

# **THE ART AND PRACTICE OF OPHIEL**

**A Collection Of Monologues On Working  
With His Materials**

**In particular, techniques and practices for working alongside,  
and with, the Malkuth Earth/Hades body**

**Written by max.height**

defunct YahooGroups)**

# 15 of 17 psychic exercises. 2022

As you, the reader; operator; practitioner; occultist(?), search/look, for the/your key, which is going to unlock/release, your creative(?), intuitive(?) natural/latent/dormant **Psychic** powers(?), it would serve you, the occultist? well, if you were to accept? for yourself, that the/your latent; dormant; natural – **psychic** powers/abilities, **WERE NOT! ARE NOT!** – **Clairvoyant!**!?!

Clairvoyance abilities, are #2, Etheric Plane Powers and above.

**Psychic** abilities, are #1, Malkuth Earth/Hades Plane Powers.

Physical abilities, are #0, Physical Plane Powers.

The reason of/for this, is to do with = **TIME!**

Clairvoyant powers, are, future time = Visualisations.

**Psychic** powers, are, now time = **Tactile-Feel**-ing.

Physical powers, are, real time = Use; Use-ing; Uses; Used.

Another, more advanced way/method, of looking at time, is to equate it, time, to/with the Elemental Force, of the Element of, the Element, AKASHA = all things, to all people/persons, at all, TIMES. (See/read Ophiel for this.) As a simple, TIME DISPLACEMENT, try this again, from Ophiel, from his book; Creative Visualisation, his chapter; Law of Emotion, as was presented in the previous, monologue, 14 of 17 in this series.

“One method of using E-motions, often advocated by former Creative Visualisation teachers of the natural type, was to instruct the student to ‘FEEL’ (without telling him, ‘How’ to ‘feel’) that he already had the thing desired, and was using it, AND he would get it, in due time. This idea seems to have originally been based upon one of the few genuine portions of the ‘New Testament.’ The purported Jesus is supposed to have said – ‘Whatever things you want, believe that you have them already and you will have them.’ (Therefore, I say unto you, what things soever ye desire, when ye pray, believe ye have received them and ye shall have them. MARK 11:23 ERV) Of course, the above directions are greatly simplified and are directed to those who are able to work the Creative Visualisation Laws naturally. You know, from your reading study, of this book, that there are many other factors-laws, to be taken into consideration to make Creative Visualisations work, that the use of one single Law. However, these other Factor-Laws you now already know and know them, you can use them all together properly and get the best reinforced use out of all of them.” End quote.

Was to instruct the student to ‘FEEL’ (without telling him, ‘How’ to ‘feel’) that he already had the thing desired, and was using it, AND he would get it, in due time = in the/your **psychic** exercises, you, the occultist(?), are informed, ‘How’ to **Feel!**

Therefore, I say unto you, what things soever ye desire, when ye pray, believe ye have received them and ye shall have them = in the/your **psychic** exercises, you, the occultist(?), are informed, how? to pray, and how? to **believe!** = **Psychic-Tactile-Feel**-ing = Define; Three-Dimensional-ise; Symbol-ise!

In several monologues, in several places, you, the reader/occultist(?), have had explained to you, about time, and its impact? in/on the/your bodies/levels? as you – Conscious, as a ness, work through them – the planes/levels, with the/your #3, ego body, **piggy-backing!**!, in/on/with – you – Conscious?

One of the greatest of difficulties? is discovering(?), finding out(?), that there is a/an, **OTHER?** part/piece? of you, Conscious(?), that can/does(?) – look at/stare at, a/an, other, part/piece, of you? and you, the second part, don’t even know of, the/this first part, is doing this seeing? (See/read Ophiel’s book; Contacting the Demiurge. See/read Ophiel’s vignettes; The ‘OTHER’ you; Your ‘OTHER’ you; Why do you let the Devil ‘USE’ you?) The first part is always(?), above; over; higher; before and in front! The second part – is always(?) = below; under; lower; after and **behind!**?

Time = as a/an Elemental Earth **principle**, stems from/comes from/as – the elemental **force**, of the element of, the element; Elemental Akasha-of-Earth!

As you/if you(?), choose to test, try, and use, the/your basic cosmic egg exercise, as suggested/recommended, as you stand-

inside, the/this/your egg/aura, you, #0, Outer, outer physically physical you, are the **binding element = time!** To/of/for, the/your, part/piece/portion of the, elemental **al** Akasha!? Here it is, from Ophiel's book; Clairvoyance, his chapter; A Magic Mirror and Clairvoyance:

"I will start this way. You, and all others, and all things, animate and inanimate, are surrounded by an Aura. This Aura, is shaped rather like an egg with the small end at the bottom. These Auras are not usually visible to physical sight except under particular and peculiar situations and circumstances, none of which can be gone into here. For the following material you will have to visualise, in your imagination, this Aura extending out from you for about three feet and surrounding you completely, in the shape previously described." End quote.

