defunct YahooGroups)**

## 2 of 17. tattva. 2023

The ‘Tattva,’ symbols, are simply ‘prisms,’ through which, comes ‘configured’ Inner Light waves/patterns, in ‘vary-ing,’ degrees of intensity; density and luminosity. This is explained by Ophiel, very clearly, in his book; Talismanic Magic, in his chapter: Recapitulation. Ophiel writes this:

“For the purpose of making a start, and with no immediate reference to origins of things as such, we can consider the philosophical idea/concept that there exists another “double world,” a through-the/a-looking-glass, or “on-the-other-side-of-this one” world. Once you stop still and reconsider this concept of a double world, all sorts of interesting ideas come welling up into consciousness.

First: An Object, any object you see on this Physical Plane, has a duplicate on the Inner Planes. This first duplicate then goes on “back up” the rest of the Inner Planes to the near top Plane where it ceases to exist as a form, and becomes an Idea only and then, on up, to an archetypal idea only, and then, on to pure energy feeling. Then it passes on out of this Physical Plane World on up to the great beyond, of which no one knows a thing and which is of no real concern to us at this stage of our study and evolution.

It should be obvious to any knowledgeable, thinking person that the understanding of the ‘doubleness,’ of manifested existence could suggest all sorts of expanded possibilities of physical manifestation which should be taken into consideration in our every physical action on this Physical Plane.” End quote. (Underlines are the present writers.)

Simple ‘context,’ for us, would read thusly;

For the purpose of making a start, and with no immediate reference to origins of things as such, we can consider the philosophical idea/concept that there exists another “double world,” a through-the/a-looking-glass, or “on-the-other-side-of-this one” world. Once you stop still and reconsider this concept of a double world, all sorts of interesting ideas, come welling up into conscious, as a ‘ness,’ and in particular, when it/this ‘welling-up’ comes to us, in/on the/our #1, Malkuth Earth/Hades Plane – IT DOES SO, AS! = PSYCHIC-TACTILE-FEEL-ING!? = WHICH THEN ‘MOVES?’ ‘ANIMATES?’ ‘DRIVES?’ THE/YOUR = #0, OUTER, OUTER PHYSICALLY PHYSICAL BODY!?

First: An Object, any object = you – Conscious, as a #0, ‘ness,’ see, in/on this/you #0, Outer Physical Plane, has a ‘duplicate?’ in/on the Inner Planes. This first duplicate = AS YOU! – Conscious, as a ‘ness,’ ‘go back up/in,’ IS! the/your - #1, Malkuth Earth/Hades Plane, then followed, by/with the rest, of the Inner Planes, to the near top Plane where it = the/your ‘object,’ ‘circumstance,’ ‘thing,’ and/or ‘it!’ = ceases to ‘exist,’ as a form, and becomes a/an ‘Archetypal Idea,’ only, and then, on up, to pure energy feeling.

It should be obvious to any knowledgeable(?) thinking person, that the understanding of the ‘double-ness,’ of manifested, #1 &+ #0 = existence, could/should(!) suggest all sorts of expanded possibilities, of/for, the/your = #0, physical manifestation? which should be taken into consideration in, your, every physical action in/on this/your = #0, Outer Physical Plane!?

The basic – three-plane, ‘cup,’ – exercise!?

The basic – cosmic egg – exercise!?

The basic – chair – exercise!?

All ‘are,’ the same/one exercise? demonstrating/explaining(?), to you – Conscious, as a ‘ness,’ the ‘truth,’ of Ophiel’s statement above!/? Ophiel continues;

“Now to resume the Talisman idea, in connection with the doubleness of all things in your daily life/living. You, then, are surrounded on all sides by ‘Things,’ material things, which are the outer, ‘hard,’ exhibitions of Inner Realities. Only the thought – the basic thoughts of things, the archetypal patterns, are REAL.

The outer Physical Plane exhibition, of those archetypal thoughts, are the RESULTANT and are not the ‘Real.’ This type of reverse thinking is what will help release you from the thrall of matter.

Now, in the way that you expand your daily thinking so that you regard these outer physical manifestations as usable sources of Power, is the different way you can make Talismans out of your environment.” End quote. (Underlines, are the present

writers.)

