## 6 of 18 it is what it is. 2023

Here is what Ophiel writes, farther on, in his; The Astral Light, 4<sup>th</sup> Edition, newsletter:

“There is one Occult Knowledge/Fact that we can use now. This Knowledge, is the knowledge, of the Occult phenomenon, called the Group Soul (for want of a better name). Some reference was made to Group Souls in a previous vignette, please check there for it. This word ‘Group Soul’ came from theosophy, and seems to mean (whatever it actually is) that conglomerates of any and all kinds have (roughly speaking) an organisation on the Plane above this one, the Etheric Plane, in which all similar things are connected together, and can be pictured as a great cloud-like shape even coloured and having characteristics to identify it, which cloud-like shapes must be ‘helped’ by your imagination, and can be moulded and helped by your imagination. For example, way on the ‘upper’ Etheric would be a conglomeration in which all ‘Earth’ things connected with, say automobiles, and are ‘connected.’ (You’ll have to work to understand this but this is the way all things are and the sooner you grasp this, and understand it the quicker you learn to work Magic). Your imagination can mould the automobile Group Soul into the ‘form’ of an automobile, for example!!!” End quote.

Straight to context:

There is one Occult Knowledge/Fact, that we can use now. This Knowledge, is the knowledge, of the Occult phenomenon, called; **the Group Soul** (for want of a better name.) Some reference was made to Group Souls in a previous vignette: How To Become A Power, in your Town; Lodge; Group. Please check there for it. This word, Group Soul, came from theosophy, and seems to mean (whatever it actually is,) that conglomerates, of any and all kinds, have, (roughly speaking,) an organisation, on the Plane above; over; higher; before and in front, of this/your, #0, Outer, outer physically physical one, the #1, Malkuth Earth/Hades Plane, in which all? similar things, are connected together, and can be, **Psychically-Tactilely-Felt!?** as a Defined; Three-Dimensional; Symbolical; shape? in the Dark-ness; Black-ness; Blind-ness, and having, #0, characteristics to identify it, which shapes/forms, must be helped, by/with, the/your, **Psychically-Tactilely-Feel**-ings, and can be moulded, and helped, by/with, the/your, Imaginative handling of them?

For example, the way? to do? this, #1, handling of them, is to sense/feel, for the/their, resistance; Adverse; Opposed; Obstacle; in/on the/this/your, #1, plane, which is/would be, a conglomeration, in which all #0, Earth things. connected with, say automobiles, and are connected.

(You’ll have to work to understand this, but this is the way? all things **are** and it is, what it is. The sooner you grasp this, and understand it, the quicker you learn to work Magic.)

Your, **Psychically-Tactilely-Feel**-ing, can mould/shape, the automobile Group Soul, into the **form** of an, automobile, for example!!! And you, the operator/occultist(?) use-ing this, **CAN WORK-OFF-OF/FROM IT!?** THE/THIS, **RESISTANCE!?** **INERTIA!?** **IMMOBILE!?** **FIXED!?** **FORCE!?**

Imagine, if you can, what it would be like? if you, the reader/occultist(?), could look at a/an; Object; Circumstance; Thing and/or IT!?. And then, knowingly; deliberately; purposefully; consciously, take it, and put/place, your, **it**, inside you, and, **PSYCHICALLY-TACTILELY-FEEL-IT**, Object; Circumstance; Thing!?. SO THAT IT!?. **NOW FEELS, YOUR POWER, AND!?** **YOUR, GLORY!?**

Power = to be able; Glory = from the Greek word; Kleos = repute; reputation; renown; fame = **Psychic-Tactile-Feel**-ing!?

Side note; The Greeks used the word Kleos, to describe/explain, the Hebrew word, Doxa = expectation; heavy, and it was, in the Latin, that the word; Kleos, was/is, presented as Glory? End of side note.

In the Latin, their word Glory = praise; credit; value; worth = Worship!?. All this, will I, give you IF!?. you!?. fall down? come down? and will worship, ME! = Value me? Honour me? Give me(?) MY PLACE!?. MY POSITION!?. MY!?. GLORY!?. Now, here is the/your, straight occult!?. No, bullshit!?. (Papal/religious Bull/Letter, shit!?)

You! the reader/occultist(?) would have to take, the above, information, from the present writer, and turn it? (the information!) into a/the/your, **PRACTICE TECHNIQUE!?** **OCCULT!?**

So! Try this!?. = **EVERY THING? EVERY PERSON? = HAS THE/THEIR = OWN!?** – KLEOS!?

So! Try this!?. = **GLORY = PSYCHIC-TACTILE-FEEL-ING!?**

**SO THAT = IT NOW FEELS, YOUR POWER!?, AND, YOUR GLORY!?**

**YOUR GLORY, YOUR POWER, AND IT**, Object; Circumstance; Thing, **BECOMES YOU!?** Ophiel explains all of this, in his lesson five, of his; Astral Projection, Correspondence Course. Remember this, from the above context.

