

THE ART AND PRACTICE OF OPHIEL

**A Collection Of Monologues On Working
With His Materials**

**In particular, techniques and practices for working alongside,
and with, the Malkuth Earth/Hades body**

defunct YahooGroups)**

12 of 17 egg work. 2022

In Dione Fortune's book; The Qabalah, Chapter X Malkuth, we read this;

“45. The only satisfactory channel of evocation is the operator himself. In the Egyptian method of evocation, known as the assumption of the God-Forms, the operator identifies himself as the channel of manifestation. It is his own magnetism that bridges the gulf between Malkuth and Yesod.” End quote. (Underlines are the present writers.)

You, the reader, can read what Ophiel writes about this, the above, from Dion Fortune, in his first book; Astral Projection, his chapter; Body of Light and in his book; Clairvoyance, in his chapter; The Body of Light and the God Images. Now! It does not take a rocket scientist!? to work out/figure out!? that doing/practicing/working, the/your basic cosmic egg exercise, is also!? assumption!? of for the/your, basic element earth plane!? #0 to #1! Yes? No?

Assume = to take back; to take back up/in!?! From the Latin; *assumere/adsumere* = to take up; to take to oneself; in addition to: From the Proto-Indo-European Root word; *re* = back; back to; to the origin of + *em* = to take/distribute/share.

The plane/level you are in/on now, is that of the/your #0, Outer, outer physically physical plane, with which you are(?) Conscious of(?) as a; Ness = protrusion; projection; promontory; jut-forth; stand out!?

The/this, ness, takes the form of a; duality = all/everything? in/on the same/one plane!? = Conscious, as a ness!?

So, therefore, everything else/other? is!? in/on the/this/your, same? duality! = #0, Outer, outer physically physical plane!?!

So, therefore!?! the only way/method/technique!?! to change/alter!?! the/your #0, outer, outer physically physical plane duality!?! is to!?! assume!!?!

Question?? = now what is it? that you(!?), conscious(?), as a ness? = assume!!?

ANSWER!! = whatever you, #1, malkuth earth/hades plane, psychically-tactilely-feel!!?! Define; Three-Dimensional-ise; Symbolise!?! which? in this/your/case, is!!?! the five basic element forces symbols!?! within you; about you and surrounding you = #1 &+ #0!?! With? #3, Ego Body 'you?' = Observe-ing.

Also, please note carefully!?! big occult? with due diligence and proper practice, you, the reader/operator, practitioner/occultist(?) should! be able to, ASSUME(?), much of everything/all, that is in/on the/your treasure map/chart!?! and/or in/on the/your/a talisman!?! and/or in/on the/your, Little System Projection Route?

Now! In keeping with, the 'theme?' of this series of monologues, here is another case, of misconception!!?! which totally/completely/utterly destroys!!?! any chance of a beginner grasping? a clear understanding!?! of HOW? the occult/magic works/operates. Dion Fortune continues:

“47. When we consider the microscopic Tree, the physical body is Malkuth; the etheric double is Yesod; the Astro-mental body is Hod and Netzach; and the higher mind is Tiphareth.” End quote.

PLEASE NOTE CAREFULLY!!?! THE/YOUR #1, MALKUTH EARTH/HADES PLANE = IS NOT! NOT! #0, OUTER, OUTER PHYSICALLY PHYSICAL!!?! Both Egg and/or Chair exercises, will/shall prove!!?! this, to you, Conscious!?! as a 'Ness.' THE/YOUR = #1, MALKUTH EARTH/HADES PLANE, PSYCHICALLY-TACTILELY-FEEL-ING! Define-ing; Three-Dimensional-ising; Symbol-ising, IS NOT! #0, OUTER, OUTER PHYSICALLY PHYSICAL!!?!

The/your, #0, outer, outer physically physical body is a ness, a projection, a protrusion, a jutting-forth, a promontory, a standing-out, of/from!!?! = the/your #1, malkuth earth/hades plane!?! the/your #1, malkuth earth/hades plane, is not! not! #0, outer, outer physically physical!?! Both Egg and/or Chair exercises, will/shall prove this!?! to you, Conscious, as your progress, in the daily practice/doing, of diligently observe-ing, the/your #1, Psychic-Tactile-Feel-ings, of/for them.

