

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

7 of 17 egg work. 2022

Here is what Ophiel writes, in his lesson twelve, of his; Astral Projection Correspondence Course;

“So now here I will repeat some material again - so I ask what use it is to read, hear, about how John Doe Can do some wonderful ESP things, and what wonderful gifts he has (and you have none.) NOW IF HE CAN'T TEACH YOU HOW TO DO IT (or do some of it.) this is to me, isn't worth a tinker's dam, but if you find a need to reading that stuff, then by all means, be guided by your desires, or feelings and not by anything I say.” End quote. (Underlines are the present writers.)

And here, again, is what Ophiel writes, at the end of this/his, same lesson, number twelve;

“The last system is the Symbol Method System. Again, this system has a tremendous potential, as I said about the others, but in a different way/manner. (Each of these systems has their own uses in their own way, and each has its own limitations too.) I want again to call your attention to the apparent fact that every material 'thing' of the Physical Plane is a Symbol, in that 'it' stands in place of a, some-thing else, which something else is Inner Plane Forces/Ideas.

I don't want to sound like an, 'Occult faker' and be telling you all these things and no more directions, but all I can give you is the basic knowledge and you must learn to take it from there on. That is all any teacher can do and certainly a hell of a lot more than any others give/do.

I also want to call your attention, in line with the above statement, to the fact that we ourselves are also Symbols!! Because our physical being is a representation of something 'other' – which, 'other' is on the Inner Planes!!!

I hope you read over the above again and again until you understand it fully. There is a very potent/pregnant suggestion, in the above idea and you should be able to cash in on it, to your benefit, if you follow the idea up fully!!” End quote. (Underlines are the present writers.)

Every #0, outer, outer physically physical, material thing, is a representative of/for, a/the/your, #1, Malkuth Earth/Hades Plane, Symbol!?! Don't, do not, just read this! test it! try it! use it!?! = all symbols!?! are! are! in/on the/your #1, Malkuth Earth/Hades Plane, and are, Psychically-Tactilely-Felt!?! (basic cosmic egg work and/or basic chair exercise, work,) so, for context, in Ophiel's quote above, we read thusly:

The last system, is the Tattva Symbol Method System. Again, this Tattva System, has a tremendous potential, as I said about the others, but in a different way/manner. (Each of these systems has their own uses in their own way, and each has its own limitations too.) I want again to call your attention to the apparent fact that every material 'thing' of the Physical Plane is a Symbol, in that 'it' = #0, stands in place of and/or represents, a some-thing else, which something else is 'at,' the/your #1, Malkuth Earth/Hades, Inner Plane Forces/Ideas = AS THE/YOUR = PSYCHIC-TACTILE-FEEL-ING!?! As your = Believe; Believe-ing; Believed!

I don't want to sound like an, Occult faker and be telling you all these things and no more directions, but all I can give you is/are the basic knowledge/information and then you, must learn to take it from there on. That is all any teacher can do, and certainly a hell of a lot more, than any others give/do.

I also want to call your attention, in line with the above statement, to the fact that we #0, Outer, outer physically, physically, ourselves are also!?! REPRESENTATIVES OF/FOR THE/THESE #1, Malkuth Earth/Hades Symbols!! Because our/your Physical 'Being,' is a REPRESENTATION OF/FOR!?! Something other, which, 'other' is on the/your #1, Malkuth Earth/Hades Plane as a/an Inner Plane SYMBOL = PSYCHIC-TACTILE-FEEL-ING!!! = FROM WHICH!?! = YOU! #0, OUTER, OUTER PHYSICALLY PHYSICAL YOU = WORK-OFF-OF/FROM! It is to be hoped? that you, the 'occultist?' will read over the above again and again, until you understand it fully. There is a very potent/pregnant suggestion, in the above idea and you should be able to cash in on it, to your benefit, if you follow the idea up fully!?! (See/read 1 to 17 Egg Work.)

In/on the Astral Plane = there is a one-dimensional(?) line – Emoted = Intention; Direction; Projection.

In/on the Etheric Plane = there is a two-dimensional(?) line – Reflection = Length; Breadth; Visualisation.

