

# **THE ART AND PRACTICE OF OPHIEL**

**A Collection Of Monologues On Working  
With His Materials**

**In particular, techniques and practices for working alongside,  
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

## 2 of 17 presentation. 2022

Ophiel continues farther on, in his vignette: Self-Awareness; with this part;

“I am coming to the conclusion that this is the earthly beginning of what Occultists talk about as, ‘Self-awareness.’ It does seem to me that many people in life are aware of things, and of course, aware of things that are connected with themselves and their own participation in daily things, that other people are not aware of. This, ‘awareness’ of themselves, of the Physical Plane World, and then of the, ‘Inner Plane Worlds,’ would suggest to us, that the trilogy, (Of ‘thinking/action’ above outlined), is the, ‘Open Sesame!’ to the, ‘Cave of Riches,’ stolen from those who were/are, ‘Not alert!’ (Ali Baba and the, ‘Forty Thieves,’ in the, ‘Arabian Nights’)” End quote.

Sub = under.

Conscious = aware, awake, in the now-time present.

Ness = to protrude; to project; to jut out; to stand forth; to thrust forth.

Next, this part:

“Our physical lives are very much like what is depicted in the, ‘18<sup>th</sup> Tarot Card.’ ‘The Moon.’ The, ‘Land/Plane’ before the ‘Towers’ is the, ‘Physical Plane.’ The, ‘Land beyond,’ the ‘Towers’ is the, ‘Astral’ and ‘Inner Planes.’ The ‘Mountain Peak’ is ‘Illumination.’ We are the, ‘Shellfish’ crawling out of the common, ‘Amorphous Pool’ of ‘Consciousness.’ Stirred by an, ‘Impulse?’ of ‘Separation/Action,’ but still surrounded by a, ‘hard shell’ of ‘personality’ made up of our, ‘Prejudices’ and ‘Idiosyncrasies’ but taking the ‘first steps’ on the path, ‘Upward’ and ‘Outward.’ On each side of the, ‘Path,’ is a ‘helper,’ – Nature – represented by the ‘Wolf,’ and ‘Art,’ represented by the, ‘Dog.’ We can ‘use’ these ‘Two Powers,’ to ‘Aid’ our ‘Journey.’ That is, ‘All’ that is ‘meant’ and ‘implied’ by the word, ‘Self-Awareness.’” End quote.

The land before the ‘Towers’, is the #1, Malkuth Earth/Hades psychological, psychic-tactile-feel-ing, plane.

The land beyond the ‘Towers’, is the #2, Etheric plane.

The ‘Shellfish’, crawling out of the, Amorphous Pool is, the #0, Outer, outer physically

physical plane and represents, us – conscious-ness, as we are now, with our #3, Ego Body Shell – piggy-back-ing – on Conscious.

Our ‘hard-shell/Aura’ is your #3, Ego Body, present incarnation, personality body, stirred to, observe, the way of, do-ing/action-ing, in order to, balance the/our prejudices/idiosyncrasies, as you take the time, to psychologically psychically-tactilely-feel, your way forwards/upwards/inwards. On each side of the path, is the untrained, natural psychological instinctive/impulsive nature (Wolf), and on the other side, of the, same path, is the trained/disciplined/domesticated nature (Dog), who are both, Wolf/Dog, expressions, of/for the/your #1, malkuth earth/hades, conscious-ness = believe-ing/instinctive.

Ophiel, finishes his vignette, with this:

“The next time you hear that word uttered by some fuzzy would-be-yo-yo, just tell them you’re not interested because you, ‘KNOW’ what the word really means. And all the ‘time’ you are developing, ‘Self-Awareness.’ You are also practicing, ‘Self-Development,’ the, ‘Two’ go ‘Hand-in-Hand.’” End quote

The present situation is, that you are not yet able, to #2, Etheric Plane, transfer/project, your conscious-ness, to this plane. To help/assist, in this matter, it has been suggested/recommended, that you, the reader, practitioner, occultist(?), test, try and use, the/your basic cosmic egg and/or basic chair exercises, in order to see if, you are able to increase, enhance and develop, the/your natural/latent/dormant, psychic-tactile-feel-ing powers, of; define-ing; three-dimensional-ising; symbol-ising, #1, Malkuth Earth/Hades Plane – Body.

