After a passage of time and practice, your individual ability to, enter into, your own psychological dark-ness; black-ness; **blind**-ness, will have taken on a certain amount of, depth of quality, where you – conscious-ness, begin to **psychic-tactile-feel**-ing, comfortable, with what you are doing. Also, you, the practitioner, should be able to close your #0, outer physical eyes; enter your #1, malkuth earth/hades, **psychic-tactile-feel**-ing **blind**-ness, and consciously/conscious-ness, look back at? the your #0, outer, outer physically physical body, standing/siting there.

The location, as you – conscious-ness, about face/turn and look back/look **behind**, to/towards, your #1, malkuth earth/hades **psychic-tactile-feel**-ing self, is/should be, above your #1, body head and slightly over to your, #1 body, left side/shoulder. When you – conscious-ness, enter, your #1, **psychic-tactile-feel**-ing body, the sensation/feeling of being there = in/on the/your, #1, Malkuth Earth/Hades, **psychic-tactile-feel**-ing, plane/level = is/will be/shall be = immersive, total, and complete, to the point/place, where the/your #0, outer, outer physically, physical body – shall disappear? from – conscious-ness, as if/as in/as though/as it does, in being asleep.

At this point/place, in your being, (Being – in a/an immersive state/condition, where that state/condition, ‘is’, the, single point/place, of – being conscious – aware; awake; knowing.)

At this point/place, in your being = YOU NOW HAVE = Belief; Believe; Believing; Believed!

At this point/place, in your being = YOU NOW HAVE = a/an, ALTERED/CHANGED STATE OF TIME!

At this point/place, in your being = YOU NOW HAVE = a/an, UNDERSTANDING/KNOWING OF, THE/THIS = ALTERED/CHANGED STATE OF TIME!

Standing inside your basic cosmic egg (Aura) = you – conscious-ness, can now move(?), from the/your; Real-Time = use; use-ing; used-time = #0, outer, outer physically physical’, to the/your, #1, Malkuth Earth/Hades ‘now-time’!?! **psychic-tactile-feel**-ing = ANSWER/ANSWERS!!?!

When you – conscious-ness, do this, you – conscious-ness = ARE BETWEEN!?! = TIMES (In a time zone? In a, time transition zone?) = Standing inside, your basic cosmic egg (Aura).

Please take a few moments to read/study, the above, for a few moments, as your #3, ego body, present incarnation, personality body, needs to understand this? As the/your #3, ego body, can only, piggy-back, in/on the/your, conscious-ness, in ‘all’ times/zones(?), until the very, highest levels, of – conscious-ness are reached. Conscious-ness!?! = YOUR CONSCIOUS-NESS!?! = IS = NOW STANDING IN/ON = THE/YOUR = #1, Malkuth Earth/Hades, Now-Time = Psychic-Tactile-Feel-ing, plane/level = BETWEEN!?! = #0, Outer – use; use-ing; used = TIME! And, the/your #2, Etheric plane/level = Reflective/Reflecting – Clairvoyant = TIME!

Time = is a constant of/from/in, Space and Time, and is made-up? from compressed/squeezed Space. If you – conscious-ness = CHANGE/ALTER(?) = THE/THIS = COMPRESSION/SQUEEZE = Then each, level, of Space/Time, which is/that is = affected/effected by/with this/these compressions/squeezes – psychic-tactile-feel-ing; define-ing; three-dimensional-ising; symbol-ising = MOVES/CHANGES/ALTERS!?!

Consciously/Un-Consciously = Won’t/Don’t = Matter = STILL HAPPENS!?! = when it – space/time = are compressed/squeezed or un-compressed/un-squeezed? (For squeezed = psychic-tactile-feel-ing!). The most popular of the Greek myths, to explain the/this technique = compress/squeeze (psychic-tactile-feel-ing) is the myth of Pluto and Persephone, where he – Pluto, Psychic-Tactile-Feel-ing; reaches up? From the lower/under plane #1, and, grabs/grips/holds/squeezes(?) psychically-tactilely-feels, Persephone = #2, Etheric Plane = Clairvoyant = future-time, and takes her down/into/onto = where he, Hades ‘IS’ = psychic-tactile-feel-ing – now-time-believing!

#0, outer, outer physically physical plane = use; use-ing; used – Real-Time.

#1, psychological tactile-feel-ing plane = define; three-dimensional-ise; symbol-ise – Now-Time.

#2, etheric reflect-ing/reflective plane = visualisation/mirror image – Clairvoyant-Time.

