5 OF 17 presentation. 2022

It is interesting, when reading Ophiel's book; Clairvoyance, and his chapter: The Categories of Physical Existence. When you consider that the 'tattva force?', is, supposedly in, each of the/these diverse objects; circumstances; things and/or its. The present writer, used to put it to the test, and was always pleased/satisfied, when the 'same' aura/feel, came back.

The connection of/with/too, these things, occurred quite a time ago, as stated in previous, monologues. To use, the/your powers of **psychic-tactile-feel**-ing; define-ing; three-dimensional-ising; symbol-ising, and then, transferring/projecting, these powers, into/onto the/your #2, etheric plane, is very, very easy. Especially when doing, Ophiel's materials. With your 'power' of, the elemental earth force, in/on the/your #2, etheric plane, everything becomes – stable; solid; hard; three-dimensional; fixed and real(?).

This, stable; solid; hard; three-dimensional; fixed and real(?) is the/your, power of, the force of, the/your elemental earth principle, in/on the elemental plane, of the element of, elemental water. But...! Unbeknown to you, the operator/occultist, what you are 'observing/seeing', in/on the/your #2, etheric plane, is/are the reflections = projections? of the/your #1, malkuth earth/hades plane, that you, conscious-ness, have, brought up with you, conscious-ness = as **principle** = which is – definition; three-dimensionality; symbol-ism = all now reflected-projected, in a three-dimensional mirror/hologram, within you, about you and surrounding you – the operator/occultist = conscious-ness. Symbol method:

“Remember that much of the Inner Plane knowledge comes to you in the form of feelings, not printed words and these feelings are registered in the lower pit of the ‘stomach’ actually the ‘Zeus Plexus’ (Not solar plexus.) Now, you know that any ‘Occultist’ who tells you he sees printed words in the messages he gives is lying.” End quote.

The present writer has only, one column, in/on the/their tree/map = the middle column – the other two are 'illusions'= projections = past/future, the only reality is now, and what is done in/on, the/that/this/their, now, reality;

For instance, example; doing Ophiel's Little System and/or Dream Method, in the, now, moment, confirms/builds and creates/makes, the/your past, and they/these/your actions/doings – fall away from you - #0.

For instance, example; doing Ophiel's Little System and/or Dream Method, in the, now, moment, confirms/builds and creates/makes, the/your future-time, as they/these/your actions/doings – fall onto you - #0.

For both, of these things to happen, in the/they/these/your past/future = you, the operator/occultist; would have to, do them, the actions/doings in your = now-time = in your present = real-time!

In your present = real-time, THERE IS = NO PAST/NO FUTURE = THERE IS = ONLY NOW = ONLY, USE; USES; USE-ING; USED, in the present-tense.

You – conscious-ness = cannot do/not change your past, you can only(?), change how you psychically-tactilely-feel, about your past! The strength? of your past is/will be/shall be – measured(?), in the type/kind, of INERTIA; RESISTANCE; ADVERSE; OPPOSED – PSYCHIC-TACTILE-FEEL-ING = THAT GENERATED, MADE = AT THE TIME THE = SYMBOL-ISM/ATION!?! (Symbol = to put/place/throw, together/to throw together in order to; match; compare; contrast; join.)

Please study these 'occults' carefully;

All symbols = are use; uses; use-ing; used.

All symbols = have resistance! (a/the/their; psychic-tactile-feel.)

All visualisations = have no resistance! (They – visualisations; are reflections.)

Remember this, from Ophiel; Talismanic Magic, his chapter: Talismans and the Astral Light: you can read this part:

“Ophiel has found that the Astral Light Magical Agent will not respond to “strong human will power” but rather to another entirely different kind of “will” power – a more, gentle desire will power.” End quote.

This; gentle desire will power; is best expressed by you, the operator/occultist, in the daily practice/doing of the/your, basic cosmic egg and/or basic chair exercises, in the development; enhancement and awakening, of the/your latent/dormant powers of, psychic-tactile-feeling; define-ing; three-dimensional-ising and symbol-ising.

