

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

1 of 17 presentation. 2022

Ophiel writes, that there is/are hundreds of, ways, to teach/inform persons/individuals, how to, 'do' what is called/named occult, and no one has the/a full proof method, because it, the occult, is as individual/personal as is, the person/individual themselves. This, being the case in point, it is easy to see why, so many persons can do one thing, and others can't. But... what is not so, obvious, is/are the reasons, why.

The, bottom line, is, that each individual person, psychically-tactilely-feels-individually, and it is this unique-ness, which makes everything/all, individual/personal. What is, missing, is/are the, common denominators, which 'binds' everything together, and, how to obtain/achieve such. A very large percent of common humanity, are not in a position/place, where they can consciously/knowingly, get/obtain, access to the/these, common denominators, even though, everyone claims, that the/their, system of knowledge/knowing is 'the' one, to provide such. A normal/rational person/individual only has to look about the world today, to know that none of their 'panacea' systems, are working, and haven't been for the whole of recorded history and before that.

The best anyone can achieve, is to know themselves, and how they work, and then 'adapt' this knowledge, knowing, in such a way, that they, obtain/achieve, what it is, that want, need, desire, brood-on. In the presentation of today, the idea is very simple. You are asked to test, try and use, the/your, own psychological psychic-tactile-feel-ing, in order that there is a transferring/projecting, to the extent, that the/your #0, outer, outer physically physical world, fades, from conscious-ness view, to be replaced with a new power/dynamic, of conscious-ness, which allows/permits you, the reader/occultist, to progress.

This/these two techniques, of the basic cosmic egg and/or basic chair exercises, are for the next level, of conscious-ness, aware-ness, awake-ness, above, over, higher, before and in-front of, the/your #0, outer, outer physically physical body, which is, below, under, lower, after and behind, in relation to each other. The term 'higher', means in relation, to the conscious-ness, aware-ness; awake-ness, that you have now, at the/this present moment, before you begin/start/commence, your basic exercises. The simplest way of putting this, is; those, psychic-tactile-feel-ings, which precede actual; factual; literal, physically physical actions/doing.

One of the strangest of things, about the psychological psychic-tactile-feel-ing of, objects;

circumstances; things and/or its, is their seamless-ness, as they, flow between planes = #0, outer, outer physically physical and #2, etheric reflecting. One of the epithets/titles, of/for the, #1, malkuth earth/hades plane, is that of, **invisibility**. This, invisibility, is the modern equivalent of the, **sub-conscious-ness**. Ophiel writes, that the/this ‘OTHER’, lets itself be ‘felt’; here it is, from his vignette: The ‘OTHER’ you: “**It lets itself ‘BE FELT?’ in its opposing everything we want to be or to do.**” End quote.

This is, of course, the elemental ‘force’, of the element of, the elemental element, of the element, of the/your - #1, Malkuth Earth/Hades Plane. Without this, resistance, to work off of, you, the reader, would be a in a position, place, where nothing could happen. The difficulty is not in the ‘force’, its self, **but in your own lack of understanding of it and the/your inability to recognise it, when it happens**. On the #2, etheric plane, you consciousness, can see reflected, your object, circumstance, thing and/or it, which you desire; want; need and brood-on. What you do not see in/on the next lower down, #1, malkuth earth/hades plane, is/are, what ‘it’ is, that is stopping/preventing, you #0, conscious-ness, from getting/obtaining it.

The type/kind/nature of the light, at, the/your #1, malkuth earth/hades plane, is **black** (not the/a colour.), that is, this is, there is no more, **luminosity**. It, the black-astral-light, is ‘cold,’ ‘hard,’ ‘solid,’ ‘fixed,’ ‘set,’ which gives rise, to its other descriptions of; inert; resisting; adverse; opposed; slandering = obstacle; The epithets/titles, given to the/this level, of/for the, Demiurge, at this level of **black-astral-light** – the sub-conscious-ness, is/are; Malkuth (Kingdom,) and Hades (Hades = Unseen - Older name of/for Pluto.) other Gnostic epithets/names, are; The Prince of Dark-ness (Not the Vampire!) and, Prince of this World = #0, Outer, outer physically physical!?!)