As you/if you(?), the occultist? choose, to test, try, use, the recommended/suggested, basic cosmic egg exercise, then you the occultist? will be/shall be **doing**, the above information from Ophiel, on a daily basis!?

As you, the operator, **psychically-tactilely-feel**, define; three-dimensional-ise; symbol-ise the/your five basic elemental **al forces** symbols-ised, within you, about you and surrounding you = #1 &+ #0, you – Conscious - as a ness, are binding time, (Egg/Aura = time/akasha,) and the same goes for any of the/your other planes/levels.

The present writer has gotten, into many a scrape, when they presented information about the/their, YOD = **CLOSED HAND!**? as being the symbol/expression, of/for the Elemental **al** Force, of/for the Elemental **al** Earth, in **principle**, for the, Element **nt** of Elemental **al** Akasha = Earth-of-Akasha! Remember/Recall, this?

**"Was to instruct the student to 'FEEL' (without telling him, 'How' to 'feel') that he ALREADY had the thing desired, and was using it, AND he would get it, in due time.**

**Therefore, I say unto you, what things soever ye desire, when ye pray, BELIEVE, ye have received them and ye shall have them."**

Here is what Ophiel writes, in his vignette; The Power of the Lost Word;

"Take the first letter, 'YOD' and meditate/think on the **'IDEA' of God's hand having all things in it 'NOW, ALREADY'** Whatever the 'Thing or Things' you want now is there 'RIGHT NOW' So the automobile you want is 'THERE NOW!'" End quote.

The, **Psychic-Tactile-Feel**-ing, YOD! is **already** there, **IN**, its/your, grasp **Psychic-Tactile-Feel**-ing! BUT...! You, Conscious, and/plus, you, #1, Malkuth Earth/Hades Plane, **don't believe**? That, **Psychic-Tactile-Feel**-ing, is **believe**-ing!?!

#2, Etheric Plane Visualising = **is not believe**-ing!

#1, Malkuth Earth/Hades, **Psychic-Tactile-Feel**-ing, is **BELIEVE**-ING?

#0, Outer Physical **Doing**? = **IS NOT BELIEVE**-ING!

Please take your time, with the above, three basic steps/stages. Imagine, if you can; that you do, your Little System, as presented by Ophiel, and that you have your route selected, and that you #0, Outer, outer physically, physically you, travel it, there and back. Imagine now, if you can; that you do, your, Little System, as presented by Ophiel, and you have your route selected, and that, you, Conscious, as a ness, #1, Malkuth earth/hades, **Psychically-Tactilely-Feel**ingly travel it, there and back, as if, as though, you are **Blind!**!?!

You – conscious, as a ness, know where everything is, even though you, conscious, as a ness, cannot/do not see visibly, you, conscious as a ness, can 'see,' via, the/your **Psychic-Tactile-Feel**-ing? Even if(?), there is only – **Black-On-Black = Black-Astral-Light!**!?! Imagine, if you can; that you do, your, Little System, as presented by Ophiel, and you have your route selected, and that you – conscious, as a ness, can/do 'see' it, as a reflection, **but**... it is no longer two dimensionally **flat!** That you – conscious, as a ness, **have brought with you**, Conscious and its passenger? who **piggy-backs** = everywhere(?), with/in you, conscious-ness, your, #3, Ego Body!?!

Here is what Ophiel writes, in his book; Clairvoyance, his chapter; The Astral Light;

“So, to proceed, I will repeat again – The entire substance and the area(?) situation(?) existence(?) of all the Inner Planes is LIGHT. However, this light is different on the different planes. From our perception standpoint, it would seem, as if, the Light grew dimmer, slowed down, and became smaller/less the nearer ‘it came’ to the Material Plane. This idea does not seem too unnatural to us. We can understand a condensation – slowing down process.” End quote.

However, this light, IS DIFFERENT, ON THE DIFFERENT PLANES. Then, farther on we read this part!

“For many years, I was much puzzled in my dreams and later in my first clairvoyant projections about the usual ‘course of events’ during a dream, and then the same thing happening, in which dream or projection, I was first able to clairvoyantly ‘walk,’ ‘run,’ or anything at all in the way of former physical-type movements. My inner plane researches have convinced me, that all the planes differ from each other greatly and what is a clairvoyant physical-type of movement on one plane, is not the same clairvoyant method of movement on another plane.” End quote.

So, for ‘context’ we read thusly;

**YOUR INNER PLANE RESEARCHES SHOULD HAVE CONVINCED YOU, THAT ALL THE PLANES DIFFER FROM EACH OTHER GREATLY, AND WHAT IS A CLAIRVOYANT PHYSICAL-TYPE OF MOVEMENT ON ONE PLANE, IS NOT THE SAME CLAIRVOYANT METHOD OF MOVEMENT = ON ANOTHER PLANE !?!**

It would be well worth the effort, of the reader; operator; practitioner; occultist(?), to realise, recognise, remember, and recall, **THAT THE/YOUR #1, MALKUTH EARTH/HADES, IS, ANOTHER PLANE!**

