The human inheritance, in the realm of, what is called/name 'MYTH!?' was destroyed, by/with; Organised Religion. A casual study of all 'Religions,' are shown to be based, on hatred; fear; oppression, by organised, functional 'psychotics,' who advocate, that anything that does not 'adhere,' to the/their 'narrative,' must be 'eradicated,' 'discredited,' 'exterminated,' there has never been, nor ever will be, a Religion, that delivers, on their promise!?! Even though the/that/this = evidence? is out there, for all, to, see? Still, it persists?

In the Greek, 'mythos,' was a, thought/speech pattern, which discoursed, anything which was delivered, by mouth, rather than by, demonstration or presentation. Word, conversations, discourse, thoughts, opinions, etc, all delivered, by mouth. The word 'mythos,' itself, may be from, Pre-Greek. In general discourse, educated Greeks, would accept, in face of, no other proofs, offered, what was presented before, as being true.

It was not until, the 'cult,' of personalities, as 'actualities,' was presented, that much of the 'Artistic,' licence, was lost, and the, Zealots, took over, with backing of the, ruling political and financial, classes/organisations, of the/their, day!?! Once the/their Gods? Became 'actualities?' then there were, only the 'official?' religious/political, line to be followed. It was/is, at this 'point,' that spontaneous art died, until the Renaissance.

It is the 'artistic?' expression = doing/acting/expression, that has been 'sucked-out?' of the 'would be – occultist?' so much so, that instead of, letting the 'inspiration?' rise to the 'surface,' of their, Conscious, they/these – occultists? literally, want it = inspiration? – on demand, to come to them!?! The 'sacred?' techniques? practices? which had stood the 'test,' of time, based on personal experiences, were washed away, in the, Political and Religious Fanatics, and was broken, and their heritage, destroyed, in the name of 'Orthodoxy,' and 'Conformity!?!' Where they are become, 'Parables?' in themselves!?!

Parabolē = a comparison; From the Greek; parable = to throw/cast, beside. From, para- = alongside + bole = cast. Related to; ballein – to throw/cast/project. From the PIE Root word; *gwele- = to throw/reach. (See/Read Ophiel's book; The Occult, for this.) Essentially, any benefit, from organised religion, is long past, and long gone!?! There is/are, now, too many 'opportunists!?!' and 'Glory!?!' seekers, in high places, both religiously and politically, to make/create, any kind/type of stability/longevity, for the masses.

Today, in the 'modern?' world = THE ART & PRACTICE OF/FOR **SYMBOL**-ISM!?! is referred to, as 'BRAND-ING!?!' (PIE Root word; *gwher- = to heat; warm; thus, to draw forth, as from a fire. to attract.)

There is/are, many #0, Physical 'things,' which attracts/draws, the present writer to them, and them, to the present writer; art, music, dance, adventure, mythology (thus, epic fantasy?) sports. Strangely enough? not religion, politics. Living in a 'sea,' of mindless 'morons,' with their endless, babbling, being 'tossed and thrown,' like 'chaff,' in the wind, being 'winnowed,' by/with, underhanded business groups or reduced to automatic zombies, who are so stupid, as to be 'dangerous,' = as in – torches; pitchforks; ropes, and 'knocking at your door!?!' (Much like your e-mail!?)

Example; When the present writer, was asked about 'race-ism?' they replied, that there was no such thing, as 'race-ism,' and that it didn't exist, as such. That it was a/an, American 'export?' via the, early, T.V. programs!?! Oh, my God! (if there is, such a thing!?) Then, when the present writer was told!?! to explain themselves, things went from bad, to worse!?! Especially, when the present writer, explained.

First thing the present writer asked, the 'hee-haw,' brigade, was = What is an, -ism? When a female told the present writer, that their comment, was a bit 'sexist?' the present writer, asked them, what is 'sex-ism?' The female replied 'I am not really sure?' (The word was first used, in 1969, by an American, female student, at a college debate, in presenting, that her gender, was used against her, to keep her down, in her 'place?' by her male counterparts = hence – Sex-ism.)

