Ophiel, as indicated in his vignette, under review; Acceptance, found, lack to be degrading! Having Ophiel's #0 &+ #3, accept-ing this, he, **AGREED-WITH**, the/his (Ophiel's,) #1, Malkuth Earth/Hades, **psychic-tactile-feel**-ing self! He, Ophiel, then proceeded, through/by/with, his #0, Outer, outer physically physical plane/body actions/doings, began his own(!) Fight; Struggle; Opposition; Adverse-ness; Obstacle; to hold; grip; grasp; grab; his(!), lack is degrading, and he (Ophiel,) **WORKED OFF OF/FROM THIS**!?!

You can read, in Ophiel's writings, wherein he (Ophiel), writes that; **RESISTANCE IS THE LIFE BLOOD OF/FOR THIS FORCE**! #1, Malkuth Earth/Hades! Here is another easy example, from Ophiel, to describe this resistance? from his book; Contacting the Demiurge, his chapter; Opening;

“It would seem to me, that the time has come, in the course of the history of the world, to realise there is no such thing as active evil oppositions; and that what appears to be such, is an illusion born of our ignorance and misunderstanding. There exists, on this Earth plane, a dual-ness, but... it is more or less, only a give and a take; an ebb and flow; a rising and a falling and a coming and a going.

When all things are on the upswing, then God, is in his heaven, and all is right with the world. When all things are on the downswing, then the Devil reigns and all hell breaks loose. And yet all is the same one thing – not two things - just the way the One Thing if functioning. And that is all there is to it. No matter how many Devil's men create to fill the 'evil' void, to explain the fallbacks, it is only the duality of the physical world, which is to blame for life being what it is.

When, and ever, mankind, in bulk, will emerge from the mind's 'dark ages,' of thinking and perceive that duality IS existence, and, in fact, is necessary; that there is no such thing as black and white, then he will control, and then will an understanding of this physical world come about; **and what has been called Evil, for thousands of years, will become the salvation of the race, in their Thinking**. So, again, to repeat, for emphasis, while there are dual Forces, these dual Forces **are not evil, or bad, or good, or pure, or holy, but are supremely natural**.” End quote. (Underlines are the present writers.)

Here is how Ophiel finishes off his/this chapter; Opening:

“One important factor you must remember now, and always, and I will insert here early; **in Occult Arts work, you must allow for mundane TIME. I will go into Time later on**, but very little Occult work had been done on Time, and its relation to the Occult Arts. Time seems to be the stuff, out of which, this material plane world is made. As Benjamin Franklin said; “Don't waste Time, for that is the stuff life is made of.”

#2, Etheric Plane – Visualisation = future-time – Clairvoyance.

#1, Malkuth Plane – Defining; Three-dimensional-ising; Symbol-ising = now-time - **Psychic-Tactile-Feeling**.

#0, Physical Plane – Use; Use-ing; Uses; Used = real-time = Physically Physical – action/doing.

#2, Etheric Plane – Pre-thinking = visualising – Clairvoyance – future time.

#1, Malkuth Plane – Pre-planning = tactile-feel-ing – **Psychic** – now-time.

#0, Physical Plane – Pre-pairing = use; using; uses; used – Action/Doing – real-time.

One of the ways/methods, to be/become successful, is to provide a service, to/of/for, the largest numbers of people, and then, charge them, for that service, at the highest price, for which they are willing to pay you!?! The present writer has never met a millionaire, who kept? their money/wealth. Every dollar, they sent out = returned!?! to them, as a, dollar forty? the millionaire kept! the/their forty cents, and then proceeded to send out? THE/THIS SAME DOLLAR? – ONLY TO HAVE IT (THEIR = DOLLAR) RETURN TO THEM AGAIN!?! = WITH ANOTHER!?! FORTY CENTS!?! And so on, and so on! Project all you want!

Astral/Etheric Plane, all you want! but...! the laws; rules & governances, of/for the/your #1, and #0, outer, outer physically physical plane, must be adhered to!?! just the same as any/all other planes/levels!?!

