

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

11 of 17 no pressure. 2022

Here is what Ophiel writes, in his/this, same book: Contacting the Demiurge, his section nine:

“To digress a little – spells of meditations and contemplations won’t hurt any in your consciousness attempt to influence the Demiurge, and any other mental means that might be peculiar to your being alone, and which you discover after while in your work. Use any means that you find works best for you. Experiment carefully and constantly test every step.

Here comes now some quite important points for your repeat attention and learning about.

THE DEMIURGE DOES NOT UNDERSTAND LANGUAGE WORDS NOR DOES IT RESPOND TO THEM!!!! The Demiurge understands EMOTIONS ONLY FEELINGS, ONLY-EMOTIONAL PICTURES ONLY AS THE PICTURES ARE ACCOMPANIED BY EMOTIONS!” End quote. (Underlines are the present writers = Egg/Chair exercises.)

In the basic cosmic egg exercise, your meditations/contemplations are ‘achieved’ through your #0, #3 and #1 = BODY-ACTION-DOING!?! For the ‘context’ of the/your #1, Malkuth Earth/Hades Plane Level, we read thusly, of Ophiel’s quote above:

Here comes now some quite important points for your #0 &+ #3, repeat attention and learning about!

THE DEMIURGE DOES NOT UNDERSTAND VERBAL/SPOKEN LANGUAGE OR VERBALISED WORDS!! NOR DOES IT RESPOND TO THEM!!!!

The Demiurge, at the/your #1, malkuth earth/hades plane – understands - PSYCHIC ONLY FEELINGS, ONLY-PSYCHIC-TACTILE-FEEL-ING PICTURES, ONLY AS THE/THESE PICTURES, ARE ACCOMPANIED BY PSYCHIC-TACTILE-FEEL-INGS! Ophiel then writes, farther on:

“Before ending this paragraph on this subject, I can say that the reason why our ‘day’ dreams do not work to bring about the connection desired, is that ‘day dreams’ have very little EMOTION connected with them, and hence do not ‘nail’ the objects day dreamed about to the Demiurge’s attention for achievement down here.” End quote.

For ‘context’.

Before ending this paragraph on this subject, I can say that the reason why our 'day' dreams do not work to bring about the connection desired, is that 'day dreams' have very little PSYCHIC-TACTILE-FEEL-ING/BELIEF, connected with them, and hence do not 'nail-DEFINE,' the objects day dreamed about to the Demiurge's attention for achievement down here = Many persons/individuals, put/place themselves = #0 &+ #3, under enormous pressure = in order to perform!?! And when they = #0 &+ #3, fail?? = they then enter into a 'negative/repetitive' cycle. (See/read Ophiel's vignette; Why do you let the Devil 'USE' you. Read about his 'vandal youth'.)

Many persons/individuals, who have read some of these 'monologues', since 2003, are no farther on, than they were at the start/beginning of their reading, one of the many 'possible?', 'probable?', reasons(?), of for this, is that they, the reader/occultist/practitioner, are #0 &+ #3, dominated. #0, Outer, outer physically physical body them, by/with the/their #0, plane! And/or, #3, Ego body, present incarnation, personality body them, by/with the/their #3, me; me; me!

In situation like this, the above #0 &+ #3, the/their #1, is, as Ophiel writes, crushed down(!), ignored(!) here is how Ophiel, came into the knowledge/knowing, of his #1, malkuth earth/hades plane, and removed the/his 'pressure' to perform, this is from his vignette: Your 'OTHER' you:

"Dear Students, in this Vignette I am presenting a new-old 4,000, year old idea, so please bear with me as I am out on the frontier/fringes of the Etheric-Astral-Mental Planes and I am all alone. All I can do is to notice effects and to try not only to understand them, dimly, BUT try to make some kind of working disposition/disposal/formulation/array/line-up/methodisation/groupage and/or many such like words to 'USE DOWN HERE.'

(Apparently the 4,000-year-old idea was never put to any 'USE', unless the astute Egyptian scribes failed to write down the use) which is probably what happened. If there is a bunch of people somewhere on this earth plane who 'KNOW?' and 'USE' these things, this knowledge, they are sure hiding it from me. (But we'll root out the secrets, won't we?)" End quote.