Then, when the present writer gave/presented, their 'definition?' of a 'Racist Pig/Person,' to the female, they were talking to....! that was it!?! AAAAAARRRGGGGGGhhhh!?!

Definition; A racist pig, is anyone who 'defines,' themselves and other persons, as a 'Colour?' A racist pig, will defend themselves, to the 'death!?!' and offer violence, to anyone who tries to present, them and other 'colour?' people, as human beings. A racist pig, will always put their 'colour?' first, before they would admit, that they are, actually, factually, literally = a 'human being.' No, human being, is born a 'colour!?!'

Two of the present writers, favourite Americans, is/are; Dr Martin Luther King and the comedian, Richard Pryor. Richard Pryor's epiphany, came to him, when he spent six-months, in living, South Africa, and when he came back to America, he said, that he was finished, with the 'nigger,' word. That it was a/an, American word, and he was finished with it. (See/watch, documentary = I AM RICHARD PRYOR.)

Epiphany, from *'epiphanes = to manifest; be conspicuous. From; epiphainein = to manifest; appear suddenly; come into view; to be revealed; From epi = on; to + phainein = to show.*

Spanish word = Negro – Black = colour.

American slang word = Nigger – Black = colour.

Only the political racist pig; associates the word Negro = Black as 'Slave?' which it is not!? But...! The 'racist pig!?' would/will/shall 'attack,' 'hurt,' 'harm,' anyone/everyone, who says 'differently!?' because it is a/an 'attack?' 'slur?' on the/their = Colour?? (These people/persons, are the 'real!?' nut-jobs!?)

These ignoramuses, don't, can't, won't and refuse, to refer to individuals, as having a 'skin-tone?' = BECAUSE IT TAKES AWAY!? THEIR 'IDENTITY!?? TAKES AWAY = WHO/WHAT!? THEY ARE!? = A RACIST PIG!?! (See/definition of, in the above.) A, persons/individuals, 'skin-tone,' should simply be that! A skin-tone!? WHICH IS A DESCRIPTIVE!? TERM!? AND NOT! NOT! A RACIST TERM!!?

Oh! my God!?! Did these people go, Ape-shit!?! Fortunately, the present writer, is, extremely violent, (Enthusiastic, doesn't quiet cut it!?) when it comes to self-defence.

Another time, when some bozo, told the present writer, that they were 'honouring their African 'roots?' by/with their 'African Style?' the present writer asked them; Have you ever been to Africa? No, was the reply? Have you! they asked? Yes, was, the present writers, reply, several times? (The present writer, has a 'milky?' white? skin-tone?) Then, like a 'red rag,' to a 'bull!?' they said; My African culture, is my heritage? My ancestors, came from Africa!? This 'dingo!?' actually stayed in, London!?

The present writer, takes a 'deep breath,' and replies carefully, so what? shit head! EVERYBODY CAME/COMES, FROM AFRICA!?! EVERY HUMAN BEING, IN/ON THE F'n PLANET!?! COMES FROM AFRICA!?! AND SCIENCE!?! CAN PROVE IT!? WE ARE ALL! ALL! AFRICAN!?! WE ARE ALL HUMAN BEINGS!?! Well, what a waste of time, that was/is!?

Imagine? wiping out race-ism, simply by/with referring, to a person's/individual's, skin-tone? Rather than identifying the individual as a 'colour?' and thus, intentionally/unintentionally = reducing them to a 'colour?'

Another example, of the 'state-of-mind,' of many persons, now, in the 'digital-world!?' The present writer, likes America, very much, but unfortunately, it is no longer there? It is 'gone?' as a 'National Identity?' and the way to see/it, observe it, is to listen to Americans, today, as they 'speak/talk?'

Hi/hello!?! My name is; Shaun O'Creepy, and I am Irish American!