Do not **agree-with**, the/your #1, malkuth earth/hades plane, **with** the/your, #3, ego body = judge; judge-ing; judged; judge-ments!?! and or/nor, **with** the/your, #2, etheric visualisations reflections/dreams. The/your #1, malkuth earth/hades plane, does not! will not! cannot! see them!?! = #2, etheric visualisations, there are/is, no Lights!?! in/on the/your, #1, Malkuth Earth/Hades Plane!?! please remember, try to recall, that all of the/these, monologues, is/are, about **PSYCHIC!** development, now-time, and NOT! Clairvoyant development, future-time!?!

Once this understanding/knowledge, is brought to, the/your Conscious, aware-ness; awake-ness; then it is but one small step, for you, Conscious, to create/make the type/kind of ness, that will/shall confirm/conform? to your senses? that you are/can/do, make progress, in the arousing; developing; of the your latent/dormant, **Psychic Abilities!**?! This, the above, is very, very, easy to Observe? in the/your, basic cosmic egg and/or basic chair exercises, #0, real-time = use; use-ing; uses; used!?!

In the basic cosmic egg exercise, you Conscious, as a, ness, enter(!), the/your #1, Malkuth Earth/Hades Plane, and once, in, there? you Conscious, as a, ness, proceed to follow, harmonise; co-operate; share; partner, the/your #1, Malkuth Earth/Hades Plane, laws; rules & governances, this means that whatever(?) the/your #3, ego body, thinks/feels, doesn't matter!

Remembering/Recalling, as the/your #3, ego body = **piggy-backs**!? in/on, Conscious, as it, Conscious, is/becomes, a #1, ness = protrusion; projection; jutting forth; standing out;

No matter which plane/level, you, Conscious, as a ness, enter? The/your #3, Ego Body, isn't going to change/alter!? instantly or overnight!? over time? yes! but **first**! comes learning, then mastering; then developing and then, succeeding!?

Ophiel didn't visualise? the 'amount,' of milk, he had to pour!?

Ophiel didn't visualise? 'which,' watermelon, was ripe!?

Ophiel didn't visualise? on his gas-pedal, 'how much,' pressure, he had to apply!?

Ophiel = **psychically-tactilely-felt**!? = This amount! This one! This much!

There was, **no clairvoyance involved**!? this was because of? the '**time**' involved!?

#2, Etheric = **future**-time – Clairvoyance!

#1, Malkuth = **now**-time – **PSYCHIC**!

#0, Physical = **real**-time – Use; Use-ing; Uses; Used!

The/your basic cosmic egg and/or basic chair exercises, are both, **now-time** exercises = **Psychic**!

The/your basic cosmic egg and/or basic chair exercises, are both, **real-time** exercises = **Physical**!

Can you, Do you, Are, you, able to realise/actualise, the above, two-step process? Try it this way! In the/your real-time world, you, the occultist(?) need-a-real, now-time-answer!?! a, yes/no! So, whatever technique? you are going to use? the occult? has to be in, the answer! and the occult is in? the/your, **psychic-tactile-feel**-ing!? **now-time**!?! Which, **now-time**, **psychic**, = moves/animates, the/your **real-time** #0, body, **actions/doings**!?!?

Basic Cosmic Egg exercise, enhances/increases/develops, the/your **recognition**, of/for, adverse; opposed; obstacle; inert; inertia; resistance; stop; halt! in the/your, **psychic-tactile-feel**-ing? of/for elemental **forces**, defined as; three-dimensional; symbol-ical, shapes; forms?

Basic Chair exercise, enhances/increases/develops, the location/movement, to/towards, the/your fixed-point; Push down to stand up; Push up to sit-down; Push back to move forwards; Push forwards to move back; and! big obvious, ness!?! yes, you guessed it? project out!?! to project in!?! and, project in!?! to project out!?! Too much? Too difficult? Too hard? Too Complicated? Well, too bad!?! You can read where Ophiel writes, that you, the reader;

operator; practitioner; occultist(?), have to in, the universe, in order to 'out' it!?!

