1 of 1 what next? 2022

The present writer at this time has one more folder, with 1 to 17 egg work, to be presented after the/current one, 1 to 17 psychic exercises, and they have no idea? of what is after that, or what is to come. Perhaps it will just simply be presentations of variations/applications, from what has gone before. The present writer is constantly amazed, at what the worthy ancients knew, in their day about the workings/operations of/for the/their sub-conscious-ness and large amounts of direct ‘advancement,’ that they had/possessed, because of it.

The manipulation of large amounts of populations/persons/individuals, through/by/with, SYMBOL-ISM/ICON-ISM in the context of Belief/Beliefs, was/is staggering, and the fact, that not one(?) organisation is aware, awake, conscious to/of this. What was once, national SYMBOL-ISM/ICON-ISM is now referred to, as COMMERCIAL-ISM through ‘Brand/Product,’ loyalty.

Ism = a word-forming element, which makes nouns that imply a type/kind of – doctrine; system; code; conduct; practice, etc. From the Latin; isma/ismus via the Greek; ismos, a noun ending, which would signify the practice or teaching of thing/subject. This is from the stem of verbs, as in – izein, a verb-forming, which shows the ‘doing action,’ of a noun/adjective, to which it has been ‘attached.’

Ity = is another word-forming element, which makes ‘abstract,’ nouns, from adjectives and/or meaning the ‘condition/quality/quantitative-ness,’ of/for a subject or thing. Latin; itatem/itas suffix, which denotes the state or condition of a thing/situation/circumstance. Ity, would usually mean what the ‘quality of being,’ whatever/whichever the ‘adjective,’ describes to/for the individual, concretely/absolutely, as a/an, instance/quality and, more importantly – collectively, as a group. Whereas, the ending ‘ism,’ means the ‘disposition/collectively/ity,’ of all those, instances, which one feels or the collective group, feels?

Ing = is another principle word used, which is attached to verbs, and means the verbs (doing,) action; result; product; material action/acting. Which is/comes from the, Old English (middle 7th century until 1066, when the upper ruling French classes, introduced new word/meanings.) It, *ing*, was used to indicate/inform/instruct of, habitual or completed, actions. Its use, was then greatly expanded, throughout Middle and Modern English.

Because of its intrinsic? nature, the wider/general occult? field, is scattered/littered and pitted, with; Ism; Ity and Ing, along with many, many, now defunct/deficient ‘words,’ which are simply ‘used as expressions,’ and do not/have not, any ‘connection/contact,’ to/with, their original ‘meaningful,’ expression. Ophiel writes about this, in his books. Ophiel writes that these words have ‘lost,’ their original ‘esoteric = inner,’ meanings, and so

imply/infer/convey, nothing, to the reader/recipient of them. The expression = esoteric, is from the second century Greek and was used as an ‘expression,’ by an author of the name; Lucian of Samosata, who used it ‘esoteric,’ as a ‘tongue in cheek,’ expression, to debunk magical/religious superstition of his day. The word itself ‘esoteric,’ is/means = belonging to an ‘inner circle,’ (from the Greek; esôterikós.) (This, ‘inner circle,’ was proposed by Ophiel, in his, Gnostic school.)

In the case of the word; exoteric, this means; from/out of, outside; this is anything which is universally public, knowledge or experience, makes no difference. It doesn’t matter, if ‘exoteric,’ knowledge/information comes easily or automatically to the individual, but... it is of prime importance and demonstrative of ‘proofs,’ that the said; knowledge/information, is/can be = **reproduced and is/or referenceable**.

To this end, the present writer, presents, about the/your #1, Malkuth Earth/Hades Plane, which is where the/your(?), **Psychic** abilities/possibilities, stems from and, in keeping with Ophiel’s writings, is the, plane = above; over; before; higher and in-front of, the/your #0, Outer, outer physically physical plane, which is you = below; under; after; lower and **behind!**

All, sensations of/for; Adverse; Opposed; Obstacle, stems from the/this/your = #1, Malkuth Earth/Hades Plane! and, it is from, the/this/your #1, Malkuth Earth/Hades Plane? from which, you – Conscious, as a ness = **work-off-of-from**? Do you? Can you? Are you? the reader, operator, practitioner, occultist(?), able to understand? this? = Conscious, as a ness = **work-off-of-from**? Judge-ing(?), from the types/kinds of e-mails, that the present writer receives, seemingly not?

