

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

17 of 17 psychic exercises. 2022

The word 'worship' is/means = to value; to honour; to have worth; to be worthy. So, why can't you, come down and worship me? Because all of their power – to be able, and all of their glory – reputation, I could/would gladly! choose you!? = reading this/these things, above all others!? What do you say about it? Are you up? for it? O.K.! I, #2, ACCEPT!? GET THEE (#1) BEHIND ME 2!? O.K.! I, #1, ACCEPT!? GET THEE (#0) BEHIND ME 1!? O.K.! I, #0, Outer, outer physically physical body me Accept-Agree-with = #1!?

The above occult? even though it is true? has been so mutilated beyond belief(?), that no one, but the/your standard religious nut-job(?), of which, there are legion, would give any credence? to the written presentation of it, as the standard model?? One, the son? of a God? And the other a son? of the same? God? Both/neither of which(?), is are #0, Outer, outer, physically physical!? give me a break!? give it a rest!? so where(?) is the occult!? well, the occult, is/was, in the fact, that, J 'The' Christos, was/is not!? corporeal!? Was not! #0, outer, outer physically physical!? at the time? of his temptation? by J 'The' Barabbas (Bar-Abba.)

Tempt, from 12th century, Old French, tempter; from Latin; temptare = to feel; to try out; to test; to taste. Variant of/from; tentare = handle; touch; try; test (Psychically-Tactilely-Feel!?) = Vav! = Water-of-Earth!?

In the example above, of the conversation of the cave? (Where there were/are – no outside, other, witnesses!? to/of/for, the/this conversation?) IT = the/a/an individual whose, own = Ha-Satan? tester/tempter appears? and is accepted!? = get thee (#1), behind me (#2)!? The Cave, was/is, an euphonism, of/for the human skull. Many persons, who enter the occult? do so, like any other novices, in any other established endeavour, and finds the usual histories based on past/present opinions, in the various/endless, ways of the techniques!?

Whereas, it is better for the beginner/novice, to establish, at the outset, those techniques which appeals to them, as, a/an individual But...! crucially(?) if they can(?), those techniques are not!? based solely/only!? on the/their #3, ego body, present incarnation, personality body, pre-judgement!? = thusly the techniques? are outside of them, #3! and thus - #0!? consciousness. Remembering always? that the #3, Ego Body, piggy-backs! in/on the/your, Conscious, when it (Conscious,) is in a 'ness,' state/condition.

Gnostic example, in question: For the human physical body, the Greek term; 'σάρξ = flesh,' was used, and was the instinctive level. For the 'matter,' of the #0, outer physical plane, the Greek term; 'ύλη/hylē matter' was used. This type of person, was of the 'lowest' of the, three-types/kinds/orders, of/for the human condition, and were/are, un-redeemable, cannot be saved, as their thinking/feeling, is entirely material and incapable of understanding the Gnosis? These Hylic persons; ARE THE OPPOSITE OF PSYCHIC PERSONS!?

Psychic, from the Greek; ψυχή (*psychē*) = soul!? = partially initiated!? = are, Matter-Living Spirits!?

The next stage/level, was/is, the Pneumatics - Spiritual, from the Greek; πνεύμα – Spirit, and these were the 'initiates' who had/have, achieved Conscious-ness? of the Light, above/over/before(?), The Demiurge! (Sophia's = Divine Spark(?) – within the individual 'soul?')

According to one of Ophiel's long term students (Mr Richard White), Ophiel's Gnostic leanings/inclinations, were to/towards, that of Valentinus teachings; Middle of the second Century A.D. Valentinus, proposed a kind/type of 'middle ground' between the; Pleroma = full-ness = Complete/Whole – ness; One – ness! of the Light, above/over/higher/before/ahead and in-front, of the Demiurge = Kether to Malkuth, who was/is, below/under/lower/after and BEHIND!? The Pleroma (Full-ness, of Light! Akasha!)

The Demiurge, was described/explained as a/an empty-ness/space/void? (See/read Ophiel's book; The Occult.) The/this 'empty-ness,' Greek; *kenoma* - κένωμα = was the Cosmos made manifest, and Valentinian initiates? would/could 'exegete = lead out/draw out' any scripture, in the 'context,' of the three 'aspects,' of related human existence = Flesh; Soul; Devine Spark.