The 4,000-year-old 'idea', was out there! Was very, very prevalent and understood in principle(?), because there was/were no 'obvious/blatant' schism as yet!! And the very astute

Egyptians, displayed 'IT' = the dark-ness, black-ness, blind-ness = as chaos/disruption – but not(!) = EVIL!! (Proactive, Personal, Individual = EVIL!). Everyone 'knew?', about the dark-ness, black-ness, blind-ness = within them!?! And, they 'knew?', that the Pharaohs/Priests, also 'knew?', the 'way of escape/return?', to the 'land of Amentet!' So, the 'emphasis?', was/is, on the 'correct/proper' technique/techniques!?! The/these 'techniques', would be the ones, 'guaranteed to save' the individual.

Then, it was 'discovered?', that the/these 'same?', technique/techniques could/would 'provide?', for self/individual interests? Thus, from religious group/community belief to individual/personal belief, was the first step/separation taken!?! And the slow grind/break down of 'community/tribe?', was taken. So, what was once 'pure?', was now 'commercialised?', put in a 'box set' or 'sold' piecemeal, like today. Leaving all that aside, there is(?), in the written record, as Ophiel writes above; a bunch of people somewhere on this earth plane, who 'KNOW?' and 'USE' these things, this knowledge = and! = believe it or not? = some of you, reading these 'monologues' are going to become/be = one of these people!?! Ophiel next writes:

“Especially do I refer to the Egyptian KA or Double idea, which they depict in their tombs, to get on with it and to bring it down to today? I, being seventy years old, have come to a form of realisation, - not self-realisation - in the usual meaning of the word; But another form of self-realisation, that in dealing with many people/persons, I cognise that there seems to be TWO people there? (I am slightly familiar with the psychological concept of the split personality. I do not mean that. I mean something much deeper. I am also familiar with the concept of the Etheric double, and I do not mean that, either.)

I seem to find/think/conceive that a person seems to have built up a second, 'Person' who more or less functions through the, 'Visible' person. Let us call them P1 and P2. P1 being the actual person and P2 being the opposite person, or shall we call them 'Personalities?'” End quote.

For the sake of 'context', we can just simply 'adjust' the above quote from Ophiel, so that it now reads;

P1 = #0, outer, outer physically physical you.

P2 = #1, malkuth earth/hades you.

These are the 'two', of folklore; mythology; parable and allegory. (Try reading things, with this idea/knowledge in mind.) Ophiel continues:

“Let us digress for a moment. In the Gospels (Good spells) there are the stories about how after the dipping in the river, Jesus goes off into the desert (Although he was already in the desert?) and the ‘Devil’ appears. Now, this Devil is named in Greek ‘The Adversary’ or ‘Accuser’ Dictionary: Slanderer. The name translated into ‘Devil’ has no-thing to do with all that Lucifer, Satan Fallen Angle crud. “IT” is just called ‘The Adversary’ or the ‘Opposer.’ This ‘Adversary,’ claims that ‘HE’ is the ruler of the world (physical world.) Hence, the implication is that ‘IT’ is the ‘CREATOR’ of this physical world.

(Then when you consider all the baloney that has cluttered up the Path leading to Truth - Whew, these old clichés - is it not any wonder that the metaphysical concepts are obscured by Ignorance with a capital ‘I’.

I am writing another vignette called ‘Magical Workings on Matter’, and the two of them are perhaps fouling each other up, but they are connected. So, I guess you should get the other vignette, too, and read it in connection with this one.)” End quote. (Underlines are Ophiel’s.)

“IT” is just called ‘The Adversary’ or the ‘Opposer.’ This ‘Adversary,’ claims that ‘HE’ is the ruler of the world (physical world.) Hence, the implication is that ‘IT’ is the ‘CREATOR’ of this physical world = This is the; Prince-of-Dark-ness!?! This is the; Prince-of-this-World!?! = ‘HE,’ is the ‘ruler’ of the #0, world (physical world = YOUR WORLD!?!)

