defunct YahooGroups)**

## 2 of 18 A & P of Occult. 2022

Ophiel continues in his book; A & P of the Occult, in his chapter two; Elemental Earth plus More Knowledge, with this;

“The main ‘QUALITY’ of the Element of Earth is that of; solidity – stableness – inertia – at rest-ness (and going to stay at rest!) In a sense, the square or cube represents truth, because no matter on which side you place it, it is the same in appearance, and size and shape! *In our daily lives as far as we are concerned, the Element of Earth, is the one we have to deal with the most. The final arrangements of the Earth Compounds of the Elements as they become final on the Physical Plane, is what constitutes the basis for our Physical Happiness. And therefore, their manipulation is of prime importance in our lives.*” End quote. (Italics are Ophiel’s.)

Every day, in every way, when you, the reader/occultist, choose to practice/do, the/your basic cosmic egg and or basic chair exercises, you – Conscious, as a ‘ness’ – ARE ‘CONTACTING!?!’ – THE/YOUR BASIC ELEMENTAL EARTH PLANE!?!

Having learned/mastered (?), how to = psychically-tactilely-feel-believe, you – Conscious, as a ‘ness,’ should be able to ‘take,’ the/your #1, Malkuth Earth/Hades Plane ‘ability/technique,’ up/in/on to – the/your #2, Etheric Plane, and apply, the/this/your #1, Malkuth Earth/Hades Plane ‘ability/technique,’ psychically-tactilely-feel-believe = TO THE/YOUR #2, ETHERIC PLANE – REFLECTIONS/VISUALISATIONS!?! So that the/your #2, Etheric Plane, elemental water – NOW BEHAVES LIKE!?! – the/your #1, Malkuth Earth/Hades Plane = Elemental Earth – EARTH-OF-WATER = Cube ‘inside’ Bowl!

Ophiel then writes, farther on;

*“In our daily lives as far as we are concerned the Element of Earth is the one, we have to deal with the most. The final arrangements of the Earth Compounds of the Elements as they become final on the Physical Plane is what constitutes the basis for our Physical Happiness. And therefore, their manipulation, is of prime importance in our lives.”* End quote. (Italics are Ophiel’s. Underlines are the present writers.)

Then, farther on, we read this part;

“In this case now, of the Element of Earth, and in the cases of the other Elements in your studies to come, you are to keep, in your reasoning mind, the clear distinction/idea that **you are dealing with ‘QUALITIES,’ not physical actualities**. It is true however that as you learn and use/assimilate the QUALITIES of the Elements, in your dealings with the Earth-Physical Plane, **the designated QUALITIES become Quantities or Actualities in your Physical Life experiences**. And, again, this ‘becoming’ is the successful Practice of Magic and there is nothing else to it.” End quote.

Do you? Can you? Are you? the reader/occultist(?), able to understand the above, in relation to the/your basic cosmic egg and/or basic chair exercises?? In order to do/practice both these exercises, you – Conscious, as a ‘ness,’ – HAVE TO ‘RE-COGNISE!?!’ THE/YOUR PERSONAL/INDIVIDUAL #1, MALKUTH EARTH/HADES **PSYCHIC-TACTILE-FEELING, ABOUT YOURSELF** = You, #0! You, #3! And You, #1! Most (all?), person/individuals are #3, Ego Body, Present incarnation, Personality Body ‘dominated,’ in such a way, as to ‘**skew**,’ any and many, sub-conscious-ness, impressions; Ophiel writes it this way, in his vignette, under presentation:

“You are P1 (personality one) and your opposer/devil is called P2 (personality 2). Your human contact, is, say P3 (personality three) and P4 (personality four is their opposite/double.) so while your P1 is talking to them, P3. Your P2 is mentally ‘Talking’ to their P4 and doing the ‘NEGATIVE WORK, ALL UNBEKNOWNST TO P1 AND P2.’

Hence, using some factors/functions unknown to me now, these ‘OPPOSING’ personalities - in this case your P2 and P4 (the other persons P2) - in some way seem to ‘RULE?’ This physical world! Look about you now; it is only a most unusual type person who can forge ahead in this world seemingly without effort.

Evidently such a person has firm control over their P2. Or they have converted their P2 to assist with the aims of their P1. Also, such P1’s, seem to dominate the P2’s of others, so that the ‘Devils’ don’t function malefic-ally in his presence.” End quote.