Exegesis, is Greek; ἐξήγησις from ἐξηγεῖσθαι = to lead out/to draw out/to bring forth; and is term used, for a critical explanation/interpretation, of/for any written texts, of/for any type/kind of genre. (Much like, the/these 'monologues,') Also, this part;

Charisma = from the Greek; χάρισμα = *khárisma*. Which meant/means; freely given; natural/normal grace = gift. A 'thing?' in its 'self/natural/nature.' = that which ATTRACTS!?! or, Bestows a = SERVICE FOR!? In a way? that facilitates? OTHERS – AS WELL AS – SELF!?! TO WHICH/FOR, WHICH OTHERS? ARE ATTRACTED/DRAWN!? – TO/TOWARDS!?! (For all this, is delivered unto me, and to, whomsoever, I will, will I give it!?) Read familiar?

Logos, from the Greek; Λόγος, literally means word; discourse; reasoning; plea and expectation/anticipation; and the/this Greek word; Logos, Λόγος = was/is derived from the Greek Root word; Λέγω *légō* = which literally means; I gather; I arrange; I order. I count; I reckon; I measure; I choose; I call/name; OM = (psychically-tactilely-feel!), from the Proto-Indo-European Root word; leg = to gather/collect/place/put/set.

Hypostasis = in the Greek; ὑπόστασις = *hypostasis*, is the or any, 'underlying' state/condition/substance, which 'fundamentally' supports the 'reality,' of all 'else/other,' within the/that state/condition/substance. For instance, example; The idea/notion, that the/your #1, Malkuth Earth/Hades Plane, is? the hypostasis? of/for the/your = #0, Outer, outer physically physical earth/plane, and 'all' that is 'in' it = #0!?! For instance, example; Duality is a Hypostasis?? = All! in/on the/same/one plane.

The Greek noun - οὐσία = is from the verb; εἶμι – *eimí* = meaning, 'I-AM' and/also, 'TO-BE,' is, in general English, the noun = Being. (There is/are, no equivalent 'expressions' in Latin grammar.) In Latin, the translations were/are, those of; essence and/or substance. It was/is, from the/this Greek - οὐσία = as 'Essence,' that the philosophical/theological expression of; οὐσιότης = Essentiality, comes.

Essence = that which is above; over; higher; before and in-front-of a/any – stance/position/materials!?!)

Substance = duality – all(!), in/on the same one plane/level, OBSERVER &+ OBSERVED!!?)

This led/leads, to the inevitable? chicken and/or egg theory/argument of which came first? To which, the proper answer is; WHO CARES!?! can you fry it! can you boil it! can you 'eat' it! (Experience it?) well, let us do it!?! So that, girls, and boys; is a (very), 'brief' explanation/description of/for the terms of/for Gnosticism/Gnostics, and the 'parts,' which pertain to the/these, monologues, is/are, the descriptions of/for the three types/kinds of persons, as in the above; Flesh = σάρξ; Psychic = ψυχή (*psychē*) and Pneumatics = πνεῦμα = Spiritual (Archetypal/Astral.)

Even here, in the second century A.D. and before; the worthy ancients = HAD TWO DISTINCTIONS!?! HAD TWO DIFFERENT! (?), PLANES/LEVELS = WHICH WERE/ARE – INDIVIDUAL!!? – IN FORM AND IN FUNCTION!?! One, was/is = Psychic – and the other was/is – Spiritual = Clairvoyant!?! So here(?), is/are the/those persons/individuals = WHO KNEW!!?! – who were trying to teach? inform? instruct? the/their initiates/congregations/flock!?! Here were/are, a rather large group of a society, who were trying to win over, the largest amounts of individuals/groups to their way, of thinking/doing!?)

But...! Unfortunately, then, just as today, it took/takes, a large amount 'commerce,' in order to – feed the beast? – and eventually, the materialists/commercialists, took over, and what was once high art/skill, degraded, until it (the meaning/message,) just became words/information, on parchment/paper and/or opinion/view-point! The individualised/personalised Gnosis, was/is gone? from the world/public gaze/view, and so, the 'whole' now suffers. So much so, that scientists, can/do confirm, today 27/12/2022, that the world is 'already in,' has 'already started,' = its sixth-mass-extinction period!?! (Several hundreds of species gone? in twenty years?)

So, do what you do? but spare a little thought, of what 'it?' costs(?), to do, 'what?' you do!?! For every peak achieved, there is a trough, on the other side? When/if, the/your #1, Malkuth Earth/Hades – Self – does the work? there is/are, no troughs!?! When the/your Psychic powers/abilities, kick in/start up(?), there is/are, no comebacks!?! THIS IS 'WHY?' THE BASIC COSMIC EGG AND/OR BASIC CHAIR EXERCISES – ARE!?! – SO GOOD!?! = EVEN IF/EVEN JUST!?! – SIMPLY TO TRY; TEST; USE!?! As you/if you = the reader; operator; practitioner; occultist(?), become more adept, at sensing/psychically-tactilely-feel-ing, the/your five basic element forces symbols, within you; about you; surrounding you = #1, Malkuth Earth/Hades and #0, Outer, Outer Physically Physical – you!?)