Hi/hello!?! My name is, Mandingo Smith, and I am African American!

Hi/hello!?! My name is, Rosseta Phat-Fernandes, and I am Mexican American!

Hi/hello!?! My name is, Guntar Fritz, and I am German American!

Hi/hello!?! My name is, Rachel Haddid, and I am Jewish American!

Hi/hello!?! My name is, Opechancanough, and I am American, American!

Ask any 'hee-haw,' American, what it says, in their declaration of independence, and they will 'struggle?' with the answer, which the/their forefathers? Gifted to them, and which, Political/Business/Commercial America, has 'lost?' Here, is what the/their, American Forefathers, gifted to them; WE THE PEOPLE!?!

Notice? Not = WE! the African-Americans? WE! the Irish-Americans? WE! the Mexican-Americans? WE! the Irish-Americans? WE! the European-Americans? WE! the Democratic-Americans? WE! the Republican-Americans!?! NO! The American Founding Fathers, were much, much, more, cleverer/smarter, than that!?

They/these, founding fathers wrote = WE! THE PEOPLE!?! (A 'Homogenous,' Identity, of Self, as a Nation!?!) but....! because, of the advent, of 'digitisation?' and 'individualism?' at the 'front line?' service point? All, of the past history, of 'their world,' is being, drained/washed away!?

There is/was, a very, saliant point, to all of the above, in that, the now present accelerated, bio-degradation, of the Planet, is drowned out? Because of? this, 'new-world-order-phenomenon?' of outside forces, gaining access, to the individuals, in a/any 'nations?' mind-set? And 'manipulating?' them!?

The last time the present writer, got into trouble, was with, the, racist colour pigs, was, yes, you guessed it; Black-Lives-Matter!?! When the present writer, presented/pointed out, that; ALL-LIVES-MATTER!?! that was it!?! AAAAARRRRGGGGGGGhhhh!?! Me! Me! Me!?! = MY 'COLOUR!?!' MY 'COLOUR!?!' But... you are, not!?! a 'colour?' you are a person!?! AAAAARRRRGGGGGGGhhhh!?! NO! NO! NO! I WANT TO BE A 'COLOUR!?!'

Imagine teaching children, that a person's/individual's, skin-tone, is a 'descriptive?' term, and that the person, is actually, factually, literally – a human being, just like me!?! Why don't the 'hee-haws?' the 'donkeys?' put up a sign; JUST LIKE ME!?! OR? THIS IS ME!?! OR, YOUR DOING THIS TO ME!?!

One of the funniest!?! Extremely most 'amusing?' of the 'Hee-Haws?' is/are those, who think, that they can 'relive?' history? That Americans, should be paid money? Because of what happened, took place, over two hundred, years ago? The Racist pigs, want money, for 'colour?' And the 'donkeys?' are seriously thinking, of paying them!?! Are you kidding me? You cannot? relive history!?! What you are!?! Supposed to DO!?! = IS TO LEARN!?! From history!?! THE/YOUR 'MISTAKES!?!' SO THAT YOU!?! AND/OR, YOUR CHILDREN!?! DO NOT!?! REPEAT IT!?! (Well? how's that! working for you!?!)

When the present writer, was at school, long, long, ago!?! the 'donkeys = hee-haws?' would refer to 'mixed,' marriages? (As if? male and female? Weren't/Aren't? mixed? Enough?) and then, they would refer to 'racial?' 'mixed?' marriages? The question was 'asked?' = IF THERE IS/ARE, ONLY HUMAN BEINGS? IN/ON THE PLANET? WHERE DOES THE 'OTHER?' RACE? COME FROM!?! (Straight to the Headmasters office!?! Disruptive child!?!) Yet, today, it is proven, scientifically, that the 'difference?' between any two individual, human being, is less than, one percent. It is widely accepted, in modern science/research, that the 'concept,' of 'separate/individual?' race, is a/an, invalid concept, that has, no biological validity!?!