Cup; Egg; Chair ‘exercises,’ are of the ‘same,’ = **Reverse Think**-ing!

**But!**? = the/your = cup/egg/chair ‘exercises,’ **are for!**? = the/your #1, malkuth earth/hades plane-**psychic-tactile-feel**-ing, **reverse-ness**; adverse; resistance; obstacle!?! = **AND!** – SO TOO/ALSO/AS WELL!?! – is/are the/your = TATTVA SYMBOLS!?! = **AT! AT!** – The/your = #1, Malkuth Earth/Hades Plane!?! Ophiel continues:

“(Maybe at this point I had better repeat the ordinary idea of a Talisman. A Talisman is an object which, when magnetized/charged, creates an incoming source of Power/Force to your immediate sphere. Now recall all I said previously about the great Magical Agent as a life-water-flowing-wetting-soaking idea.)” end quote.

Context, for us, reads; A ‘Talisman,’ is a/an, #0, Outer, outer physically physical ‘object?’ = WHICH **BEST(!) EX-PRESS-ES** = the/your = #1, Malkuth Earth/Hades Plane = **PSYCHIC-TACTILE-FEEL**-ING!?! = **WHICH TAKES PLACE/HAPPENS?** = IN/ON THE/YOUR = **NOW-TIME** - #1, MALKUTH EARTH/HADES PLANE ‘**AND!**’ TO/ALSO/AS WELL AS = IN/ON THE/YOUR = **REAL-TIME** - #0, OUTER, OUTER PHYSICALLY PHYSICAL EARTH!?!

Ophiel continues;

“**So, this then is the picture you should now have of yourself and your environment in this sense that we are discussing it here.** Take for example, your home. There in your home you are, surrounded by a mass assemblage of material things/objects. **You now know that these objects are “outward” exoteric, externalizations of “inward” esoteric idea images/feelings.**

It is possible for you to turn to any one of these external objects and, by invoking “It,” carry yourself back to the beginning of all things physical. Conversely, it is also true that you can start with basic archetypal images/concepts, and create/direct them “down” into your environment, your Sphere of Availability. (See Ophiel’s second book, The Art, and Practice of Getting Material Things through Creative Visualization.) Now you should have some good clear ideas as to why, Talismans, work, and also why Creative Visualization can work.” End quote. (Underlines are the present writers.)

Context is;

So, this then, is the picture you should now have of yourself and your environment, in the sense, that we are discussing it here = EACH ‘OBJECT,’ IN YOUR ‘HOME,’ = **SHOULD?** for EXAMPLE!?! = **HAVE!?** **CARRY!?** – A ‘**DEFINITE!**’ = **PSYCHIC-TACTILE-FEEL**-ING!?! There, in your home, you are, surrounded by a mass assemblage of material things/objects. **You now(?) know(?)** that these objects are #0, outward = exoteric, externalisations of/for, inward = esoteric, internalisations of/for = **your!** #1, Malkuth Earth/Hades Plane ideas/images/feelings = **AS!** THE/YOUR – **PSYCHIC-TACTILE-FEEL**-INGS!?!

Big, Big ‘Occult?’ now, **if(?)** you, the reader, are ready for it!?

1. There is/are, **no** – **psychic-tactile-feel**-ings!?! = in/on the/your #0, outer, outer physically physical plane!
2. There is/are **only!** – **psychic-tactile-feel**-ings!?! = in/on the/your #1, malkuth earth/hades plane!
3. There is/are, **no** – **psychic-tactile-feel**-ings!?! = in/on the/your #2, etheric plane!

Accepting this, the above 1; 2; 3; will/shall **also!**? help/aid, to ‘release?’ you – Conscious, as a ‘ness,’ from the ‘THRALL,’ (En-slave-meant,) of #0, Outer, outer physically physical earth; #1, Malkuth earth/hades!?

1. #0, outer physical plane – action/doing = use; uses; use-ing; used!
2. #1, malkuth earth/hades plane – **psychic-tactile-feel**-ing = define; three-dimensional-ise; symbol-ise!
3. #2, etheric plane – clairvoyance = reflect; repeat = dream/visualise!