Then, when it comes time, to form a, combined(?) tattva, in order to make? the/your #1, Malkuth Earth/Hades Plane Body Self! behave like; work like; feel like; act like; become like, one of the other Element forces, then, as you 'MOVE' the Element Force SYMBOL!?! then the/your #1, Malkuth Earth/Hades Plane FORCE!?! will/shall!?! in principle be/become!?! like as/unto as/same as, it! the/this 'other' force, as a/an Element al!

For example? if say, you – the occultist? were to take? the Inverted Pyramid at your torso and slide/slip it – the Inverted Pyramid? down, through the/your #1, body(?) **Psychically-Tactilely-Feel**-ing it/this, then you, #0 would/will/shall! feel/sense this happening too and the/your #3, ego body would/will/shall, observe!? the/this happening and the/your #1, malkuth earth hades plane!?! would/will/shall, **believe!**? the/this happening!?!

Then, when you – Conscious, are finished with your work, you would take, the/your Inverted Pyramid, back up! the way that it (Inverted Pyramid,) came down? You, Conscious, would sense/**Psychically-Tactilely-Feel** it/this happening and when finished, you, Conscious, would re-establish, your basic cosmic egg, and then absorb it, (the Egg,) back into #0, Outer, outer physically physical you! Then you would simply open your #0, eyes, and go about your daily living, until the next practice time.

You, Conscious, will/shall know? in a very, very definite, tangible way, if the above example, is happening/taking place within you, Conscious, as a/an, ness, in/on the/your, #1, Malkuth Earth/Hade Plane. Once you think/feel that you have/sense, the sensation, **Psychically-Tactilely-Feel**-ing! Then, you can begin.

Take Ophiel's book; Clairvoyance and read his chapter; Categories of Physical Existence, decide which Sephiroth you are going to be working/operating on, and get its basic tattva form, once you have that, you can then; do the/your basic cosmic egg exercise, and then, when in the position of all five basic elemental forces symbols, within you, about you and surrounding you, you can move the appropriate symbol down into/onto the cube, at the base of your cosmic egg. Once there, let the/this/your now, combined symbol know, how you, conscious, as a ness, **psychically-tactilely-feel!**? what it, the now combined tattva symbol, gives to you? comes to/towards you? is attracted, drawn, to/towards you, the combined-tattva-symbol!?!

Then, when you – Conscious, are finished with your work, you would take, the/your Combined-Symbol, back up! the way that it (Combined-Symbol) came down? You – Conscious, would sense/**Psychically-Tactilely-Feel** it/this, happening, and when finished, you, Conscious, would re-establish, your basic cosmic egg, and then absorb it (the Egg), back into #0, Outer, outer physically physical you! Then you would simply open your #0, eyes, and go about your daily living, until the next practice time.

So much for '**Psychic**?' training/development? It would do you, the reader, no good, if you did not practice, the basic **Psychic-Tactile-Feel**-ing, cosmic egg exercise, of define-ing; three-dimensional-ising; symbol-ising, of the/your five basic element forces symbols, within you; about you and surrounding you = #1 &+ #0. One of the main-blocks/inhibitors, to/of/for the/this basic cosmic egg and/or basic chair exercises, is/will be(?), could be(?), the/your #3, Ego Body, Present Incarnation, Personality Body you!?! But... the present writer knows, that none of you, are #3, Egotistical(?), enough to think that this, would happen/take place in you!?!

Please note; even if you – the reader; practitioner; operator, were to simply use, your new understanding of/for the/your #1, Malkuth Earth/Hades Plane, **Psychic-Tactile-Feel**-ing, and just simply apply, your new understanding to the/your Ophiel, #2, Clairvoyant, Little System; Dream Method; Talismanic and/or Treasure Map/Chart, please do so! Right away, if you wish/want, as nothing is lost? and in fact? it may just be that, this 'new' view-point/aspect may be the catalyst? for any other/new work, occult work, that you, the reader may wish to take on!