In previous, monologues, it was pointed out, that you cannot/do not, change/alter, the/your #0, outer, outer physically physical plane. That you – conscious-ness – can only, only = use, use-ing, used = the/your #0, plane, and that any/all, changes/alterations/amendments, must come from/through, the/your #1, malkuth earth/hades plane. The way/method, of/for this/these, changes, is through – belief; believe; believing; believed – the/your #1, malkuth earth/hades plane, is the only, only plane, on which you, the operator, can do this/these, changes.

It cannot be emphasised enough, that you cannot/do not, change/alter, the/your #0, outer, outer physically physical plane. The/your #0, physical plane can only be; use, use-ing, uses

**and used**. If you wish to change/alter, the/your #0, outer, outer physically physical plane, you must first, change/alter, the/your #1, malkuth earth/hades, **tactile-feel**-ing, plane.

It cannot be emphasised enough, that you can, only, psychologically, **psychically-tactilely-feel**, the/your #1, malkuth earth/hades plane, as this #1, plane, consists of, black-on-black, astral light. In this respect, #1, malkuth is the complete, diametrically opposite, of the #6, akashic plane, which is, white-on-white, astral light. In both these, cases, there is, no-thing, to see/observe. In the, ole crazy book (Bible), it says it all, in the very first chapter, verses 2 to 7. But... there is/are some, technical issues, which are not discussed, about its (the information), presentation, as in:

In the beginning God created the heaven and the earth; but...the earth was/is, without ‘form’, and is void, empty, with no self-conscious-ness and no **psychic-tactile-feel**-ing. And dark-ness, which is the un-conscious-ness, was ‘upon’ the face (which means, ‘observation’) – conscious-ness, of the deep. And the spirit – akashic force = change, moved = **psychically-tactilely-felt** = in principle - upon the, face – conscious-ness, of the deep. (Deep = un-conscious-ness.)

And God said; Let there be light! (Meaning that, prior to, the/this statement of ‘intent’, there was ‘no’ light.), and there was light. And God ‘saw?’, that the light was good; And God **divided** the light from the dark-ness. And God said; Let there be a ‘firmament’ in the midst of the waters (plural?), and let it (The light), divide the waters from the waters (Other planes/levels?). And God made the ‘firmament?’, and, divided the waters, which were ‘under’ the firmament, from the waters, which were ‘above’, the firmament: and it was so.

Firmament (noun), from the Latin; Firmamentum = literally; a support; a strengthening. From; firmus = strong; steadfast; enduring. From the suffixed form of the Proto-Indo-European Root word; **dher = to grasp; to hold; to grip; to support; to firm**. (Yod = closed (!?!)) = gripping/holding/grasping = HAND! Of ‘God!?!’)

Firmament was used in the Late Latin, in the Vulgate (4<sup>th</sup> century), to translate the Greek word; stereoma = firm; solid. This was the Greek translation of the Hebrew word; raqia; which means, expanse/spread out. But... in Syriac, means; to make firm; to make solid. So, because of this error in translation, much of the ‘inner’ associations, connections, were/are ‘lost?’.

Having read the above, can you, the reader/occultist, as a simple exercise, see/read in the above information, where the, possibility, of applying you esoteric knowledge/knowing, to the above, and see/read where, the/your 'own', understanding, of the laws, rules & governances of, the/your psychological **psychic-tactile-feel**-ing, comes into play, in your own, conscious/sub-conscious-ness 'grasping?', comes into play, in your daily manifestations, of the/your, creative principle = **psychic-tactile-feel**-ing; define-ing; three-dimensional-ising; symbol-ising. In the time of the/these, writings, God, was 'already lost?' and perceived, as being, external/separate, apart from, over there, not here, not me! Up there, out of reach!