In/on the Malkuth Plane = there is a three-dimensional(?) line – Symbol = Length; Breadth; Depth.

In/on the Physical Plane = there is a fourth-dimension(?) line – Representation = Length; Breadth; Depth; Time.

Time = use; use-ing; uses; used!

Do you/Can you/Are you? the reader; operator; practitioner; occultist(?), able to take the above information, and apply it(?), to your, Occult?

Do you/Can you/Are you? the reader; operator; practitioner; occultist(?), able to take the above information, and apply it(?), to your, #1, Malkuth Earth/Hades Plane Self?

Now that you, the reader, have been made aware; awake; conscious(?), to the above idea/information = that the/your #0, outer, outer physically physical self? is but a, representation of/for, the/your, #1, malkuth earth/hades plane/body/self!?!?

Where do you? conscious, as a ness – choose to go?

How do you? conscious, as a ness – choose to apply it to your, #1?

Can you/are you? conscious, as a ness – able to; work-off-of/from it, #1?

So? How now? That you = #0 &+ #3 KNOW(?) HOW(?) #1 AND/PLUSS #0 – WORK TOGETHER? OPERATE TOGETHER? THE BIG QUESTION IS? DO YOU #1 &+ #0 LIKE? EACH OTHER?

Having read the above information, do you/are you/can you, #0, understand why(?), the/your, basic cosmic egg and/or basic chair exercises, are/could be, so important?

Having read the above information, do you/are you/can you, #3, understand why(?), the/your, basic cosmic egg and/or basic chair exercises, are/could be, so important?

Having read the above information, do you/are you/can you, #0 &+ #3, understand Why(?), it is so important? That you, Conscious, as a ness, must(?) Agree-with? the/your #1, malkuth earth/hades plane body/self? (the/your, psychic-tactile-feel-ing self!?), the/your #1, malkuth earth/hades plane body animate-ing self? Here is what Ophiel writes, in his book; Talismanic Magic, in his chapter; From Another Angle;

“Now here enters a very important point which must be understood and correctly acted upon, or all your Talisman work will come to naught. To illustrate it I am going to retell a little fable which came originally from Greek mythology and was written down by that Roman slave Aesop.

A man was driving this car along a road and it became stuck in a mud hole. Seemingly the man could not get out and he began to call upon Jupiter to help, crying with a loud voice. Luckily, Jupiter answered him, and said, “You nut! Get up, shout at them – put your shoulder to the wheel – and push! The gods will help those who help themselves!!!” The man did this and he got out of the mud hole and on his way.

Now basically this is what the Talisman does, it places a channel for the Force to reach to us, BUT we must make the final physical effort onto this final Physical Plane. The Force can push through and, using the physical effort as a channel, we do the work.

WE CAN THEN DO THE WORK. So, there you have it. Nothing alone can work. The Force that the Talisman invokes, that you invoke through the Talisman, cannot work, unless you make a physical effort. The Physical Plane is just as important as the Force that comes through from the Inner Planes. They are really equal. There is a great tendency to regard the Physical Plane as a burden, as inferior and as something to escape from, but that is a pack of lies. The Physical Plane is just as important as the Inner Planes and is the final result of them all. So, there you have it and that is the truth. There is no other truth. If you hear something different than this and it proves out to be true, then let me know and I’ll change my ideas, if I find that it is true. You should now begin to understand, from the above, how Talisman’s work.

You must also remember that the Jupiter God which answered the man’s call was a Force (as taught in my book The Art and Practice of the Occult.) And the Force, this Jupiter Force, was a combination Force – Water of Fire. The symbol is a large red triangle with a white half-moon on it in the middle, the triangle being the symbol of Fire and the half-moon being the symbol of Water.” End quote. (Underlines are the present writers.)