The basic chair exercise, develops/enhances/increases, the/your, **Psychic** sight? It is stupid to compare #0, eye-sight, to/with, #1, eye-sight? Since you, the reader, already know(?), that you have no eyes? In/on the/your inner-planes, so, as Ophiel writes, you just have to persevere, until it clicks? for you, and you Conscious, are able to see/feel? the your #1, Malkuth Earth/Hades Plane/Body, move(?), in a/an adverse; opposing; oppositional; obstacle, way? Sitting/Standing, Standing/Sitting, is one of the more, easier, of ways/methods, to learn/develop and enhance, your, latent; dormant; atrophied, **Psychic**, abilities. So, supposing, you felt, that; Lack/Lacking? was/is, for you, shameful? What would be? the opposite? of/for, the/this, Condition/State? So! Having **AGREED-WITH**!? The/this/your **feel**-ing? Emotionally(?) that, Lack, is Degrading! What is its opposite? what was Ophiel's, #0, outer, outer physically physical actions/doings!? How? In what way? Did Ophiel, **work off of/from**, **it**, lack? He, Ophiel, writes; that he worked like hell!? to get from/under the obstacles, that held him up!?

If you, the reader, are a, drone = worker bee? then chances are(?), that you will/may never; Provide A Wide Service, to anyone, other than the/your employer? And thus, you live out your life/living on a salary? If you are a, queen bee? then chances are(?), that you will be/shall be a, Provider, of a wide service, to everyone, in your field, for which you can then charge, at the highest price, that they, the consumer, is willing to pay you!

Lack – attracts – Plenty!

War – attracts – Peace!

Dry – attracts – Wet!

Hot – attracts – Cold!

Dark – attracts – Light!

Famine – attracts – Feast!

Roles can be, will be, are **reversed**!? at any/all times!? (see/read Ophiel, for this!) but! it is through by/with, actions/doings!? that any/all forces, are sustained/maintained, prolonged, bound/tied/bind!? (Cycles/Seasons, show/demonstrate, this, the above table.) The/your #0, Outer, outer physically physical, actions/doings, are attached, attracted, drawn, to/towards you, #0, via the/your #1, malkuth earth/hades plane, **psychic-tactile-feel**-ing; define-ing; three-dimensional-ising; symbol-ising!?

Ophiel, **PSYCHICALLY-TACTILELY-FELT**!? That, Lack is Degrading! and this is what Ophiel, **worked off of/from**! each day/every day. Here is what Ophiel writes, in his vignette; Acceptance;

“I found lack to be very degrading, and I worked like hell to get around and over the obstacles that held me up. I am now on Easy Street; I can still do better and I am working on it all the time.” End quote.

Please study these old occult sayings;

There is never enough, water, in the well, for the one who worries, about drought.

There is never enough, money, in the account, for the one who worries, about being poor.

There is never enough, health, in the body, for the one who worries, about being ill.

There is no success, for the one who worries, about failing.

It is never dry enough, for the one who worries, about floods.

It is never light enough, for the one who worries, about the dark.

Opposites Attract? (Only in/on the plane above, do you get/have, both sides, of the/a force, as one force.)

Worry (verb), from the 1300's = to slay; to kill; to injure by biting and shaking the throat. But... the Old English word, was – wyrgan – to strangle; constrict; restrict; limit! From the Proto-Germanic word; wurgjan. German; wurgen – to strangle; constrict; restrict; limit. From the Proto-Indo-European Root word; wer(2) – to turn; to bend; to incline; to induce (as in ‘direction’).

Here, once again, is how Ophiel finishes off his vignette; Acceptance.

“I am not too much conversant with the Hindu religion but I have heard of something called; ‘The Dance of Shiva,’ and I have heard that the Hindu regards this physical plane as a ‘hell’ or as a ‘play-drama-dance,’ which we enter voluntary, in order to learn to use our powers on our own creations!! Manipulate our own Creation-Selves!!! These are certainly some very different ideas than the Bible Belt Bible Thumpers. Give these ideas some meditation and see what you come up with! - So Be It!” End quote.

The present writer, has noticed, on many an occasion, where the individual's reluctance? to enter, the/their own, dark-ness; black-ness; blind-ness, is displayed/seen, in many, many ways? So, the trick is? to find out/discover/reveal, what, IT is? that the other person wants, and then supply IT, to them, at the/a price, which they are willing to pay!?