Please apply the above information, to Ophiel’s book; Talismanic Magic and his Creative Visualisations, with his, treasure maps/charts, and see if you, the reader occultist, understand.

You, the reader/occultist – Are Hades/Pluto, the object, circumstance, thing and/or it, you -

#0, conscious-ness, want; need; desire; brood-on, is, #3, ego body = observed, as a #2, etherically visualised, mirror image, in/on the/your #2, Etheric Plane. You, the reader/occultist – As the Blind-God Psychic-Tactile-Feel-ing God) reach up, grab; grip; grasp; hold; touch; take; Psychically-Tactilely-Feel? – Psyche – your object; circumstance; thing and/or it. And you take/bring ‘IT’, down into/onto the/your #1, malkuth earth/hades, lower plane, where you – conscious-ness, can ‘Now-Time’ Psychically-Tactilely-Feel - IT!?!; define; three-dimensional-ise; symbol-ise; OWN, HAVE, POSSESS, BELIEVE – which then, animates, the/your #0, outer, outer physically physical body you, to move, in order to use; use-ing; used, in/on the/your #0, outer, outer physically physical REAL-TIME = Plane – through/by/with, the/your #0, bodily actions/doings. (See/read Ophiel’s book; Clairvoyance, and his chapter: Body of Light and the God Images.)

Each of these variations of time(?) = ARE IN/ON THE SAME/ONE/ALL SPACE = which, in this case = is = the/your = aura – which IS! the/your = basic cosmic egg! It is this. all space, which is within you, surrounds you and is about you – conscious-ness, now, and which you – conscious-ness, ‘use’ (are ‘use-ing’) now.

Just knowing, being made aware, awake, conscious to/of, the/your basic cosmic egg (Aura), and the possibilities, for which it (Egg/Aura = Space/Time), can be use; use-ing; used = for? = IS?? = enough, to make a difference, to the/your #1, malkuth earth/hades, Psychically-Tactilely-Feel-ing = self?! Even here, at this basic, basic level, your sub-conscious-ness = is still working/operating? Conscious-ness you, #0 &+ #3 don’t actually; factually; literally – have to = be there? Yes! It most certainly does help/assist, if you – conscious-ness, were there! But... how many persons can say that, now days??

So, having now invested some physical practice time, in the attaining, training, of the development, of your latent/dormant, #1, malkuth earth/hades, Psychically-Tactilely-Feel-ing, aware-ness; awake-ness; conscious-ness = now comes the time, to test, try, use, the/your developed/enhanced, training. Having spent some time, each day, every day, several times a day = psychically-tactilely-feel-ing; define-ing; three-dimensional-ising; symbol-ising, the/your basic five elemental symbols, within you, about you and surrounding you = #1 &+ #0, with your #3, ego body = observing, you have decided, that you are now going to apply = your technique; skill; art – to the obtaining of – what you = #0 &+ #3 – desire; want; need; brood-on!

All your effort; all you reading; all your practicing = has come to this one point/place? = belief!?!

If #3, Ego body, present incarnation, personality body you = had brought you – consciousness = to this one point/place, then the exercise, is not going to work!

Your #3, Ego body, present incarnation, personality body you = has no feel-ing?

Your #3, Ego body, present incarnation, personality body you = can only observe – watch over?

Your #3, Ego body, present incarnation, personality body you = must not judge – show/reveal?

In ancient times, when the worthy ancients, were studying this/these things/phenomenon in themselves, they discovered that there is/are = three distinct directions = of/for consciousness = Up/in; Down/out; Across!

Up/in = was/is – assume; assume-ing; assumed.

Down/out = was/is – polarity; polarise-ing; polarised.

Across = was/is – dual; duality; dual-ness.

Future-time = was/is – Clairvoyance = assume; polarise; dual.

Now-time = was/is – Psychic-tactile-feel-ing; define-ing; three-dimensional-ising; symbolising = belief.

Real-time = was/is - #0, Outer, outer physically physical; use; use-ing; uses; used.

Please read the next part carefully:

Down/out and Now-time = ARE THE ‘TRANSITION/MOVING/FORMING/GESTATING = POINT/PLACE! TO/TOWARDS THE/YOUR #1, Malkuth Earth Hades; Psychic-Tactile-Feel-Ing, Believing.

This, the above, transition/moving/forming/gestating – point/place = IS WHERE YOU – CONSCIOUS-NESS, GO TO(?) WHEN/IF YOU – CONSCIOUS-NESS, PRACTICE/DO, THE/YOUR EGG/CHAIR EXERCISES!