The present writer has already indicated the/a proper way/method to practice/use, the/a combined Tattva Symbol? in the basic cosmic egg style, which would, should, could(?), assist, even the weakest/poorest of you, the reader. In the case of the above, from Ophiel, it is done thusly;

The water-of-fire, is where the base/basic element^{nt}, fire, is working like; acting like; behaving like; looking like; operating like; feeling like, the basic element^{nt} of! the element^{nt}, water? But... it is still, all the element^{nt} of fire? Big occult? the symbol, inside the, base symbol, is telling/explaining, how, in what way, the element^{nt}, of the element^{nt} fire, is working/behaving, as a/an, element^{al} force? Remember this?

Element^{nt} = essence; substance; thing in its self!

Elemental^{al} = pertaining to; the powers of! (abilities of.)

Element^{nt} of Fire = Inverted Pyramid - as a/an = elemental^{al} of Water = Bowl!

Elemental^{al} of Water in/on the, element^{nt} of Fire = bowl 'inside' pyramid!?!

Bowl inside Pyramid = Water-of-Fire!?! = Element^{nt} of Fire-behaving as a/an, Elemental^{al} = like-water!?

To work it, you must move, the bowl, from your hips/pelvis/crotch, up, into, the/your Inverted Pyramid, at the/your Torso, and this movement, of you, conscious, as a ness, within the/your, #1, malkuth earth/hades plane body, will be/shall be, Psychically-Tactilely-Felt? in/on the/your #1, Malkuth Earth/Hades Plane!?! Dark-Ness; Black-Ness; Blind-Ness; Black-On-Black; Black Astral Light!

As soon as(?) the/your #1, Malkuth Earth/Hades Self BELIEVES!?! then you, Conscious, as a #0, ness, will/shall be/become aware/awake and knowing; this watermelon is ripe! this much milk is enough! this amount of pressure on gas pedal will do it! It is this type/kind of, Knowing? which is the Gnosis? that they write/talk about, and not! any type/kind of academic, second-hand information, even like the/these, assist monologues? Ophiel writes, that the occult, is one situation, where the individual has to do the work, themselves, for themselves, as no one can do it for you, whatever skill/skills you have? they must be, of/in, the/your #0, body.

As an assist? in the matter of psychic-tactile-feel-ing, the present writer, early on, 1971, having read Ophiel's book; Oracle of Fortuna, the present writer would sit with their deck of cards and deal/turn them up, one at time, having decided before hand, which colour, they were; Red? Black? and, as they progressed over many, practice times; The, wrong pile, became less and less? The correct pile, became more and more! Then the present writer, just as Ophiel explained, would have times, when they were on fire, and the correct pile, would exceedingly more, and at other times, the wrong, pile would be the winner?

This was due, to the outside/out with, control, of the, Dominant Forces, at the time! But, taken over the longer period/time, the number of correct, was on the upward graph/line, and this is/the way, that Ophiel explains this, in his second book; Creative Visualisation, with his; Step by Step, progress/increase. The present writer has already spoken of this, many times, when they watch/observe, someone who is about to make such a decision? Tee off the golf ball, for distance! Put the golf ball, for a low score! Bet on a poker hand. Choose a race horse. Know when someone is ready? for physically physical intercourse.

Side note; The present writer, is a/an, absolutely normal(?) person, in all respects, and, like anyone/everyone, else/other, will die? but... in the meantime (life/living,) be, rest assured, the present writer, is, in all respects, aspects, a/an, absolutely normal(?) average person? End of side note.

Having worked, on the correct/incorrect = yes/no? the present writer found out/discovered, all the rest? but... as no one else/other, in the present writer's social group, was interested? in development(?), they, the present writer, was on their own? until the advent, of the now present; digital age, and worldwide communications. But... the present writer does not/will not enter into, private lives; private worlds, as that is not, their thing. You buy, you try!?! if it works for you, more power to you!?! As you, the reader; operator; practitioner; occultist(?), have taken the time/trouble/effort to know? and so, are entitled(?), to what you have earned? by/with, the sweat, of your brow! As Ophiel writes, in his books; you must look for this, Pearl of Wisdom, for yourself! and let others, do as they please? Not everyone can run, a business, not everyone can be, a manager/operator, not everyone can offer, a service, to as many people as possible and charge them for it!?!

