1 of 1 Getting Material Things. 2023

Here is how Ophiel begins his vignette; Getting Material Things:

“To start this essay broadly and then to narrow it down is my intention. Firstly, just how far-much can Inner Plane ‘workings’ influence the outer Physical Plane? The answer is, in general, some? To a precise point, no! **By that, I mean it is possible, by using Inner Plane Power to effect changes on the outer Material Plane, but not directly, and only within certain very special limits, and not often instantaneously.**” End quote.

When a person has done enough, basic cosmic egg and/or basic chair work, to the ‘extent,’ that they #0 &+ #3, can sense/feel, the/their #1, Malkuth Earth/Hades – **Psychic-Tactile-Feel**-ing! The next thing to try, test, use, in relation to/with, the/their #1, Malkuth Earth/Hades Plane = **IS?** – incense!?! And the reason, of/for this, is?? = THE ‘SENSE,’ OF ‘SMELL!’ = GOES TO THE ‘DEEPEST?’ PART OF THE ANATOMICAL, PHYSIOLOGICAL PART OF THE BRIAN!?! AND ‘STIMULATES/EXCITES?’ THE/THIS PART, OF, THE BRAIN! Ophiel next writes;

“I know this is rather disappointing news for those who are in physical need, and want to turn to the inner Planes for assistance on this physical plane, and who need help at once. All things are relative to each other in time and space (Earth time and Earth space.) and you must **start** sometime, go on from the starting point, and **grow** into the use of Occult Knowledge, leading to Power. **But, please remember, physical action is needed to supplement occult WORKINGS.** We all would love to have a direct control over dear old Matter, and I know of one instance of DIRECT INFLUENCE ON MATTER, but I’m afraid, one not very usable or practical.” End quote.

The daily physically physical action/doing, of the/your basic cosmic egg and/or basic chair exercises, is/are ‘cumulative?’ = IN ORDER TO ENHANCE! INCREASE! DEVELOP! = WHAT IS **ALREADY!?! THERE!?! NOT! NOT!?! TO GET/FIND/DISCOVER/REVEAL/DISPLAY!?! SOME KIND OF OUTSIDE? ‘SUPER POWER!?!’** Ophiel writes this, farther on in his vignette; Getting Material Things:

“To return to the conception of getting ‘material things’ through mental magic: Yes, it can be done, but the process is not like that of waving a ‘magic wand.’ **There are people who are naturally successful without inner plane help, but if you were to examine their lives, you would find that there existed a definite pattern, both a physical pattern and a mental pattern, that did it.** And this same type of thing is what you must embody into your life, too. **In other words, - change you’re thinking! - AND, - how many people really change their thinking? WELL! You can but try! Even changing your thinking for short periods can have some effect for beneficial changes.**” End quote.

Context reads thusly, for us;

“To return to the conception of getting ‘material things,’ through mental magic: Yes, it can be done, but the process is not like that of waving a ‘magic wand.’ **There are people who are naturally successful without inner plane help, but if you were to examine their lives, you would find that there existed a definite pattern, both a physical pattern and a mental pattern, that did it,** and, in many, many ‘cases/places,’ you will/shall find/discover, that the ‘most?’ successful, are those = who provide a ‘service?’ to/of/for = OTHERS!?! For which, they can then ‘charge,’ for them. And this same type of thing is what you must embody into your life, too – being of ‘service,’ **In other words, - change you’re Psychic-Tactile-Feel-ing! - AND, - how many people really try to, ‘change,’ their = Psychic-Tactile-Feel-ing! WELL! You can but try! Even changing your Psychic-Tactile-Feel-ing! for ‘short periods,’ can have some effect for beneficial changes!?! Hence? the reason of/for, the/your basic cosmic egg, and/or basic chair exercises!?! Next, this part;**

“Now, how much must you change your thinking and what kind of change exactly is required? **Your ‘change in thinking,’ has to be of the nature of a ‘complete reversal’ of the ‘worldly’ and accepted manner of ‘world’ thinking.** What does this change really mean?

First, - you must stop regarding the physical plane as ‘real’ in the sense that ‘solid’ means ‘real.’ **You must start to think of the ‘solid’ plane, as an ‘illusion,’ something ‘counter,’ to the world’s accepted, image/idea, of it all.**

Second, - **you must begin to ‘think and act’ just the ‘opposite’ of the way the world thinks and acts.**” End quote.