How do? #2, Etheric Clairvoyant = visualisations? – appear? seem? – now that you have added? your **Psychic-Tactile-Feel**-ing, powers to them? Here it is, from Ophiel, from his book; Clairvoyance, his chapter; A Magic Mirror and Clairvoyance;

"I will start this way. You, and all others, and all things, animate and inanimate, are surrounded by an Aura. **This Aura is shaped rather like an egg with the small end at the bottom.**

These Auras are not usually visible to physical sight, except under particular and peculiar situations and circumstances, none of which can be gone into here. For the following material, you will have to visualise, in your imagination, this Aura, extending out from you for about three feet and surrounding you completely in the shape previously described.

You will have to imagine the inner edge-surface of this egg-shaped Aura as HARD, **AND LIKE THE SURFACE OF A MIRROR – REFLECTING ON ITS INNER SURFACE THE IMPACT-EFFECT OF THE FORCES – VIBRATIONS IMPINGING UPON THE SURFACE OF YOUR MAGIC MIRROR FROM WITHOUT – FROM THE OUTER REACHES OF THE UNIVERSE, BOTH PHYSICAL OUTER AND INNER PLANE INNER. AND THAT IS ALL THERE IS TO IT ALL, THE WORLD THE UNIVERSE AND ALL.**" End quote.

As you do/practice the/your basic cosmic egg exercise, in/on the/your #1, Malkuth Earth/Hades – the reflections? is/are(!), the/your **Psychic-Tactile-Feel**-ings! The/these, reflections, at the/your #1, Malkuth Earth/Hades Plane, are **Black-on-Black; Black-Astral-Light!**? Here is how Ophiel continues, farther on;

“Now, of course, it is not quite as simple as the above would seem to indicate. There is a ‘Thing’ which Christian Scientists call ‘a belief’ (be to; be-LIVE) (be-living-in what you believe-be—live) (to live as you BE) (your conception of yourself, con-with=ception born) and ‘believe me,’ this belief-conception can be and is very, very Powerful!!! And is very hard to change, because it is rooted in the Elemental Force of Earth. (Review the qualities of Elemental Earth as given in this and other of my books.)” End quote.

Context reads thusly, for us; and ‘believe me,’ this belief-conception can be and is very, very Powerful!!! And is very hard to change, because it is rooted in the Element = Force of Earth - **PSYCHIC-TACTILE-FEEL-INGS!**?

Then, farther on, we read this part;

“Now the physical situation in which we find ourselves is MIRRORED-REFLECTED ON OUR OWN PRIVATE MAGIC MIRRORS THAT SURROUND US AS AFORE SAID. EVERY OBJECT, EVERY SITUATION, EVER *THING* THAT WE CONTACT (OR CONTACTS US) (?), COMES TO US DURING THE COURSE OF OUR DAILY LIVING-LIFE AND IS MIRRORED ON THE SURFACE OF OUR MAGIC MIRROR. And again, I say there is not much more to our Physical Life Living. I hope and beg, your close attention to the preceding concepts and that you will strive to understand it completely and thoroughly.” End quote.

Context reads thusly, for us;

Now the physical situation in which we find ourselves is MIRRORED-REFLECTED, **PSYCHICALLY-TACTILELY-FELT!** IN/ON OUR OWN PRIVATE MAGIC BASIC COSMIC EGG MIRRORS, THAT SURROUND US #1 &+ #0, AS AFORE SAID. SO THAT, EVERY OBJECT, EVERY SITUATION, EVERY *THING* THAT WE CONSCIOUS CONTACT (OR CONTACTS US) (?), COMES TO US, DURING THE COURSE OF OUR DAILY **PSYCHICALLY-TACTILELY-FELT!** LIVING-LIFE, AND IS! **PSYCHICALLY-TACTILELY-FELT!** IN/ON THE ‘**SURFACE**’ OF OUR BASIC COSMIC EGG!?

Read all of Ophiel’s chapter; A Magic Mirror and Clairvoyance. The Basic Cosmic Egg and/or Basic Chair exercises, are the ‘**BLACK MIRROR**,’ of/for, the/your #1, Malkuth Earth/Hades Plane. Every ‘thing’ reflected(?), in/on this/the/your, **BLACK MIRROR = IS!**? = **PSYCHIC-TACTILE-FEEL**-ING!?

Please take a sheet of A4 paper, and write on it; **YOU ARE BORN!**? = **PSYCHIC!**? Here it is, from Ophiel, at the start of his book; Clairvoyance, his chapter; You Are Naturally Clairvoyant;

“Please note the following statement and absorb its meaning fully: **CLAIRVOYANCE IS A PERFECTLY NATURAL POWER INHERENT IN ALL MEN AND WOMEN.**” End quote.