The basic chair exercise, will/shall give you, the operator/occultist, the necessary ‘intuitive’ psychic-tactile-feeling of/for = opposite/opposing; adverse/resisting; slanderer/obstacle! Ophiel next writes;

“The point we have come to in one vignette, is the question of ‘Who?’ or ‘What?’ created the ‘Physical World’ and what is man’s connection with this world’s creation. Now, in this vignette, we are faced with the rather possible fact that ‘WE ACT LIKE A DOUBLE?’ that we have a ‘DUPLICATE?’ of ourselves, which is/acts contrary to what we seem really to want to be.

An, ‘OPPOSER’ an, ‘ACCUSER’ an, ‘ADVERSARY’ a ‘SLANDERER’ all of these words carry the connotation of something, a ‘BEING,’ that is the opposite of ourselves in every way but which is not present to our ‘PHYSICAL VIEW?’ It lets itself ‘BE FELT?’ in its opposing everything we want to be or to do.

To make matters worse, any persons with whom you attempt to deal with in life, ‘THEY TOO ARE TWO.’ When you go to them, say, with a plan for something new, your opposer will contact his double/opposer and stimulate that opposing double to reject or slander or

belittle your P1's ideas or plans, to both your and their loss and detriment." End quote.

IT LETS ITSELF 'BE FELT?' IN ITS OPPOSING EVERYTHING WE WANT TO BE OR TO DO!?! (Let its 'self be felt!' by/with psychic-tactile-feel-ing! = Basic chair exercise = push down to stand up! = push up to sit down!)

To make matters worse, any persons with whom you attempt to deal with in life, 'THEY TOO ARE TWO'. When you go to them, say, with a plan for something new, your opposer will contact his double/opposer and stimulate that opposing double to reject or slander or belittle your #0's ideas or plans, to both your and their loss and detriment = #0, AGREE-WITH = YOUR #1!?!'

Imagine now!?! (If you can???), that you have 'grasped??', The significance!?! Of the information being presented to you, the reader/operator/occultist!?! That you, the reader, because of the information presented and your knowing, understanding and doing/practicing of your egg/chair 'exercises' = that your #1!! = can now!! = psychically-tactilely-feel, their #1, malkuth earth/hades body!?! (Steady now!!!!) Ophiel then writes:

"To put it more clearly, perhaps; You are P1 (personality one) and your opposer/devil is called P2 (personality 2). Your human contact, is, say P3 (personality three) and P4 (personality four is their opposite/double.) so while your P1 is talking to them, P3. Your P2 is mentally 'Talking' to their P4 and doing the 'NEGATIVE WORK, ALL UNBEKNOWNST TO P1 AND P2.' Hence, using some factors/functions unknown to me now, these 'OPPOSING' personalities - in this case your P2 and P4 (the other persons P2) - in some way seem to 'RULE? This physical world! Look about you now; it is only a most unusual type person who can forge ahead in this world seemingly without effort. Evidently such a person has firm control over their P2. Or they have converted their P2 to assist with the aims of their P1. Also, such P1's, seem to dominate the P2's of others, so that the 'Devils' don't function malefic-ally in his presence." End quote.

Put into 'context', for those who are test-ing; try-ing; use-ing, the/their egg/chair exercises, to the best of their abilities, we slightly amend the above to read thusly:

To put it more clearly, perhaps; You are #0 &+ #3 (personality one) and your opposer/devil is called #1, (personality 2). Your human contact, is, say the other persons #0 &+ #3 (personality three) and their #1, (personality four is their opposite/double.) so while your #0

&+ #3 is talking to them, #0 &+ #3. Your #1, is ‘**Psychically-Tactilely-Feel**-ing’ their #1, and doing the ‘NEGATIVE WORK’, ALL UNBEKNOWNST TO THEIR #0 &+ #3 AND OTHER PERSONS #0 &+ #3. Hence, using some factors/functions unknown to me now, these ‘OPPOSING’ personalities - in this case your #1 and (the other persons #1) - **IN SOME WAY SEEM TO ‘RULE? THIS PHYSICAL WORLD!** Look about you now; it is only a most unusual type person who can forge ahead in this world seemingly without effort. Evidently such a person has firm control over their #1? Or they have converted their #0 &+ #3 to assist with the aims of their #1. Also, such #1’s, seem to dominate the #1’s of others, so that the others, ‘Devils’, don’t function malefic-ally in the presence of their own #1!?!’