So, that? when you, the reader/occultist(?) get to project/transfer, your 'conscious,' as a 'ness?' this 'homogenous?' 'one-ness?' will/shall – have a/an, definite? Effect? on you, the practitioner. (Think of all those 'practitioners?' who entered? The/these/their, inner planes, and then came 'back?' and waxed lyrical? About the 'one-ness?' of things!?!)

Now! Remember this? = when you, project/transfer, your 'Conscious,' as a 'ness,' into/onto, the other/higher planes, the/your = #3, Ego Body – Piggy-Backs!?! in/on Conscious, when it, Conscious, is in a 'ness,' state, condition!?! And, when you read, Ophiel's, Astral-Projection Course, you can read, where Ophiel writes; It was when I 'recognised?' these 'Dream Images?' were parts of myself(?) which I had 'rejected?' and when I started to 'work-with-them,' that was 'when!' they disappeared, which was when I took them back, into, myself.

There is/are, many 'prejudice's,' 'biases,' which we, practicing 'occultists?' do not know of? yet! which confronts us? in/on the/our 'inner-planes?' which we are not, #0/#3, Conscious of!?! But...! they are there!?! And! they are you! Ophiel writes about this, in his vignettes. The present writer, has simply pointed out, some of the more 'colourful?????' (descriptive term!!!!) of them.

When the present did this/does this, it is to 'reach-inside!?!' the individual and 'evoke?' their #1, so that the present writer, can 'asses?' them!?! the down side is, that the individual, feels very 'uncomfortable?' around the present writer, but...! they can't/aren't able to figure out, why? and then, they 'lash-out!?!' verbally/physically.

In Ophiel's writings, he compares; American vs Russian? Which is, too broad a brush stroke, whereas, the present writer, tends more, to/towards, the individual, in the; Real-Time.

In the above, is what is called/named, the 'path of an echo,' where the individual, gets back, what they send out, and in the Greek Myths, this was 'Narcissus,' whose name, supposedly(?) comes from the, Daffodill? Its fragrance, in the Greek, is; Narko – I grow numb!?! This 'Narcissus?' Narko – I grow numb!?! IS!?! THE MODERN, DIGITAL!?! WORLD, ABOUT YOU, NOW!?! The 'REFLECTIVE POOL?' OF 'NARCISSUS = IS!?! YOUR 'SMART PHONE!?!' (Oxymoron!?! If ever there was one!?!)

Also, in the 'broad sweep,' of the above, where, individuals, have been brought up, hate-ing, have been 'indoctrinated,' from birth, that 'other human beings,' are 'objects,' 'colours,' 'things!?!' 'inconveniences!?!' 'threats!?!' these, and other types/kinds/similarities, are waiting for you, in/on the/your – Inner-Planes!?! as 'backdrops?' of you!?! which you will/shall 'encounter/meet?' at some point/place? (As Ophiel, did!?!)

Well! Don't let things, like this bother you – Conscious, as there is 'only you?' Conscious, as a 'ness,' in there, In Your, Conscious!?! And, much like, there is/are, other people/persons/Conscious 'nesses?' like you 'here?' #0, so too/also, are they, are there, but...! They are 'NOT!?! IN YOU!?! Conscious 'ness?' They are, just 'in/on!?!' the same 'place/plane,' as you!?!

In all 'groups?' there is the 'schism?' the Elemental Earth/Force, which 'erupts?' and is 'seen?' in the #0, World, as 'other?' Religious 'hee-haws?' are, for the present writer, an endless source, of amusement, until they become 'Political?' and then, they are the most 'Dangerous of Slime?' as 'insidious,' **psychotics**, they worship, at the feet, of the Great Daemon!? = **ME!**?