Then, farther on, in this/his same chapter, Ophiel writes this:

“So, I will repeat my former statement – **CLAIRVOYANCE IS A PERFECTLY NATURAL POWER INHERENT IN ALL MEN AND WOMEN.** You are, therefore, not going to learn how to be clairvoyant, or to ‘develop’ new clairvoyance powers. **YOU ARE JUST GOING TO BRING OUT WHAT YOU NOW HAVE ALREADY! And how is this to be done? BASICALLY, IT IS TO BE DONE BY YOUR PAYING MORE ATTENTION TO THE NATURAL CLAIRVOYANCE FACILITY YOU HAVE NOW AND ACTING-DEVELOPING ACCORDINGLY.**

And you will learn how to pay attention to your clairvoyance facility by **FIRST LEARNING WHAT IT IS ALL ABOUT AND WHAT IT IS BASED ON, AND THIS KNOWLEDGE WILL BRING A SURPRISING AMOUNT OF QUICK PERCEPTION, TO THE SURFACE OF OUR OBJECTIVE CONSCIOUS-NESS, AND YOU WILL START TO USE YOUR FORMERLY DORMANT, LATENT, CLAIRVOYANCE POWER READILY AND EASILY.**” End quote.

Context, reads thusly, for us;

So, to repeat the former statement; **Psychic**, is a perfectly natural power inherent in all men and women. you are, therefore, not going to learn how to be **Psychic**, or to ‘develop’ new Psychic powers. you are just going to bring out what you now have already, and how? is this to be done? basically, it is to be done by your paying more attention to the/your ‘natural?’ **Psychic**-

Tactile-Feel-ing facility, you have in you now and acting-developing accordingly. and you will learn how to pay attention to your **Psychic-Tactile-Feel**-ing facility by first, learning what it is all about and what it is based on, and this knowledge will bring a surprising amount of quick perception, to the surface of our objective conscious-ness, and you will start to use your formerly dormant, latent, **psychic-tactile-feel**-ing power readily and easily.

Do you! The reader, are you, the reader? Able to, now, recognise? the/your #1, Malkuth Earth/Hades Plane, and/or, the/your Basic Cosmic Egg and/or Basic Chair exercises, in the above quotes, from Ophiel and then in the 'Context,' of what is being presented now? (Presentation of/for the/your #1, Malkuth Earth/Hades Plane!)

The 'MAGIC?' MIRROR(?), for the present writer, isn't/wasn't the/their #2, Etheric Plane 'Visualisations' = reflections?

The 'MAGIC?' MIRROR(?), for the present writer, was/is? The/their #1, Malkuth Earth/Hades Plane – **Psychic-Tactile-Feel**-ing-**Believe**-ing Plane!?

Only! In/on the/this #1, Malkuth Earth/Hades Plane 'MIRROR', can a person/individual, **change/alter**!? the/their #0, Outer, outer physically physical plane, which they, the individual, can only use; use-ing; uses; used!?! (See/read 1 to 17 Learning to Learn.)

As you, the reader, wish to change/alter, the/your #0, outer, outer physically physical plane, then, as a matter of occult? knowledge/knowing? You – Conscious, as a ness? can go from, the/your #0, plane 'to,' the/your #1, plane and **believe**(?) through/by/with/via, the/your **psychic-tactile-feel**-ing, and test, try, use!? the/your **powers**(?), of = Adverse; Oppose; Obstacle; Resistance; stop; halt; go; don't go; not that/this way – this way! not that one – this one!?

Read Ophiel's descriptions/explanations of/for the basic Element **Force**, of the Element of, the Element, Element Earth/Hades Plane!?! In each of his three examples = watermelon; milk pouring and gas-pedal, Ophiel's #1, Malkuth Earth/Hades Plane said(?) - stop! halt! = adversary; opposer; obstacle - stop; halt!? **stop** pouring the milk! **stop** looking for the ripe watermelon! **stop** pressing the gas pedal!?! = **stop! halt!** – this is it!? – this is, the/your answer!? (See/read the letter of Saint Augustine of Hippo = **Agree-with**; See/read the basic chair exercise, for the/this/your = **Stop/Halt – Resistance?** – Adversary/Opposer/Obstacle!?) Enter your own? dark-ness; black-ness; **blind**-ness, and **psychically-tactilely-feel**(?) for your – resistance? (See/read Ophiel's book; Contacting the Demiurge; his chapter; Opening, read what he writes about this, Evil, resistance?)

Thank you.