So, pleadings (prayers) were devised/made and sold.

So, punishments were devised/made and implemented.

So, categories/levels were devised/made and people, things, objects, circumstances, were placed in them.

So, separation upon separation, became wider and wilder.

So, ignorance was compounded by/with; political/financial/business/corruption, in the name of, sake of.

So, the end, justified the means, to keep the 'chosen materialists?', in power, in control.

Until, scientific power, ousted, religious power, and made way, for the dominance of political power, to be replaced with, financial power, until today, where it is now, digital power. But...! The '**real**' power, as ever, as always(?), remains invisible, secret, hidden, unseen, unconscious and yet...? **Let's itself be 'felt?'**

This is why, the reader, should read Ophiel's vignettes; The 'OTHER' you; Your 'OTHER' you; Why do you let the Devil 'USE' you; Showing God what to do and; An Exercise in Preliminary Projection and Acceptance.

All the 'So', in the above, is/are the, separate/somewhere else/other God! The God of nothings!

All the Sub-conscious-ness, **psychic-tactile-feel**-ing, is/are the, now God!

All the **psychic-tactile-feel**-ing, **IS!** the real-time God! The God of now-time = everything!

All the Sub-conscious-ness, **psychic-tactile-feel**-ing, is/are the, God of belief; believe; believing; believed!

Here it is, from Ophiel's vignette: Acceptance.

Accept (verb), late 14<sup>th</sup> century; to take what is offered; admit; agree to. From Old French; accepter. Directly from the Latin; acceptare = **take/receive** willingly: accipere = **receive without effort** (passivity; uncritical; uncriticising; unconsciously.) From the Proto-Indo-European Root word; ad = near; close + capere = to take. From the Proto-Indo-European Root word; kap = **to grasp; grip; grab; hold**. (Psychologically = **psychic-tactile-feel** = define; three-dimensional-ise; symbol-ise = YOD! = CLOSED HAND!) Ophiel next writes;

“In the matter of living this physical life there is too much ready acceptance. The word acceptance comes from the old French; **and means; to take readily or to receive easily, probably receive without objecting**. I seem to recall that, when I was quite young, I accepted situations readily and without much examination or resistance. Then, as I grew older, I developed resistance much to the dismay of my dominating parent. I cannot say, that I profited knowingly from this developing resistance, but I must have saved myself a lot of otherwise unknown troubles. **What I can truly say is that, all the real trouble I had in my life, has come from a too ready acceptance of what was put on me by others. And for which, I got the blame for.**” End quote.

The above yellow-highlights, is/are/can be, where the #3, ego body, present incarnation, personality body, being drawn out (Consciously/Un-Consciously, won't/doesn't make any, difference, as the consequences, results and effects, are/will be, the same.) and made to 'rely on' the/a/an, outside, parent figure = archetype. Simple explanation – being told/instructed 'how' to grow-up – instead of 'being allowed?' to grow up, thus, the #1, malkuth earth/hades **psychic-tactile-feel**-ing body's, over reliance on a/an 'outside' provider. Ophiel, continues:

**“I am not sure as to how the acceptance is with others personally but I have noticed some very peculiar happenings in the world due to this uncritical acceptance of things**. For example, I am trying to work with several people here in the matter of Supply for them. I have discovered, to my surprise that they have a kind of basic indifference to the doing of the operations that can lead to the supply of goodies for this world's use.

I give them directions and show them how to set up the pattern, and then I find that they do not follow up but just act lackadaisical and frivolous about it, meanwhile being on the edge of lack of goodies to live a nice life style. I was not that way at all. I found lack to be very degrading, and I worked like hell to get around and over the obstacles that held me up. I am now on Easy Street. I can still do better and I am working on it all the time.” End quote.

