, OUTER, OUTER PHYSICALLY PHYSICAL BODY = MUST 'DO!?!' (See/read this 'action/doing', in Ophiel's, writings/books/courses, etc.) IN 'ITS' = #0, OUTER, OUTER PHYSICALLY PHYSICAL BODY = ACTIONS/DOINGS!?!

Praise = To Traffic In; To Sell!?! (Talisman! Ritual! Treasure Map/Chart! Prayer! Desire! Brooding!)

Faith = #0 = To Convince; To Persuade!?!

Belief = #1 = To Trust; To Believe!?!

Put it to the test! Don't just read it! Try it! Use it! Ophiel finishes his; Work on all Planes, with this part;

"While we are here, we function, 'HOW' we function is the problem. Do we function well or function badly? Are we ignorant of the non-visible Truths of Be-ing or do we think and be (to be) -be-live- that the physical world is really material? And that a material man-shaped old-man God is 'Up' above in a 'Heaven?' from whom we have constantly to ask favours by 'Praying' to him? If that is what we believe, then I say we function badly. At least I did, until I learned differently and attempted to function differently.

I respectfully suggest you read and study my/the book 'Creative Visualisation' and practice getting material things through Creative Visualisation. Do this calmly and quietly and try to make it work. And see for yourself what could be what." End quote.

Give your 'self' over, to your psychological psychic-tactile-feeling; defining; three-dimensionality; symbol-ism!?! Enter your 'own' = dark-ness; black-ness; blind-ness and like the myth of Psyche = secretly 'meet & greet' your 'lover/desire' = Eros! = and bring 'no' #2, etheric light = visualisation!?! Touch; Anoint; Hold; Believe!?! Until you – Conscious, as a #0, 'ness', learn differently and attempted to function, differently, and this, is what the/your basic cosmic egg and/or basic chair exercises, is/are for.

Thank you.