Gently, with the minimum, of disruption/disturbance/imbalance, the partnership, to/of/for, both #1 &+ #0, will be the soft? Rising, into your #0, Outer, outer physically physical body Conscious, as ness, will be, the/your – new found friend/partner, #1, Malkuth Earth/Hades!?! (Letter of Saint Augustine of Hippo: Oh, what a friend thou hast found!) here is how Ophiel finishes his vignette; Showing God What to Do:

“After completing a good visualisation of what you want on the Etheric Plane – the thing you want must be gotten to 'Down Here,' in Physical Matter. This is the part that is most baffling to us. The thing must come through Physical means, and you must allow Physical Time for it to come through. Here is where you should have followed, to a large degree, of common sense.

It is true you can create-visualise anything on the Inner Plane, but as the thing you create has to come through to here, some allowances for stubborn matter should be taken into account, if you create-visualise for a very large thing, and as it has to come by natural means, these natural means must be created-arranged, **and in the case of large things, Time must be taken into account.**

One proper way to work the creation-visualisation process is to start with things that are relatively simple and close to your present state. Then, as you acquire these simpler things, your natural resources will increase, and bigger and bigger things can be acquired more easily. To use the Creative Visualisation process, as outlined before is an, ART. Naturally there is more to this Art than is given in this little Vignette, but the main parts are herein given. If you will follow the process as shown, this 'Magic' process can work, and with time and experience, you can acquire all the other details connected to this, Mental Magic Technique." End quote.

Context, for us, reads thusly:

After completing a good **psychic-tactile-feel**-ing = define; three-dimensional-ise; symbol-ise, of what you #0, want, on the/your #1, Malkuth Earth/Hades Plane, the thing, you want, must be gotten to, down here, in #0, Physical Matter. **This is the part that is most baffling to us?**

The/your, thing, object; circumstance; it; must come through/by/with, Physical means, and you must allow Physical **Time**, for 'it,' to come through. **Here is where you should have followed, to a large degree, of common sense!** It is true you can/do, #2, create-visualise anything, on the Inner Planes, but as the thing, you create, has to come through to here, some allowances for stubborn #0, matter should be, taken into, account. If you create-visualise-**psychic-tactilely-feel**, for a very large thing, and as it has to come by natural means, then these natural means, must be created-arranged, and in the case of large things, Physical Time, must be, taken into, account.

One proper way to work the creation-visualisation-**psychic-tactilely-feel**-ing process, is to start with things that are relatively simple. and close to your present state. Then, as you acquire these simpler things, your natural resources will increase, and bigger and bigger things can be acquired more easily. To use the #2, Creative Visualisation and #1, **Psychic-Tactile-Feel**-ing process, as outlined before, is an, ART. Naturally there is more to this Art, than is given here, but the main parts are herein given. If you will follow the process as shown, this 'Magic,' process can work, and with time and experience, you can acquire all the other details connected to this, **Psychically-Tactilely-Feel**-ing, Magic Technique.

Also, when you read Ophiel's vignette; Showing God What to Do: you will/shall see/read, where Ophiel missed the point? that the writer, of that ole crazy book (Bible,) part, was trying to explain: To 'worship,' is/means; to value!? to have worth/merit (Earned??). Also, in this, narrative/theme, it is all about, the tempter? the tester? (Ha-Satan = **THE** tester/tempter!?) but! **if** you wish to transfer/project!/? to, the/your #2, etheric plane, then you, conscious, as a ness? must agree/abide, to/with **different!**? laws; rules and governances. of. the/your #2, etheric plane, **if you**, conscious, are to be saved!?! The Conversation of the desert/cave, is quiet specific, and quite clear, in its explanation?!

In Hebrew, the term/expression; Forty days or Forty nights or Forty sheep or Forty bulls or Forty dresses or Forty ships, etc, etc, et al; the number 40, was/is an expression of/for, there abouts/in general; in General; approximately; unspecified; indeterminate; close to/enough; amount/estimate of! And, also, at any/in general, un-specified time!?!

After forty-days and forty-nights, they became/were(?) – **Psychic!**?!

After forty-days and forty-nights, they became/were(?) – Champions!?!

After forty-days and forty-nights, they became/were(?) – Rested!?!