The dominant sense? of/for the plane/level of malkuth earth/hades, is that of, psychological **psychic-tactile-feel**-ing; define-ing; three-dimensional-ising and symbol-ising, this is because there is/are, no light, in/on this plane/level. The modern term, expressed/used, for this plane/level, is that of; **sub-conscious-ness**. In layman terms, this description, title, conveys nothing to the average, ordinary person, in the way of, individual understanding, and absolutely nothing, in the ways of learning/developing and/or use-ing.

Sub = under.

Conscious = aware, awake in the now-time present.

Ness = to protrude; to project; to jut-forth; to stand forth; to thrust forth.

In the ordinary average/normal, person/individual, ness – refers to the/their sub-conscious **psychic-tactile-feel**-ing – which moves, motivates and activates, the/their #0, outer, outer physically physical body, actions/doings, in the/their, real-time/now-time, life/living. (See/read Ophiel's vignette; Self-Aware-ness.)

It is with this simple knowledge/knowing, of, these types/kinds of things, employed and adapted, into techniques, so that any #0, outer, outer physically physical action/doing, which enhances, develops and increases, the conscious-ness, awake-ness, aware-ness, of these things, should be pursued and developed, in such a way/method, as to enrich the overall life experience, of/for the individual, learning/developing them.

This being the case in point now, then the knowing of and knowing about, there being no need to/of/for, the/your #2, etheric visualisation, of for this #1, malkuth earth/hades **psychic-tactile-feel**-ing-plane/level, should have a very short, lead in time, for the start/beginning, to development, to application/direction.

When used; -ing, simply means the/a/an, end result; the suffix 'ing' is attached to the end of verbs, **to mean the action, doing, result, product and/or materials of**. From Old English -ing and from the Proto-Germanic; ung; unga; inga. These were in early use and often denoted the completion of a thing and/or a/an, habitual action/doing. Their use was/has, been greatly widened in, Middle English and Modern English.

The suffix 'ing', was used to form the present participle of verbs and adjectives derived from them, from the Old English present participle suffix – ende; from the Proto-Indo-European Root word ending; -nt- = don't; won't; shan't; can't; isn't; etc. The vowel weakened in late Old English and the spelling with -g, began in the 13th 14th centuries, amongst the Anglo-Norman scribes, who naturally confused it with -ing.

Visual-ise-ing; Tactile-feel-ing; Wore-ship-ing; Symbol-ise-ing; Ritual-ise-ing; Perform-ing; In-voice-ing; Be-come-ing; Evoke-ing; Be-ing; Use-ing; Do-ing; Under-stand-ing; Sacrum-fice-ing; (Latin; sacrum-sacred = thing/object/rites etc').

These two, ing and n't, are connected, to/with, the/your, under-conscious-ness = **psychic-tactile-feel**-ing, and when used/expressed, **without under-stand-ing**(?), then the, thing, object, circumstance, it = be-ing **psychically-tactilely-felt** = will not, shall not, come to 'be = be-ing',

because of a 'lack,' of Believe-ing!!!

Conscious – from the Latin; *consci-us* = knowing; aware; From; *con-scire* = to be 'mutually' aware; (#1 &+ #0). *Com/con* = with; thoroughly + *scire* = to know. This Latin word, is a loan word from the Greek 'syneidos'. *Syneidos*; from *Synecdoche*; a metonymy = a part of/for the 'whole,' or; the 'whole,' from one of its parts.

The idea of; knowing; perceiving; understanding; from 'within oneself' (*Gnosis*), sensibly/inwardly, is from the 1620/30's. *Aware*, is in the three types of action, connected to/with; *wer*;

(A)ware = *wer* (1) – to raise; to lift; to suspend; to hold; to grasp.

(A)ware = *wer* (2) – to turn; to bend (back in/on), behind.

(A)ware = *wer* (3) – to perceive; to watch for; to observe.

Not too many persons/individuals, are, aware, to/of these things, which detracts, from their overall performance of/for, what is colloquially called/named, occult practices. In the/your, daily practice, of the/your basic cosmic egg and/or basic chair exercises, all of the above 1 to 3, *wer*, are applicable to/of/for, the/your daily egg/chair practices, just as - ing/n't are. It is the, depth, of personal/individual, experience (*Gnosis*) understanding, which is of importance, to, the individual, doing/practicing.