For context/explanation, in relation to the #1 and #0, planes, we read Ophiel’s quote above thusly;

You are #0, outer physical body personality and your opposer/devil is You #1, malkuth earth/hades. Your human contact, has/is the same, so while your #0 &+ #3, are talking to them - #0 &+ #3, Your #1, Malkuth Earth/Hades Plane Body, is = **psychically-tactilely-feel-**

ing the/their #1, Malkuth Earth/Hades Body and doing the 'NEGATIVE WORK, ALL UNBEKNOWNST TO BOTH!?! #0's!?! Hence, using some factors/functions unknown to me now, these 'OPPOSING' personalities - in this case both your #1, Malkuth Earth/Hades Plane 'Bodies?', - in some way seem to 'RULE? this physical world! Look about you now; it is only a most unusual type person who can forge ahead in this world seemingly without effort. Evidently such a person has firm control over their #1, Malkuth Earth/Hades Plane - psychic-tactile-feel-ing. Or, they have converted their #1, to assist with the aims of their #0. Also, such #1's, seem to dominate the #1's, of others, so that the 'Devils,' don't function malefic-ally in their presence?

#1, Malkuth Earth/Hades Plane is, revealed/shown/displayed/explained(?), in a single word = Inert! Which is compound word, of; in = not; without; opposite of &+ ars = skill! – Having 'no self,' movement; In the 'case' of the/your/our #1, Malkuth Earth/Hades Plane = WITHOUT JUDGEMENT!?! In other words, reflexive; automatic-impulse, with no regards to/of/for – consequences!?! Hence, the letter of Augustine of Hippo, recommending that you #0, = agree-with! – the/your #1, Malkuth Earth/Hades, self = psychic-tactile-feel-ing!?! = STOP/HALT!?! But...! Can the/your #3, Ego body(?) take it? (Not passing 'judgement?') But...! Can the/your #3, Ego body(?) handle it? (Not passing 'judgement?') Judge – from; deik to show/reveal??

Just as the/your #1, Malkuth Earth/Hades Plane, automatically 'reflexes' = for all this, is delivered unto me 'and to?' whomsoever = anybody/everybody = NO DISCRIMINATION! NO JUDGEMENT? So, too, does the/your #3, Ego Body, automatically 'reflex' = not me; not mine; not this; not that; not here; not now; else; other; separate; apart; over there = NO ACCEPTANCE! NO PARTICIPATION? NO IDENTIFICATION? Only those who have understood(?), that the/their #3, Ego Body = Piggy-Backs! – in/on Conscious, as a 'ness!', hence – 'skewed?!' Have a 'chance?' of 'changing?'.

The biggest 'Occult?', to start/begin with = IS? – you conscious, as a #0, outer, outer physically physical body!! = cannot/do not!?! – change/alter!?! = the/your #0, outer, outer physically physical plane!?! = you, conscious, as a #0, body = can only use; use-ing; uses; used = the/your #0, outer, outer physically physical plane!?! So, there is – NO PRESSURE ON YOU!! = #0!?! = TO PERFORM(?), ONLY TO = use; use-ing; uses; used!?!

#3, Ego body you – must 'observe' without judgement! (without showing; revealing; displaying!?!)

#2, Etheric body you – must 'reflect' by/with visualisation, without you = #3, being attracted

to it!

#1, Malkuth body you – must ‘psychically-tactilely-feel!’ in order to belief/believe/believing/believed!

#0, Physical body you – must use; use-ing; uses; used!

There is/are many persons who do(!), the above, in a very, very natural/normal way = WITHOUT ANY(!) #3, EGO BODY CONSCIOUS-NESS OF(?), ANY CONSCIOUS TRANSFER OF, IT/THIS TAKING PLACE, HAPPENING!?! (See/read Ophiel’s book; Clairvoyance, and his, Business Man, in his first chapter.) Ophiel writes this farther on, in his chapter; Elemental Earth Plus More Knowledge:

“There were always a few people, in live existence, who had some pretty sound ideas as to what was True about Physical Existence. These men, ancient and modern, most of them High Priests of the Ancient Religions, and other higher ups, were not able to convey this higher type of insight-knowledge to the masses. Therefore, they embodied many basic Truths, in stories, Fables and Symbols, and set these before the masses, watching for those who would be aroused, whose attention would be attracted by some flash that these people would show during the ordinary course of standard worship – such as an intelligent asking of questions of the Priests, which would show to the Priests that an, insight penetration, had occurred to the person. When this happened, the person would be admitted to the higher information.” End quote.