Most people/occultists(?) fall down/trip, at the ‘separation,’ of the planes, as that is ‘not?’ what is ‘out there?’ in wider/wilder, general ‘occult,’ field/world? (So what? who cares?)

“In simple words, there is you and what surrounds you, your Sphere of Availability. Also, let us this time call it, your Sphere of Sensory Impaction. **This Sphere of Sensory Impaction which surrounds you EITHER STIMULATES YOU, ONE WAY**

OR THE OTHER, UP OR DOWN, OR YOU STIMULATE IT. This, stimulation, is the measure of your success in this Physical Life. Either you take hold, and make your Sphere of Sensory Impaction, your charged Talisman, or the incoming Sensory Impaction, will control you – will, charge you – and will make you, their Talisman.” End quote. (Underlines are the present writers.)

Very, very, very! Powerful statement from Ophiel, in the above quote! The/your = Basic Cosmic Egg and/or Basic Chair exercise, is/are!? = FOR!? = THE/YOUR ‘SPHERE OF SENSORY IMPACTION!?’ = COSMIC EGG!?’ AT! = THE/YOUR #1, MALKUTH EARTH/HADES PLANE = PSYCHIC-TACTILE-FEEL-ING!? LEVEL!?’ Context reads;

In simple words, there is you, and surrounding you = Conscious, as a ‘ness,’ is, the/your Basic Cosmic Egg = Aura! This/your, Egg/Aura - stimulates you, - conscious, one way or the other = up/in or = down/down out!?’ - or you – conscious, as a ‘ness,’ = stimulate ‘it!’ (your = aura/egg.) this, ‘stimulation,’ is!?’ the most ‘powerful!!’ = at!!’ = the/your #1, malkuth earth/hades plane = psychic-tactile-feel-ing!? – and is, will be!?’ the ‘measure!?’ of your, #0, outer, outer physically physical ‘success,’ in this, your = #0, outer, outer, physical life/level/plane!?’ Because? in/on the/your #1, Malkuth Earth/Hades Plane ‘IS!?’ Belief; Believe; Believed; Believe-ing!?’

#1, Malkuth Earth/Hades Plane – IS!?’ – THE ‘PRISM?’ – THROUGH WHICH ‘COMES,’ THE/YOUR = #0, Outer, Outer Physical Plane!?’ Use; Uses; Used; Use-ing!?’

Can you? Are you? the reader; operator; practitioner; occultist(?) = ABLE? – TO UNDERSTAND!!’ THE TWO LINES ABOVE!?’ So, Ophiel next writes:

“So now, back to the Talisman idea/principles. In this chapter, I have presented the heretofore Occult secret, Solomon never spilled a word about it (and neither did Barrett) one of those big Occult Secrets, you hear so much about. Well, there it is: YOUR ENVIRONMENT/SURROUNDINGS – YOUR SPHERE OF SENSORY IMPACTION – IS ONE GIGANTIC TALISMAN - and how you treat/handle/charge it, is the, measure of your success, in living your Physical Life. You must generate, draw, and pass through your body a great amount of Force (Astral Light/Power,) so that you CHARGE your surroundings, “magnetize your surroundings,” to use the older word, your “Sphere of Impaction,” to use the new word; so that your surroundings become saturated (revisualize the Astral Light as “Water” as taught previously) with Prana coloured by your body personality.” End quote.

Context reads;

So now, back to the Talisman idea/principles. In this chapter, I have presented the heretofore Occult secret, Solomon never spilled a word about it (and neither did Barrett,) one of those big Occult Secrets, you hear so much about. Well, there it is: YOUR ENVIRONMENT/SURROUNDINGS – YOUR SPHERE OF SENSORY IMPACTION – IS ONE GIGANTIC TALISMAN - and how you treat/handle/charge it, is the, measure of your success, in living your Physical Life.

You, Conscious, as a ‘ness,’ must generate, draw, and pass through your #1, Malkuth Earth/Hades Plane Body, a great amount of, PSYCHIC-TACTILE-FEEL-ING (Astral Light/Power,) so that you, #0, ‘CHARGE,’ your surroundings, PSYCHICALLY-TACTILELY-FEEL-ING = your #0, surroundings, to use the older word, your ‘Sphere of Impaction,’ to use the new word; so that your #0, surroundings become saturated, with the Astral Light, as, PSYCHIC-TACTILE-FEEL-ING, as, taught previously, with Prana, Judged(?), by/with, the/your #3, Ego Body Personality.