Inert/Inertia (noun). The property/inherent ability, of inner plane, #1, Malkuth Earth/Hades, **Element Force**, which, by/with its own ‘virtue,’ remains/retains, its state of rest/inactivity/passive receptive-ness, so long as there is/are, no outside Force/Forces, acting upon it, which will/shall cause/causes, it, #1, Malkuth Earth/Hades, **Element Force**, to change its state/condition. It was the 17th Century German astronomer, Johan Kepler; 1751-1630, as a special sense, from the Latin, word; inertia = un-skilful-ness; ignorance; idle-ness; inactivity. From, the Latin word; iners/inertis = unskilled/inactive - inactivity; who introduced this idea, as a term/explanation, and it/this, was used by Sir Isaac Newton, in 1687, as the ‘force of inertia,’ to explain it, in modern Latin. It was in 1822, in English, that the/this classical Latin term/sense, was seen as; passive-ness, apathy, hence inactivity, hence ‘not,’ engaged/attached to/with, the/a/any other force being used/exerted?

Inert (adjective.) is; without its own ‘inherent,’ force. Having no ‘self-power,’ to act/respond? (See/read Ophiel, for this, in his book; Contacting the Demiurge.) Inert, from the Latin; inertem/iners = unskilled; incompetent; inactive; helpless; weak; sluggish; passive; impotent. Compound word, of/from; in = without, not, opposite of? + ars = skill; art; expression; neutral.

Now, the reason(?), of/for this, seemingly not, being able to understand? is simply down to being, #3, Ego body, present incarnation, personality body, dominated?

This type/kind of thing, is evidenced, not only in types/kinds of failures, which the individual experiences, but also, in the types/kinds of choices, that they/these, individuals feel compelled(?) to make? Also, all failed? occult, can be traced? back, to many of the/these, #3, ego body, choices? The present writer, hears their favourite expression, from these individuals, as; oh, yeah, tried that, it doesn't work! (Especially? when they refer to, diets?) and in general, with occult? practices/actions – read that! doesn't work!

The present writer would ask occult, persons, if they knew? that they couldn't, change/alter/amend/adjust, the/their #0, Outer, outer physically physical plane – from? – the/their #0, Outer, outer physically physical plane, and the would say; yeah sure! So, the present writer would ask them; then, why? isn't it 'working?' for you?? = It doesn't matter, if 'exoteric,' knowledge/information comes easily or automatically to the individual, but... it is of prime importance and demonstrative of 'proofs,' that the said; knowledge/information, is/can be = **reproduced and is/or referenceable**.

This the above yellow highlight, is what Ophiel's materials are all about, but... Ophiel's materials are not static! Ophiel would be disappointed, if all his efforts, were for nothing, and/or/if, his techniques, didn't work. Ophiel knew that not everyone, would be able to get his materials, to work/operate for them as witness, Ophiel's comments, in his vignette; Acceptance:

"I am not sure as to how the acceptance is with others personally but I have noticed some very peculiar happenings in the world due to this uncritical acceptance of things. For example, I am trying to work with several people here in the matter of Supply for them. I have discovered, to my surprise that they have a kind of basic indifference to the doing of the operations, that can lead to the supply of goodies for this world's use.

I give them directions and show them how to set up the pattern, and then I find that they do not follow up but just act lackadaisical and frivolous about it, meanwhile being on the edge of lack of goodies to live a nice life style.

I was not that way at all. I found lack to be very degrading, and I worked like hell to get around and over the obstacles that held me up. I am now on Easy Street; I can still do better and I am working on it all the time." End quote. (Underlines are the present writers.)

In the above Ophiel quote, is/are those who are #3, Ego Body 'dominated,' and who, make/choose, #3, Ego Body decisions, in a kind/type of un-aware; un-awake and un-conscious state/condition, of ness.