Depending on the/your #0, level of commitment/practice, and the/your #3, Ego body, ability to; observe – watch over, and not ‘judge = to show/reveal’, will be the ‘measure’ of the/your – conscious-ness, success.

Polarity; Polarise = is to make everything come = down/face, the same – one way/direction.

Assume; Assumed = is to take everything back = up/in the same – one way/direction.

Duality; Dual-ness = is everything all = in/on the same – one plane/level.

Conscious-ness ‘is’ Duality! Duality ‘is’ Conscious-ness!

Being; conscious = is what = you are.

Being; conscious-ness = is what = you psychically-tactilely-feel(?) = you are??

Knowing of, the three-directions, of/for conscious-ness (Ness = to protrude; to stick-out; to jut-forth; etc.)

Knowing of, this/these things, cannot but help/assist those, who are interested, in this, the/their validity, in the development/enhancement of/for, leading/having, a successful/planned life/living, which satisfies them?

The actual; factual; literal, physically physical = doing/actioning, of these things, takes less time to ‘do’, than it does to type them out, in explanation, for persons/individuals, whose interest, may only be, casual(?), at best! (Enjoys ‘reading’ about these things, but never, ever, actually, factually, literally = puts in the ‘work?’ = and then they wonder?? why(?) = IT? = never happens? to/for them!!).

How many times? in a day, do you – conscious-ness = ever think/feel(?), about your #0, outer, outer physically physical body(?), and how wonderful/fabulous!! it = #0, IS!!

How many times? in a day, do you – conscious-ness = ever psychologically, psychically = tactilely-feel(?), about HOW? you – #0, conscious-ness = stand-up/sit-down?

How many times? in a day, do you – conscious-ness = ever psychologically, psychically = tactilely-feel(?), about HOW? you – conscious-ness = push-down(?) to = stand-up; or, push-up(?) to = sit-down?

Too simple? Too hard? Too difficult? Well, too bad!! Because that is/this is; actually; factually; literally = the way? that 'IT' IS!!

The/your #1, psychological, psychic-tactile-feel-ing body, is(?), the reverse-reflection; is the opposite; adverse; opposed; obstacle; that you – conscious-ness must learn/master/develop and then = apply!?! Please study this part, carefully;

Only in/on the level above; over; higher; before and in front = do you – conscious-ness, 'have' = both sides = of the/a single force! For example; Basic chair exercise = standing/sitting? There is/are many, many others? =

Winning/Loosing; Succeeding/Failing; Learning/Not learning; Trying/Not trying; Using/Not using; Working/Not working; Wet/Dry; Hot/Cold; Near/Far; Rich/Poor; Feast/Famine; War/Peace, etc, etc.

You can read about this, in Ophiel's vignette; The Power of Speaking Things and Conditions into Existence. Because the force, in/on the plane/level above; over; higher; before and in front = exists? = at the same 'time' 'as' a single force, conscious-ness you = in/on the plane/level below; after and behind? = has to choose; select; pick = one side or the other = TO #0, USE!?!

DO YOU? ARE YOU? THE READER – ABLE TO RECOGNISE/IDENTIFY? – THE/YOUR BASIC CHAIR EXERCISE – IN THE ABOVE TWO LINES!?!

Could you/can you – conscious-ness; aware-ness; awake-ness = decide = for yourself(?), which side, of the force = Success/Failure, you – conscious-ness = would choose/select/pick?

Side note;

Every failure – picks/selects = success(?).

Every success – picks/selects = success(?).

Strange eh! Something, wrong? somewhere?

What(?), would you, the reader/operator – choose/select(?), if you – conscious-ness = knew

you couldn't fail? Most persons do not know how(?), to answer that/this question! Most unsuccessful persons, have to stop? pause? and think? about an answer? to the/this = question? = which is self-explanatory = as to why! they are not(!), a = success!?! End of side note.

All successful? persons/individuals know, exactly/precisely, what it is, that they want to 'be' (not(!), become!!) = knowing this, they (successful persons) have, made their choice = and then!! = the/their #0, outer, outer physically physical actions/doings = show/reveal this/their choice? (See/read Ophiel vignette: How to get Ahead.)

Like all things in life/living, there is/are many, many persons/individuals = who fail! But... if there was a 'way', 'method', 'technique'? Which could/would – enhance/develop/increase = the/that 'chance', of/for = success!!! = then many, many, would be/becomes = would definitely test it; try it; use it?