Context, reads;

Now, how much must you change your **Psychic-Tactile-Feel-ing!** and what kind of change exactly? is required? Your **'change in Psychic-Tactile-Feel-ing!'** has to be of the nature of a **'complete reversal,'** of the **'worldly'** and accepted manner of **'world' thinking.** What does this change really mean? First, - you must stop regarding the physical plane as **'real'** in the sense that **'solid'** means **'real.'** You must start to think of the **'#0, solid' plane,** as an **'illusion/projection,'** by!/? = the/your **#1!?** something **'counter,'** to the **#0, world's accepted, image/idea, of it all.** Second, - you must begin to **'Psychically-Tactilely-Feel!'** and **'act'** just the **'opposite'** of the way the/your **#0, world thinks and acts.** Then this part;

"These changes require that you also strengthen your **'inner convictions,'** to match the changes, and this is certainly no easy thing to **'Do.'** And I can offer you no real personal help to make it easier. No one but YOU can strengthen your Inner Self. This strengthening is a process of growing and growing in spite of all setbacks and results of cycles, of **'hopes deferred'** and all the screwball tactics that make up **'living life,'** this physical life. I certainly don't mean to sound gloomy, by no means." End quote.

Context, for us, reads, thusly:

These changes require, that you = 0 &+ #3, also strengthen your **'inner convictions,'** to match the changes, and this is **certainly one of the 'easiest?'** of things to **'Do!** And the present writer, has no **'hesitation,'** in offering/proposing, to you, the reader, real, personal help, in the way of information/explanation(?) to make it easier for you! Even though!/? = No one but! YOU! can strengthen your Inner Self. This strengthening, is a process of growing and growing, in spite of all setbacks and results of cycles, of **'hopes deferred,'** and all the screwball tactics, that make up **'living life,'** this physical life. Hence the/your #1, Malkuth Earth/Hades Plane = **Psychic-Tactile-Feel-ing!?** And the/your = Basic Cosmic Egg and/or Basic Chair exercises!/?

Ophiel next writes:

"Actually, to understand the construction of **'ALL,'** and to master your own **'Life LIVING,'** is the greatest achievement in the entire universe, and should thrill you to the core of your being. **And this achievement is done through KNOWLEDGE; KNOWLEDGE of your – Self; KNOWLEDGE - of the 'Machinery of the Universe,' - And, - your acquired Knowledge, of how to 'RUN THE MACHINERY OF THE UNIVERSE' in regard to your own personal self.**" End quote. (Underlines are the present writers.)

Please Study, very, very, very, very! carefully!/? = The/Your, #1, Malkuth Earth/Hades Plane – The/Your!/? = **PSYCHIC-TACTILE-FEEL-ING!/? = IS! IS! = THE/THIS/YOUR!/? = Machinery-of-the/your-Universe!/? = FOR ALL THIS!/? IS! DELIVERED!/? UNTO ME! #1, And, to whomsoever I, #1, Psychically-Tactilely-Feel-Believe!/? = I, #1, shall deliver/give = UNTO THEM!/?** (See/Read Ophiel's book; Contacting the Demiurge, and his; Drunk, rolling about, in the Gutter, and the Demiurges, disregards of/for, the **'consequences?'** to/of/for = you!/? #0!) Next, we read this part;

"In these few pages I cannot give **'ALL KNOWLEDGE.'** I aim to give out something in each writing and in time, to get a great deal of it out. **(And I am not doing this to extend the bulk of my writing, but because the scope of this material is very large.)** Please study the following basic-basic and **assimilate** this knowledge into your **'BEING.'** **A great deal of 'TRUTH' is here given.** The next Inner Plane is full of Light. This Light is the **'SUBSTANCE'** of the Secondary God. I call this **'LIGHT SUBSTANCE'** the **'Astral Light' (Star Light) (My, pet name.)**" End quote.

Once again, context: See/read Ophiel's vignette; An Exercise in Preliminary Projection: wherein we read this part; **"I am going to introduce an idea here, which is not a new idea at all, but is probably thousands of years old. As usual, I am rediscovering something that has not been put down plainly in any of the books.**

I am going to ask and wonder if there is not some kind of **'sub-plane,'** a **'sub-Etheric Plane,'** which is very close to the physical, **but which is neither physical nor Etheric.** It has been suggested that the planes between the **'Real' Earth and the 'Real' Etheric** could be the Elemental Planes of the Elements. **And it is possible to project to these planes, a fact which I had never seriously considered before this time.**" End quote. (Underlines, are the present writers.)