Ness, is another of the word-forming elements, and is from the Proto-Germanic, and denotes the/a/an, state, action, or quality, which is/can be attached to adjective or past-participle, in

order to form/make a/an, abstract noun. Ness = to project; to protrude; jut-forth; stand out. In the Latin, the same thing is expressed as; **tude**.

In the presentations, from the present writer, the emphasis, is placed on the individual's conscious ability to recognise/realise, the wayward-ness, of their own, #3, Ego Body, and it's; **attitude** = mental stance? posture? pose? fixed posture? Set/Rigid view – this is me? this is who/what – I-AM = conscious-ness(?) of being? now! This situation, is caused/created/made, by/with the, #3, Ego Body's, **Piggy-Back**-ing, in/on Conscious, whenever it - Conscious, is 'in,' a ness, state/condition?

To be, in a ness, state/condition, is perfectly natural/normal, but what isn't normal, is the un-awake; un-aware and un-conscious-ness, of it/this, condition? This, un-awake; un-aware and un-conscious-ness, again, is brought about by/with/through, the #3, Ego Body's, ability, to **piggy-back**, in/on conscious, whenever, if ever, it – conscious, is 'in' a ness, state/condition. This, **piggy-back**-ing, is brought out, in Ophiel's book; Astral Projection and Dream Method.

First, in Ophiel's, Little System, wherein, he, Ophiel, instructs his students, to observe, first, in/on the/their #0, outer, outer physically physical plane, and then, in/on the/his, Dream Method, wherein he asks, that his students, write down, as much, detail, as they can, thus, stimulating, the individuals, powers for, observe-ing.

But... both these techniques, are in/on the #2, Etheric Plane Visualisation?

But... both these observations, are in/on the #2, Etheric Plane Visualisation?

First, in the present writers, Basic Cosmic Egg exercise, wherein, you are instructed, to observe, first, in/on the/your #0, outer, outer physically physical plane, and then, in/on the/your, Basic chair exercise, wherein you are asked to, **psychically-tactilely-feel**, as much, detail, as they can, thus, stimulating, the individuals, powers for, observe-ing.

But... both these techniques, are in/on the #1, Malkuth Plane **Psychic-Tactile-Feel**-ing?

But... both these observations, are in/on the #1, Malkuth Plane **Psychic-Tactile-Feel**-ing?

So! In the case, of observations? it is the/your, #3, Ego Body, Present Incarnation, Personality Body, who is responsible? for this/these – observations. Please read Ophiel's vignettes; The Two Dreamers and, The Two Creators. Everything, that is in the, Macrocosmic, is/comes from the, Microcosmic, and is/has been, transferred, projected, into/onto, the #0, Outer, outer physically physical world, about you now, through/by/with, the #0, Outer, outer physically physical body = actions/doings, needs/wants, desires/broodings, based on(?), the/these, your, observations?

Your inquiry about Ophiel's various vignettes: where he (Ophiel,) references, the ole crazy book (Bible,) so called/name 'ole crazy book!' because it drives everyone/everybody 'Crazy!' (As does/do, many others??), comes from the, conversation of the cave; desert; forest; waste; expanses, etc, etc. Wherein the 'impact?' of/for, sensory deprivation, are

increased/enhanced, to the point/place, where the ‘incumbent/resident,’ #3, Ego Body, loses its, strangle hold? on the #0 &+ #1 bodies. In the conversation, the personal/individual = Adversary; Opposer, is made to say; Give you = #2, the Power & Glory? of them? If you, Conscious, as a ness, will/shall:

Fall Down/Come down = Concede, (PIE Root word; ked – to go; to yield; to give away; to give way.)

Worship = value; worth; honour.

Me = #1, Malkuth Earth/Hades Plane.

#1 Malkuth = adverse; opposed; obstacle; resistance; inert; immobile.

Power = From the Latin; potis = Powerful; Able; Capable; Possible!

Glory = From the Latin; gloria = praise; honour; **renown**; fame!