Having come this far(?), it should be ‘obvious?’, to any rational/normal/average person/persons, that the development, enhancement, refinement, of the/their #1, malkuth earth/hades **psychic-tactile-feel**-ing, is, not only very, very easy/simple, but also, can be, very, very ‘advantageous’!?! Please read Ophiel’s book; Clairvoyance, his chapter; The Two Minds.

The basic chair exercise, will/shall give you, the operator/occultist, the necessary ‘intuitive’ **psychic-tactile-feeling** of/for = opposite/opposing; adverse/resisting; slanderer/obstacle! Ophiel writes this, in his book; Clairvoyance, his chapter; The Two Minds;

“To resume – Some time ago I was on a morning tea drinking spell, instead of coffee. I did this by using milk made from powdered milk, pouring it into a pan and bringing it to a boil and then putting in the tea bag, made the tea. In putting the milk into the pan, I soon discovered that I usually poured out too much milk or too little milk when I was not thinking closely about it, my mind being on other things.

However, one day it occurred to me, **THAT THE SUB-MIND KNEW EXACTLY HOW MUCH MILK TO POUR OUT, AND SHOULD DO IT CORRECTLY EVERY TIME AT ALL TIMES!!** This idea was a little jolt to me but I proceeded to carry it out in trials. In a short time, it worked and the exact amount of milk was poured out!

BUT, the objective-conscious mind began to object!!! First came insistent ideas that I mark the depth on the side of the pan and pour to that line instead of waiting for the sub-mind’s “feeling” message that enough milk was poured out. This idea was enough to disrupt the “**feeling message**” for a while and this objective idea had to be suppressed sternly. Then the conscious mind suggested again that all I had to do was to fill the tea cup with milk first and thus measure the milk with no necessity for the sub-mind to intrude where it had no business, and this idea had to be suppressed! In other words, I had more trouble with the Objective mind than I had with the sub-mind working!!

Finally, the Objective Mind in desperation **began to cast doubts and fears upon the tests, and those ideas had to be overcome which made still more trouble**. In view of this conscious mind's objections, you might try conducting your tests as quietly as possible and not arouse it the way I did. All this may sound a little strange at first reading, but it seemed to happen in my case but may not in yours. I have spoken as if these minds are independent and of course they are not, but the effects of training the sub-mind to work on the outer planes does produce strange effects and feelings, but don't be alarmed, nothing serious." End quote.

In the egg/chair work, there is a **'sharing'** as the/your #3, body is 'made?', to 'step/stand aside!', and just **observe without judge-ing!**?! This is the 'essence' of the two exercises, and, as you can read in the above quote, from Ophiel, the/his 'exercise,' is that 'same in principle!?!' = his 'own?', #0 &+ #3 – **judge-meant** – is made to 'stand-aside'? As he did in his = gas-pedal and watermelon = exercises.

This/these 'simple' exercises = **ARE NOT!!** = #2, Etheric Plane Visualisation Exercises!?! **there is/are = no!?!** = #2, etheric visualisations = **in/on the/your** #1, malkuth earth/hades **psychic-tactile-feel**-ing plane!?! (Do you! The reader, **understand** this?) Can you? are you? The reader/occultist, able to 'see through', Ophiel's words/writings, to his #0, outer, outer physically physical **actions/doings** = **AGREE-ING WITH!**?! = **HIS** #1, psychological **psychic-tactile-feel**-ing!?!

Milk = this much = **stop, halt** = #1, adverse; oppose; resist; **psychic-tactile-feel**-ing!

Watermelon = this one = **stop, halt** = #1, adverse; oppose; resist; **psychic-tactile-feel**-ing!

Gas-pedal = this hard = **stop, halt** = #1, adverse; oppose; resist; **psychic-tactile-feel**-ing!

Lack is degrading = **agree-with** = #1, adverse; oppose; resist; **psychic-tactile-feel**-ing!

Can you? Are you? The reader/occultist, able to 'see through', to where there is = no pressure!?! = on you - #0 &+ #3 – to perform!?! = **ONLY TO USE!**?!

Thank you.