Therefore, they embodied many basic Truths, in stories, Fables and Symbols = this is ‘how!’, the present writer, understands(?), the/their ‘basic techniques,’ via ‘Planes/Levels/Symbols,’ etc. Ophiel explains this/the above ‘method,’ in two vignettes; The Thread and Prometheus & Epimetheus, as ‘chumming bait.’

Here is how Ophiel finishes off his chapter; Elemental Earth Plus More Knowledge:

“I have herein so far, referred to the Five Elemental Forces as; Ether; Air; Fire; Water and Earth. I want you now to learn the Hindu names for these elements – Ether is Akasha, as you know. Air is Vayu; Fire is Tejas; Water is Apas, and Earth is Prithivi. From now on, we will use these names more or less, interchangeably, so learn them. I will also here part with another Occult Secret – All the above mentioned Tattvas, are, together, collectively known as, PRANA! PRANA IS THE FIVE ELEMENTAL FORCES IN OPERATION... PRANA IS ALSO THE DEMI-GOD OR DEMIURGOS. The above contains plenty of material for your

meditation, and for a long time.” End quote. (Capitols are Ophiel’s.)

Can you? Are you? the reader/occultist(?), able to ‘see?’, the/your basic cosmic egg and/or basic chair exercise, in the above Ophiel quote? Here now, is what Ophiel writes, in his next chapter, of his book; A & P of Occult.

“The most outstanding Quality of Elemental Water is CONTRACTION, shrinking; shrinkage. We can note, in passing, that Physical Water, cannot be physically compressed, not one iota. And this follows naturally, the Quality of water above, referred too. You might say, that Occult, metaphysical Water, is in the process of becoming ‘real’ Water, and while it is becoming it is also in the process of contraction or condensation. When it reaches its ‘final’ form ‘real’ water, it then in the state of Earth-like Water, or could be said, **Earth of Water**, and then, no further contraction is possible, having reached the Physical and Metaphysical limit.” End quote.

#0, Outer, outer physically physical water, is = Physical-Earth-of-Earth-of-Water and as such = physically physical – it can only be ‘used?’. Please read this, it is from Ophiel’s same book; A & P of the Occult, his chapter; The Four Winds;

“There is also an Earth of Air, and other earths of Fire, of Water, which we did not mention before, so please note the following – in each case when it is the turnoff Earth to form a combination the combination follows the combination of Fire and occurs at an imaginary place, where the section of a letter of Tetragrammaton passes int the next letter of the Tetragrammaton – the next letter; **IS THE EARTH OF THE PRECEDING COMBINATION**. Thus, in the case of where we are now, **The Fire letter/space of Tetragrammaton, IS THE EARTH OF AIR**.” End quote (Capitols are Ophiel’s.)

Here is what Ophiel writes, in his book; Caballa magic, in his chapter four; Workings.

“There was one factual point I overlooked, in the previous presentation. Take a look at the Tree again; Fig. 1a. Note; Each of the three (3), Sephiroth triangles has Air; Fire and Water, in it, but no apparent element of Earth, except, you can see the word, Earth, repeated three times. Please note: in this case, the Element Earth, is represented by the next three, lower down Sephiroth!!!” End quote.

Physically Physical Earth, **IS!** the elemental earth – principle! to/of/for – the/your #1,

Malkuth Earth/Hades Plane, and thus, IS! the earth-of = the earth-of-earth = North Quarter of the/your Elemental Earth/Hades Plane = Psychic-Tactile-Feel-ing!?! = which feel-ing – IS! = belief; believe; believed; believe-ing - which then = ANIMATES THE/YOUR #0, OUTER, OUTER PHYSICALLY PHYSICAL BODY!?! And, depending on the = JUDGEMENTS/INTERFERENCE OF? – the/your #3, Ego Body, Present Incarnation, Personality Body – is use; uses; used; use-ing, success or failure. (Egg and/or Chair exercises, will/shall ‘reveal/explain’ the above information, to you – Conscious, as you work through them.) Ophiel continues, in his chapter; The Elemental Force of Water, in his book; A & P of Occult:

“I will say now, that each Elemental Force ‘rules’ a Plane, or, rather, rules its own Plane. Hence, the Element of Earth ‘rules’ the Physical Plane, even though, the Elemental Force, of Elemental Earth is not the SAME as Physical Earth, as I repeat to enforce this distinction, which, please keep in mind, as this idea is the very essence, of Magical Practices.” End quote. (Underlines are the present writers.)