The continuous/constant daily practice of, psychically-tactilely-feel-ing, of your desires, wants, needs and broodings, with your psychological dark-ness; black-ness and blind-ness, touching; handling; holding; your object; circumstance; thing and or it = IS YOUR – CONSCIOUS-NESS #0, Outer, outer physically physical you – persuading, convincing (Faith), the/your #1, malkuth earth/hades self, to; Believe (Trust).

If you, the reader/occultist, would like to, enhance, increase, develop and strengthen, your Ophiel Little System, then, as you travel, your route, with your stations, #0, outer, outer physically physical, do so with the idea, of psychically-tactilely-feel-ing, your route, your stations. Do the whole of your Little System Route, in the/your psychological dark-ness; black-ness; blind-ness, psychically-tactilely-feel-ing, there and back to your #0, outer, outer physically physical body.

If you, the reader/occultist, have already, invested, in Ophiel's Little System, with your #2, Etheric Visualisation abilities, then, as you travel your route, with your stations, psychically-tactilely-feel-ing, your #2, Etheric Stations, as you 'view' them. There should be, a very distinctive/qualitative sensation, to your work, which should give you, the operator, a 'psychic buzz'! (See/read Ophiel's vignettes; Assistance from the Gods; Parts 1 & 2, in number Ophiel writes about the/at 'tingling' sensation. The same/similar thing, should 'happen', when you 'add', your tactile-feel-ing, to your #2, visualisations.)

In the first few centuries and time prior to, them, the various schools of thought, were vying with each other for customers, which they (the schools), referred to, as 'worshippers?'. In each of the/these schools, was a standard/accepted, history of beliefs, founded on the doctrine of philosophy and rhetoric, which the schools, of the day, practiced. But... once a devotee, was accepted, into the main body of the school, they were to be, become, an initiate of, the/that, said 'school of thought'. What was not handed down, to the wider general public, (who couldn't read or write, and so had to take the 'word' on, faith!?! = to persuade/to convince) was/were the techniques, to develop/enhance, the life/living, of the, said, worshiper!

Worship (noun), from Old English (English spoken before William the Conqueror; 1066) Old English: weorpscipe = to value.

Anglian = woroscip; West Saxon = wuroscip – worth; dignity; glory; honour; renown, from; weoro = worthy. Worth + Ship.

Worth (verb), to come to be; from Old English; weoroan = to become; to befall; From the Proto-Germanic word; werthan = to become; literally it meant/means = to turn into. From the Proto-Indo-European Root word; wer = to turn; to bend.

Ship; a word-forming element, meaning = a quality; condition; power; act; skill; art; authority; place; position; relation between. From the PIE Root word; (s)kep. It was(?), well known(?), to the worthy ancients, through the long history of the/form the, laying on of hands = practical experience, from an individual, who had undergone; the/their; rites of passage (Arnold Van Gennep; April 23rd 1873 – may 7th 1957; Ethnographer/Folklorist.) And who now ‘understood’ = application. It was(?), also, well know(?), throughout ‘society’, based on ‘history/experience’ = THAT THE DARK-NESS; BLACK-NESS; BLIND-NESS = WAS/IS = THERE!?! These worthy ancients – also knew/understood(?) – that this, dark-ness; black-ness; blind-ness = WAS/IS = INTERNAL = Psychological = Sub-Conscious-Ness!?! But, they did not, at the time, have the knowledge/knowing, of accumulated academic recording.

When the; Great Library of Alexandria, fell into disuse, then much was ‘lost’, forever. Well, it just so, happened(?), that one of the things, that was ‘lost?’, was the knowledge/knowing, that the dark-ness; black-ness; blind-ness = was an ‘internal’ one! Today, we call/refer to this ‘blind-ness,’ as the/our/your – sub-conscious-ness And, then, because of events, the/this; dark-ness; black-ness; blind-ness – became ‘re-discovered?’ and could be studied again, without being ‘burned’ at the stake; by those who think/thought, that they knew better(?) (And we all ‘know?’ who they were/are!?!?) Freud/Jung – reintroduced the dark-ness; black-ness; blind-ness, but did so, as an ‘ill-ness?’, which it is not!!