Renown = what ‘**others**?’ hear? About you!?!

Glory, from the Greek word; Kleio = proclaimer; from; Kleiein = to tell of; to make famous; to make celebrate. From; Kleos = report; news; fame; renown; glory. From the Proto-Indo-European Root word; klew-yo, the suffixed form, from the root word; **Kleu = To Hear?** (See/read Ophiel’s book; The Oracle of Fortuna.)

So, the text reads; KJV Bible, Luke, 4:6. **And the devil said unto him; All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will, I give it.**

K-V-D – weight; heavy-ness; (כְּבוֹד) In the Greek interpretation of the Hebrew word importance; deference; substance and glory (heard of/about.) But, in the translation of the ole crazy book (Bible,) from the Greek word (δόξα) ‘**doxa**,’ which means, expectation, but alos, TO JUDGE!?! JUDGEMENT!?! (See/read previous ‘monologues,’ about; judge – deik = to show; reveal; display!?)

So, you take(?), all of the above? And you simply(?) do/practice, the/your basic cosmic egg and/or basic chair exercise = UNTIL YOU = #0, HEAR = GLORY? = **Psychically-Tactilely-Feel!**? from, the/your #1, Malkuth Earth/Hades Plane Body!

So, you take(?), all of the above? And you simply(?) do/practice, the/your basic cosmic egg and/or basic chair exercise, UNTIL YOU, #0, Make them? feel your!? POWER, to be able!? **Psychic-Tactile-Feel**-ing!

Also, in the above, is the indication/implication? that there is ‘transition/transfer?’ of? from one plane/level? to a/an ‘other?’ plane/level, with the; Adversary; Opposer; Obstacle? being a/an ‘intrinsic?’ necessary part of it?

“for all this, is delivered? unto me!?” Ophiel covers this, in his; Correspondence Course, in

Astral Projection; in his lesson #5, Ophiel writes this:

“In your Occult Development Work, it can be considered that you are making progress when you begin to ‘see’ Light ‘inside your head.’ This is one of the earliest pieces of evidence, of progress as aforesaid. Therefore, give some attention to this idea of Light. In the Little System work, you ‘see’ the counterpart station objects by the Inner Light or Astral Light, as it is called.” End quote.

And farther on, in this/his lesson, #5, we read this part.

“To those of you who are interested in a bit of science - this inner viewing is not actually bifocal, or two overlapping round fields of vision, as is possible with physical sight because of our two eyes, yet as well as I can recall there is a depth to the vision and a perspective, and this I am unable to account for. Try your experiments and see what you come up with.” End quote. (Underlines are the present writers.)

The present writer, came up with? the/their #1, Malkuth Earth/Hades Plane, Psychic-Tactile-Feel-ing. Farther along, we have this, from Ophiel. “The object of any Occult Teacher, or any God directed teacher should be to teach you to develop your own powers, as I have said a million times before, and that, believe me, is the only damn thing that should be of any interest to any Occult Student in the world.” End quote. (Underlines are the present writers.)

So now, in Ophiel’s lesson #8, we read this part:

“On page 71 in the textbook, I mentioned some advanced instructions regarding your Body of Light in feeling. In the textbook, I spoke of advancing a hand, a Body of Light hand and touching a counterpart object. There is another method, a more advanced method, which you will find a valuable adjutant in your future occult work. In order to use this operation, there are a few things I will have to partly go over again concerning the qualities of the Physical Plane? Remember again that ‘Inner Plane’ work, is not the same as ‘Outer Plane’ work, as you will learn in time/practice - remember what I told you about the new-born baby - well, you are like a new-born baby to these Inner Planes. So instead of reaching out a ‘Hand’ and ‘Feeling’ an outer object - you make the outer object, ‘feel you’ by becoming you! Which is the exact part I left out of the textbook, although I came quite close to it: So instead of ‘you’ being influenced by the feel of an object - the object is influenced by your feel!!!! Just the opposite from ‘real’ life!!” End quote. (Underlines are the present writers.)