There is no need to ‘labour’ the point(?), that each plane is ‘unique,’ and has its own, Laws; Rules & Governances of/for Operating, and, as point out by Ophiel above, each plane is ‘receptive’ to the ‘plane’ above it and ‘active’ to the ‘plane’ below it.

But, as anyone can/see read above, the main principle, to/of/for – any/all, planes below, is the principle, of the element force, of the element, element earth. And? As everyone(?), in/on this particular Ophiel Magic Group site, knows(?), understands(?), this, principle, is; STOP; HALT; ADVERSE; OPPOSE; RESIST and INERT!?! And, in/on the/your #1, Malkuth Earth/Hades Plane, this INERTIA = PASSIVE ACCEPTANCE (None Judgemental!) is, express-ed, as = PSYCHIC-TACTILE-FEEL-ING-BELIEVE-ING!?! Here is how Ophiel, finishes, his chapter; The Elemental Force of Fire; with his; Message from the Emerald Tablet.

*True, without falsehood, certain and most true, that which is above is the same as that which is below, and that which is below is the same as that which is above, for the performance of the miracles of the One Thing. And as all Things are from One, by the mediation of One, so all things have their birth from this One Thing by adaptation. The sun is its, Father; the Moon is its, Mother; The Wind, carries it, in its belly; its nurse is the Earth. This is the, Father of all perfection, or, consummation of the whole world. Its power is inter-grating, if it is turned into Earth.*

*You shall separate the earth from the fire, the subtle from the gross, suavely, and with great*

*ingenuity and skill. Your skilful work ascends from earth to heaven and descends again to earth, and receives the power of the superiors and of the inferiors. So, thou hast the glory of the whole world – therefore, let all obscurity flee before thee. This is the strong force of all forces, overcoming every subtle and penetrating every solid thing. So, the world was created. Hence were all wonderful adaptations, of which this is the manner. Therefore, I am called Hermes Trismegistus, having the three parts, of the philosophy of the whole world. What I have to tell is completed, concerning the Operation of the Sun. Please study the above.” End quote.*

We shall simply go for ‘context’ with the above, in relation to what has gone before, as there is/are several of you, out there, in the group, who will/shall grasp the information/presentation, very, very, quickly.

**True, without falsehood, certain and most true**: facts, actualities, realities, which are the same/constant, for everyone, all individuals, no matter where, geographically or what historical time period, it is.

**That which is above, is the same as, that which is below, and that, which is below, is the same as that, which is above, for the performance of the miracles of the One Thing**; the One Thing = is the Astral-Light; Demiurge; The Above, is the/your #2, Etheric to Kether planes: The Below, is the/your #1, Malkuth Earth/Hades Plane. The ‘**same as**’ means, that there is/are will be ‘no distinctions/separations?’, between the operator and/or, the operation. **YOU!** – the operator/occultist(?), **are(!)**, the exercise/ritual/prayer/talisman/treasure chart, etc; etc.

**And as all Things are from One, by the mediation of One, so all things have their birth from this One Thing by adaptation**; Mediate, from Latin; mediatus/mediare – to halve; be in the middle. Adaptation, from the Latin ‘aptus = fitted; suited; proper; appropriate, from ‘aere = **to join; to attach; to tie to; to bind**’; from the PIE Root word; ap(1) = to grasp; to reach; to take; to hold. (Define; Three-Dimensional-ise; Symbol-ise.)

**The sun is its, Father; the Moon is its, Mother; The Wind, carries it, in its belly; its nurse is the Earth. This is the, Father of all perfection, or, consummation of the whole world. Its power is inter-grating, if it is turned into Earth.**

Wind/Belly/Action/Movement Plane =Elemental Air - Sphere = Archetypal Plane/Foundation/creation. Sun/Father/Astral/Emotional Plane = Elemental Fire – Inverted

Pyramid;

Moon/Mother/Gestation/Reflection/Visualisation Plane = Elemental Water - Bowl;

Nurse/Nurture/Sustain/Not Changing = Elemental Earth – Cube.

Father of all perfection – Akasha/Akashic Plane – Egg.

Those members who have tired; tested and/or used, the/their basic cosmic egg and/or basic chair exercises, are/will be, doing/using the above information, in a very natural/normal way, with the minimum of disruption to their ‘internal workings/operations?’, so that the/their ‘now’ lives/actions, will not widely/wildly – disrupted? But, will/shall, have a, natural organic extension of who/what their ‘own!’, personal/individual aims/goals are.

Thank you.