“You do not create any Prana. Prana is another useful name for the four Elemental Forces and the four together collectively create the fifth called Akasha, and all of these Elemental Forces together, combined, are

called Prana. This Prana, because it shines, or glows, to the Inner Sight, is called the Astral Light. This Prana flows into this Physical System, symbolized by the diagram of the Tree of Life, into the “top” and proceeds on down.” End quote. (Underlines are the Present Writers.)

Context, reads;

You = #0, Outer, Outer Physically Physical you = do not create any Prana. Prana is another useful name for the four Element Forces, and the four together collectively, create the fifth called Akasha, and all of the Five Basic Element Forces together, combined, are called Prana. This Prana, because it shines, or glows, to the Inner Sight, is called the Astral Light. This Prana flows into this Physical System, symbolized by the diagram of the Tree of Life, into the top – Kether, and proceeds on down, to the bottom – Malkuth!?’ But...! Malkuth Earth, IS NOT! #0, Outer, Physical Earth! (See/read Ophiel, for this; his book:

The Occult; his chapter: Elemental Water.)

Then this part;

“Much of the/your future life’s work you will have to work out for yourself, along your own personal and individual lines, as, contrary to the advertised impression the contents of magical books give, they are only basic guides. No one can run your life for you but yourself. No one can make a Talisman for you, but yourself.” End quote. (Underlines are Ophiel’s.)

Much of the/your future life’s work, you will have to work out, for yourself. No one, can run your life for you, but yourself. Hence, why it is ‘important,’ to read this/these ‘monologues,’ as monologues. Simply letting them, enter into your subconscious, as a series, of ‘ness,’ statements, to be used(?), as and when, needed/necessary!?! Ophiel finishes his book; Talismanic Magic, with this:

“What I have said in this chapter is somewhat new, in that I have connected up several other lines of different thought to show that back of everything physical are a few great Basic Facts and that these facts can be used in many different ways to accomplish many different kinds of results. So, to repeat again and say it in another way, again for emphasis purposes, you OPEN yourself to the further flow of Prana through you (just knowing about it opens it up for a start, thinking about it does it too, more). And as your flow of Prana increases, so does your flow of Power. This is really all there is to it except as you learn to increase and intensify the flow as you grow. And this growth merges into control – the aim of all Occult practice.” End quote.

Context reads thusly;

What, has been presented, in his/this chapter, is somewhat new, in that, you(!) have to connect-up, several other lines of different thought, to show that back of everything #0, outer physical, are a few great Basic Facts and that these facts can be ‘used?’ in Many different ways to accomplish many different kinds of results. So, to repeat again and say it in another way, again for emphasis purposes, you OPEN yourself, to the further flow of Prana through you (just knowing about it opens it up for a start; psychically-tactilely-feel-ing it, does it too, more). And as your flow of Prana = psychic-tactile-feel-ing, increases, so does your flow of Power. This is really all there is to it, except, as you learn to increase and intensify the flow, the/your - psychic-tactile-feel-ing, as you grow. And this growth ‘merges,’ into control – the aim of all Occult practice.

Try, if you can, to ‘see?’ where? the/your basic cosmic egg and/or basic chair exercises, ‘fit?’ into the above information, from Ophiel, and try to ‘work,’ it, for yourself!?! The ‘Tattva,’ symbols, are simply ‘prisms,’ through which, comes, ‘configured,’ Inner Light waves/patterns, in ‘vary-ing,’ degrees of intensity; density and luminosity, and even though, the/your #1, Malkuth Earth/Hades Plane = IS! = BLACK-on-BLACK! BLACK-ASTRAL-LIGHT!? = YOU! – CONSCIOUS!?! – AS A ‘NESS!?’ = STILL! STILL! = Psychically-Tactilely-Feel = IT!?! = AS? – Adverse! Opposed! Obstacle! = FROM WHICH!? = YOU! – CONSCIOUS, AS A = #0, OUTER, OUTER PHYSICALLY PHYSICAL = NESS!?! = WORK-OFF-OF/FROM!!?

Thank you.