For example, the way, to do this, #1, **handling of them**, is to sense/feel, for the/**their, resistance**, Adverse; Opposed; Obstacle, in/on the/this/your, #1, plane, which is/would be, a conglomeration, in which all, #0, Earth things, connected with, say automobiles, and are connected. (You'll have to work to understand this, but this is the way? all things **are** and it is, what it is. The sooner you grasp this, and understand it, the quicker you learn to work Magic.) Your, **Psychically-Tactilely-Feel-ing**, can mould/shape, the automobile Group Soul, into the '**form**,' of an automobile, for example. And you, the operator/occultist, use-ing this, **CAN WORK-OFF-OF/FROM IT!?** THE/THIS = **RESISTANCE, INERTIA, INERT, IMMOBILE, FIXED, FORCE!?**

The **GLORY!?** of the New Car? = **IS NOW(?) IS BECOME(?) = YOUR GLORY!?**

Side note; the above information/explanation, can be/should be, taken and examined closely, to/with the, Ole Crazy book, talk, The/your, **Father!?** which art in **Heaven? is! is!** the/your, **psychic-tactile-feel-ing!?** and the/only thing? that is going to show/reveal this to you? the reader, occultist!? **is! is!?** daily practice!?. In the/your, basic cosmic egg and/or basic chair exercises, in the prescribed manner/method/way!?

Note; Heaven is **not! not!** a PLACE!?. It, Heaven, **is!** a state/condition!?. (Levels!?) (Planes!?)

Here is what Ophiel writes, in his; News Letter. The Astral Light, 3<sup>rd</sup> Edition:

"AL-KEMY --MESSAGE ON THE EMERALD-- In the last issue you were given the first translation of this message. This translation is used by a school in Cal. as a small part of their work. The translation to follow, came from a book published by Mr. Manley Hall:

"It is true, no lie, certain and to be depended upon. The Superior agrees with the inferior, and the inferior (agrees) with the Superior, to affect that one truly wonderful work. As all things owe their existence to the will of the only one so all things owe their origin to the one only thing. **The most hidden, by the arrangement of the only God:** The Father of that one only thing, is the Sun. Its mother, is the Moon. The Wind carries it in its belly. But its Nurse, is a Spirituous Earth. That one only thing (after God,) is the father of all things in the Universe. Its power is perfect after it has been united to a Spirituous Earth." End quote.

Now! You either know/understand, or you don't? If you don't? you simply have to read more, and/or practice more, and **IT!?** the **know-ing**, will/shall rise softly, into your, Conscious-ness!?. Once again;

Superior = #2, Etheric Plane = Reflection/Visualisation!

Hence!/? Basic Cosmic Egg and/or Basic Chair exercises, for the/your = #1, Malkuth Earth/Hades Plane!/?

The next part, from Ophiel's; News Letter: The Astral Light, 3<sup>rd</sup> Edition, reads thusly for us:

“PROCESS -- FIRST DISTILLATION ---- Separate that spirituous Earth from the dense (Earth) or crude, by means of a gentle heat, with much attention. LAST DIGESTION --- In great measure it ascends from the earth up to heaven and descends again new born, on the Earth, and the superior and the inferior are increased in power. By this (work) thou wilt partake of the Honours of the whole world. And darkness will flee from thee” End quote.

Ophiel finishes with this; “USE --- This is the strength of all powers. With this thou wilt be able to overcome all things and to transmit all what is fine (Sun, Moon) and what is course, (Zeus, Saturn, Venus, Mars, Mercury). In this manner the (physical) world was created; the arrangements to follow this road are hidden. For this reason, I am called Chiram-Telat-Mechasot: One in essence but three in aspect: In this trinity is hidden the wisdom of the whole world. It is ended now what I have said concerning the effects of the Sun.

This is the strength of all powers = #1, Malkuth Earth/Hades Plane!

With this = #1, Malkuth Earth/Hades Plane!

Thou = Conscious, as a ness.!

Will be able to overcome = **Psychic-Tactile-Feel**-ing!

Ophiel then continues with this;

1. Which translation do you like best?
2. Which translation do you best understand?
3. What (very important) do you think IS the great message of this writing?
4. What do you think the following means? The sun is its Father; the Moon is its Mother?
5. What do you think The wind carries it in its belly means? (Note that this wording is the same in both).

6. What does, it ascends from the earth, up to heaven and descends again, New Born, on the earth mean? To you?!
7. What does the words, only one mean, to you?
8. What does, Spirituous Earth, mean to you? (How can Earth be spirituous?).
9. What does by, means of a gentle heat mean to you?
10. What does; and darkness flee from you, mean to you? End quote.

Here is, the present writers 'replies,' to the above:

1. The present writers, translation; Two Earths, is the best translation, as anybody/everybody, can now make IT = Astral Light – **WORK-FOR-THEM!**
- 2, The present writer, has yet to meet the person, who doesn't understand, the; Two Earths, best.
3. That when a person reads it, they are, no farther on, in their occult, than they were at the start.
4. Sun = Astral; Moon = Etheric.
5. Wind = Causality of Movement; The Action of Doing; Unseen, Until it STOPS?
6. Ascend = Assume; Descend = Polarity; New Born, on the earth = #1, Malkuth Earth/Hades Plane.
7. Only one = Demiurge/Astral Light from Kether to Malkuth.
8. Spirituous Earth = **Psychic-Tactile-Feel-ing**.
9. Gentle Heat – continuous effort/exercise, until skill/art/technique are developed. **Working-Off-Of/From** #1.
10. To be able to, see? in/on the #1, Malkuth Earth/Hades Plane, through/by/with = **Psychic-Tactile-Feel-ing**.

You, the reader, occultist(?) should be able to make a list of your own, as Ophiel writes, so that you can see/read, in a 'tangible form?' exactly what, IT, IS!? for you, personally; but... in and of ITS, self = IT IS, WHAT IT? IS? (Get IT?? NOW??)

Thank you.