Fortunately, **it was/is!/? put down plainly, in many, many, many – books!/?** But...! **its 'secret?'** has been **'lost!/?'** due to the, Gnostic Orthodoxy, making **'it'** the Demiurge = **EVIL!/?** And the illiterate, un-initiated, clergy, invention of the **'grave?'** = Dark-ness; Black-ness; End-ness; Finality? As the **'result/consequences?'** of **'not!'** obeying the/their every whim!/? Or **their God??** Would **'do?'** whatever(?) **'IT'** was/is(?) that they(!?) wanted!/? Cursed? Excommunication? How? did this **'EVIL?'** come about??

Well!? Long story, short! is? When the, single source original one substance Light!? = Akasha/Pleroma, said(?) = Let There Be!? = A SECOND? LIGHT!? Kether to Malkuth? And Malkuth, was/is the LOWEST-POINT!? OF/FOR!? THE/THAT/THIS = SECOND LIGHT!? WHERE 'ITS?' (#1, Malkuth,) LIGHT? HAS!? NO? LUMINOSITY!? GLOW!? (#2, Etheric Light!?) The Valentinian Gnostic School, described it; The Demiurge, at its 'lowest-point,' as being; Childish = Yaldabaoth; Saklas = Foolish; SamaEL = BLIND!

Yaldabaoth = Childish – irrational; illogical; impulsive.

Saklas = Foolish – non-critical; accepting; face-value.

SamaEL = Blind; Dark-ness; Black-ness; Psychic-Tactile-Feel-ing.

SamaEL = Ha-Satan = THE-Tester; THE-Tempter; THE-Taster.

#1, Malkuth = Adverse; Opposed; Obstacle.

#1, Malkuth = Inert; Immobile; Resistance.

#0, Works-off-of/From #1!?

The above contains, very 'powerful?' occult 'information/explanation,' of/for anyone, who wishes to, make/create a 'technique?' of/for themselves. Ophiel next writes;

“EVERYTHING in our physical existence is connected to, related to, concerned with, the Astral Light. For the rest of this Vignette, I will list the names, other names, by which the Astral Light has been 'DISCOVERED' and 'NAMED' by occultists and metaphysicians through and over the centuries. As each came upon this 'Light Substance' in turn, used it; and then named it, the name he gave depending somewhat upon the 'QUALITY' of the 'Light' used. The following are names for the Great Agent: Prana, Holy Ghost, Elemental Forces, Cosmic Magnetism, Magnetic Fluid (Mesmer,) Keys of the Kingdom, Living Water, Vril, Hidden Agent, Logos (Gnostic,) Chameleon, Flor Salis Albi (Flower of White Salt,) Philosopher's Stone, Elixir of Life, Demiurge (Greek,) Half-God, Animal Magnetism (Mrs Eddy = Christian Science) Para Brahman, Absolute Substance.” End quote.

All(?) of the above, is(?) = #2, Etheric Plane 'Light?' (Possibly, with the 'exception?' of Mrs Eddy.) It when we get to the; Medieval Crap, of – active; personal; individual = Evil!? – Personification of = Devil? Which, as Ophiel writes it, as a 'Personality Body/Individual?' = doesn't 'exist?' = BUT....! Let the present writer, give you their personal 'assurance!?' that meeting/greeting(?) the/your 'OTHER?' can be/may be(?) to say the 'least?' a 'daunting/intimidating?' experience. So, be on the 'look out?' if it/this, happens!? (Constant 'working,' of the egg/chair exercises, will/shall help to 'reduce/limit/restrict/contain,' the/these 'feel-ings!?)

Ophiel finishes, his vignette; Getting Material Things, with this part:

“The 'Core Knowledge' of this Vignette is; that you, 'Learn' about the, 'Existence' of the Astral Light and then from then on, you, take the 'Existence' of this Great Agent into all your calculations. Generally speaking, you can learn how to manipulate the Agent so that it will not harm you and can benefit you. Learn and Work. As I have said before and will say again and again, this life is a very 'queer' thing?

It is said that we 'came' from a free 'space' and here we are 'confined.' Some kind of lesson is to be 'Learned' a way of 'escape' is to be found? The above is a start.” End quote.

Some kind of lesson(?) is to be 'Learned?' a way of 'escape?' is to be found?

Now? comes the 'tricky?' part!? = Escape(?) from what? to what? and to where? So, let the present writer, just present it? The 'escape?' = IS!? – FROM?? – THE/YOUR #1, MALKUTH EARTH/HADES PLANE!? TO!? – THE/YOUR #2, ETHERIC PLANE!? (Consciously/Un-Consciously = won't/don't – matter one single jot!?) not! from #0, to #2!?

Thank you.