Here is another/same example, from *Ophiel*, from his vignette: *Self-Development*. In this/his vignette, *Ophiel* uses the words; *con-scious-ness*, *a-ware* and *a-wake*.

"The 'dictionary' definition is very poor, which is not unusual, because for many of these words, the 'meaning' developed so slowly and sneakily into one language that it took centuries. And during this time, the 'meaning' became so 'common,' so 'well-known' (Or came from such, 'ancient' sources,) that the, 'exact' meaning has disappeared from the dictionary and from our understanding. They have 'lost' their 'esoteric,' hidden, 'meaning' through these centuries of slow development.

The, 'dictionary' does give a list of 'synonyms,' however, which is rather 'illuminating.' Some of these are, "Aware," "Conscious," "Alive," "Awake," meaning, "Having Knowledge of something that is not, 'Obvious' or 'Apparent.'" '*Aware*' usually implies, 'Vigilance,' in 'Observing' and 'Drawing Conclusions' on what one 'Sees' and 'Hears.' *Consciousness*,

implies, 'Awareness' of 'Something Allowed?' to 'Enter' the 'Mind' and with 'Fixed Attention,' upon it. *Alive*, 'Adds' to 'Sensible,' with the, 'implication' of 'acute sensitivity' to 'something.' *Awake*, implies, that one has, 'Become Alive,' to 'Something' and is on the, 'Alert!'" End quote.

(A)wake, is; Awake in Old English; awacian/awacode = awaken; revive; arise; originate; spring from. A = on + wacian = be awake; watch; observe. (Wacian/Wicca!)

Wake; is Proto-Germanic from the Proto-Indo-European Root word; weg = to be strong; to be lively = **psychic-tactile-feel**-ing! Consciousness and Aware, are as above.

A lot of these things, as written/explained above, are descriptions, explanations, expansions, of things, which are, inherent, in the/your, #0, outer, outer physically physical actions/doings. Ophiel continues:

"Now, the word, '*Awake*' is really more, 'esoterically illuminating' than the word, '*Awareness*' the dictionary definition of 'awake' reads: "**To come out of sleep:** or a, '**sleep-like state.**" Those words are 'Very Potent. If you will stop to think of our lives, and the way they appear to be, I would say that many people are in a 'Sleep-like state' all through their, so called, 'Waking-lives.'

Talk to people; watch them, if you 'think' deeply about it, and 'feel' deeply about it, you can, 'sense' that many people are, 'NOT AWAKE!' and 'NOT AROUSED' are, 'NOT THINKING!' and are, 'NOT AWARE! Of what's going on.

They are not, 'Aware' of much of anything. They would rather get into a 'Cocoon-like', dream-state, a 'half-dead' state, and stay there." End quote.

When a person/individual, chooses, to test, try and use, the/their basic cosmic egg and/or basic chair exercise, then they will/shall be/become aware/awake/conscious, to/of, what Ophiel is writing about in the above. Also, because you, the reader/practitioner/occultist, understand(?), then when it comes time to, manipulate, the/these, awake(?), sleepwalkers(?), you, the operator, will/shall find it, the manipulation, to be very easy/simple(?).

Ophiel continues:

"To repeat, people flounder through life wrapped up in a shell. I have never found any group

or religion, which woke them up even a little. Even a 'little' is a, 'lot.' People seem to get a vague life pattern for themselves, with not much planning apparent.

It seems clear enough that those people who get ahead in this world are those who are awake and planning, who are vital and dynamic. Have you ever noticed this yourself? Watch them next time; study some of these people. They actually seem to be more alert than other people. You can even say that they are partly awake. Those people are the ones that get ahead in this world, even though they are bitterly criticised by others who don't want to be aroused too much. If you read the story of any really successful man, you will find this strange phenomenon there." End quote.

It seems clear enough, that those people who get ahead in this #0, outer, outer physically physical world are those who are, awake, aware, conscious and #1, malkuth earth/hades, psychically-tactilely-feel-ing, plan-ing, who are vital and dynamic.

This is what the basic cosmic egg and/or basic chair exercise, do/does, for those who choose to test, try, use it!

Thank you.