So, for many, they must sell? their TIME!?! and turn-up/present themselves, for work? This work, being the only now

present? source of/for, the/their daily lively-hood-income? Which is no great problem, IF? it is the kind/type of work, that you enjoy, doing/being?

But... like all things, in this world, there is always, always, CHANGE!?! (See/read Ophiel for this.) So, once you Conscious, get/have your technique = yes/no? you should be able to recognise? stop; halt; inert; adverse; opposed; obstacle!?! Not Red!?! Not Black!?! But... the answer! irrespective of the colour? should be the same(?) Not! (Very difficult to write/explain!)

See/Read the letter of Saint Augustine of Hippo; If thine Adversary says, Do it, Not = AGREE-WITH-HIM!?! Ophiel writes in his vignette; Acceptance, that he found lack, degrading, and worked like hell, to get out from/under it!?!

Letter of Saint Augustine of Hippo; If thine Adversary says; Do it Not, AGREE-WITH-HIM!?! So, Ophiel's Adversary(?) #1, Malkuth Earth/Hades Plane; stop; halt; inert; adverse; opposed; obstacle!?! said(?) do it/be it not!?! = degraded by/with lack!?! and Ophiel #0, agreed-with-him, Ophiel #1!?! And he, Ophiel, #0, WORKED-OFF-OF-FROM! Ophiel, 1!?! (See/read 1 to 17, of who you are?)

As a person/individual, gains/develops more experience? to/with the/their basic cosmic egg and or basic chair exercises, then the/their, Psychic-Tactile-Feel-ing, of/for resistance? inertia? adverse? opposed? obstacle? increases!?! Each day, twice a day, minimum/at least, for four minutes each session, you, Conscious, as a #1, Malkuth Earth/Hades Plane ness, Define; Three-Dimensional-ise; Symbol-ise, the/your Five, Basic Element Forces, within you, about you and surrounding you, #1 &+ #0!

As you Conscious, as a, ness, Define; Three-Dimensional-ise; Symbol-ise the, EDGE!?! of each of the individual symbols, you, Conscious, as a ness, are increase-ing; enhance-ing; stimulate-ing; the/your #1, Malkuth Earth/Hades Plane, Psychic-Tactile-Feel-ing!?! You, the reader, operator, practitioner, occultist, then take the/this/your, newly developed ability/skill at discern-ing, and you now apply, it/this/your discernment? – to, the/your basic chair exercise!?

Discern; from the Proto-Indo-European Root word; Recognise/Perceive, the difference/distinction, between two or more things. From the Latin; discernere = separate; set apart; divide; distribute; distinguish. From; dis – off; away; apart + cernere – separate/define/sieve. Sieve, from the PIE Root word; krei = to sieve – discriminate; distinguish; define.

In both, Egg & Chair exercises, is/are the same/one thing? = Stop; Halt; Inert; Adverse; Opposed; Obstacle!?! These words, are descriptive in the explanation, of/for the/your #1, Malkuth Earth/Hades, Psychic-Tactile-Feel-ing!?! Plane. In the simple playing card, exercise, is/are the very same thing!?!

Imagine if you will, that you were/are very close/near, to the your #1, Malkuth Earth/Hades Plane/Body, and that you have? a/an Un-Conscious, but... Instinctive(?) intuition(?), for the above, YES/NO! Psychic-Tactile-Feel-ing!?! What then?

Stock Market = Buy/Sell! Gambling = Bet/Don't Bet! Social atmosphere = Safe/Unsafe! Sensory = Touch/Don't Touch! Taste = Eat/Don't Eat! Theft = Take/Don't Take! Assist = Help/Don't Help!

So, you take the above, and you re-examine Ophiel's book; Clairvoyance, and you re-read his chapter; The Two Minds!?! And you examine, his use, of his, Psychic-Tactile-Feel-ing = Watermelon; Milk-pouring; Gas-pedal?

Watermelon = Un-ripe/Ripe! Milk-pouring = Not-enough/Enough! Gas-pedal = Not-enough pressure/Enough pressure! Red card/Black card! Bet/Don't bet! The/this is the same thing(!) yes/no, ex-pressed as; stop; halt; inert; adverse; opposed; obstacle!?!