As the ‘factions’ of different schools, fought for the lucrative, gullible/sheep/herd market (worshippers/devotees), they made the dark-ness; black-ness; blind-ness = #0, outer, outer physically physical ‘death’, and ‘evil’, and ‘personal’ and = HE’S BEHIND YOU!?! Well, there is; NO EVIL = dark-ness; black-ness; blind-ness! Well, there is; NO DEVIL OUT THERE!?! and!! = YES!! = IT = IS!! = BEHIND YOU!! = #0, Outer, outer physically physical you!?! BUT!!! (And, here is the ‘rub?’) = IT = IS!! = STILL YOU!?! = #1!

A ‘way’ in which to sense/psychically-tactilely-feel, this – he’s behind you – is to ‘enter’ the/your dark-ness; black-ness; blind-ness and look back/look behind? = to/towards – the/your #0, outer physical self!?!

Stand, where you know you will not be disturbed, for the length of time, that you will be practicing; close your eyes and psychically-tactilely-feel, your basic cosmic egg, within you,

about you and surrounding you. Follow the process of **psychically-tactilely-feel**-ing, each of the basic symbol; egg; sphere; inverted pyramid; bowl and cube.

As you #0, outer, outer physically physical stand there, make an effort to sense/**psychically-tactilely-feel**, as if, as though, you – conscious-ness, are **blind**! You – conscious-ness, cannot/do not ‘use’, any type/kind, of biological, eyes. Sense/feel in your **blind-ness**, the you – conscious-ness; are in a position/place, of being, slightly above and behind the/your #1, psychic ‘head’, which his in ‘front’ of you ‘now’, in your dark-ness.

Psychically-Tactilely-Feel, that you are ‘looking/observing’, the back of your #1, **psychic** head, from slightly above and over to the left side, of your ‘inner body’ as it is ‘facing away’ from you – conscious-ness. The present writer, enjoys this ‘sensation’ very much, and relaxes in it, when practicing. (This inner technique, is expressed, in ancient times, as; looking down, from on high. = looking back/behind) (Please note carefully, very carefully! Many of these terms/expressions, are **not**, religious. The have absolutely, nothing to ‘do’ with any/all religions!?!).

Try this; when you – conscious-ness, are examining/looking at a #1, **psychically-tactilely-felt**, object; circumstance; thing and/or it, you – conscious-ness, are looking back/behind, at it. The ‘understanding’ of this, technique, is from Egypt circa 2000/3000 years = The Celestial Ferryman/Sailor of the Dead = Mahaff and his **assistant** Aken = the ‘**sleep**-ing’ assistant(?) (Paper by Egyptologist; Dr Radwan Abdel-Rady Sayed Ahmed.)

The ‘Divine’ ferryman, Mahaff, is described, thusly; He, whose sight is behind him (look-ing back). He who ‘sees’ behind him. Mahaff is the name, of/for the sub-conscious-ness – **psychic-tactile-feel**-ing; define-ing; three-dimensional-ising; symbol-ising, ability, of the sub-conscious-ness – **psychic-tactile-feel**-ing (As in the ‘cup’ exercise and basic cosmic egg and/or basic chair exercises.) But... according the worthy ancients, in/on/with – conscious-ness = IS HIS ‘ASSISTANT?’ = Aken, who is ‘asleep??’ = latent; dormant; potential. And it is the job/task of; Mahaff – conscious-ness, to; AWAKEN! AROUSE! MAKE AWARE!?! – Aken, from his ‘sleep??’.

Well, believe it or not! (Won’t/Don’t make any ‘difference’), you, the operator/reader – conscious-ness = ARE STUDY-ING! ARE PRACTICE-ING! ARE DEVELOP-ING! ARE STIMULATE-ING – Aken – the sleeper/**psychic** – IN YOU, CONSCIOUS-NESS, RIGHT NOW!?! During your egg/chair exercise, as you ‘stimulate’, latent/dormant Psychic abilities! The ‘same’ **psychic**/psychological ‘abilities’, are in you, the reader, right now, as they were,

in any/all human beings, in any age, at any time, it – **psychic-tactile-feel**-ing, in the dark-ness; black-ness; blind-ness, was/is, the very first thing, that our ‘species?’, were able to ‘study?’, ‘observe?’, first-hand, and it – sub-conscious-ness, has ‘not!’, changed, since then, till now.