You get the idea? In General; Approximately; Unexpectedly; Surprisingly, etc, etc. So, after a passage of 'time?' the big boy = **HA-Satan!** **THE!** ONE AND ONLY, BIG CHIEF **HA-SATAN** = **TESTER/TEMPTER**, **CAME TO SPEAK/TALK**, to the Christos! Christos is a Greek word, and means, saviour, that which, saves? also, it should be noted, that there were about forty(?), other(?), little Christ's, all running about, at the same time, as the/this BIG ONE!/? (**HA**, is/means **THE**, as in, **THE** original, **THE** genuine, or **THE** one and only!)

Tempt (verb), from the Latin; temptare; To Feel, (**Psychic-Tactile-Feel**-ing!), to try out; to attempt to influence; to test, from; tentare = touch; handle; test; try. (**Psychic-Tactile-Feel**-ing!)

is a generic noun word, and its meaning is, accuser/adversary, and is derived , (שָׂטָן) In the Hebrew Bible/Books, the term *sātān* from a verb, meaning principally, to obstruct; to oppose; to resist. The early Hebrew books of; SamaEL (29:4,) gives human adversaries, but as knowledge and experience progressed, the later writings/books (Especially, Job, 1:2 and Zechariah, 3,) began to .refer to a/an, Supernatural/Heavenly/Spirit entity, Opposer

Whenever referred to, without the definite/genuine, article, it was simply a/an, impersonal 'Satan,' but... when it **was** referred to,

as; *THE* Definite/Genuine, article, it was a/an, Supernatural/Heavenly/Spirit entity, that **was/is** referred to, as: *Ha-Satan!*? meaning literally; *THE! SATAN!*?! (Book of Job, in chapters 1:2, 14 times; Book of Zechariah 3: 1-2 (9 times.) but... *THE SATAN*, in the ole English crazy book (Bible) is just simply referred to as ‘a,’ Satan? any and all, and in general, resistance; inertia; adverse; opposed and accused; but... over time, this simply became a ‘defiance?’ and became one of #0, physically physical, morality and sin!?!

So, in the expression of? tempt; tempted; temptation; tempt-ing; you, (**Yes! YOU!** reading this/these, monologues!) art trying to, test!? **psychically-tactilely-feel!**? the amount? the level? the degree of!? resistance? adverse? opposed? obstacle!? that the your #1, malkuth earth/hades plane/body, is, tentare = touch; handle; test!?! by/with, **psychically-tactilely-feel-ing!**!?

And the above is what you, the reader; operator; practitioner; occultist(?) are(!), doing!? each and every time!? that you choose, to do/test/try, the/your basic cosmic egg and/or basic chair exercises, which are!? #1, malkuth earth/hades plane, exercises!?

Please note carefully: Just because the/these two exercises, do not(?), work/operate for you(?), does not mean(!), that they/these two exercises, egg/chair, are not(?), #1, Malkuth Earth/Hades Plane exercises!? also, try to be/become aware/awake, conscious, to what it is, the that basic egg/chair exercises are show-ing; reveal-ing; display-ing to you, Conscious, as a #0, Outer, physically physical ness. reversal; opposed; adverse; obstacle inert, and that it is this force? that you are sense-ing/feel-ing.

In the/your basic cosmic egg exercise/work, you are trying to increase; enhance; develop and stimulate, your conscious, awareness, awake-ness to the/your #0, Conscious-ness, level, where you #3, Ego Body can/does, observe, and from, the/this/your powers of!? **psychic-tactile-feel-ing**, you conscious, as a ness, choose!?

Ophiel’s examples, in his book; Clairvoyance, his last chapter: The Two Minds, he (Ophiel) demonstrates the above, in his: Milk-Pouring; Watermelon and Gas-Pedal, examples, and, in the beginning of his/this book, Ophiel’s other examples, was/are; His Business Man and his, department store lady, who was; rising on the planes. These natural/normal, phenomenon, are(!) genetically inherent in all successful living organisms. It was, of course(?), the religious, theoretical, un-initiated, who made everything religious, literal, of the/this your #0, Outer, outer physically physical world, and it is a wonder? that we rediscovered/recovered, ART!?

Simple examples, of the above, would be (historically speaking?), where the religious translators? didn’t know how? to change/alter it (As explained by Ophiel, in this/his same book; Clairvoyance.) In the crazy, book (Bible,) (referred to, as such, because it drives everybody(?), crazy! There were/are(?) TWO! Jesus? on trial, and the mob! must choose? One of them! They are called/named;

Jesus *THE CHRISTOS* (Greek name = Christos - He who, saves = Son of God?)