So, the actual; factual; literal – question is? = Do you believe? = what 'IT' is? = that you – conscious-ness = actually; factually; literally – psychologically, psychically-tactilely-feel!?!

Remembering/recalling = that the/your #1, psychic-tactile-feel-ing = IS IN/ON THE/YOUR = NOW-TIME/BETWEEN-TIME/GESTATION-TIME!?!

There is/are three students, who go to college/university to 'gain a qualification', which will show/certify, that the/their psychic-tactile-feel-ing = mirror-imaged, what 'it' (the 'qualification') was desired; wanted; needed; brooded-on, at the/their = own, now-time!

In/on the plane/level of - conscious-ness = above; over; higher; before and in-front! = IS/ARE! = SUCCESS &+ FAILURE = each with 'equal!' = power!?! (See/read Ophiel's book; Creative Visualisation.)

In/on the plane/level of – conscious-ness = below; under; lower; after and behind! = IS/ARE! = SUCCESS &+ FAILURE = each with 'equal!' = power!?! (See/read Ophiel's book; Creative Visualisation.)

The first student = worries, about failure, and keeps his – conscious-ness = fixed on it – failure, and then proceeds to eliminate, all those physically physical actions/doings = which

would = cause/give them – failure! They do not skip classes; They do not neglect homework; They do not neglect study-time; They do not over indulge, in negative actions/doings, which would negate/not contribute, to their end-goal, success – of passing, and they do not, let the idea; **psychic-tactile-feel**-ing, of – failing to pass, enter into their = real-time life/living.

The second student = thinks, about success, and keeps his – conscious-ness = fixed on it – success, and then proceeds to eliminate, all those physically physical actions/doings = which would = cause/give them – un-success! They do attend classes; They do the homework; They do the study-time; They do not over indulge, in negative actions/doings, which would negate/contribute, to their end-goal = success – of passing! And they do not, let the idea; **psychic-tactile-feel**-ing, of being un-successful, to pass, enter into their = now-time life/living.

Each of these two types/kinds, of students = HAVE A ‘FIXED-POINT’!

Each of these two types/kinds, of students = HAVE ALREADY ACHIEVED!?! THEIR GOAL/AIM = PASS!

All that was/is, required/needed, was/is, for literal time, of = #0, outer, outer physically physical time = use; use-ing; used time = to catch up with? the/their NOW-USE-TIME!?!

The third student = DID NOT HAVE!?! = A FIXED-POINT! = So, everyday(?), was just like – any other day!?! Some days good; some days bad! Some days study; some days don’t! Some days attend class; most days don’t! Some days do homework; some days don’t! So, everyday(?), is just like – any other day!?! One day – going to college/university – next day going to stack shelves in a supermarket = every day – the same day = NO FIXED POINT = NO PSYCHOLOGICAL, **PSYCHIC-TACTILE-FEEL**-ING; DEFINING; THREE-DIMENSIONAL-ISING; SYMBOL-ISING = PASS/CERTIFICATE – VALIDATION!?!

So, do you wish to stand? or do you wish to sit? do you wish to succeed or do you wish to fail? Both = are same/one thing/force = until you – conscious-ness = **choose**? On, the plane above; over; higher; before and in-front = ONE FORCE – STANDING/SITTING – SUCCESS/FAILURE!?!

In/on the plane below; under; lower; after and behind = you – conscious-ness, DO NOT CHOOSE!

In/on the plane below; under; lower; after and behind = you – conscious-ness, USE!

By/with/through, the/your #0, outer, outer physically physical = ACTIONS/DOINGS!?! – IN THE/YOUR ‘REAL-TIME!’

Think about this, and things like this, as these are your, study materials?

Where? Would you like to be tomorrow? Can you, do you, are you – conscious-ness, able to psychologically, psychically-tactilely-feel it today?

If you, the reader answer ‘yes!’, then, it is highly recommended that you; START DOING IT TODAY!

If you, the reader answer ‘yes!’, then, it is highly recommended that you; START TO PRACTICE, THE/YOUR BASIC COSMIC EGG AND/OR BASIC CHAIR EXERCISES – TO SEE(?) IF(?) – YOU CAN INCREASE; ENHANCE AND DEVELOP – THE/YOUR LATENT/DORMANT = PSYCHIC-TACTILE-FEEL-ING – POWERS/ABILITIES, WITHIN YOU; ABOUT YOU AND SURROUNDING YOU = #1 &+ #0!?!

Thank you.