This is very, very, very easy, to see/observe, in the/our digital age, of immediate gratification? in/on the world wide web, with its endless supply of manufactured goods, services and supplies.

One of the most common of ways? for abundance, is in the High End, skills of the market, or

in the Mass Supply End, of the market, or in the Self-Employed End, of the market, and, if you look carefully, you can/will/shall!?! see the 'trick' is revealed, in the form/expression of, the, END USER? #0, OUTER, OUTER PHYSICALLY PHYSICAL YOU! a/an example; you reading this/these monologues = end user/recipient? In Ophiel's second book; Creative Visualisation, his chapter: The Law of the Reversal of the Planes, we read this part;

“The Occult Law of E-motions – As is usual in this work the Occult Law of E-motions goes on over into the next Law to come, the reversal Law. All these Laws are pretty well-connected and especially when we get out into these finespun distinctions as we are doing now. Here is another definition of E-motion.

AN EMOTION IS A THING THAT IS OF THE NATURE OF NOW-NESS. THERE CAN BE NO SUCH THING AS A FUTURE EMOTION. ALL EMOTIONS ARE NOW!!!

You can have an emotion about a thing that you think might come to you in the future, but the EMOTION YOU HAVE, IS RIGHT NOW! YOU CANNOT THINK OF AN EMOTION WITHOUT HAVING IT! The previous reasoning, is the basis, for working with emotions.

Another way you can look at it is this – **As the next plane to this, is reversed, to this one, you can regard it as a sort of mirror and you can see in that mirror the things that you already want. Suppose you come up to that plane-mirror (in your imagination,) well, there is the thing you want, visible on that reversed-Inner-Plane-mirror!!** And being as it exists there now, by your work of visualising it there, THEN THE MEANS OF ITS EXISTENCE ON THAT INNER PLANE HAD TO COME INTO BEING TOO, JUST HAD TO OR YOU WOULD COULD NOT EVEN SEE IT IN YOUR MIND/PICTURE IMAGINATION THERE!

Therefore, by your creation of the imagination image, you brought the means of its existence into being too! And the reason you can do this, is because of the reversed nature of the plane next to this plane 'above.'

Now look! If you do not get too far off the beam, by day dreaming, you can, in fantasy, trace back a possible line of creation, of the mirrored object, **AND THEN, WHEN YOU GET BACK FAR ENOUGH, ATTEMPT TO LINK THAT FANTASY LINE, WITH, YOUR SPHERE OF AVAILABILITY!!**

You can try this. I guess it won't hurt, as long as you keep your perspective! Use any sort of thinking; feeling; fantasy; day dreaming and planning, researching whatever it is, that suits your nature. Feel free, to experiment all you please and do it freely, keeping in mind, that you are day-dreaming and you know it, but... remember, that back of it all, lies your – SPHERE OF AVAILABILITY, IN REALITY.” End quote.

As the next plane to this, is reversed, to this one, you can regard it as a sort of mirror and you can see in that mirror the things that you already want. Suppose you come up to that plane-mirror (in your imagination,) well, there is the thing you want, visible on that reversed-Inner-

Plane-mirror!!

ALL 'MIRRORS?' REFLECT IN 'REVERSE'!?!

#2, etheric visualisation = reversed!

#1, malkuth earth/hades = resisted!

#0, outer physical earth = used!

To avoid? The, #2, etheric = reversed = about face/turn and back-into-it!?

To avoid? The, #1, malkuth = resistance = agree-with-it!?

To avoid? The, #0, physical = lack! = provide a service/path!?

As the next plane to this, is, #1, reversed, to this one, #0, you can regard it as a sort of mirror and you can see in that mirror the things that you already have? Suppose you come up to that #1, malkuth earth/hades plane-mirror (in your image-ation) well, there is, the thing you want, visible = as the/your psychic-tactile-feel-ing! in/on that/your, reversed-Inner-Plane-mirror = #1, Malkuth Earth/Hades, from which you, #0, Conscious, as a ness, are going to Agree-With! and WORK-OFF-OF/FROM! But...! the/your right-side, will be/shall be, in/on their left-side? but...! the/your, top, will be/shall be the/their bottom? So, mentally/imaginatively, about face/turn, and back into/onto them/it!? Does the tarot card; XXI THE WORLD? Seem a little clearer to you now? In the above, Occult? does the secret? Hidden for millennia, in plain sight? mean anything to you, the reader now? So, the secret? of/for the plains, should be fairly out, in the open? So, that you, the reader, occultist? Can take your time, and work it out, for yourself?