Jesus *THE BAR-ABBA* (Hebrew name = Bar-Abba - He who, is = Son of the Father?)

The standard; regular; pious/religious, in your face! nut-job/creatin, would, of course, as a standard norm, immediately put you, the reader, to the stake, without hesitation, if you were to suggest/recommend, that none of these individuals!? were, are actual; factual; literal persons/reality!? But... when asked? Teach us to ‘pray,’ to ask earnestly; to ask, as if/as though, in a, Court of Law? From the Proto-Indo-European Root word; prek = to ask; to request; to entreat;

THE Jesus, begins with; OUR! (**Personal/Individual**) FATHER!? So, this? Jesus, is, *THE!* Son of!? THE/THEIR? FATHER = #1, Malkuth Earth/Hades Plane!? Then says; Who art in Heaven?

Heaven is not a place? it is a state/condition! (Ophiel’s; Neither State Condition, not asleep/not awake. Dream Method.) Brought about by/with #0, sensory deprivation/stimulus, hence – sleep, hence – Dreams!?)

Heaven, from the Proto-Indo-European Root word; kem = to cover; to hide; to conceal; to keep secret!? #1, Malkuth Earth/Hades Plane, DARK-ness; BLACK-ness; BLIND-ness!?!

So! As a technique/formula!? to practice(?), as in; Teach us? There is much to be learned/mastered, but... without technique/formula!? all you have, is a sound bite? a tweet? a pile of shite? a piece of information? in other words, useless!? Since all, Christianity prays, to the wrong-plane!? But... with a technique, it is a practice/exercise, in order to develop; enhance; increase; stimulate, the/your latent; dormant, #1, Malkuth Earth/Hades, **Psychic-Tactile-Feel-Ing!**? as witnessed(?), by/with/the lines; **our father**, and, **in heaven**? Here, is how Ophiel, explains it, from his book; Astral Projection, his chapter; Little System:

“And the Second thing is – **You should know that no-thing in the physical-world-universe is what it is supposed to be, or is, according to what people think it is.** This is especially true about the Inner Planes. Everything about the Inner Planes is different than what it is supposed or thought to be. Different from what the churches say it is – different from what the spiritualists say it is. On the one hand there are certain widely held ideas that are true and also there are certain fundamental things that are true. **On the**

other hand, there are many widely held ideas that are not true and many fundamental conceptions that are not true. In many cases things do not work because basic theory is wrong but would work if a little knowledge was introduced.

Many times, a thing works, as I said, **BUT NOT BECAUSE OF THE REASON THAT IS GIVEN FOR IT WORKING AND WITH THE RESULTS THAT YOU MIGHT EXPECT**. The Occult Art of Astral Projection is definitely one of the above designated things.

Astral Projections do work, **BUT NOT WITH THE RESULTS YOU EXPECT**, because the Inner Planes are not what you thought they were or were taught they were. **THE INNER PLANES ARE QUITE DIFFERENT THAN WHAT THEY ARE THOUGHT TO BE.**” End quote.

Get it now? So, we continue:

THY KINGDOM COME!?! Kingdom = Malkuth = home; dwell-ing place; abode! (Come = Direction?)

THY WILL BE DONE!?! (Thy/your, #1, Malkuth Earth/Hades, **Psychic-Tactile-Feel**-ing, **will be done!**)

IN/ON EARTH (#1, Malkuth!)

AS IT IS! IN HEAVEN!?! (#2, Etheric!)

NONE OF THIS IS, #0, outer, outer physically physical earth!?! (Is it working(?) for you yet!?)

Please note carefully, there is/are an abundance, of versions/interpretations of/for this prayer/formula?

BUT... NONE OF THEM HAVE ANY **TECHNIQUE!**?! hence, a pile of shite!?

Remembering/Recalling what Ophiel writes: **THE DEMIURGE DOESN'T UNDERSTAND WORDS! VERBAL SOUNDS ARE(!) AS NOTHING!?! TO THE DEMIURGE!?!?** Of all the versions/variants of this so-called formula/prayer(?), in some, it says; give us this day, our bread for tomorrow? Our 'bread/sustenance,' is/are, the/our/your #1, Malkuth Hades Plane, **Psychic-Tactile-Feel**-ings!?! of what we want; need; desire; brood on! (Remember, this/these lines, are ancient, basic, basic, formula/actions, for right think-ing/right do-ing, right **psychic-tactile-feel**-ings!?)