They/these, religious/pious, holy-rollers/roarers!? Are the pious and nearest, to their 'GOD = **ME!**?' The world is full, of these types/kinds, and their Acolytes = The 'Politicians!?' who creep about, saying/telling, **their** people, that **they** are working hard, for **their** welfare!? Have any of these 'nut-jobs?' ever, actually, factually, literally!? Looked? At the world, about them? **NO!**? The/their, Great God = **ME!**? DEMANDS!? (AND **GETS!**?) THEIR FULL? CONSCIOUS-NESS? **ATTENTION!**?

So? = **WHAT IS? THE DIFFERENCE!? BETWEEN THEM!**? AND 'I,' THE READER/OCCULTIST!?

Well? = IN/ON, THE/THEIR!?! #1, Malkuth Earth/Hades Plane = THEY? = **DO NOT MOVE!**? **DO NOT LOOK-AWAY!**? **ALWAYS STARE!**? **AS A/AN = OBSERVER!**? INTO THE/THEIR 'POOL!?' = **AND THE/THEIR**, #3, EGO BODY – **IS!**? **THE CAUSE!**? **OF IT!**? (These persons/individuals, **have no empathy!**?)

The present writer, would always ask, the various religious 'nut-jobs,' they encountered with the bog-standard, questions; What makes you think, God is a 'Christian?' What makes you think, God is a 'Muslim?' Why does your filthy 'God!?' need you to wear, stupid clothes? How come, your filthy 'God!?' plays 'favourites!?' How come? The Christians and the Muslims 'pray!?' to the God of the Jews!? Who 'got?' their God? From the Egyptians!? How come, a 'crop-top,' penis, makes you? Closer? Nearer? to your 'God?' than I!?

Why is it? That with all your 'holy-ness?' the real world, the actual world, the bio-world? Is **dying**? right now? before your, very religious 'eyes?' and you, you 'nut-job!?' can't/don't/won't – see it!? Well, the 'answer is?' you, #3!? Can't Look Away Now? Can you/Do you? the reader/occultist(?) see/read, in this paragraph; The/your, #3, Ego Body – **diggy-backs!**? in/on, Conscious, when it, Conscious, is in a 'ness,' state/condition!?

The reason (one of,) for this 'monologue,' is to give a 'wider-view?' of the 'hidden/unseen,' personal/individual, forces, at work, within, individuals, and you!? at all times; 365/24/7!? But...! as soon as you, the reader/occultist(?) enter, the/your = Dark-ness; Black-ness; **Blind-ness!**? there should be a **silence!**? and this/your = #1, **silence!**? = **should be a/an** = **absence!**? of **move-ing/movement from?** = **ME!**?

STARE-ING = **IS!**? **A/AN!**? #3, EGO-BODY = **MOVE-ING/MOVEMENT!**? IN/ON THE/YOUR = #1, MALKUTH EARTH/HADES PLANE!?! = THAT/THIS!?! **IS!**? **WHY!**? – YOU, CONSCIOUS, AS A 'NESS,' **FAIL!**? IN/ON THE/YOUR = #1, MALKUTH EARTH/HADES PLANE!?

The above, is **why!**? you! the reader/occultist(?) #3, Ego Body = must learn/master, the 'art,' of **observation!**? = TO 'SEE?' WITHOUT LOOKING!?! TO 'SEE?' WITHOUT **JUDGE-ING!**? TO 'SEE?' WITHOUT **MOVE-ING!**? (As does, the narcissist!?) There is/are, members on the/this, particular Ophiel Magic Group, who still 'look = move?' for 'results?' whilst doing/practicing? the/their basic cosmic egg and/or basic chair exercises? This – looking for results? Flies, in the face, of Ophiel's, crazy book, quote, in his book; Creative Visualisation, his chapter; Law of Emotion = **believe you have it? already!**? = **THUS!**? = **YOU?** – Conscious, as #1, ness = **HAVE-NOT-MOVED!**? (The 'narcissist?' is always – **ME!**?' So, they – **do not move?**)

CAPITOLS USED, ARE FOR 'EMPHASIS,' ONLY!