You make the outer object, ‘feel you’ by becoming you! by/with, your(!), PSYCHICALLY-TACTILELY-FEEL-ING, ‘IT,’ your Object; Circumstance; Thing, about you, within you, and surrounding you! in the/your basic cosmic egg and/or basic chair, style.

Your statement, that you are very good, at visualising? Means very little, if you are visualising? With the/your 3, Ego Body? A sure-fire way/method, to find this out, if this, #3, ego body, is, what is, happening, is to check out, how you, Conscious, as a #1, Malkuth

Earth/Hades, ness, psychically-tactilely-feel, about your visualisations? Here is how, Ophiel writes it, in this, his lesson, #8, Astral Projection, course:

“There now exists, at this point in your development, a chance for a big, nice error in your Occult development work. Many students reach this point, in their Occult development, where the two previously described ‘new’ hearing and seeing come about, and due to their lack of knowledge development, (having not grown into it as you did in these lessons) violently mistake and misunderstand the Occult meaning of the ‘different’ hearing and seeing and imagine all sorts of wild things - that there are world saving Christ’s and Gods and all sorts of crazy things. Do you see how this can happen?” End quote.

To finish off, we read the above from Ophiel, in #1, context; “There now exists, at this point in your development, a chance for a big, nice error in your Occult development work. Many students reach this point, in their Occult development, where the two previously described ‘new’ hearing = Glory, and, seeing = Power, come about, and due to their lack of knowledge development, (having not grown into it as you did in these lessons), violently mistake and misunderstand the Occult meaning, of the ‘different’ hearing = Glory, and, seeing = Power, and #3, Ego Body, imagine – emotionally, #3, egotistically, all sorts of wild things? that there are, world saving Christ’s and Gods, and all sorts of crazy things. Do you see how this can happen?

So? Imagine now, if you can? That, the/their(?), Power – to be able, and their Glory – were, are delivered to? your, you? #1, Malkuth Earth/Hades Plane, and then, to, your #0, outer, outer physically physical body? because you, Conscious, as a ‘ness,’ made them/it, feel you? because you, Conscious, as a ‘ness,’ became them?

So, the question is? Do you, Conscious, as a ‘ness,’ #1, Psychically-Tactilely-Feel-Believe? you have your object, circumstance, thing and/or IT? = ALREADY!?! (See/read Ophiel’s second book; Creative Visualisation, his chapter; Law of Emotion, and his KJV Bible quote: Mathew 11:23) or, as already pointed out, are you just #3, Ego Body, just showing? revealing? display-ing? What you, Conscious, as a, ness, already are? Remember, Neville Goddard; to pray for riches, whilst being, conscious, of being poor, is to be rewarded, with what you are conscious of.

Have you tried, pray-ing, (this word means; to ask/plead, earnestly, as you would do, in a Court of Law? In front of a ‘Judge?’), so, have you, conscious, as a ness, tried pray-ing, with, the/your, #1, Malkuth Earth/Hades Plane – psychic-tactile-feel-ing-believe-ing? or? is, the/your #3, Ego Body, Present, Incarnation, Personality Body? doing all the ‘judge-ing?’ for you – Conscious, as a ‘ness?’ Remember what Ophiel, writes, about ‘time?’ Here, to finish off, is what has already been presented, about time:

#2, Etheric Plane = Clairvoyance; Visualisation = future-time.

#1, Malkuth Plane = Psychic-Tactile-Feel-ing = now-time.

#0, Physical Plane = Use; Use-ing; Uses; Used = real-time.

Go back and read again, what Ophiel writes about, a/an un-disciplined, un-trained, un-developed, #3, Ego Body, in/on the, #2, plane and above.

By/with/through, the basic cosmic egg and/or basic chair exercises, each 'body,' is brought into play, in a **constructive/connective**, way/method, that both you, #3 and Conscious, can 'come together,' as 'one?' (See/read Ophiel, for this 'come together,' becoming a master; Conscious and #3, merge-ing. Same book; Creative Visualisation, his chapter; Law of the Barrier.)

The present writer shall, send, this to the group as a whole, as you may not be, the only '#3,' to have 'missed, the mark!'

Thank you.