And at the end, some versions say/write; and do not bring us(?), to the time of trial (us into temptation!?) but rescue us, from the, **evil one**. (Or; from evil?)

Only those who have chosen to test; try and use, the above, right-think-ing, right do-ing, right **psychic-tactile-feel**-ing, egg and chair exercise, in the prescribed manner/method/way, know/understand/experience, the Evil? one? **HA-SATAN!**? (See/Read the Letter of Saint Augustine of Hippo, about the, time of trial? read what he writes about the/this; Evil One? = Surely not the Devil? **For we have been delivered, of him already.**)

Ha-Satan!? = is **not!** the devil?

Ha-Satan!? = is **not!** the evil? one!

Ha-Satan!? = is the 'tester,' (**Testing what!**?)

Ha-Satan!? = is the 'tempter,' (**The one who – touches! handles! Feels!**?)

Ha-Satan!? = is the #1, malkuth earth/hades plane you!?

Ha-Satan!? = tests, by/with, **resistance!**?! adverse! opposed! obstacle! Inert!?

Ha-Satan!? = tests, by/with, **the/your** = basic cosmic egg and/or chair exercises!?

And **that!** me dears!?! **IS! IS!** = just how **close/near!**? = *Ha-Satan!*? **IS!**? to you!?! = #0!?

Ha-Satan, **IS!**? the one who **tests! tries! gives trial; based on!**? **the/your own!**? #3, **judge; judged; judgement; judge-ing** (Judge, from the Proto-Indo-European Root word; deik = to show; to reveal; to display!?)

In the, porridge/mess, which is the ole crazy book (Bible), it is Jacob = who wrestles/struggles? with the/a/an, Angel(?). Wrestle, from the Proto-Indo-European Root word; wrest/wer/wert = **to bend; turn around; turn back**; See/Read Ophiel's first lesson; Correspondence Course, in Astral Projection, and read about his; about face/turn and look back/behind! Ophiel also writes, in his books; That the individual should about face/turn and 'enter,' the tree/map, backwards/backing into, the tree/map. The above is taken care of, in the/your basic cosmic egg work, when you position your, self/conscious-ness, slightly above and **behind**, towards the left side, of the **back-of-the/your** #1, Malkuth Earth/Hades Plane Body and **observe**, from this point/place/position!

When Conscious? is/becomes aware, awake to the reality, of having a/an, other? body(?), this/your reality? is, very quickly, put to use; uses; use-ing; used!? Ophiel writes in his book; Astral Projection, that many witches, had a familiar = other? with which they; talked to, conversed with, and gave instructions to? But... in reality(?), it wasn't to the/their, Body of Light? that they/these witches, spoke to, but... to the/their #1, Malkuth Earth/Hades Plane, Psychic-Tactile-Feel-ing, Self!?

Please put the above information, TO THE TEST! TRY IT! DO IT! Enter, the/your #1, Malkuth Earth/Hades Plane, Dark-ness; Black-ness; Blind-ness, and Psychically-Tactilely-Feel, a cup, or a shoe, or a chair, or one of the five basic Element Forces symbols!? Within you, about you and surrounding you – Conscious, as a ness.

The present writer stands and talks normal, to those around them, who knew nothing about the present writers, interests? and they, the present writer, would touch? them, without any sexual, connotation, as that would be a Judgement? Judge-ing? but... just like the cup, shoe, or a chair, or one of the five basic Element Forces symbols, the present writer would influence? (induce,) them. (In these instances, the 'individual,' is 'objectified = symbol-ised,' just like the cup, shoe, chair, or one of the five basic Element Forces.)

Induce, from the Latin; inducere = lead into; bring in; introduce; conduct; persuade; suppose; imagine. From; in = into; on; upon (PIE Root; en = in,) + ducere = to lead. (PIE Root; deuk = to lead; draw to/towards; in direction of.) the above, is what you, the reader, are doing? by/with/through, the daily practice of, the/your Basic Cosmic Egg and/or Basic Chair exercises!?

Thank you.