Are you, the reader; operator; practitioner; occultist(?), in a position/place to recognise? the/your basic chair exercise, in the above, instances? = stand/sit! = yes/no?

Are you, operator; practitioner; occultist(?), in a position/place to recognise/discern? that only(?), in/on the plane above; over; higher; before and in-front, do you get/have? both sides/halves, as a single, force!?! but...!?! – the moment/instant, that you, #3, ego body, present incarnation, personality body, choose; judge = deik – show; reveal; display!?! what it? is!?! that you desire; want; need; brood on, the/your #1, malkuth earth/hades plane, will/shall, stop; halt; inert; adverse; opposed; obstacle!?! (see/read Ophiel's vignette: the power to speak things & conditions into existence.) the reason? why(?), this/these things come about; is because you(?), #3, ego body, piggy-backs!?! in/on conscious, when it/you/your, conscious, is in a ness, state, condition!?! put succinctly/exactly by; Nevele Goddard;

“To pray for riches, whilst being conscious, of being poor, is to be rewarded, with what you are conscious of! = namely poor

= Judge – to show; to reveal; to display = Don't have!?! Ophiel covers this very thing, in his book; Creative Visualisation, his chapter; Law of Emotion;

“One method of using E-motions, often advocated by former Creative Visualization teachers of the natural type, was to instruct the student to “**FEEL**” (without telling him ‘How,’ to “feel”) that he already had the thing desired, and was using it, AND he would get it in due time. This idea seems to have originally been based upon one of the few genuine portions of the “New Testament”

The purported Jesus is supposed to have said, “Whatever things you want believe that you have them already and you will have them.” (Therefore, I say unto you what things so ever ye desire, when ye pray, believe ye have received them and ye shall have them. MARK 11:23 ERV.)

Of course, the above directions are greatly simplified and are directed to those who are able to work the Creative Visualization Laws naturally. You now know, from your reading study of this book, that there are many other factors-laws to be taken into consideration to make Creative Visualizations work than the use of just one single Law. However, these other Factor-Laws you now already know and knowing them you can use them all together properly and get the best reinforced use out of all of them.” End quote.

Therefore, I say unto you #0, what things so ever ye #0, desire, when ye #0, pray, #1, PSYCHICALLY-TACTILELY-FEEL-BELIEVE - ye #1, have received them, and ye #0, shall have them = Basic Cosmic Egg Exercise!?!

1st you = #0, Outer, outer physically physical you = CONSCIOUS, AS A NESS!

2nd ye = #0, Malkuth earth/hades you!

3rd ye = #0, Malkuth earth/hades you!

4th ye = #0, Outer, outer physically physical you!

Belief; Believe; Believed; Believe-ing, means, TO TRUST!?! Have them!?! TO TRUST!?! Means(?), in this/our/your case, to, PSYCHICALLY-TACTILELY-FEEL!?! the/your, Egg; Sphere; Inverted Pyramid; Bowl & Cube, within you, about you and surrounding you, #0, and they/these, Five basic Element Symbols, are/will be, just as ‘real?’ as, the/your #0, Outer, outer physically physical body!?!

The/these; Five basic Element Symbols, are/will be, just as ‘real?’ as, the/your #0, Outer, outer physically physical body = BECAUSE THERE WILL BE, NO SEPARATION? Between them and you – Conscious!?! This sense-ation, feel-ing, is/will be brought about by/with/through, the/your #1, Malkuth Earth/Hades Plane, Psychic-Tactile-Feel-ing-Believe-ing!

Once more/again, you can only(!), use; uses; use-ing; used; the/your #0, outer, outer, physically physical plane!?! You, #3, ego body, personality body, present incarnation, body you, must stop! just stop! try-ing!?! to change!?! the/your #0, outer, outer physically physical plane!?!

You, #1, are the only one! who can Change things!

You, #3, can only! observe!?! Watch Over!?

You, #0, can only! use; uses; use-ing; used!?!

You, #1, can do, this change? For all this, is delivered unto you, and to whom/what(?) soever, you will, will you give it!

Thank you.