(Underlines are the present writers.)

Ophiel, writes about one of his, 'personal motivational', reasons and directions of/for, his 'occult' studies, which is not necessarily the 'same' for all, as witness his 'several people,' and 'their approach,' to his teaching, instructing? The present writer is 'consumed?', by/with their; own personal motivational reasons and directions, which are/have, nothing to 'do' with, Ophiel's, occult and/or anything else other, in the wider general occult field, but...! The present writer 'uses', the same Ophiel and Occult, to alleviate the circumstance/situation. This, is the 'way', that it should be, for any/all normal individuals wishing to get on and/or succeed.

I was not that way at all! I found lack to be very degrading, and I worked like hell to get around and over the obstacles that held me up! I am now on Easy Street. I can still do better and I am working on it all the time!

Most persons/individuals, when they begin/start their 'occult', are already starting/beginning, from; #3, ego body = over there, not here, not me, not mine, not this, not now, separate, apart, don't believe = but... they have no way, no possible way, of knowing, understanding this(!), and, if they were to be taught/instructed, it would be a waste, a total waste, of time and effort.

Here it is, from Ophiel, in his next paragraph.

"However, to repeat it again, so I am sure you will get the meaning of this Vignette: You do not have to accept the situation that life has pushed onto you! You can protest and work, to get out from under the negative pressures. The desire to get from under has to come from within you; no one else can do it for you or supply you with the drive, desire, other than to tell you about it as I am doing. I might add here, that you cannot do anything for anyone else until their desire comes to them from inside them. YOU CANNOT DO IT FOR OTHERS; THEY HAVE TO WANT TO DO FOR THEM SELVES." End quote.

Thus, the present writer, can only write.

If a person were, to find/discover, the/their psychological psychic-tactile-feel-ing-body, and develop; enhance and increase their personal/individual aware-ness; awake-ness; conscious-ness, through/by/with, the/their basic cosmic egg and/or basic chair exercises, then many, many things, will/shall happen, in a smooth, simple and natural non-disruptive way, without

upsetting/disrupting, either their conscious-ness nor/or, their sub-conscious-ness, as they #3, ego body and #0, outer, outer physically physical body – are sharing; harmonising; co-operating and partnering – with, the/their #1, malkuth earth/hades body. Pick an object; circumstance; thing and/or it, and then psychologically **psychically-tactilely-feel** it, define it, three-dimensional-ise it, symbol-ise it. Then, whilst doing this exercise, try to, observe, your ‘it’. Ophiel continues:

“As I have said before, and it bears repeating, this physical world is the tail end of whole bunch of outer other worlds. The whole cosmic universe consists of Forces, and these Forces culminate in and onto this Physical Plane. The Forces come down from no-things to some-things. You can learn how to interpret these on-coming Forces, and direct them the way you desire them to out-press themselves here.

All these changes and modifications are done by you; through KNOWLEDGE, which becomes WISDOM, **and wisdom makes life a thing of niceness rather than a thing of struggle and negative actions**. Much of this knowledge is in my books now, and what is there can keep you busy for the rest of your life. And I am always getting more Knowledge and analysing it, for your easier understanding and applications.” End quote.

Ophiel’s examples, in his book; Clairvoyance, his chapter; The Two Minds, is/are of/the **PSYCHIC** kind/type of practice = #1malkuth earth/hades, as is his book: The Oracle of Fortuna. An individual, could easily use, Ophiel’s book; The Oracle of Fortuna, to enhance, increase and develop the/their psychological ability, to **psychically-tactilely-feel**, as they search within, to test the answer, to their questions. As has already been pointed out, in previous monologues, it is the amount/quality, of resistance, which gives the individual, their answer. (See/read Ophiel’s examples = watermelon; milk pouring and gas-pedal pressure.)

Thank you.