The/your #1, inner plane egg/chair exercises, should convince you, that a#0, #1, and #2, planes, differ from each other greatly and show that, what is a clairvoyant-type of movement, on the/your #2, etheric plane = is not the same as a psychic-tactile-movement = on the/your #1, malkuth earth/hades plane! Here is what Ophiel writes, in his book; Clairvoyance, his chapter; Rising on the Planes;

“Illumination and its kindred advantages should come along in the wake of your successful learned-use of almost any of your Psychic studies and Practices or rather, also, from any Occult pursuit. This practice I have found to be true, and the growth from ‘Psychic’ to ‘Spiritual’ is a natural one. at least, it had been for me, and I am giving it to you the best I can. You always hear croakers in the Occult crying out vague warnings about some things without really coming out and laying it on the line, as to what they are really talking about. But just to be on safe side, test yourself and your feelings every step of the way. If you are going to develop doubts and fears, then slow up and advance more cautiously.” End quote. (Underlines are the present writers.)

It was/is, to alleviate, any and as many, of the/those fears? that the basic cosmic egg and/or basic chair exercises were/are presented, to those individuals who are finding it testing? in trying to get started, on their inner adventures. Progressing from #0, to #1, is the simplest/easiest and most natural/normal, for all persons/individuals, as both exercises do not need/require any type/kind of, cultural connections, expressions and/or any Religious/Cultish beliefs, to do them. Both the basic cosmic egg and/or basic chair exercises, is/are very, very, human exercises?

The geometrical shapes/forms, of/for the basic elemental forces, as symbolic(?), ex-press-on, for the forces, are simply expeditious in their ‘effect/efficacy? for the student. The observation, of the bind-ing movement? of/for, the basic elemental force, of the element of, the element, Elemental Earth! is in the action/doing, of the Oppositional; Adversarial; Obstacle – bind-ing movement – action; re-action; automatic reflex of/for the individual, as they #0, Outer, outer physically physical – stand/sit? Or even in order to simply, live their life!? without this, #1, Malkuth Earth/Hades Plane, force? human beings, wouldn’t have? a life/living?

But... the clash? comes in the transitioning/transferring, of/from; TO and FRO; THERE and BACK! Which, basically(?), is what, #1, Malkuth Earth/Hades and #2, Etheric Plane, ARE ALL ABOUT!? How many Ophiel students? out there, in the wider occult world, realise/recognise, accept!? that Ophiel was, **PSYCHIC FIRST!**

Illumination and its kindred advantages should come along in the wake of your successful learned-use of almost any of your Psychic studies and Practices or rather, also, from any Occult pursuit.

**This practice I have found to be true, AND THE GROWTH FROM ‘PSYCHIC’ TO ‘SPIRITUAL’ IS A NATURAL ONE. AT LEAST, IT HAD BEEN FOR ME, AND I AM GIVING IT TO YOU THE BEST I CAN.**

How many, of you, who read these monologues, accept(?), that if you are not yet able/capable of #2, Etheric Plane

Clairvoyantly Projecting, as yet, that it might be/may be? to your advantage? to test, try, use, both egg and/or chair exercises, in order to enhance; develop; increase(?), the/your latent/dormant **Psychic-Tactile-Feel**-ing; Define-ing; Three-Dimensional-ising; Symbol-ising, abilities. Naturally/Normally, as if, as though, they the/these forces were/are as real? as is(?), the/your #0, Outer, outer physically physical body, **IS**!?!

The/your #0, Outer, outer physically physical plane/body **IS**!?! THE ELEMENT **AL** EARTH **PRINCIPLE** – ELEMEN**T**, of/for, the/your, #1, Malkuth earth/hades plane. Here it is, from Ophiel, from his book; Caballa Magic, his chapter 4, workings:

“There was one factual point I overlooked in the previous presentation. Take a look at the Tree again: Fig. 1a. Note: Each of the three (3) Sephiroth triangles has Air; Fire and Water in it, but no apparent element of Earth, except you can see the word Earth repeated three times. Please note: **In this case, the Element of Earth is represented by the next three lower down Sephiroth!!!**” End quote.

So! In our #0, Outer, outer physically physical earth case? we(?), #0, Outer, outer physically, physical earth = **ARE OUR OWN!** ELEMENT **AL** EARTH **PRINCIPLE**!?! The = earth, of elemental **al** earth!?! The Earth, of/for the our/your own = **Earth-of-Earth**!?!

Element**nt** = essence of; substance of; principle of.

Elemental**al** = pertaining ‘to,’ the powers of.

When these two things = Element**nt**/Elemental**al** - are sorted out, in your head/physically physical actions/doings, then the/your ‘occult?’ understanding will/shall get better.

When these two things = Element**nt**/Elemental**al** - are sorted out, in your head, then the/your ‘occult?’ understanding of what a, Combined Tattva Symbol **IS**(?), will/shall get better.

Example:

The Larger symbol, is the Plane = Element**nt** Force = essence of; substance of; principle of.

The Smaller symbol, is ‘how,’ the Plane, as a/an = Elemental**al** Force, is operating/working.

Thank you.