But... in the first four hundred years of Christianity, there were many competing ‘schools’, and amongst them, were a ‘sect’ of what is loosely called/termed; Gnostic. This word ‘Gnostic’, means; one who ‘knows’, and their ‘knowing/knowledge’, was/is, personal/individual to them = a knowing – from a direct-self-experience-of – from the/their ‘own?’, dark-ness; black-ness; blind-ness.

But...unfortunately(?), through a lack of ignorance, intolerance, competitive-ness and indoctrination, their system/method, was classed as, heretical, by the dominant administration of the day, and their Gnostic, teaching/method/philosophy, was/is, thoroughly, discredited and then destroyed by Orthodoxy.

The Gnostics taught, that the dark-ness; black-ness; blind-ness = was not evil! As was/is taught, in the now-present-day religions. The Gnostics (Valentinian school), taught, that the dark-ness; black-ness; blind-ness = was one of ‘ignorance’, that the blind-ness, did not know? who or what, it really was/is?? And they, Valentinian Gnosticism, taught, that the blind-ness, was like that of a ‘child’. The names, of for the dark-ness; black-ness; blind-ness, were/are: Yaldabaoth = childish; Saklas = foolish; SamaEL = blind! (SamaEL is also; The ‘God’ of the blind!?!) The/these ‘epithets’ of/for the psychological dark-ness; black-ness; blind-ness, helped to ‘explain’ to the/their, worshipers/devotees the = irrational-ness, illogical-ness; irresponsible-ness; of/for the untrained/undisciplined = sub-conscious-ness mind = as it ‘fumbled’ through life/living = not know-ing/understand-ing = who? = or, what? = it – the dark-ness; black-ness; blind-ness = was/is!?!

Today, this part/piece of the – conscious-ness = sub-conscious-ness, thanks to Freud/Jung, et all; is, by most persons, individuals; much more forgiving and more readily willing, if not to test; try; use; these things, they are more amenable to let others, try for themselves, without having to ‘worry?’, about being burned at/on the stake!! Having been so discredited/discarded, for the last two thousand years, only now, with the ‘advances?’, in technology/psychology, are people/persons, in a more ‘receptive’ frame of mind, to accept, and in some cases, to test; try; use; these things, for themselves, in order to better, the/their daily living/life.

During your continued egg/chair work/exercises, the aware-ness; awake-ness and conscious-

ness, to/of, the ‘other’, will develop/grow, in such a ‘way’, that you - #0, outer physical body &+ #3, ego/personality body, will/shall, come to ‘accept’, that you ‘have’, a partner? And, that this new ‘partner?’, has some very ‘powerful?’, party tricks!?! (Subject to course(?), to personal/individual training/skill set.) The aware-ness; awake-ness; conscious-ness, of/to your ‘other’, is a sure/positive sign, that your individual training efforts, are beginning to take effect. At some point in time, and in many times, you – conscious-ness, at the/your #0, outer, outer physically physical body, should sense/feel, waves? ripples? sensations? flow over/within you, as you go about your ‘day’, also, you may get/receive, as Ophiel, writes it, in his vignettes: Assistance from the Gods; parts 1 & 2; this is how and in what ‘way’, your #1, psychic body – communicates to with you = #0 &+ #3!

As your training develops, increases, enhances, then so too, does your innate ability to, understand, interpret, and act/not act, upon these waves/ripples/sensations!

As your ‘refinement’ increases/enhances/develops, others may notice the ‘change’ or ‘difference?’, that is now ‘in’ you – conscious-ness. This/these things, in reality, should come as no surprise, otherwise = what’s the point? You, the reader/operator, have a;

#0, outer, outer physically physical body.

#1, **psychic-tactile-feel**-ing body.

#2, etheric reflecting/repeating body.

#3, ego, present incarnation, personality observe-ing body. (Which is a ‘construct’ of the/your ‘now-time’.)

The #3, ego body = feels-nothing! = but... interferes with, each of the ‘other’, bodies, as it (#3), **piggy-backs**, in/on – conscious-ness = both conscious and sub-conscious = at all levels = except the very highest. The #3, ego body, can only, observe – watch-over, but... it is this, #3, watch over, that causes the trouble, because it, #3, makes a ‘judgement’ call!?!

Thank you.