#2 = Etheric reflection = mirror, reversed!

#1 = Malkuth resistance = adverse; oppose; obstacle; resistance; inertia; inert; immobile; fixed; stop/halt!

#0 = Earth used = real-time!

Does this/the above three, not explain, the/your occult? to you, the reader; operator; practitioner; operator!? and if not? then why? not!? How is this, for context? from the above Ophiel quote.

The Occult Law of Psychic-Tactile-Feel-ing. As is usual in this work, the Occult Law Psychic-Tactile-Feel-ing, goes on over into the next Law to come, the reversal Law. All these Laws are pretty well-connected and especially when we get out into these fine-spun distinctions as we are doing now. Here is another definition of/for Psychic-Tactile-Feel-ing. A Psychic-Tactile-Feel-ing; IS A THING THAT IS OF THE NATURE OF NOW-NESS.

THERE CAN BE NO SUCH THING AS A FUTURE Psychic-Tactile-Feel-ing.

ALL **Psychic-Tactile-Feel**-ings, ARE NOW! You can have an emotion, about a thing that you think might come to you in the future, but the **Psychic-Tactile-Feel**-ing, **YOU HAVE, IS RIGHT NOW! YOU CANNOT HAVE A Psychic-Tactile-Feel-ing, OF AN EMOTION, WITHOUT HAVING IT!**

BUT...! **UNLESS AND UNTIL**? THE/YOUR #1, MALKUTH EARTH/HADES, **BELIEVES**? the/this/your = **Psychic-Tactile-Feel**-ing = **NOTHING(?) HAPPENS!?!**

Just because you, #0 &+ #3, are not aware; awake; conscious, to/of/for, a **Psychic-Tactile-Feel**-ing, will not/shall not/does not! **STOP IT** (The, Belief/Believe-ing?) **FROM HAPPENING TO YOU!** #0!?! (See/read Ophiel's book; Contacting the Demiurge, for this.)

Remember? Recall? The Gnostic Teaching, Instruction, Guidance, of/from, Valentinus, in his description of/for the Demiurge, which he said; was not 'Evil,' (As does Ophiel, in his book; Contacting the Demiurge.) Valentinus, described/describes, the Demiurge/Astral Light, at the/your #1, Malkuth Earth/Hades Level, as; **IGNORANT? UN-AWARE? UN-CONSCIOUS? NOT KNOWING?** Yaldabaoth – Childish! Saklas – Foolish! – SamaEL – **Blind!** (**Psychic-Tactile-Feel**-ing!?)

Please study carefully! Big occult? the/your #1, Malkuth Earth/Hades Plane **and/to/also/as well as(?)** the/your #1, Malkuth Earth/Hades Plane Body! **SEES/BELIEVES?** **by/with/through?** the/your #1, Malkuth Earth/Hades, **Psychic-Tactile-Feel**-ing!?! = define; three-dimensional-ise; symbol-ise.

Please study carefully! Big occult? the/your #0, Outer, Outer Physically Physical Body = **works-off-of/from?** the/your #1, Malkuth Earth/Hades Plane/Body!

Hence, Saint Augustine of Hippo's, **AGREE-WITH!?! = Works-Off-Of/From?**

Hence, Basic Cosmic Egg and/or Basic Chair exercises = **AGREE-WITH!?! = Works-Off-Of/From?**

Please note carefully! Saint Augustine, did not/does not! say/write? that you, #3, ego body? had to/has to **AGREE-WITH!** But, what he did(?), say/write(?), was that you, #3, Ego Body, **must observe?** the/your #1, Malkuth Earth/Hades Body! and then, #0, **work-off/of/from!** the/your #1! (Oh, yes! he did/does!)

Thank you.
