file corrections. 2024

Hi, guys!

How we doing? it has been brought to my attention, that in the series of, monologues, 1 to 17, Light of the Earth, that there is (again!) duplicates repeated, the present writer is very grateful for the member who point these out. The present writer, shall just simply post, the ones that should have been there, and all you have to do, is to put them, in numerical order, at your end.

The copy files in question, are those of, #3 and #5, both of which, are copied of in the files, numbered, #5 and #6.

Thank you.
